Whereas the Government of the United States, at the XIII Pan American Sanitary Conference in 1950, invited the Pan American Health Organization to make its permanent headquarters in the United States and offered a site for this purpose; and

Whereas there are many advantages for locating the Organization headquarters in Washington, where it can continue to enjoy close and mutually profitable working relations with the United States Public Health Service and other governmental, academic, and research organizations: Now, therefore, be it

Pan American Health Organization. Headquarters site.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That there is hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, such sums as may be necessary for the Administrator of General Services to acquire by purchase, condemnation, or otherwise, including any expenses of such acquisitions, the land in the northwest section of the District of Columbia, known as square 59, bounded on the north and south by Virginia Avenue and E Street, and on the east and west by Twenty-second and Twenty-third Streets, together with any building and improvements thereon.

AN ACT

April 22, 1960
[H. R. 529]

To discharge more effectively obligations of the United States under certain conventions and protocols relating to the institution of controls over the manufacture of narcotic drugs, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SHORT TITLE

SECTION 1. This Act may be cited as the "Narcotics Manufacturing Act of 1960". Narcotics Manufacturing Act of 1960.

NECESSITY FOR LEGISLATION

SEC. 2. The enactment of this Act is necessary for the following reasons:

(1) The Congress has long recognized that the manufacture, distribution, and use of narcotic drugs for nonmedical and nonscientific purposes endangers the health of the American people and threatens the general welfare. The Congress has enacted laws and the Senate has approved international conventions designed to establish effective control over domestic and international traffic in narcotic drugs.

(2) Until recently, most narcotic drugs were made from natural raw materials such as the opium poppy and the coca leaf, produced in limited areas of the world. In practice, control over the production of narcotic drugs could therefore be achieved by national and international restrictions over the production and shipment of these raw materials and their use to manufacture narcotic drugs.

(3) In recent years, however, technological advances have resulted in the development of new types of narcotic drugs, produced synthetically from a variety of generally available raw materials. As a result, controls over the production of narcotic drugs can no longer be maintained solely by controls relating to the opium poppy and the coca leaf.

(4) The United States has joined with other nations in executing international conventions intended to establish suitable controls over production, shipment, and use of all narcotic drugs. These conventions are not self-executing, and the obligations of the United States thereunder must be performed pursuant to appropriate legislation.

(5) In order (A) to discharge more effectively the international obligations of the United States, (B) to promote the public health, safety, and welfare, (C) to regulate interstate and foreign commerce in narcotic drugs, and (D) to safeguard the revenue derived from taxation of narcotic drugs, the Congress finds it necessary to enact a statute for the licensing and control of the manufacture of all narcotic drugs.

DEFINITIONS

SEC. 3. For the purposes of this Act—

(a) The term "1931 convention" means the Convention for Limiting the Manufacture and Regulating the Distribution of Narcotic Drugs, concluded at Geneva, July 13, 1931, and entered into force with respect to the United States of America, July 9, 1933, as amended by the protocol signed at Lake Success on December 11, 1946. 48 Stat. 1543; 61 Stat. 2230.

AMENDMENTS TO INTERNAL REVENUE CODE OF 1954

SEC. 4. (a) Subsection (a) of section 4731 of the Internal Revenue Code of 1954 is amended to read as follows: 68A Stat. 557. 26 USC 4731.

"(a) NARCOTIC DRUGS.—The words 'narcotic drugs' as used in this part shall mean any of the following, whether produced directly or indirectly by extraction from substances of vegetable origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis:

"(1) Opium, isonipecaine, coca leaves, and opiate;

"(2) Any compound, manufacture, salt, derivative, or preparation of opium, isonipecaine, coca leaves, or opiate;

"(3) Any substance (and any compound, manufacture, salt, derivative, or preparation thereof) which is chemically identical with any of the substances referred to in clauses (1) and (2);

except that the words 'narcotic drugs' as used in this part shall not include decocainized coca leaves or extracts of coca leaves, which extracts do not contain cocaine or ecgonine."

(b) Subsection (g) of section 4731 of the Internal Revenue Code of 1954 is amended to read as follows:

"(g) OPIATE.—

"(1) IN GENERAL.—The word 'opiate' as used in this part shall mean any drug (as defined in the Federal Food, Drug, and Cosmetic Act (52 Stat. 1041, sec. 201(g); 21 U.S.C. 321)) or other substance found by the Secretary or his delegate and proclaimed by the Secretary or his delegate (after considering the technical advice of the Secretary of Health, Education, and Welfare, or his delegate, on the subject) to have been so found in the Federal Register, after due notice and opportunity for public hearing, to have an addiction-forming or addiction-sustaining liability similar to morphine or cocaine or to be capable of conversion into a drug having such addiction-forming or addiction-sustaining liability, where, in the judgment of the Secretary or his delegate, the relative technical simplicity and degree of yield of such conversion create a risk of improper use of the drug or other substance.

"(2) TERMINATION.—The Secretary or his delegate is authorized to withdraw any previous finding that a drug or other substance is an 'opiate' whenever (after considering the technical advice of the Secretary of Health, Education, and Welfare, or his

delegate, on the subject) he determines that such previous finding was erroneous, and upon publication of such determination in the Federal Register, the particular drug or other substance shall cease to be an opiate. For purposes of the foregoing provision the Secretary or his delegate may consider any action taken pursuant to article 3 of the 1948 protocol (as defined in section 3(b) of the Narcotics Manufacturing Act of 1960)."

Ante, p. 55.

"(3) REGULATIONS, ETC.—The Secretary or his delegate is authorized to issue necessary rules and regulations for carrying out the provisions of this subsection, and to confer or impose upon any officer or employee of the Treasury Department whom he shall designate or appoint, the duty of conducting any hearing authorized hereunder.

"(4) CROSS REFERENCE.—

"For treatment of certain drugs as being, or ceasing to be, opiates for purposes of this part, see section 5 of the Narcotics Manufacturing Act of 1960."

68A Stat. 549.
26 USC 4702.

(c) Subsection (a) of section 4702 of the Internal Revenue Code of 1954 is amended to read as follows:

"(a) EXCEPTIONS FROM CERTAIN PROVISIONS AUTHORIZED FOR PREPARATIONS OF NO ADDICTIVE QUALITY OR OF MINOR ADDICTIVE QUALITY.—

"(1) If the Secretary or his delegate, either upon his own motion or upon the application of an interested party, after consideration of the report and recommendations of an advisory committee appointed under paragraph (4) of this subsection, and after due notice and opportunity for hearing, finds that a pharmaceutical preparation containing a narcotic drug combined with other active or inactive ingredients—

"(A) either possesses no addiction-forming or addiction-sustaining liability, or does not possess an addiction-forming or addiction-sustaining liability sufficient to warrant imposition of all of the requirements of this part, and

"(B) does not permit the recovery of a narcotic drug having such an addiction-forming or addiction-sustaining liability, with such relative technical simplicity and degree of yield as to create a risk of improper use;

the Secretary or his delegate may except such pharmaceutical preparation to the extent consistent with the obligations undertaken by the United States pursuant to the Convention for Limiting the Manufacture and Regulating the Distribution of Narcotic Drugs, concluded at Geneva, July 13, 1931, and entered into force with respect to the United States of America, July 9, 1933, as amended by the protocol signed at Lake Success on December 11, 1946, and the protocol bringing under international control drugs outside the scope of the convention of July 13, 1931, for limiting the manufacture and regulating the distribution of narcotic drugs (as amended by the protocol signed at Lake Success on December 11, 1946), signed at Paris, November 19, 1948, and entered into force with respect to the United States of America, September 11, 1950, and with the public health, safety, and welfare, from any or all of the requirements imposed by this part, other than those requirements imposed by sections 4721, 4722, 4724(a), and 4732, and from any or all of the requirements imposed by section 6 of the Act entitled 'An Act to prohibit the importation and use of opium for other than medicinal purposes', approved February 9, 1909, as amended by section 15 of the Narcotics Manufacturing Act of 1960.

26 USC 4721, 4722, 4732.

Post, p. 66.

"(2) In excepting any pharmaceutical preparation under paragraph (1), the Secretary or his delegate may, in his discretion, apply any or all of the following requirements:

"(A) Such pharmaceutical preparation shall be manufactured, sold, distributed, given away, dispensed, or possessed as a medicine and not for the purpose of evading the intentions and provisions of this subpart and subpart C;

"(B) Any manufacturer, producer, compounder, or vendor (including dispensing physicians) of such pharmaceutical preparation, lawfully entitled to manufacture, produce, compound, or vend such pharmaceutical preparation, shall keep such records relating to such pharmaceutical preparation as the Secretary or his delegate shall deem necessary;

"(C) Every person so possessing or disposing of such pharmaceutical preparation shall register as required in section 4722 and, if he is not paying a tax under section 4721, shall pay a special tax of $1 for each year, or fractional part thereof, in which he is engaged in such occupation, to the official in charge of the collection district in which he carries on such occupation as provided in subpart C. 26 USC 4722, 4721.

"(3) If the Secretary or his delegate shall subsequently determine, after due notice and opportunity for hearing, that a pharmaceutical preparation to which such exceptions have been made applicable possesses a degree of addiction liability, or permits recovery of a narcotic drug having a degree of addiction liability, that results in abusive use of such exceptions, he is authorized to withdraw and revoke such exceptions in whole or in part.

"(4) Whenever the Secretary or his delegate shall, on his own motion, determine that there may exist reasonable evidence to support a finding in accordance with paragraph (1) of this subsection, or whenever an interested party makes an application for such a finding, the Secretary or his delegate shall thereupon appoint an advisory committee of experts. At least one member of such an advisory committee shall be selected by the Secretary or his delegate, one by the interested party making the application, if any, one by the Surgeon General of the (United States) Public Health Service, and one by the Commissioner of the (United States) Food and Drug Administration. The Secretary or his delegate shall submit to such advisory committee the application of the interested party, if any, and any other available data. As soon as practicable thereafter, the advisory committee shall, after independent study of the material submitted to it by the Secretary or his delegate and other data available to it, certify a report and recommendations to the Secretary or his delegate with respect to the pharmaceutical preparation involved.

"(5) After consideration of the report and recommendation of the advisory committee, and after due notice and opportunity for hearing, the Secretary or his delegate shall either make the finding provided for in paragraph (1) of this subsection and grant such exceptions as he deems appropriate, or determine that the evidence does not support such a finding and deny the application, if any."

(d) The amendment to subsection (g) of section 4731 of the Internal Revenue Code of 1954, made by subsection (b) of this section, shall not affect any proceeding commenced before such amendment, but such proceeding shall be continued to final disposition as if the amendment had not been made.

NOTIFICATIONS, FINDINGS, AND DECISIONS UNDER THE 1948 PROTOCOL

SEC. 5. (a) Before a notification may be sent on behalf of the United States to the Secretary General of the United Nations, under article 1 of the 1948 protocol, that a drug is considered liable to the 2 UST 1633.

same kind of abuse and productive of the same kind of harmful effects as the drugs specified in article 1, paragraph 2, of the 1931 convention, such drug shall have been found by the Secretary or his delegate to be an "opiate", as defined in section 4731(g) of the Internal Revenue Code of 1954, as amended by section 4(b) of this Act, and so proclaimed in accordance with the procedure prescribed by section 4731 (g) as amended by section 4(b) of this Act.

(b) With respect to any drug which is or may be used for medical or scientific purposes and to which the 1931 convention does not apply, and which is liable to the same kind of abuse and productive of the same kind of harmful effects as the drugs specified in article 1, paragraph 2 of the 1931 convention, upon receipt by the United States of a finding or decision made pursuant to article 1 or article 2 of the 1948 protocol that any such drug is capable of producing addiction or of conversion into a drug capable of producing addiction and that the appropriate provisions of the 1931 convention shall apply to such drug, such finding or decision shall be transmitted to the Secretary or his delegate. The Secretary or his delegate shall cause such finding or decision to be published in the Federal Register unless such drug has already been determined to be an opiate under the procedure prescribed by section 4731(g) of the Internal Revenue Code of 1954, as amended by section 4 of this Act. From the time of such publication, such drug shall be an opiate to the same extent as if the procedure prescribed by section 4731(g) of the Internal Revenue Code of 1954, as amended by section 4 of this Act, had been followed with respect to such drug.

Publication in F. R.

(c) If the finding or decision so received and published in the Federal Register relates to a drug which has not previously been determined to be an opiate under the procedure prescribed by section 4731(g) of the Internal Revenue Code of 1954, as amended by section 4 of this Act, any person in the United States interested in the domestic manufacture and distribution of such drug for medical and scientific purposes may submit to the Secretary or his delegate written data, views, and argument opposed to such finding or decision. Such written data, views, and argument shall be transmitted to the Secretary General of the United Nations for consideration by the World Health Organization or the Commission on Narcotic Drugs of the United Nations, as the case may be, under article 3 of the 1948 protocol. If thereafter the United States receives a revised finding or decision, under article 3 of the 1948 protocol, that such a drug is not capable of producing addiction or conversion into a drug capable of producing addiction and that the provisions of the 1931 convention shall not apply to such drug, such revised finding or decision shall be transmitted to the Secretary or his delegate, who shall cause such revised finding or decision to be published in the Federal Register within ninety days of receipt thereof by the Secretary or his delegate. From the time of such publication, such drug shall cease to be an opiate, unless the Secretary or his delegate has theretofore initiated an opiate procedure under section 4731(g) of the Internal Revenue Code of 1954, as amended by section 4 of this Act.

2 UST 1634.

2 UST 1634.

(d) Upon receipt by the United States of a revised finding or decision under article 3 of the 1948 protocol (except a revised finding or decision to which subsection (c) applies) that a drug (theretofore subject to the Federal narcotic laws as an opiate) is not capable of producing addiction or conversion into a drug capable of producing addiction and that the provisions of the 1931 convention shall not apply to such drug, the revised finding or decision shall be transmitted to the Secretary or his delegate. The Secretary or his delegate may, in his discretion, publish the revised finding or decision in the Federal

Register and, from the time of such publication, such drug shall cease to be an opiate. If the revised finding or decision is not so published in the Federal Register, the said drug shall continue to be an opiate.

MODIFICATION OF LIST OF BASIC NARCOTIC DRUGS

SEC. 6. The Secretary or his delegate, upon his initiative or upon the petition of any interested person shall have the power by rule made on the record after opportunity for hearing, to alter classifications set forth in section 3(g) by adding to, subtracting from, or further defining such classifications or any one or more of them, on the basis of their chemical structure and content and addiction liability or convertibility into an addicting drug. No new basic class shall be added unless with respect to any drug or drugs falling within such class the Secretary or his delegate shall have determined that such drug is a narcotic drug as defined by section 4731 of the Internal Revenue Code of 1954, as amended by section 4 of this Act, or has caused a finding or decision to be published in the Federal Register pursuant to section 5 of this Act. For purposes of this section, the Secretary or his delegate may consider changes in classification established by the World Health Organization or its successor in function.

RESTRICTIONS ON THE MANUFACTURE OF NARCOTIC DRUGS

SEC. 7. (a) Except as otherwise provided in this Act, it shall be unlawful for any person to manufacture any narcotic drug unless—

(1) such narcotic drug falls within a basic class of narcotic drugs established by or pursuant to this Act, and

(2) such person holds a currently effective license and manufacturing quota with respect to such basic class of narcotic drug issued pursuant to section 8 of this Act.

(b) The omission of a narcotic drug from the classification established pursuant to section 3(g) shall not be construed to permit the manufacture of such narcotic drug, the intent of this Act being to limit the manufacture of narcotic drugs in the United States to those narcotic drugs established under this Act as a basic class of narcotic drugs or as a member of a basic class of narcotic drugs. The fact that the Secretary or his delegate shall have—

(1) determined that a drug is a narcotic drug as defined by section 4731 of the Internal Revenue Code of 1954, as amended by section 4 of this Act, or

(2) caused a finding or decision with respect to any drug or other substance to be published in the Federal Register pursuant to section 5 of this Act,

shall not require the Secretary or his delegate to add such narcotic drug to the classifications set forth in section 3(g) or to grant a manufacturing quota for such narcotic drug, if the Secretary or his delegate shall determine that it is contrary to the public health and safety to permit the manufacture of such drug within the United States.

(c) It shall be unlawful for any person (1) to manufacture or attempt to manufacture any narcotic drug, or (2) to knowingly permit the manufacture of any narcotic drug, in or upon any place owned, leased, occupied, used or controlled by him unless he (or the lessee, tenant, or other occupant as the case may be) is the holder of a license and quota for the manufacture during the period in question of such narcotic drug in accordance with the provisions of sections 3(g), 8, and 11 of this Act; and it shall be unlawful for the holder of any such

quota to manufacture during the period for which the quota is applicable any quantity of such narcotic drug in excess of the amount authorized by such quota.

LICENSES TO MANUFACTURE NARCOTIC DRUGS

SEC. 8. (a) Every person who manufactures a basic class or classes of narcotic drug shall, on or before January 1, 1961, if then already engaged in such manufacture, or otherwise before engaging in such manufacture, obtain from the Secretary or his delegate a license or licenses for the appropriate basic class or classes of narcotic drug. There shall be a separate license for the manufacture of each basic class of narcotic drug. In determining whether to issue a license for a particular basic class of narcotic drug to a particular applicant, the Secretary or his delegate shall be governed by the following factors—

(1) maintenance of effective controls against the diversion of the particular basic class of narcotic drug and of narcotic drugs compounded therefrom into other than legitimate medical and scientific channels through limitation of manufacture of the particular basic class of narcotic drug to the smallest number of establishments which will produce an adequate and uninterrupted supply of narcotic drugs of or derived from such basic class of narcotic drugs for medical and scientific purposes, consistent with the public interest; and

(2) compliance with the obligations undertaken by the United States pursuant to the 1931 convention and the 1948 protocol; and

(3) promotion of technical advances in the art of manufacturing narcotic drugs and the development of new narcotic drug products; and

(4) the applicant's education, moral character and reputation, the applicant's past drug manufacturing experience and the quality of his products, his technical competence, the existence in the applicant's establishment of adequate safeguards against diversion of narcotic drugs into other than legitimate medical and scientific channels; and

(5) such other factors as may be relevant to and consistent with the public interest.

26 USC 4722.

(b) Registration pursuant to section 4722 of the Internal Revenue Code of 1954, shall be a prerequisite to the issuance of any license under this section. Licenses shall be in such form as the Secretary or his delegate shall prescribe and shall continue in effect subject only to annual renewal of registration unless revoked pursuant to section 9 of this Act or voluntarily surrendered. Issuance of a license pursuant to this section shall not entitle the licensee to perform any act with respect to narcotic drugs as to which the consent or approval of the Secretary or his delegate is required by the provisions of this or any other Act.

(c) Issuance of a license for the manufacture of any one basic class of narcotic drug shall not entitle the holder thereof to manufacture for sale, distribution, or other use any other basic class of narcotic drug.

(d) Notwithstanding the foregoing provisions of this section, the Secretary or his delegate shall authorize any person registered as a manufacturer or as a person engaged in research under section 4722

26 USC 4722.

of the Internal Revenue Code of 1954, who meets the standards for licensing under subsection (a)(4) of this section 8, whether or not such person actually holds a license under subsection (a), to produce such limited quantities as the Secretary or his delegate may specify of any narcotic drug, except crude opium or coca leaves, whether or

not a basic class for such drug has been established under section 3(g) of this Act, exclusively for research in the development of manufacturing processes for the drug, or for chemical, pharmacological or medical testing of such drugs, for fitness for medical or scientific use and for determination of its suitability for general manufacture and distribution for medical or scientific use. Such person shall make such reports as the Secretary or his delegate may require relating to the quantities of narcotic drug manufactured and to use and disposal of such quantities of such narcotic drug. Such quantities of such narcotic drug may be disposed of only in accordance with the regulations of the Secretary or his delegate. Any authorization made under this subsection (d) shall be subject to revocation or suspension in accordance with the procedure set forth in section 9 of this Act.

(e) In issuing or refusing to issue manufacturing licenses pursuant to this section, the Secretary or his delegate shall act in conformity with the procedure prescribed by section 5 of the Administrative Procedure Act and the Secretary or his delegate shall be deemed to constitute "the agency" for purposes of compliance with sections 7 and 8 of such Act. Each licensee of the basic class of narcotic drug with respect to which a license is sought to be obtained shall be deemed a person entitled to notice within the meaning of section 5(a) of the Administrative Procedure Act.

60 Stat. 239, 5 USC 1004, 1006, 1007.

REVOCATION OR SUSPENSION OF LICENSES

SEC. 9. (a) Any license issued pursuant to section 8 of this Act may be revoked by the Secretary or his delegate if the licensee—

(1) has been convicted of violating or conspiring to violate any law of the United States or of any State where the offense involves any activity or transaction with respect to narcotic drugs; or

(2) has violated or failed to comply with any duly promulgated regulation of the Secretary or his delegate relating to narcotic drugs, and such violation or failure to comply reflects adversely on the licensee's reliability and integrity with respect to narcotic drugs.

In the case of a licensee holding more than one license issued pursuant to section 8 of this Act, revocation may be in the discretion of the Secretary or his delegate extended to all licenses held by such licensee.

(b) Before revoking any license pursuant to subsection (a), the Secretary or his delegate shall serve upon the licensee an order to show cause why an order of revocation should not be issued. Any such order to show cause shall contain a statement of the basis thereof, and shall call upon such licensee to appear before the Secretary or his delegate at a time and place stated in the order, but in no event less than thirty days after the date of receipt of such order, and give evidence upon the matter specified therein. The Secretary or his delegate may in his discretion suspend any license simultaneously with the issuance of an order to show cause, in cases where he finds that the public health, safety, or interest require such suspension. Such suspension shall continue in effect until the conclusion of any revocation proceeding, including judicial review thereof, unless sooner withdrawn by the Secretary or his delegate, or dissolved by a court of competent jurisdiction. Every hearing held pursuant to this section shall be conducted in accordance with section 5 of the Administrative Procedure Act and the Secretary or his delegate shall be deemed to constitute "the agency" for purposes of compliance with sections 7 and 8 of such Act. If after hearing, default, or waiver thereof by the licensee, the Secretary or his delegate determines that an order of revocation should issue, he shall issue such order, which

5 USC 1004, 1006, 1007.

shall include a statement of his findings and the grounds and reasons therefor and shall specify the effective date of the order, and he shall cause such order to be served on the licensee. In any case where a hearing is conducted pursuant to the provisions of this section both the burden of proceeding with the introduction of evidence and the burden of proof shall be upon the Secretary or his delegate. Proceedings under this section shall be independent of, and not in lieu of, criminal prosecution or other proceedings under this Act or any other law of the United States.

AUTHORITY TO SEIZE NARCOTIC DRUGS, ORDER FORMS, AND TAX STAMPS

SEC. 10. In the event of the suspension or revocation of a license obtained under section 8, all narcotic drugs owned or possessed by such person at the time of suspension or at the effective date of the revocation order, as the case may be, whether or not taxes have been paid on such narcotic drugs, together with all unused order forms or narcotic tax stamps owned or possessed by such person, may at the discretion of the Secretary or his delegate be placed under seal and no disposition made until the time for taking an appeal has elapsed or until all appeals have been concluded. Upon a suspension or revocation order becoming final all narcotic drugs, tax stamps, and order forms shall be forfeited to the Government.

MANUFACTURING QUOTAS FOR BASIC CLASSES OF NARCOTIC DRUGS

SEC. 11. (a) For the purpose of fixing manufacturing quotas under this section and in order to carry out the treaty obligations of the United States, the Secretary or his delegate shall make determinations of the total quantity of each basic class of narcotic drug necessary to be manufactured during each calendar year to provide for the estimated medical and scientific needs of the United States, for lawful export requirements, and for establishment and maintenance of reserve stocks.

(b) In fixing individual manufacturing quotas for any basic class of narcotic drug for a calendar year pursuant to this section, or at any time after fixing such individual quotas, the Secretary or his delegate shall limit or reduce such individual quotas to the extent necessary to prevent the aggregate of such individual quotas from exceeding the amount of the determination of the Secretary or his delegate under subsection (a). In any such limitation or reduction pursuant to this subsection the quota of each licensed manufacturer of such basic class of drug shall be limited or reduced in the same proportion as the limitation or reduction of the aggregate of such quotas. However, if any licensee, before the issuance of a limitation or reduction in quota, has manufactured in excess of his quota so limited or reduced, the amount of such excess shall be subtracted from such licensee's manufacturing quota for the following year.

(c) On or before June 1 of each year, upon application therefor by a person having a license to manufacture a basic class of narcotic drug, the Secretary or his delegate shall fix a manufacturing quota for such calendar year for such basic class of narcotic drug for such person. Subject to the provisions of subsections (a) and (b), such quota shall be sufficient to cover the applicant's estimated disposal, inventory, and other requirements for the calendar year as determined by the Secretary or his delegate, who shall take into account the applicant's current disposal rate, the trend of such disposal rate during the preceding calendar year, the applicant's production cycle and inventory position, the economic availability of raw materials, yield and

stability problems, emergencies such as strikes and fires, and other factors. Subject to the provisions of subsections (a) and (b), such quota shall not be less than the sum of—

(1) such licensed manufacturer's net disposal of such basic class of narcotic drug during the immediately preceding calendar year or the average of the three immediately preceding calendar years in which such manufacturer produced such basic class of narcotic drug, whichever is greater; and

(2) one-half of such manufacturer's net disposal of such basic class of narcotic drug during the immediately preceding calendar year;

less such manufacturer's inventory of such basic class of narcotic drug on December 31 of the preceding calendar year.

(d) During the period from January 1 until a manufacturing quota for such calendar year is fixed pursuant to subsection (c), any licensed manufacturer entitled to receive a quota for any basic class of narcotic drug under subsection (c) may manufacture a provisional quota of not more than 75 per centum of whichever of the following is greater—

(1) such manufacturer's net disposal of such basic class of narcotic drug during the twelve months immediately preceding September 30 of the preceding calendar year; or

(2) twelve times such manufacturer's average monthly net disposal of such basic class of narcotic drug for the thirty-three months immediately preceding September 30 of the preceding calendar year;

or such higher or lower percentage as the Secretary or his delegate may from time to time for good cause direct. Any higher or lower percentage so directed shall apply to the provisional quotas of all licensed manufacturers for such basic class of narcotic drug.

(e) The Secretary or his delegate shall, on application therefor, and subject to the provisions of subsections (a) and (b), fix a quota for any licensed manufacturer of a basic class of narcotic drug who has not manufactured such basic class of narcotic drug during one or more of the three immediately preceding calendar years, in an amount adequate to cover such manufacturer's reasonably anticipated requirements for the current calendar year.

(f) At any time during the calendar year any licensed manufacturer who has applied for or received a manufacturing quota for a basic class of narcotic drug may apply for an increase in such quota, to meet his estimated disposal, inventory, and other requirements during the remainder of such calendar year. In passing upon such application the Secretary or his delegate shall take into consideration any occurrences since the filing of such manufacturer's initial quota application that may require an increased manufacturing rate by such manufacturer during the balance of such calendar year. In passing upon such application the Secretary or his delegate may also take into consideration the amount, if any, by which the determination of the Secretary or his delegate under subsection (a) exceeds the aggregate of the quotas of all manufacturers under this section, and the equitable distribution of such excess among other manufacturers.

EXCEPTION FROM APPLICABILITY OF LICENSE AND QUOTA PROVISIONS

SEC. 12. Nothwithstanding any other provisions of this Act—

(1) no license or quota shall be required for the manufacture of such quantities of narcotic drugs as incidentally but necessarily result from the manufacturing process used for the manufacture of a basic class of narcotic drug duly licensed under this Act; and

(2) no license or quota shall be required for the manufacture of such quantities of narcotic drugs as incidentally but necessarily re-

sult from the manufacture of any substance which is not a narcotic drug.

Unless such incidentally but necessarily resulting narcotic drug shall have been determined to be nonaddicting by the Secretary or his delegate, it may (apart from being used in the process of producing a narcotic drug for which license and quota are held) be retained or disposed of only in such manner as may be prescribed or authorized by the Secretary or his delegate.

REGULATION WITH RESPECT TO PERSONS WHO MANUFACTURE NARCOTIC PRECURSORS

SEC. 13. (2) "District" means the District of Columbia.

(3) "Finance charge" means the total amount to be added to the principal balance to determine the balance of the buyer's indebtedness to be paid under a retail installment contract.

(4) "Governmental charges" means the excise tax, personal property tax, inspection fee, registration fee, recording fee, and such other fees charged by any government, or otherwise authorized by law, incident to the transfer of title to a motor vehicle as the Commissioners may by regulation include within such term.

(5) "Instrument of security" means any promissory note, retail installment contract, or other written promise to pay the unpaid balance of the total amount to be paid by a retail buyer of a motor vehicle.

(6) "Motor vehicle" means any automobile, mobile home, motorcycle, truck, truck tractor, trailer, semitrailer, or bus, but shall not include any boat trailer or any vehicle propelled or drawn exclusively by muscular power or designed to run only on rails or tracks.

(7) "Person" means an individual, firm, partnership, joint stock company, corporation, association, incorporated society, statutory or common law trust, estate, executor, administrator, receiver, trustee, conservator, liquidator, committee, assignee, officer, employee, principal, or agent.

(8) "Principal balance" means the cash sale price of a motor vehicle, including accessories and equipment, plus the amounts, if any, included in the retail installment contract, if separate identified charges are stated therein, for insurance and governmental charges, less the amount of the purchaser's downpayment, if any, in money or goods or both.

(9) "Retail installment contract" means a contract entered into in the District or entered into by a seller licensed or required to be licensed by the District evidencing a retail installment transaction pursuant to which the title to or a lien on or security in the motor vehicle, which is the subject matter of such transaction, is retained or taken to secure the retail buyer's obligations. The term includes a chattel mortgage, conditional sale contract, and a contract in the form of a bailment or a lease if the bailee or lessee contracts to pay as compensation for use a sum substantially equivalent to or in excess of the value of the motor vehicle sold and it is agreed that the bailee or lessee is bound to become, or, for no further or a merely nominal consideration, has the option of becoming, the owner of the motor vehicle upon full compliance with the provisions of the bailment or lease.

(10) "Retail installment transaction" means any transaction in which a retail buyer purchases a motor vehicle for a price in excess of the cash sale price and agrees to pay part or all of such price in one or more deferred installments.

Fixing maximum finance charges.

SEC. 2. (a) Notwithstanding the provisions of any instrument of security, refinancing contract, or other instrument to the contrary, made or entered into on or after the effective date of this Act, no

person shall charge, contract for, receive, or collect a finance charge if such charge exceeds the larger of $25 or an amount determined under the following schedule:

Class 1. Any new domestic motor vehicle designated by the manufacturer by a year model not earlier than the year in which the sale is made and any new foreign motor vehicle—$8 per $100 per year.

Class 2. Any new domestic motor vehicle not in class 1 and any used domestic motor vehicle designated by the manufacturer by a year model of the same or not more than two years prior to the year in which the sale is made and any used foreign motor vehicle not more than two years old—$11 per $100 per year.

(c) For a period less or greater than twelve months or for amounts less or greater than $100, the amount of the maximum charge set forth in the foregoing schedule shall be decreased or increased proportionately.

Investigation.

(d) The Commissioners shall from time to time investigate the economic conditions and other factors relating to and affecting finance charges, and shall ascertain all pertinent facts necessary to determine what maximum charges should be permitted in such transactions. Upon the basis of such ascertained facts, the Commissioners, notwithstanding the provisions of the preceding subsections, shall from time to time by regulation or order determine and fix the maximum finance charges sufficiently high to result in a fair return on investment to persons engaged in the business of financing retail installment transactions, but not so high as to constitute an unreasonable economic burden on the purchasers of motor vehicles under retail installment contracts. The Commissioners may from time to time, upon the basis of changed conditions or facts, redetermine and refix any such maximum finance charge, but, before determining or redetermining any such maximum charge, the Commissioners shall give reasonable notice of their intention to consider doing so, and provide a reasonable opportunity to persons desiring to be heard with respect to any such proposed determination or redetermination. Notice of the action proposed by the Commissioners shall be published once a week for two consecutive weeks in one or more of the daily newspapers published in the District. Any such changed maximum finance charge shall not affect any preexisting instrument of security lawfully entered into between the seller and the purchaser of any motor vehicle.

Regulations. Enforcement.

(e) (1) The Commissioners are hereby authorized to make and enforce such regulations as they in their discretion deem appropriate to carry out the purposes of this section and to prevent unconscionable practices in connection with retail installment transactions, including, without limitation, provisions:

(i) governing the form and substance of instruments of security;

(ii) requiring that installment payments under instruments of security be made in substantially equal amounts and at regular

intervals except (1) that the interval for the first installment payment may be longer than the other intervals; (2) that the final installment payment may be less in amount than the preceding installment payments; (3) that where a buyer's livelihood is dependent upon seasonal or intermittent income, one or more installment payments in the schedule of payments included in any such instrument of security may be reduced or omitted; and (4) that any contract covering a new motor vehicle to be used primarily as a demonstrator sold to a bona fide motor-vehicle salesman employed by the seller shall be exempt from the requirement that installment payments be in substantially equal amounts;

(iii) requiring that amounts due under instruments of security may be prepaid in full and that the unearned charges, whether for finance, insurance, or for other purposes, attributable to or resulting from such prepayments shall be refunded or credited;

(iv) establishing maximum delinquency, collection, repossession and other charges;

(v) specifying the types and maximum amounts of insurance which may be required, at the expense of the retail buyer, to protect from loss the seller in a retail installment transaction or his assignee or any other person entitled to payments from a retail buyer under an instrument of security;

(vi) respecting the manner and methods of the sale or disposition of repossessed motor vehicles under such conditions, including, without limitation, rights of redemption, as the Commissioners deem advisable;

(vii) requiring the books and records of persons engaged in the business of financing retail installment transactions to be subject to production for examination by the Commissioners.

Additional regulations.

(2) The Commissioners are further authorized, in their discretion, to make and enforce such additional regulations as they deem necessary to insure that purchasers of motor vehicles under instruments of security are not being required, directly or indirectly, to pay finance, insurance, or other charges in excess of those authorized by this Act or by the Commissioners pursuant to the authority vested in them.

Classification provision.

(3) In exercising their powers and authority under this subsection (e), the Commissioners are authorized, in their discretion, to make reasonable classifications (i) according to the parties to retail installment transactions, or (ii) according to the parties to the instruments of security, or (iii) according to the parties involved in repossessions, or (iv) according to other bases, or (v) according to two or more of the foregoing clauses (i) through (iv), and to exercise such powers and authority under this subsection with respect to any one or more of any classifications so made or with respect to all of said classifications.

Waiver restriction.

(f) No provision shall be inserted in any retail installment contract whereby the buyer waives or purports to waive any provision of this Act, and any such waiver or purported waiver shall be void and of no effect. The Commissioners are authorized in their discretion, by regulation (1) to prohibit the inclusion in any retail installment contract of any provision waiving or purporting to waive any provision of any regulation promulgated by the Commissioners relating to retail installment transactions, and (2) to provide that any such waiver or purported waiver, shall be void and of no effect.

TITLE VI

SEC. 601. That section 2004 of the Revised Statutes (42 U.S.C. 1971), as amended by section 131 of the Civil Rights Act of 1957 (71 Stat. 637), is amended as follows:

(a) Add the following as subsection (e) and designate the present subsection (e) as subsection "(f)":

Voting rights. Court action.

"In any proceeding instituted pursuant to subsection (c) in the event the court finds that any person has been deprived on account of race or color of any right or privilege secured by subsection (a), the court shall upon request of the Attorney General and after each party has been given notice and the opportunity to be heard make a finding whether such deprivation was or is pursuant to a pattern or practice. If the court finds such pattern or practice, any person of such race or color resident within the affected area shall, for one year and thereafter until the court subsequently finds that such pattern or practice has ceased, be entitled, upon his application therefor, to an order declaring him qualified to vote, upon proof that at any election or elections (1) he is qualified under State law to vote, and (2) he has since such finding by the court been (a) deprived of or denied under color of law the opportunity to register to vote or otherwise to qualify to vote, or (b) found not qualified to vote by any person acting under color of law. Such order shall be effective as to any election held within the longest period for which such applicant could have been registered or otherwise qualified under State law at which the applicant's qualifications would under State law entitle him to vote.

"Notwithstanding any inconsistent provision of State law or the action of any State officer or court, an applicant so declared qualified to vote shall be permitted to vote in any such election. The Attorney General shall cause to be transmitted certified copies of such order to the appropriate election officers. The refusal by any such officer with notice of such order to permit any person so declared qualified to vote to vote at an appropriate election shall constitute contempt of court.

"An application for an order pursuant to this subsection shall be heard within ten days, and the execution of any order disposing of such application shall not be stayed if the effect of such stay would be to delay the effectiveness of the order beyond the date of any election at which the applicant would otherwise be enabled to vote.

Voting referees.

"The court may appoint one or more persons who are qualified voters in the judicial district, to be known as voting referees, who shall subscribe to the oath of office required by Revised Statutes, section 1757; (5 U.S.C. 16) to serve for such period as the court shall determine, to receive such applications and to take evidence and report to the court findings as to whether or not at any election or elections (1) any such applicant is qualified under State law to vote, and (2) he has since the finding by the court heretofore specified been (a) deprived of or denied under color of law the opportunity to register to vote or otherwise to qualify to vote, or (b) found not qualified to vote by any person acting under color of law. In a proceeding before a voting referee, the applicant shall be heard ex parte at such times and places as the court shall direct. His statement under oath shall be prima facie evidence as to his age, residence, and his prior efforts

23 Stat. 22.

to register or otherwise qualify to vote. Where proof of literacy or an understanding of other subjects is required by valid provisions of State law, the answer of the applicant, if written, shall be included in such report to the court; if oral, it shall be taken down stenographically and a transcription included in such report to the court.

Transmittal of report and order.

"Upon receipt of such report, the court shall cause the Attorney General to transmit a copy thereof to the State attorney general and to each party to such proceeding together with an order to show cause within ten days, or such shorter time as the court may fix, why an order of the court should not be entered in accordance with such report. Upon the expiration of such period, such order shall be entered unless prior to that time there has been filed with the court and served upon all parties a statement of exceptions to such report. Exceptions as to matters of fact shall be considered only if supported by a duly verified copy of a public record or by affidavit of persons having personal knowledge of such facts or by statements or matters contained in such report; those relating to matters of law shall be supported by an appropriate memorandum of law. The issues of fact and law raised by such exceptions shall be determined by the court or, if the due and speedy administration of justice requires, they may be referred to the voting referee to determine in accordance with procedures prescribed by the court. A hearing as to an issue of fact shall be held only in the event that the proof in support of the exception disclose the existence of a genuine issue of material fact. The applicant's literacy and understanding of other subjects shall be determined solely on the basis of answers included in the report of the voting referee.

"The court, or at its direction the voting referee, shall issue to each applicant so declared qualified a certificate identifying the holder thereof as a person so qualified.

"Any voting referee appointed by the court pursuant to this subsection shall to the extent not inconsistent herewith have all the powers conferred upon a master by rule 53(c) of the Federal Rules of Civil Procedure. The compensation to be allowed to any persons appointed by the court pursuant to this subsection shall be fixed by the court and shall be payable by the United States.

28 USC app.

"Applications pursuant to this subsection shall be determined expeditiously. In the case of any application filed twenty or more days prior to an election which is undetermined by the time of such election, the court shall issue an order authorizing the applicant to vote provisionally: *Provided, however*, That such applicant shall be qualified to vote under State law. In the case of an application filed within twenty days prior to an election, the court, in its discretion, may make such an order. In either case the order shall make appropriate provision for the impounding of the applicant's ballot pending determination of the application. The court may take any other action, and may authorize such referee or such other person as it may designate to take any other action, appropriate or necessary to carry out the provisions of this subsection and to enforce its decrees. This subsection shall in no way be construed as a limitation upon the existing powers of the court.

Definitions.

"When used in the subsection, the word 'vote' includes all action necessary to make a vote effective including, but not limited to, registration or other action required by State law prerequisite to voting, casting a ballot, and having such ballot counted and included in the appropriate totals of votes cast with respect to candidates for public office and propositions for which votes are received in an election; the words 'affected area' shall mean any subdivision of the State in which the laws of the State relating to voting are or have been to

any extent administered by a person found in the proceeding to have violated subsection (a); and the words 'qualified under State law' shall mean qualified according to the laws, customs, or usages of the State, and shall not, in any event, imply qualifications more stringent than those used by the persons found in the proceeding to have violated subsection (a) in qualifying persons other than those of the race or color against which the pattern or practice of discrimination was found to exist."

State as party defendant.

(b) Add the following sentence at the end of subsection (c):

"Whenever, in a proceeding instituted under this subsection any official of a State or subdivision thereof is alleged to have committed any act or practice constituting a deprivation of any right or privilege secured by subsection (a), the act or practice shall also be deemed that of the State and the State may be joined as a party defendant and, if, prior to the institution of such proceeding, such official has resigned or has been relieved of his office and no successor has assumed such office, the proceeding may be instituted against the State."

To provide transitional provisions for the income tax treatment of dealer reserve income.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

Dealer Reserve Income Adjustment Act of 1960.

This Act may be cited as the "Dealer Reserve Income Adjustment Act of 1960".

SEC. 2. PERSONS TO WHOM THIS ACT APPLIES.

This Act shall apply to any person who, for his most recent taxable year ending on or before June 22, 1959—

(1) computed, or was required to compute, taxable income under an accrual method of accounting,

(2) treated any dealer reserve income, which should have been taken into account (under the accrual method of accounting) for such taxable year, as accruable for a subsequent taxable year, and

(3) before September 1, 1960, makes an election under section 3(a) or 4(a) of this Act.

SEC. 3. ELECTION TO HAVE SECTION 481 APPLY.

(a) GENERAL RULE.—If—

(1) for the year of the change (determined under subsection (b)), the treatment of dealer reserve income by any person to whom this Act applies is changed to a method proper under the accrual method of accounting (whether or not such person initiated the change),

(2) such person makes an election under this subsection, and

(3) such person does not make the election provided by section 4(a),

68A Stat. 160. 26 USC 481.

then, for purposes of section 481 of the Internal Revenue Code of 1954, the change described in paragraph (1) shall be treated as a change in method of accounting not initiated by the taxpayer.

(b) YEAR OF CHANGE, ETC.—In applying section 481 of the Internal Revenue Code of 1954 for purposes of this section, the "year of the change" in the case of any person is—

(1) except as provided in paragraph (2), the first taxable year ending after June 22, 1959, or

(2) the earliest taxable year (whether the Internal Revenue Code of 1954 or the Internal Revenue Code of 1939 applies to such year) for which—

(A) on or before June 22, 1959—

(i) the Secretary of the Treasury or his delegate issued a notice of deficiency, or a written notice of a proposed deficiency, with respect to dealer reserve income, or

(ii) such person filed with the Secretary or his delegate a claim for refund or credit with respect to dealer reserve income, and

(B) the assessment of any deficiency, or the refund or credit of any overpayment, whichever is applicable, was not, on June 21, 1959, prevented by the operation of any law or rule of law.

* For purposes of this section, section 481 of such Code shall be treated as applying to any year of the change to which the Internal Revenue Code of 1939 applies.

SEC. 4. ELECTION TO HAVE SECTION 481 NOT APPLY; PAYMENT IN INSTALLMENTS.

(a) GENERAL RULE.—If a person to whom this Act applies makes an election under this subsection, then for purposes of chapter 1 of the Internal Revenue Code of 1954 (and the corresponding provisions of prior law) a change in the treatment of dealer reserve income to a method proper under the accrual method of accounting shall be treated as not a change in method of accounting in respect of which section 481 of the Internal Revenue Code of 1954 applies. Any election under this subsection shall apply to all taxable years ending on or before June 22, 1959 (whether the provisions of the Internal Revenue Code of 1954 or the corresponding provisions of prior law apply), for which the assessment of any deficiency, or for which refund or credit of any overpayment, whichever is applicable, was not, on June 21, 1959, prevented by the operation of any law or rule of law.

68A Stat. 5. 26 USC 1 et seq.

26 USC 481.

(b) ELECTION TO PAY TAX IN INSTALLMENTS.—

(1) ELIGIBILITY.—If the net increase in tax (as defined in paragraph (2)) which results solely from the effect of the election provided by subsection (a) exceeds $2,500, then the taxpayer may elect (at the time the election is made under subsection (a)) to pay in two or more (but not to exceed 10) equal annual installments any portion of such net increase which (on the date of such election) is unpaid.

(2) NET INCREASE IN TAX DEFINED.—For purposes of this section, the term "net increase in tax" means the amount (if any) by which—

(A) the sum of the increases in tax (including interest) for all taxable years to which the election applies and which is attributable to the election, exceeds

(B) the sum of the decreases in tax (including interest) for all taxable years to which the election applies and which is attributable to the election.

For purposes of this paragraph, interest for the period before the date of the election shall be computed as provided in chapter 67 of the Internal Revenue Code of 1954 (or the corresponding provisions of prior revenue laws).

26 USC 6601, 6602.

(c) DUE DATE FOR INSTALLMENTS.—If an election is made under subsection (b), the first installment shall be paid on or before the date prescribed by section 6151(a) of the Internal Revenue Code of 1954 for payment of the tax for the taxable year in which the election was made, and each succeeding installment shall be paid on or before the date which is one year after the date prescribed by this subsection for payment of the preceding installment.

26 USC 6151.

(d) EFFECT OF SUBSEQUENT REDETERMINATION OF TAX.—

(1) REDETERMINATION.—If—

(A) the taxpayer makes an election under subsection (b), and

(B) there is a redetermination of the taxpayer's tax for any taxable year to which the election provided by subsection (a) applies,

then the net increase in tax (as defined in subsection (b)(2)) shall be redetermined.

(2) EFFECT OF INCREASE.—If the redetermination described in paragraph (1)(B) results in an increase in the net increase in tax (as defined in subsection (b)(2)), the resulting increase shall be prorated to all the installments. The part of such resulting increase so prorated to any installment the date for payment of which has not arrived shall be collected at the same time as, and as a part of, such installment. The part of such resulting increase

so prorated to any installment the date for payment of which has arrived shall be paid upon notice and demand from the Secretary of the Treasury or his delegate.

(3) EFFECT OF DECREASE.—

For treatment of a decrease in the net increase in tax as the result of a redetermination described in paragraph (1)(B), see section 6403 of the Internal Revenue Code of 1954 (relating to overpayment of installment).

26 USC 6403.

(e) SUSPENSION OF INTEREST.—

(1) IN GENERAL.—If an election under subsection (a) applies and there is a net increase in tax (as defined in subsection (b)(2)), no interest shall be imposed on any underpayment (and no interest shall be paid on any overpayment) attributable to such election for the period beginning on the date of such election and ending on the date prescribed by section 6151(a) of the Internal Revenue Code of 1954 for payment of the tax for the taxable year in which the election was made.

26 USC 6151.

(2) NO INTEREST DURING INSTALLMENT PERIOD.—If an election under subsection (b) applies, no interest shall be imposed for the period on or after the date fixed for payment of the first installment unless payment of unpaid installments is accelerated under subsection (f) or (g).

(3) INTEREST WHERE PAYMENT IS ACCELERATED.—If payment is accelerated under subsection (f) or (g), interest determined in accordance with the provisions of section 6601 of the Internal Revenue Code of 1954 on the entire unpaid tax shall be payable—

26 USC 6601.

(A) if payment is accelerated under subsection (f), from the date of notice and demand provided by such subsection to the date such tax is paid, or

(B) if payment is accelerated under subsection (g), from the date fixed for paying the unpaid installment to the date such tax is paid.

(f) TERMINATION OF INSTALLMENT PAYMENT PRIVILEGE.—The extension of time provided by this section for payment of tax shall cease to apply, and any unpaid installments shall be paid upon notice and demand from the Secretary of the Treasury or his delegate, if—

(1) in the case of a taxpayer who is an individual, he dies or ceases to engage in a trade or business,

(2) in the case of a taxpayer who is a partner, the entire interest of such partner is transferred or liquidated or the partnership terminates, or

(3) in the case of a taxpayer which is a corporation, the taxpayer ceases to engage in a trade or business, unless the unpaid portion of the tax payable in installments is required to be taken into account by the acquiring corporation under section 5(d).

(g) FAILURE TO PAY INSTALLMENT.—If any installment under this section is not paid on or before the date fixed for its payment by this section (including any extension of time for payment of such installment), the unpaid installments shall be paid upon notice and demand from the Secretary of the Treasury or his delegate.

(h) SUSPENSION OF RUNNING OF PERIODS OF LIMITATION.—The running of the periods of limitation provided by section 6502 of the Internal Revenue Code of 1954 (or corresponding provision of prior law) for the collection of any amount of tax payable in installments under this section shall be suspended for the period of any extension of time for payment granted under this section.

To amend the Federal Deposit Insurance Act to require Federal approval for mergers and consolidations of insured banks.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That subsection (c) of section 18 of the Federal Deposit Insurance Act is amended by striking out the third sentence and inserting in lieu thereof the following: "No insured bank shall merge or consolidate with any other insured bank or, either directly or indirectly, acquire the assets of, or assume liability to pay any deposits made in, any other insured bank without the prior written consent (i) of the Comptroller of the Currency if the acquiring, assuming, or resulting bank is to be a national bank or a District bank, or (ii) of the Board of Governors of the Federal Reserve System if the acquiring, assuming, or resulting bank is to be a State member bank (except a District bank), or (iii) of the Corporation if the acquiring, assuming, or resulting bank is to be a nonmember insured bank (except a District bank). Notice of any proposed merger, consolidation, acquisition of assets, or assumption of liabilities, in a form approved by the Comptroller, the Board, or the Corporation, as the case may be, shall (except in a case where the furnishing of reports under the seventh sentence of this subsection is not required) be published, at appropriate intervals during a period (prior to the approval or disapproval of the transaction) at least as long as the period allowed under such sentence for furnishing such reports, in a newspaper of general circulation in the community or communities where the main offices of the banks involved are located (or, if there is no such newspaper in any such community, then in the newspaper of general circulation published nearest thereto). In granting or withholding consent under this subsection, the Comptroller, the Board, or the Corporation, as the case may be, shall consider the financial history and condition of each of the banks involved, the adequacy of its capital structure, its future earnings prospects, the general character of its management, the convenience and needs of the community to be served, and whether or not its corporate powers are consistent with the purposes of this Act. In the case of a merger, consolidation, acquisition of assets, or assumption of liabilities, the appropriate agency shall also take into consideration the effect of the transaction on competition (including any tendency toward monopoly), and shall not approve the transaction unless, after considering all of such factors, it finds the transaction to be in the public interest. In the interests of uniform standards, before acting on a merger, consolidation, acquisition of assets, or assumption of liabilities under this subsection, the agency (unless it finds that it must act immediately in order to prevent the probable failure of one of the banks involved) shall request a report on the competitive factors involved from the Attorney General and the other two banking agencies referred to in this subsection (which report shall be furnished within thirty calendar days of the date on which it is requested, or within ten calendar days of such date if the requesting agency advises the Attorney General and the other two banking agencies that an emergency exists requiring expeditious action). To authorize the Secretary of the Interior to construct the San Luis unit of the Central Valley project, California, to enter into an agreement with the State of California with respect to the construction and operation of such unit, and for other purposes.

Central Valley Project, Calif. San Luis unit. Construction.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) for the principal purpose of furnishing water for the irrigation of approximately five hundred thousand acres of land in Merced, Fresno, and Kings Counties, California, hereinafter referred to as the Federal San Luis unit service area, and as incidents thereto of furnishing water for municipal and domestic use and providing recreation and fish and wildlife benefits, the Secretary of the Interior (hereinafter referred to as the Secretary) is authorized to construct, operate, and maintain the San Luis unit as an integral part of the Central Valley project. The principal engineering features of said unit shall be a dam and reservoir at or near the San Luis site, a forebay and afterbay, the San Luis Canal, the Pleasant Valley Canal, and necessary pumping plants, distribution systems, drains, channels, levees, flood works, and related facilities, but no facilities shall be constructed for electric transmission or distribution service which the Secretary determines, on the basis of an offer of a firm fifty-year contract from a local public or private agency, can through such contract be obtained at less cost to the Federal Government than by construction and operation of Government facilities. The works (hereinafter referred to as joint-use facilities) for joint use with the State of California (hereinafter referred to as the State) shall be the dam and reservoir at or near the San Luis site, forebay and afterbay, pumping plants, and the San Luis Canal. The joint-use facilities consisting of the dam and reservoir shall be constructed, and other joint-use facilities may be constructed, so as to permit future expansion; or the joint-use facilities shall be constructed initially to the capacities necessary to serve both the Federal San Luis unit service area and the State's service area, as hereinafter provided. In constructing, operating, and maintaining the San Luis unit, the Secretary shall be governed by the Federal reclamation laws (Act of June 17, 1902 (32 Stat. 388), and Acts amendatory thereof or supplementary thereto). Construction of the San Luis unit shall not be commenced until the Secretary has (1) secured, or has satisfactory assurance of his ability to secure, all rights to the use of water which are necessary to carry out the purposes of the unit and the terms and conditions of this Act, and (2) received satisfactory assurance from the State of California that it will make provision for a master drainage outlet and disposal channel for the San Joaquin Valley, as generally outlined in the California water plan, Bulletin Numbered 3, of the California Department of Water Resources, which will adequately serve, by connection therewith, the drainage system for the San Luis unit or has made provision for constructing the San Luis interceptor drain to the delta designed to meet the drainage requirements of the San Luis unit as generally outlined in the report of the Department of the Interior, entitled "San Luis Unit, Central Valley Project," dated December 17, 1956.

43 USC 371 and note.
Preliminary measures.

Conditions.

(b) No water provided by the Federal San Luis unit shall be delivered in the Federal San Luis service area to any water user for the production on newly irrigated lands of any basic agricultural commodity, as defined in the Agricultural Act of 1949, or any amendment thereof, if the total supply of such commodity as estimated by the Secretary of Agriculture for the marketing year in which the bulk

of the crop would normally be marketed and which will be in excess of the normal supply as defined in section 301(b)(10) of the Agricultural Adjustment Act of 1938, as amended, unless the Secretary calls for an increase in production of such commodity in the interest of national security.

52 Stat. 41.
7 USC 1301(b).

SEC. 2. The Secretary is authorized, on behalf of the United States, to negotiate and enter into an agreement with the State of California providing for coordinated operation of the San Luis unit, including the joint-use facilities, in order that the State may, without cost to the United States, deliver water in service areas outside the Federal San Luis unit service area as described in the report of the Department of the Interior, entitled "San Luis Unit, Central Valley Project", dated December 17, 1956. Said agreement shall recite that the liability of the United States thereunder is contingent upon the availability of appropriations to carry out its obligations under the same. No funds shall be appropriated to commence construction of the San Luis unit under any such agreement, except for the preparation of designs and specifications and other preliminary work, prior to ninety calendar days (which ninety days, however, shall not include days on which either the House of Representatives or the Senate is not in session because of an adjournment of more than three calendar days to a day certain) after it has been submitted to the Congress, and then only if neither the House nor the Senate Interior and Insular Affairs Committee has disapproved it by committee resolution within said ninety days. If such an agreement has not been executed by January 1, 1962, and if, after consultation with the Governor of the State, the Secretary determines that the prospects of reaching accord on the terms thereof are not reasonably firm, he may proceed to construct and operate the San Luis unit in accordance with section 1 of this Act: *Provided*, That, if the Secretary so determines, he shall report thereon to the Congress and shall not commence construction for ninety calendar days from the date of his report (which ninety days, however, shall not include days on which either the House of Representatives or the Senate is not in session because of an adjournment of more than three days). In considering the prospects of reaching accord on the terms of the agreement the Secretary shall give substantial weight to any relevant affirmative action theretofore taken by the State, including the enactment of State legislation authorizing the State to acquire and convey to the United States title to lands to be used for the San Luis unit or assistance given by it in financing Federal design and construction of the unit. The authority conferred upon the Secretary by the first sentence of this section shall not, except as is otherwise provided in this section, be construed as a limitation upon the exercise by him of the authority conferred in section 1 of this Act, but if the State shall agree that, if it later enlarges the joint-use facilities, or any of them, it will pay an equitable share of the cost to the United States of those facilities as initially constructed before utilizing them for the storage or delivery of water and will bear the entire cost of enlarging the same and if, as a part of said equitable share, it makes available to the Secretary sufficient funds to pay the additional cost of designing and constructing the joint-use facilities so as to permit enlargement, it shall have an irrevocable right to enlarge or modify such facilities at any time in the future, and a perpetual right to the use of such additional capacity: *Provided*, That the performance of such work by the State, after approval of its plans by the Secretary, shall be so carried on as not to interfere unduly with the operation of the project for the purposes set forth in section 1 of this Act and the use of the additional capacity for water service shall be limited to service outside of the Federal San

Luis unit service area: *And provided further*, That this right may be relinquished by the State at any time at its option.

Provisions.

SEC. 3. The agreement between the United States and the State referred to in section 2 of this Act shall provide, among other things, that—

(a) the joint-use facilities to be constructed by the Secretary shall be so designed and constructed to such capacities and in such manner as to permit either (i) immediate integration and coordinated operation with the State's water projects by providing, among other things, a capacity in San Luis Reservoir of approximately two million one hundred thousand acre-feet and corresponding capacities in the other joint-use facilities or (ii) such subsequent enlargement or other modification as may be required for integration and coordinated operation therewith;

(b) the State shall make available to the Secretary during the construction period sufficient funds to pay an equitable share of the construction costs of any facilities designed and constructed as provided in paragraph (a) above. The State contribution shall be made in annual installments, each of which bears approximately the same ratio to total expenditures during that year as the total of the State's share bears to the total cost of the facilities; the State may make advances to the United States in order to maintain a timely construction schedule of the joint-use facilities and the works of the San Luis unit to be used by the State and the United States;

(c) the State may at any time after approval of its plans by the Secretary and at its own expense enlarge or modify San Luis Dam and Reservoir and other facilities to be used jointly by the State and the United States, but the performance of such work shall be so carried on as not to interfere unduly with the operation of the San Luis unit for the purposes set forth in section 1 of this Act;

(d) the United States and the State shall each pay annually an equitable share of the operation, maintenance, and replacement costs of the joint-use facilities;

(e) promptly after execution of this agreement between the Secretary and the State, and for the purpose of said agreement, the State shall convey to the United States title to any lands, easements, and rights-of-way which it then owns and which are required for the joint-use facilities. The State shall be given credit for the costs of these lands, easements, and rights-of-way toward its share of the construction cost of the joint-use facilities. The State shall likewise be given credit for any funds advanced by it to the Secretary for preparation of designs and specifications or for any other work in connection with the joint-use facilities;

(f) the rights to the use of capacities of the joint-use facilities of the San Luis unit shall be allocated to the United States and the State, respectively, in such manner as may be mutually agreed upon. The United States shall not be restricted in the exercise of its right so allocated, which shall be sufficient to carry out the purposes of section 1 of this Act and which shall extend throughout the repayment period and so long thereafter as title to the works remains in the United States. The State shall not be restricted in the exercise of its allocated right to the use of the capacities of the joint-use facilities for water service outside the Federal San Luis unit service area;

(g) the Secretary may turn over to the State the care, operation, and maintenance of any works of the San Luis unit which are used

jointly by the United States and the State at such time and under such conditions as shall be agreed upon by the Secretary and the State;

(h) notwithstanding transfer of the care, operation, and maintenance of any works to the State, as hereinbefore provided, any organization which has theretofore entered into a contract with the United States under the Reclamation Project Act of 1939, and amendments thereto, for a water supply through the works of the San Luis unit, including joint-use facilities, shall continue to be subject to the same limitations and obligations and to have and to enjoy the same rights which it would have had under its contract with the United States and the provisions of paragraph (4) of section 1 of the Act of July 2, 1956 (70 Stat. 483, 43 U.S.C. 485h–1) in the absence of such transfer, and its enjoyment of such rights shall be without added cost or other detriment arising from such transfer; 53 Stat. 1187. 43 USC 485k.

Restriction.

SEC. 5. In constructing, operating, and maintaining a drainage system for the San Luis unit, the Secretary is authorized to permit the use thereof by other parties under contracts the terms of which are as nearly similar as is practicable to those required by the Federal reclamation laws in the case of irrigation repayment or service contracts and is further authorized to enter into agreements and participate in construction and operation of drainage facilities designed to serve the general area of which the lands to be served by the San Luis unit are a part, to the extent the works authorized in section 1 of this Act contribute to drainage requirements of said area. Said base sum of $290,430,000 shall, however, be diminished to the extent that the State makes funds or lands or interests in land available to the Secretary pursuant to sections 2 or 3 of this Act which decrease the costs which would be incurred if the works authorized in section 1 of of this Act (including provision for their subsequent expansion) were constructed solely as a Federal project. There are also authorized to be appropriated, in addition thereto, such amounts as are required (a) for construction of such distribution systems and drains as are not constructed by local interests, but not to exceed in total cost the sum of $192,650,000, and (b) for operation and maintenance of the unit: *Provided*, That no funds shall be appropriated for construction of distribution systems and drains prior to ninety calendar days (which ninety days, however, shall not include days on which either the House of Representatives or the Senate is not in session because of an adjournment of more than three calendar days to a day certain) after a contract has been submitted to the Congress calling for complete repayment of the distribution systems and drains within a period of forty years from the date such works are placed in service. All moneys received by the Secretary from the State under this Act shall be covered into the same accounts as moneys appropriated hereunder and shall be available, without further appropriation, to carry out the purposes of this Act.

The authority to place permanent or temporary improvements on land includes authority for surveys, administration, overhead, planning, and supervision incident to construction. That authority may be exercised before title to the land is approved under section 355 of the Revised Statutes, as amended (40 U.S.C. 255), and even though the land is held temporarily. The authority to acquire real estate or land includes authority to make surveys and to acquire land, and interests in land (including temporary use), by gift, purchase, exchange of Government-owned land, or otherwise. However, the total costs of all projects in each such title may not be more than the total amount authorized to be appropriated for projects in that title. Cost variations and limitations.

the President may exempt those contracts from the requirements of that section.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Commissioners of the District of Columbia (or their designated agents), hereinafter called the Commissioners, are hereby authorized to develop a plan for a sanitary interceptor and trunk sewer line to extend from Dulles International Airport to the District of Columbia system, hereinafter called the Potomac interceptor, which shall be of sufficient capacity to provide service for such airport and for the expected community growth and development in the adjacent areas in the States of Maryland and Virginia. Such plan shall be developed in consultation with the National Capital Planning Commission and the National Capital Regional Planning Council.

Interceptor.

SEC. 2. (a) Upon completion of the plan authorized by section 1 of this Act, the Commissioners are authorized to provide for acquisition of rights-of-way, development of the detailed plans and specifications, and construction of the Potomac interceptor. When such interceptor is completed, it shall be operated and maintained by the Commissioners as a part of a regional sanitary sewer system in cooperation with the proper authorities of the State and local jurisdictions concerned, under such regulations as may be prescribed by the Commissioners.

Charges.

(b) The Commissioners are authorized to establish, by agreements with the appropriate agencies of the United States and with the proper authorities of the States and local jurisdictions concerned,

charges for the use of the Potomac interceptor, which shall be based upon the costs of operation, maintenance, and amortization of the cost of all planning and construction (including acquisition of rights-of-way) of such interceptor, but which shall exclude such amount as may be appropriated pursuant to section 3 of this Act. The Commissioners shall credit all receipts from such charges for the use of the Potomac interceptor to a special fund which is hereby established and which shall be known as the Metropolitan Area Sanitary Sewage Works Fund of the District of Columbia. Such special fund shall be available in such amounts as may be appropriated from time to time for expenses necessary to plan, construct, maintain, and operate the Potomac interceptor.

Metropolitan Area Sanitary Sewage Works Fund.

(c) The Commissioners shall also charge all users of the Potomac interceptor, including any agency of the United States for carrying, treating, and disposing of sewage in the sewerage system of and within the District of Columbia consistently with the provisions of section 1 of the Act of August 21, 1958 (72 Stat. 702; D.C. SEC. 3. For the purposes of carrying out the provisions of this Act, there is authorized to be appropriated, without fiscal year limitation, to the Metropolitan Area Sanitary Sewage Works Fund the sum of $3,000,000, as the Federal contribution toward the cost of planning, acquiring rights-of-way for, and constructing the Potomac interceptor.

Appropriation.

SEC. 4. The Secretary of the Treasury is authorized and directed to advance to the Commissioners, from time to time, and the Commissioners are authorized to accept as loans, such additional funds, not exceeding a total of $25,000,000, as may be appropriated to carry out the purposes of this Act. Any loan advanced under this section shall be credited to the Metropolitan Area Sanitary Sewage Works Fund, and shall be repaid to the Secretary of the Treasury, from the receipts credited to said fund, in substantially equal annual payments including principal and interest, within a period of forty years beginning on July 1 of the second fiscal year following the date on which each such advance is credited to this fund: *Provided*, That interest and principal payments shall be deferred whenever the Secretary of the Treasury finds that the income received from charges for sewerage services is inadequate to cover these and other expenses properly chargeable to these receipts, and such deferred interest and principal shall be added to the sums payable to the Secretary of the Treasury in later years. The interest rates on such loans shall be determined in accordance with the provisions of section 218 of the District of Columbia Public Works Act of 1954, as amended (68 Stat. 109).

AN ACT

To provide a program of assistance to correct inequities in the construction of fishing vessels and to enable the fishing industry of the United States to regain a favorable economic status, and for other purposes.

Fishing vessels. Construction assistance.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to assist certain depressed segments of the fishing industry the Secretary of the Interior is hereby authorized to pay in accordance with this Act a subsidy for the construction of fishing vessels in the shipyards of the United States.

Subsidies. Applications.

SEC. 2. Any citizen of the United States may apply to the Secretary for a construction subsidy to aid in construction of a new fishing vessel in accordance with this Act. No such application shall be approved by the Secretary unless he determined that (1) the plans and specifications for the fishing vessel are suitable for use in the fishery in which that vessel will operate and suitable for use by the United States for National Defense or military purposes in time of war or National emergency, (2) that the applicant possesses the ability, experience, resources, and other qualifications necessary to enable him to operate and maintain the proposed new fishing vessel, (3) will aid in the development of the United States fisheries under conditions that the Secretary considers to be in the public interest, (4) that the vessel, except under force majeure will deliver its full catch to a port of the United States, (5) that the applicant will employ on the vessel only citizens of the United States or aliens legally domiciled in the United States, (6) the vessel will be documented under the laws of the United States, and (7) such other conditions as the Secretary may consider to be in the public interest.

Contracts.

SEC. 3. If the Secretary, in the exercise of his discretion, determines that the granting of a subsidy applied for is reasonably calculated to carry out the purposes of this Act, he may approve such application and enter into a contract or contracts with the applicant which will provide for payment by the United States of a construction subsidy in accordance with the purposes and provisions of this Act and in accordance with any other conditions or limitations which may be prescribed by the Secretary.

Subsidies, conditions.

SEC. 4. A construction subsidy shall be granted under this Act only to assist in the construction of a fishing vessel to be operated in (1) a fishery suffering injury from which escape clause relief has been recommended by the Tariff Commission under the Trade Agreements Assistance Act of 1951, as amended (65 Stat. 74), but where such relief has been or is hereafter denied under section 7(c) of such Act; (2) a fishery found by the Secretary to be injured or threatened with injury

72 Stat. 676. 19 USC 1364.

by reason of increased imports, either actual or relative, of a fish or shellfish product, not the subject of a trade agreement tariff concession, which is like or directly competitive with the fishery's product; or (3) a fishery found by the Secretary to be injured or threatened with injury by reason of increased imports, either actual or relative, of a fish or shellfish product that is provided for in the Free List of the Tariff Act of 1930, whether or not the subject of a trade agreement tariff concession.

46 Stat. 590. 19 USC 1654.

Cost determination and limitation.

SEC. 5. The construction subsidy which the Secretary may pay with respect to any fishing vessel under this Act shall be an amount equal to the difference, as determined by the Maritime Administrator, between the cost of constructing such vessel in a shipyard in the United States based upon the lowest responsible domestic bid for the construction of such vessel and the estimated cost, as determined by the Maritime Administrator, of constructing such vessel under similar plans and specifications in a foreign shipbuilding center which is determined by the Maritime Administrator to furnish a fair and representative example for the determination of the estimated total cost of constructing a vessel of the type proposed to be constructed, but in no event shall the subsidy exceed 33⅓ per centum of the cost of constructing such vessel in a shipyard in the United States based upon the lowest responsible domestic bid excluding the cost of any features incorporated in the vessel for national defense uses, which shall be paid by the Department of Defense in addition to the subsidy. For the purposes of this section, the Maritime Administrator shall determine, and certify to the Secretary, the lowest responsible domestic bid.

Submission of plans to Secretary of Defense.

SEC. 6. Any fishing vessel for which a construction subsidy is paid under this Act shall be constructed under the supervision of the Maritime Administrator. The Maritime Administrator shall submit the plans and specifications for the proposed vessel to the Department of Defense for examination thereof and suggestions for such changes therein as may be deemed necessary or proper in order that such vessel shall be suitable for economical and speedy conversion into a naval or military auxiliary or otherwise suitable for the use of the United States Government in time of war or national emergency. If the Secretary of Defense approves such plans and specifications as submitted, or as modified, in accordance with the provisions of this subsection, he shall certify such approval to the Administrator. No construction subsidy shall be paid by the Secretary under this Act unless all contracts between the applicant for such subsidy and the shipbuilder who is to construct such vessel contain such provisions with respect to the construction of the vessel as the Maritime Administrator determines necessary to protect the interests of the United States.

Conditions of construction.

SEC. 7. All construction with respect to which a construction subsidy is granted under this Act shall be performed in a shipyard in the United States as a result of competitive bidding, after due advertising, with the rights reserved in the applicant, and in the Maritime Administrator, to disapprove any or all bids. In all such construction the shipbuilder, subcontractor, material men, and suppliers shall use, so far as practicable, only articles, materials, and supplies of the growth, production, and manufacture of the United States as defined in paragraph K of section 401 of the Tariff Act of 1930. No shipbuilder shall be deemed a responsible builder unless he possesses the experience, ability, financial resources, equipment, and other qualifications necessary properly to perform the proposed contract. The submitted bid shall be accompanied by all detailed estimates on which it is based, and the Maritime Administrator may require that the builder or any subcontractor submit any other pertinent data relating to such bids.

46 Stat. 708. 19 USC 1401.

Acquisition of ownership by U.S.

SEC. 8. (a) Every contract executed by the Secretary pursuant to section 3 of this Act shall provide that in the event the United States shall, through purchase or requisition, acquire ownership of any fishing vessel on which a construction subsidy was paid, the owner shall be paid therefor the value thereof, but in no event shall such payment exceed the actual depreciated construction cost thereof (together with the actual depreciated cost of capital improvements thereon) less the depreciated amount of construction subsidy theretofore paid incident to the construction of such vessel, or the fair and reasonable scrap value of such vessel as determined by the Maritime Administrator, whichever is the greater. Such determination shall be final. In computing the depreciated value of such vessel, depreciation shall be computed on each vessel on the schedule accepted or adopted by the Internal Revenue Service for income tax purposes.

(b) The provisions of section 2 and subsection (a) of this section relating to the requisition or the acquisition of ownership by the United States shall run with the title of each fishing vessel and be binding on all owners thereof.

Payment for use in other fisheries.

SEC. 9. If any fishing vessel is operated during its useful life, as determined by the Secretary, in any fishery other than the particular fishery for which it was designed the owner of such vessel shall repay to the Secretary, in accordance with such terms and conditions as the Secretary shall prescribe, an amount which bears the same proportion to the total construction subsidy paid under this Act with respect to such vessel as the proportion that the number of years during which such vessel was not operated in the fishery for which it was designed bears to the total useful life of such vessel as determined by the Secretary for the purposes of this section. Obligations under this provision shall run with the title to the vessel.

Definitions.

SEC. 10. The Secretary shall make such rules and regulations as may be necessary to carry out the purposes of this Act.

SEC. 11. As used in this Act the terms—

"(i) For all ordinary policies of life insurance issued on the standard basis, excluding any disability and accidental death benefits in such policies, the Commissioners 1941 Standard Ordinary Mortality Table for such policies issued prior to the operative date of the last paragraph of section 5b(d) of this chapter, and the Commissioners 1958 Standard Ordinary Mortality Table for such policies issued on or after such operative date; provided that for any category of such policies issued on female risks all modified net premiums and present values referred to in this section may be calculated according to an age not more than three years younger than the actual age of the insured."

Mortality tables.

62 Stat. 32.

Female risks.

(b) Clause (B) of paragraph (2) of such subsection (D.C. Code, sec. 35–701(c)(2)(B)) is amended to read as follows:

62 Stat. 29.

"(B) A net one-year term premium for such benefits provided for in the first policy year.

"Reserves according to the Commissioners reserve valuation method for (i) life-insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums, (ii) annuity and pure endowment contracts, (iii) disability and accidental death benefits in all policies and contracts, and (iv) all other benefits, except life insurance and endowment benefits in life-insurance policies, shall be calculated by a method consistent with the principles of this paragraph (2), except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums."

Reserve valuation.

SEC. 2. (a) Subsection (d) of section 5b of chapter V of the Life Insurance Act (D.C. Code, sec. 35–705b(d)) is amended to read as follows:

62 Stat. 32.

Uniform percentage.

"(d) The adjusted premiums for any policy referred to in subsection (a) shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of (i) the then present value of the future guaranteed benefits provided for by the policy; (ii) 2 per centum of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (iii) 40 per centum of the adjusted premium for the first policy year; (iv) 25 per centum of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less: *Provided, however*, That in applying the percentages specified in (iii) and (iv) above, no adjusted premium shall be deemed to exceed 4 per centum of the amount of insurance or uniform amount equivalent thereto.

"In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this subsection shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy: *Provided, however*, That in the case of a policy providing a varying amount of insurance issued on the life of a child under age ten, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age ten were the amount provided by such policy at age ten.

Adjusted premiums, calculation.

"Except as otherwise provided in the next succeeding paragraph of this subsection, all adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1941 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than three years younger than the actual age of the insured. Such calculations for all policies of industrial insurance shall be made on the basis of the 1941 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest, not exceeding 3½ per centum per annum, specified in the policy for calculating cash surrender values, if any, and paid-up nonforfeiture benefits: *Provided, however*, That in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than 130 per centum of the rates of mortality according to such applicable table: *Provided further*, That for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the Superintendent.

"In the case of ordinary policies issued on or after the operative date of this paragraph as defined herein, all adjusted premiums and present values referred to in this section shall be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table and the rate of interest, not exceeding 3½ per centum per annum,

specified in the policy for calculating cash surrender values, if any, and paid-up nonforfeiture benefits, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than three years younger than the actual age of the insured: *Provided, however*, That in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1958 Extended Term Insurance Table: *Provided further*, That for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the Superintendent. After the effective date of the amendatory Act of 1960, any company may file with the Superintendent a written notice of its election to comply with the provisions of this paragraph after a specified date before January 1, 1966. After the filing of such notice, then upon such specified date (which shall be the operative date of this paragraph for such company), this paragraph shall become operative with respect to the ordinary policies thereafter issued by such company. If a company makes no such election, the operative date of this paragraph for such company shall be January 1, 1966."

JOINT RESOLUTION

To provide for the designation of the month of September 1960, as "National Wool Month".

Whereas September 1960 marks the two hundredth anniversary of the recognition of wool production and wool manufacture in the United States as an industry; and

Whereas from its humble beginning in the homes and on the farms of the colonists in the early 1600's, the American wool growing and textile industry has become an integral part of our national economy and one of our great industries with millions of citizens directly, or indirectly, dependent upon it, and representing more than $5,000,000,000 a year in the retail value of its products; and

Whereas its nationwide scope is evidenced in that over three thousand of the three thousand and sixty-eight counties in the United States are involved in one or more wool production or textile operations, with wool grown in every State of the Union, including Alaska and Hawaii; and

Whereas this great industry has been and is now facing severe competition from various sources, and is fighting in every way to preserve wool growing and wool manufacturing in the United States, it is most fitting that national recognition and support be given the wool industry: Now, therefore, be it

National Wool Month.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is authorized and requested to issue a proclamation designating the month of September 1960 as "National Wool Month", and calling upon the people of the United States to observe such month with appropriate activities and ceremonies.

To provide for certain pilotage requirements in the navigation of United States waters of the Great Lakes, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Great Lakes Pilotage Act of 1960."

Great Lakes Pilotage Act of 1960.

Definitions.

SEC. 2. As used in this Act:

(a) "Great Lakes" means Lakes Superior, Michigan, Huron, Erie, and Ontario, their connecting and tributary waters, the Saint Lawrence River as far east as Saint Regis, and adjacent port areas.

(b) "Secretary" means the Secretary of Commerce.

(c) "United States registered pilot" means a person, other than a member of the regular complement of a vessel, who holds an unlimited master's license authorizing navigation on the Great Lakes and suitably endorsed for pilotage on routes specified therein, issued by the head of the Department in which the Coast Guard is operating under regulations issued by him, and is registered by the Secretary as provided in section 4 of this Act.

(d) "Canadian registered pilot" means a person, other than a member of the regular complement of a vessel, who holds a master's certificate or equivalent license authorizing navigation on the Great Lakes and pilotage on routes specified therein, issued by the appropriate agency of Canada, and is registered by a designated agency of Canada on substantially the same basis as registration by the Secretary under the provisions of section 4 of this Act.

(e) "Other officer" means the master or any other member of the regular complement of the vessel concerned who is qualified for the navigation of the Great Lakes waters described in section 3(b) of this Act and who is either licensed by the head of the Department in which the Coast Guard is operating under regulations issued by him or certificated by an appropriate agency of Canada.

(f) "Foreign vessels" means all foreign merchant vessels except Canadian vessels whose operations are exclusively upon the Great Lakes or between ports in the Great Lakes and the St. Lawrence River, or whose operations while predominately as aforesaid fail of being exclusively so only because of an occasional voyage to a port or ports in the maritime provinces of Canada in the Canadian coastal trade.

Registered pilot, designation.

SEC. 3. (a) The President shall designate and by proclamation announce those United States waters of the Great Lakes in which registered vessels of the United States and foreign vessels shall be required to have in their service a United States registered pilot or a Canadian registered pilot for the waters concerned, who shall, subject to the customary authority of the master, direct the navigation of the vessel in those waters. These designations shall be made with due regard to the public interest, the effective utilization of navigable waters, marine safety, and the foreign relations of the United States.

Foreign vessels, operation.

(b) In those United States waters of the Great Lakes which are not designated by the President in accordance with paragraph (a) of this section, there shall be on board registered vessels of the United States and foreign vessels, a United States registered pilot or Canadian registered pilot or other officer qualified for the waters concerned who shall be available to direct the navigation of the vessel in such undesignated waters at the discretion of and subject to the customary authority of the master.

Canadian vessels, operation.

(c) The authority extended in paragraphs (a) and (b) of this section to Canadian registered pilots or to other officers certificated

by Canada to serve on registered vessels of the United States and foreign vesels in United States waters of the Great Lakes shall be in effect only so long as Canada extends reciprocity to United States registered pilots or to other officers licensed by the United States, in regard to requirements established for the pilotage of Canadian waters of the Great Lakes.

Registration of U. S. pilots.

SEC. 4. (a) The registration of United States pilots shall be carried out by the Secretary under such regulations as to qualifications, terms, and conditions which will assure adequate and efficient pilotage service, provide for equitable participation of United States registered pilots with Canadian registered pilots in the pilotage of vessels to which this Act applies, and provide fair and reasonable opportunity for registration. Each applicant must, as a prerequisite, be the holder of an appropriate master's license as described in section 2(c). In addition, the qualifications, terms, and conditions to be met by each applicant shall include, but not be limited to, availability for service when required and agreement to comply with all applicable regulations issued by the Secretary pursuant to this Act. Such qualifications, terms, and conditions shall not include matters relating to a pilot's professional competency nor be inconsistent with his duties under the license issued to him by the Coast Guard, which matters shall remain the responsibility of the Coast Guard.

Documentary evidence.

(b) The Secretary shall issue documentary evidence of registration to United States registered pilots and such evidence shall be in their possession at all times when in the service of a vessel. Further, this evidence of registration shall describe the part or parts of the Great Lakes within which the holder is authorized to perform pilotage under this Act and such description shall not be inconsistent with the terms of the pilotage authorization in his license.

Validity of registration.

(c) The Secretary shall establish by regulation the period of validity of registration of United States registered pilots. When the Secretary determines on the record, after notice and opportunity for a hearing, that a United States registered pilot has violated any regulation pursuant to this Act, he may revoke or suspend the registration of such pilot. The basis for such revocation or suspension of a pilot's registration shall not extend to or include matters which may be the basis for revocation or suspension of his license by the Coast Guard under section 4450, Revised Statutes, as amended (46 U.S.C. 239), or under any other law or regulation administered or prescribed by the Coast Guard, except that upon revocation or suspension by the Coast Guard the Secretary shall revoke or suspend the pilot's registration. The Secretary shall advise the Coast Guard of the name and Coast Guard license number of each pilot who has been registered or whose registration has been revoked or suspended. The Coast Guard shall advise the Secretary of the name of any registered pilot whose licence has been revoked or suspended.

Equitable participation, U. S.-Canada.

(d) The Secretary is authorized to enter into arrangements with an appropriate agency of Canada for equitable participation by United States registered pilots with Canadian registered pilots in the pilotage services required by both countries for vessels navigating the Great Lakes. To that end, the Secretary is further authorized to arrange with an appropriate agency of Canada for the number of pilots who shall be registered in each country.

Pools, regulations.

(e) Notwithstanding the provisions of any other law, the Secretary may authorize the formation of a pool or pools by a voluntary association or associations of United States registered pilots to provide such arrangements and facilities as may be necessary or desirable for

the efficient dispatching of vessels and rendering of pilotage services required under the provisions of this Act. The Secretary may—

(i) establish such rules and regulations for the operation of a pool or pools as he may deem necessary;

(ii) require that pooling be coordinated on a reciprocal basis with similar arrangements established by the appropriate agency of Canada;

(iii) limit the number of pools;

(iv) audit and inspect the administration and operation of a pool or pools;

(v) prescribe uniform systems of accounts for a pool or pools.

Services, rates, charges, etc.

SEC. 5. (a) The Secretary is authorized and directed to establish by regulations the rates, charges, and any other conditions or terms for services performed by registered pilots to meet the provisions of this Act.

(b) The Secretary is authorized to arrange with the appropriate agency of Canada for the establishment of joint or identical rates, charges, and any other conditions or terms for services by registered pilots in the waters of the Great Lakes.

(c) The rates, charges, and any other conditions or terms for pilotage services by registered pilots established by the Secretary in accordance with subdivisions (a) and (b) of this section shall be fair and equitable, giving due consideration to the public interest and the reasonable cost and expense of providing and maintaining such facilities and arrangements as are required for the efficient performance of pilotage services in accordance with the provisions of this Act.

SEC. 6. Any written arrangements between the Secretary and the appropriate agency of Canada under the provisions of this Act shall be subject to the concurrence of the Secretary of State.

Violations, penalties.

SEC. 7. (a) Any owner, master, or person in charge of a vessel subject to this Act who permits the navigation of the vessel by a person not a registered pilot in the waters designated by the President pursuant to section 3(a) of this Act or who permits the navigation of the vessel without having on board a registered pilot or other officer in the waters described in section 3(b) of this Act shall be liable to the United States in a civil penalty not exceeding $500 for each violation, for which sum the vessel shall be liable and may be seized and proceeded against by way of libel in any district court of the United States having jurisdiction thereof. Each day the vessel shall be so navigated shall constitute a separate violation. This subsection shall be enforced by the head of the Department in which the Coast Guard is operating.

(b) Any person, not a registered pilot, who directs the navigation of a vessel subject to this Act in the waters designated by the President pursuant to section 3(a) of this Act, shall be subject to a civil penalty in an amount not exceeding $500 for each violation. Each day such person so directs the navigation of such vessel shall constitute a separate violation. This subsection shall be enforced by the head of the Department in which the Coast Guard is operating.

(c) A person who violates any regulation issued pursuant to sections 4 and 5 of this Act shall be liable to the United States in a civil penalty not exceeding $500 for each violation. The provisions of this subsection shall be enforced by the Secretary, who may, upon application therefor, remit or mitigate the penalty provided for herein, upon such terms as he, in his discretion, shall think proper.

Operation without registered pilots.

SEC. 8. Notwithstanding any other provision of this Act, a vessel may be navigated in the United States waters of the Great Lakes without a United States or Canadian registered pilot when—

(a) the Secretary, or his designee, with the concurrence of the head of the Department in which the Coast Guard is operating, or his designee, notifies the master that a United States or Canadian registered pilot is not available, or

(b) the vessel or its cargo is in distress or jeopardy.

Local authority.

SEC. 9. (a) No State, municipal, or other local authority shall have any power to require the use of pilots or to regulate any aspect of pilotage in any of the waters specified in this Act.

"Laker" vessels.

(b) Nothing in this Act shall apply to any vessel of the United States which, in its navigation of waters to which this Act is applicable, is required by any other Act to have in its service and on board pilots or other navigating officers licensed by the United States for such waters.

(c) The exceptions in section 2(f) applying to Canadian vessels shall be effective only so long as Canada permits enrolled vessels of the United States to be navigated on Canadian waters of the Great Lakes solely by qualified officers licensed by the head of the Department in which the Coast Guard is operating.

Advisory Committee.

SEC. 10. (a) The Secretary is authorized to appoint an Advisory Committee of three public members, each of whom shall have had at least five years of practical experience in maritime operations. The term for which a member may be appointed or reappointed shall not exceed five years.

(b) The Advisory Committee shall meet at the call of the Secretary. The Advisory Committee may review proposed pilotage regulations and policies and make such recommendations as are deemed appropriate.

(c) Members of the Advisory Committee shall be compensated at a rate not exceeding $75 per day when actually engaged in the performance of their duties, together with their necessary travel expenses while going to and from meetings and when engaged on business at the call of the Secretary.

Use of services, equipment, etc.

SEC. 11. The Secretary may use, with their consent, the available services, equipment, personnel, and facilities of agencies and instrumentalities of the Federal Government, on a reimbursable basis when appropriate.

SEC. 12. If a provision of this Act or the application of such provision to any person or circumstances shall be held invalid, the remainder of the Act and the application of such provision to persons or circumstances other than those to which it is held invalid shall not be affected thereby.

Effective date.

SEC. 13. This Act shall become effective upon the date of its enactment, except that the pilotage provisions of this Act shall not become effective until the first day of the fourth month following the issuance of regulations pursuant hereto by the Secretary.

Definitions.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That for the purposes of this Act, except as the context may otherwise require—

SEC. 2. (a) Upon request of the Secretary of State, the Secretary of Health, Education, and Welfare is authorized (directly or through arrangements under this subsection) to receive any eligible person at any port of entry or debarkation upon arrival from a foreign country and, to the extent he finds it necessary, to temporarily care for and treat at suitable facilities (including a hospital), and otherwise render assistance to, such person pending his transfer or hospitalization pursuant to other sections of this Act. For the purpose of providing such care and treatment and assistance, the Secretary is authorized to enter into suitable arrangements with appropriate State or other public or nonprofit agencies. Such arrangements shall be made without regard to section 3709 of the Revised Statutes, as amended (41 U.S.C. 5), and may provide for payment by the Secretary either in advance or by way of reimbursement.

(b) The Secretary may, to the extent deemed appropriate, equitable, and practicable by him, (1) require any person receiving care and treatment or assistance pursuant to subsection (a) to pay, in advance or by way of reimbursement, for the cost thereof or (2) obtain reimbursement for such cost from any State or political subdivision responsible for the cost of his subsequent hospitalization.

Transfer to legal domicile.

SEC. 3. If, at the time of arrival in the United States, the residence or the legal domicile of an eligible person appearing to be in need of care and treatment in a mental hospital is known to be in a State, or whenever thereafter such a person's residence or legal domicile in a State is ascertained, the Secretary shall, if the person is then under his care (whether directly or pursuant to a contract or other arrange-

ment under section 2 or 4), endeavor to arrange with the proper authorities of such State, or of a political subdivision thereof, for the assumption of responsibility for the care and treatment of such person by such authorities and shall, upon the making of such arrangement in writing, transfer and release such person to such authorities. In the event the State of the residence or legal domicile of an eligible person cannot be ascertained, or the Secretary is unable to arrange with the proper authorities of such State, or of a political subdivision thereof, for the assumption of responsibility for his care and treatment, the Secretary may, if he determines that the best interests of such person will be served thereby, transfer and release the eligible person to a relative who agrees in writing to assume responsibility for such person after having been fully informed as to his condition.

(a) Until the transfer and release of an eligible person pursuant to section 3, the Secretary is authorized to provide care and treatment for such person at Saint Elizabeths Hospital, at any other Federal hospital within or (pursuant to agreement) outside of the Department, or (under contract or other arrangements made without regard to section 3709 of the Revised Statutes, as amended) at any other public or private hospital in any State and, for such purposes, to transfer such person to any such hospital from a place of temporary care provided pursuant to section 2. SEC. 5. (a) Any person admitted to any hospital pursuant to section 2 or section 4 shall, as soon as practicable, but in no event more than five days after the day of such admission, be examined by qualified members of the medical staff of the hospital and, unless found to be in need of hospitalization by reason of mental illness, shall be discharged. Any person found upon such examination to be in need of such hospitalization shall thereafter, as frequently as practicable but not less often than every six months, be reexamined and shall, whenever it is determined that the conditions justifying such hospitalization no longer obtain, be discharged or, if found to be in the best interests of the patient, be conditionally released.

(b) Whenever any person is admitted to a hospital pursuant to this Act, his legal guardian, spouse, or next of kin shall, if known, be immediately notified.

Request for release.

SEC. 6. (a) If a person who is a patient hospitalized under section 2 or section 4, or his legal guardian, spouse, or adult next of kin, requests the release of such patient, the right of the Secretary, or the head of the hospital, to detain him for care and treatment shall be determined in accordance with such laws governing the detention, for care and treatment, of persons alleged to be mentally ill as may be in force and applicable generally in the State in which such hospital is located, but in no event shall the patient be detained more than forty-eight hours (excluding any period of time falling on a Sunday or legal holiday) after the receipt of such request unless within such time (1) judicial proceedings for such hospitalization are commenced or (2) a judicial extension of such time is obtained, for a period of not more than five days, for the commencement of such proceedings.

Transfers.

(b) The Secretary is authorized at any time, when he deems it to be in the interest of the person or of the institution affected, to transfer any person hospitalized under section 4 from one hospital to another, and to that end any judicial commitment of any person so hospitalized may be to the Secretary.

Release, notice to court.

In the case of any person hospitalized under section 4 who has been judicially committed to the Secretary's custody, the Secretary shall, upon the discharge or conditional release of such person, or upon such person's transfer and release under section 3, notify the committing court of such discharge or conditional release or such transfer and release.

Financial responsibility.

SEC. 8. (a) Any person hospitalized under section 4 or his estate, shall be liable to pay or contribute toward the payment of the costs or charges for his care and treatment to the same extent as such person would, if resident in the District of Columbia, be liable to pay, under the laws of the District of Columbia, for his care and maintenance in a hospital for the mentally ill in that jurisdiction. The Secretary may, in his discretion, where in his judgment substantial justice will be best served thereby or the probable recovery will not warrant the expense of collection, compromise or waive the whole or any portion of any claim under this section. In carrying out this section, the Secretary may make or cause to be made such investigations as may be necessary to determine the ability of any person hospitalized under section 4 to pay or contribute toward the cost of his hospitalization. All collections or reimbursement on account of the costs and charges for the care of the eligible person shall be deposited in the Treasury as miscellaneous receipts. Any judicial proceedings to recover such costs or charges shall be brought in the name of the United States in any court of competent jurisdiction.

"Costs or charges".

(b) As used in this section, the term "costs or charges" means, in the case of hospitalization at a hospital under the jurisdiction of the Department of Health, Education, and Welfare, a per diem rate prescribed by the Secretary on a basis comparable to that charged for any other paying patients and, in the case of persons hospitalized elsewhere, the contract rate or a per diem rate fixed by the Secretary on the basis of the contract rate.

Appropriation for transportation.

SEC. 9. Appropriations for carrying out this Act shall also be available for the transportation of any eligible person and necessary attendants to or from a hospital (including any hospital of a State or political subdivision to which an eligible person is released under section 3), to the place where a relative to whom any person is released under section 3 resides, or to a person's home upon his discharge from hospitalization under this Act.

To authorize the exchange of certain war-built vessels for more modern and efficient war-built vessels owned by the United States.

War-built vessels, Exchange. 53 Stat. 1183. 46 USC 1160.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 510 of the Merchant Marine Act, 1936, is amended by adding a new subsection as follows:

"(i) In order to improve the type and suitability of vessels operating in the domestic and foreign commerce of the United States, and to further the policies of this Act, the Secretary of Commerce is authorized (subject to the provisions of this subsection) to acquire at any time within five years from the date of enactment of this Act war-built vessels (which are defined for purposes of this subsection as oceangoing vessels of one thousand five hundred gross tons or over which were constructed or contracted for by the United States shipyards during the period beginning September 3, 1939, and ending September 2, 1945) in exchange for more modern or efficient war-built vessels owned by the United States. Such exchanges shall be subject to the following conditions:

Conditions.

"(1) The traded-in vessels shall have been owned and operated without subsidy under title VI of this Act by a citizen or citizens of the United States, and documented under the laws of the United States, for at least three years immediately prior to the date of the exchange.

"(2) The fair and reasonable value of the traded-in and traded-out vessels shall be determined, as of the date of the exchange, pursuant to subsection (d) of this section.

"(3) In determining said fair and reasonable value the Secretary shall consider the cost of placing the vessels in class with respect to hull and machinery, and, with respect to any traded-out vessels of the military type, the cost of reconverting and restoring such vessels for normal operation in commercial service. The Secretary of Commerce shall consult with and obtain the approval of the Defense Department before any vessel of a military type is traded out under the provisions of this subsection. In determining the value of the traded-in vessel or vessels the Secretary may take into consideration the cost to the owner of compliance with subparagraph (8), clauses (A) and (B), of this subsection.

"(4) The value of the traded-out vessel which is in excess of the value of the traded-in vessel or vessels shall be paid in cash at the time of the exchange. No payments shall be made by the United States to the owner of a traded-in vessel in connection with any exchange under this subsection.

"(5) A contract shall be entered into under this subsection by any person acquiring a traded-out vessel, which shall provide (A) that in the event the United States shall, through purchase or requisition or otherwise, reacquire ownership of said vessel, at any time within twenty years of the date of construction thereof, the owner shall be paid therefor the value thereof, but in no event shall such payment exceed the fair and reasonable exchange value determined under this subsection (together with the actual cost of capital improvements thereon) depreciated to the date of such purchase or acquisition, or the fair and reasonable scrap value of such vessel, as determined by the Secretary of Commerce, whichever is the greater; (B) that such determination shall be final; (C) that in computing the depreciated exchange value of such vessel, the depreciation shall be computed on the vessel on the schedule adopted or accepted by the Secretary of the

Treasury for Federal income tax purposes as applicable to such vessel; (D) that such vessel shall remain documented under the laws of the United States for a period of at least five years after the date of the exchange, or twenty years from the date of its construction, whichever is the later date; and (E) that the foregoing conditions respecting requisition or acquisition of ownership by the United States and documentation shall run with the title to such vessel and be binding on all owners thereof. Any other conditions respecting purchase or requisition by the United States heretofore applicable by statute to any traded-out vessel are hereby made inapplicable to such vessel.

"(6) Neither subsection (e) of this section, nor the nontaxable exchange provisions of the Internal Revenue Code, shall apply to the exchange of vessels under this subsection.

"(7) Any repairs or reconversion necessary at the time of the exchange to place the traded-out vessel in class and prepare it for commercial operation shall be performed in a shipyard within the continental United States.

"(8) The owner of the traded-in vessel, at his own expense and in a manner satisfactory to the Secretary of Commerce, shall (A) effect deactivation and preparation of the traded-in vessel and its equipment for storage or layup; (B) make delivery of such vessel and its equipment at a location designated by the Secretary of Commerce; and (C) execute a bond, with one or more approved sureties, conditioned upon indemnifying the United States from all loss resulting from any lien against such vessel existing at the time of the exchange.

"(9) No tanker vessel shall be traded out under the provisions of this subsection."

AN ACT

Providing a uniform law for the transfer of securities to and by fiduciaries in the District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

District of Columbia Uniform Act for Simplification of Fiduciary Security Transfers.

DEFINITIONS

SECTION 1. In this Act, unless the context otherwise requires:

(a) "Assignment" includes any written stock power, bond power, bill of sale, deed, declaration of trust or other instrument of transfer.

(b) "Claim of beneficial interest" includes a claim of any interest by a decedent's legatee, distributee, heir or creditor, a beneficiary under a trust, a ward, a beneficial owner of a security registered in the name of a nominee, or a minor owner of a security registered in the name of a custodian, or a claim of any similar interest, whether the claim is asserted by the claimant or by a fiduciary or by any other authorized person on his behalf, and includes a claim that the transfer would be in breach of fiduciary duties.

(c) "Corporation" means a private or public corporation, association or trust issuing a security.

(d) "Fiduciary" means an executor, administrator, trustee, guardian, committee, conservator, curator, tutor, custodian or nominee.

(e) "Person" includes an individual, a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(f) "Security" includes any share of stock, bond, debenture, note or other security issued by a corporation which is registered as to ownership on the books of the corporation.

(g) "Transfer" means a change on the books of a corporation in the registered ownership of a security.

(h) "Transfer agent" means a person employed or authorized by a corporation to transfer securities issued by the corporation.

REGISTRATION IN THE NAME OF A FIDUCIARY

SEC. 2. A corporation or transfer agent registering a security in the name of a person who is a fiduciary or who is described as a fiduciary is not bound to inquire into the existence, extent, or correct description of the fiduciary relationship, and thereafter the corporation and its transfer agent may assume without inquiry that the newly registered owner continues to be the fiduciary until the corporation or transfer agent receives written notice that the fiduciary is no longer acting as such with respect to the particular security.

ASSIGNMENT BY A FIDUCIARY

SEC. 3. Except as otherwise provided in this Act, a corporation or transfer agent making a transfer of a security pursuant to an assignment by a fiduciary—

(a) may assume without inquiry that the assignment, even though to the fiduciary himself or his nominee, is within his authority and capacity and is not in breach of his fiduciary duties;

(b) may assume without inquiry that the fiduciary has complied with any controlling instrument and with the law of the

jurisdiction governing the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of the transfer; and

(c) is not charged with notice of and is not bound to obtain or examine any court record or any recorded or unrecorded document relating to the fiduciary relationship or the assignment, even though the record or document is in its possession.

EVIDENCE OF APPOINTMENT OR INCUMBENCY

SEC. 4. A corporation or transfer agent making a transfer pursuant to an assignment by a fiduciary who is not the registered owner shall obtain the following evidence of appointment or incumbency:

(a) In the case of a fiduciary appointed or qualified by a court, a certificate issued by or under the direction or supervision of that court or an officer thereof and dated within sixty days before the transfer; or

(b) In any other case, a copy of a document showing the appointment or a certificate issued by or on behalf of a person reasonably believed by the corporation or transfer agent to be responsible or, in the absence of such a document or certificate, other evidence reasonably deemed by the corporation or transfer agent to be appropriate. Corporations and transfer agents may adopt standards with respect to evidence of appointment or incumbency under this subsection (b) provided such standards are not manifestly unreasonable. Neither the corporation nor transfer agent is charged with notice of the contents of any document obtained pursuant to this subsection (b) except to the extent that the contents relate directly to the appointment or incumbency.

ADVERSE CLAIMS

SEC. 5. (a) A person asserting a claim of beneficial interest adverse to the transfer of a security pursuant to an assignment by a fiduciary may give the corporation or transfer agent written notice of the claim. The corporation or transfer agent is not put on notice unless the written notice identifies the claimant, the registered owner and the issue of which the security is a part, provides an address for communications directed to the claimant and is received before the transfer. Nothing in this Act relieves the corporation or transfer agent of any liability for making or refusing to make the transfer after it is so put on notice, unless it proceeds in the manner authorized in subsection (b).

(b) As soon as practicable after the presentation of a security for transfer pursuant to an assignment by a fiduciary, a corporation or transfer agent which has received notice of a claim of beneficial interest adverse to the transfer may send notice of the presentation by registered or certified mail to the claimant at the address given by him. If the corporation or transfer agent so mails such a notice it shall withhold the transfer for thirty days after the mailing and shall then make the transfer unless restrained by a court order.

NONLIABILITY OF CORPORATION AND TRANSFER AGENT

SEC. 6. A corporation or transfer agent incurs no liability to any person by making a transfer or otherwise acting in a manner authorized by this Act.

NONLIABILITY OF THIRD PERSONS

SEC. 7. (a) No person who participates in the acquisition, disposition, assignment or transfer of a security by or to a fiduciary including a person who guarantees the signature of the fiduciary is liable for participation in any breach of fiduciary duty by reason of failure to inquire whether the transaction involves such a breach unless it is shown that he acted with actual knowledge that the proceeds of the transaction were being or were to be used wrongfully for the individual benefit of the fiduciary or that the transaction was otherwise in breach of duty.

(b) If a corporation or transfer agent makes a transfer pursuant to an assignment by a fiduciary, a person who guaranteed the signature of the fiduciary is not liable on the guarantee to any person to whom the corporation or transfer agent by reason of this Act incurs no liability.

(c) This section does not impose any liability upon the corporation or its transfer agent.

TERRITORIAL APPLICATION

SEC. 8. (a) The rights and duties of a corporation and its transfer agents in registering a security in the name of a fiduciary or in making a transfer of a security pursuant to an assignment by a fiduciary are governed by the law of the jurisdiction under whose laws the corporation is organized.

(b) This Act applies to the rights and duties of a person other than the corporation and its transfer agents with regard to acts and omissions in the District of Columbia in connection with the acquisition, disposition, assignment or transfer of a security by or to a fiduciary and of a person who guarantees in the District of Columbia the signature of a fiduciary in connection with such a transaction.

TAX OBLIGATIONS

SEC. 9. This Act does not affect any obligation of a corporation or transfer agent with respect to estate, inheritance, succession or other taxes imposed by the laws of the District of Columbia.

UNIFORMITY OF INTERPRETATION

SEC. 10. This Act shall be so construed as to effectuate its general purpose to make uniform the law of those States which enact it.

"(b) Notwithstanding any other provision of law, the Secretary of Defense with respect to civilian employees of the Department of Defense other than employees of a military department, and the Secretary of each military department with respect to civilian employees of such military department, may, under such regulations as each such Secretary may prescribe with respect to the employees concerned and in accordance with the policy and other provisions of this section, establish and operate programs of rotation which provide for the granting of the right to return to a position in the United States to each civilian employee in the department concerned—

Such additional position shall be in the same geographical area as, with rights and benefits not less than the rights and benefits of, and in a grade not lower than the grade of, the position held by the employee immediately before his assignment to duty outside the United States.

"(4) If, within ninety days after his placement in a position under paragraph (3) of this subsection, a vacant existing position or new continuing position, for which the employee is qualified, is available for the purposes of this section in the department concerned, in the same geographical area as, with rights and benefits equal to the rights and benefits of, and in a grade equal to the grade of, the position which he held immediately before his assignment to duty outside the United States, the employee shall be placed in such vacant existing position or new continuing position.

"(5) If, within the ninety-day period referred to in paragraphs (3) and (4) of this subsection, the employee cannot be placed in a position under such paragraph (4), he shall be reassigned or separated under the regulations prescribed by the United States Civil Service Commission to carry out section 12 of the Act of June 27, 1944 (5 U.S.C. 861).

58 Stat. 390.

"(6) If there is a termination of or material change in the activity in which the former position of the employee (referred to in paragraph (1) of this subsection) was located, he shall be placed, in the manner provided by paragraphs (2), (3), and (4), as applicable, of this subsection, in a position in the department concerned in a geographical area other than the geographical area in which such former position was located.

"(d) Each employee who is placed in a position under paragraph (1), (2), (3), (4), or (6) of subsection (c) of this section shall be paid at a rate of basic compensation which is not less than the rate of basic compensation to which he would have been entitled if he had not been assigned to duty outside the United States.

"(e) (1) Each employee who is displaced from a position by reason of the exercise of a return right under subsection (c) (1) of this section shall be placed, as of the date of such displacement, without reduction in seniority, status, and tenure, in a vacant existing position or new continuing position, for which he is qualified, available in the department concerned, in the same geographical area as, with rights and benefits equal to the rights and benefits of, in a grade equal to the grade of, and at a rate of basic compensation not less than the last rate of basic compensation to which he was entitled while in, the position from which he is displaced.

"(f) The President may, upon his determination that such action is necessary in the national interest, declare that, for such period as he may specify, an assignment of an employee to duty in Alaska or Hawaii shall be held and considered, for the purposes of this section, to be an assignment to duty outside the United States.

JOINT RESOLUTION

To establish a National Institute for International Health and Medical Research, to provide for international cooperation in health research, research training, and research planning, and for other purposes.

International Health Research Act of 1960.

Whereas it is recognized that disease and disability are the common enemies of all nations and peoples, and that the means, methods, and techniques for combating and abating the ravages of disease and disability and for improving the health and health standards of man should be sought and shared, without regard to national boundaries and divisions; and

Whereas advances in combating and abating disease and in the positive promotion of human health can be stimulated by supporting and encouraging cooperation among scientists, research workers, and teachers on an international basis, with consequent benefit to the health of our people and of all peoples; and

Whereas there already exist tested means for international cooperation in matters relating to health, including the World Health Organization, the Pan American Health Organization, and the United Nations Children's Fund (UNICEF), with which the United States is identified and associated, and it is highly desirable that the United States establish domestic machinery for the maximum mobilization of its health research resources, the more efficiently to cooperate with and support the research, research-training and research-planning endeavors of such international organizations: Therefore be it

(g) The term "toxic" shall apply to any substance (other than a radioactive substance) which has the capacity to produce personal injury or illness to man through ingestion, inhalation, or absorption through any body surface.

(h)(1) The term "highly toxic" means any substance which falls within any of the following categories: (a) Produces death within fourteen days in half or more than half of a group of ten or more laboratory white rats each weighing between two hundred and three hundred grams, at a single dose of fifty milligrams or less per kilogram of body weight, when orally administered; or (b) produces death within fourteen days in half or more than half of a group of ten or more laboratory white rats each weighing between two hundred and three hundred grams, when inhaled continuously for a period of one hour or less at an atmospheric concentration of two hundred parts per million by volume or less of gas or vapor or two milligrams per liter by volume or less of mist or dust, provided such concentration is likely to be encountered by man when the substance is used in any reasonably foreseeable manner; or (c) produces death within fourteen days in half or more than half of a group of ten or more rabbits tested in a dosage of two hundred milligrams or less per kilogram of body weight, when administered by continuous contact with the bare skin for twenty-four hours or less.

(2) If the Secretary finds that available data on human experience with any substance indicate results different from those obtained on animals in the above-named dosages or concentrations, the human data shall take precedence.

(i) The term "corrosive" means any substance which in contact with living tissue will cause destruction of tissue by chemical action; but shall not refer to action on inanimate surfaces.

(j) The term "irritant" means any substance not corrosive within the meaning of subparagraph (i) which on immediate, prolonged, or repeated contact with normal living tissue will induce a local inflammatory reaction.

(k) The term "strong sensitizer" means a substance which will cause on normal living tissue through an allergic or photodynamic process a hypersensitivity which becomes evident on reapplication of the same substance and which is designated as such by the Secretary. Before designating any substance as a strong sensitizer, the Secretary, upon consideration of the frequency of occurrence and severity of the reaction, shall find that the substance has a significant potential for causing hypersensitivity.

(l) The term "extremely flammable" shall apply to any substance which has a flash point at or below twenty degrees Fahrenheit as determined by the Tagliabue Open Cup Tester, and the term "flammable" shall apply to any substance which has a flash point of above twenty degrees to and including eighty degrees Fahrenheit, as determined by the Tagliabue Open Cup Tester; except that the flammability of solids and of the contents of self-pressurized containers shall be determined by methods found by the Secretary to be generally applicable to such materials or containers, respectively, and established by regulations issued by him, which regulations shall also define the terms "flammable" and "extremely flammable" in accord with such methods.

(m) The term "radioactive substance" means a substance which emits ionizing radiation.

(n) The term "label" means a display of written, printed, or graphic matter upon the immediate container of any substance; and a requirement made by or under authority of this Act that any word, statement, or other information appear on the label shall not be considered to be complied with unless such word, statement, or other information also appears (1) on the outside container or wrapper, if any there be, unless it is easily legible through the outside container or wrapper and (2) on all accompanying literature where there are directions for use, written or otherwise.

(o) The term "immediate container" does not include package liners.

(p) The term "misbranded package" or "misbranded package of a hazardous substance" means a hazardous substance in a container intended or suitable for household use which, except as otherwise provided by or pursuant to section 3, fails to bear a label—

(1) which states conspicuously (A) the name and place of business of the manufacturer, packer, distributor or seller; (B) the common or usual name or the chemical name (if there be no common or usual name) of the hazardous substance or of each component which contributes substantially to its hazard, unless the Secretary by regulation permits or requires the use of a recognized generic name; (C) the signal word "DANGER" on substances which are extremely flammable, corrosive, or highly toxic; (D) the signal word "WARNING" or "CAUTION" on all other hazardous substances; (E) an affirmative statement of the principal hazard or hazards, such as "Flammable", "Vapor Harmful", "Causes Burns", "Absorbed Through Skin", or similar wording descriptive of the hazard; (F) precautionary measures describing the action to be followed or avoided, except when modified by regulation of the Secretary pursuant to section 3; (G) instruction, when necessary or appropriate, for first-aid treatment; (H) the word "poison" for any hazardous substance which is defined as "highly toxic" by subsection (h); (I) instructions for handling and storage of packages which require special care in handling or storage; and (J) the statement "Keep out of the reach of children", or its practical equivalent, and

(2) on which any statements required under subparagraph (1) of this paragraph are located prominently and are in the English language in conspicuous and legible type in contrast by typography, layout, or color with other printed matter on the label.

REGULATIONS DECLARING HAZARDOUS SUBSTANCES AND ESTABLISHING VARIATIONS AND EXEMPTIONS

SEC. 3. (a)1. Whenever in the judgment of the Secretary such action will promote the objectives of this Act by avoiding or resolving uncertainty as to its application, the Secretary may by regulation declare to be a hazardous substance, for the purposes of this Act, any substance or mixture of substances which he finds meets the requirements of subparagraph (1)(A) of section 2(f).

2. Proceedings for the issuance, amendment, or repeal of regulations under this subsection and the admissibility of the record of such proceedings in other proceedings, shall in all respects be governed by the provisions of section 701 (e), (f), and (g) of the Federal Food, Drug, and Cosmetic Act, except that— 21 USC 371.

(A) the Secretary's order after public hearing (acting upon objections filed to an order made prior to hearing) shall be subject to the requirements of section 409(f)(2) of the Federal Food, Drug, and Cosmetic Act; and 21 USC 348.

(B) the scope of judicial review of such order shall be in accordance with the fourth sentence of paragraph (2), and with the provisions of paragraph (3), of section 409(g) of the Federal Food, Drug, and Cosmetic Act.

(b) If the Secretary finds that the requirements of section 2(p)(1) are not adequate for the protection of the public health and safety in view of the special hazard presented by any particular hazardous substance, he may by regulation establish such reasonable variations or additional label requirements as he finds necessary for the pro-

tection of the public health and safety; and any container of such hazardous substance, intended or suitable for household use, which fails to bear a label in accordance with such regulations shall be deemed to be a misbranded package of a hazardous substance.

(c) If the Secretary finds that, because of the size of the package involved or because of the minor hazard presented by the substance contained therein, or for other good and sufficient reasons, full compliance with the labeling requirements otherwise applicable under this Act is impracticable or is not necessary for the adequate protection of the public health and safety, the Secretary shall promulgate regulations exempting such substance from these requirements to the extent he determines to be consistent with adequate protection of the public health and safety.

(d) The Secretary may exempt from the requirements established by or pursuant to this Act any container of a hazardous substance with respect to which he finds that adequate requirements satisfying the purposes of this Act have been established by or pursuant to any other Act of Congress.

PROHIBITED ACTS

SEC. 4. The following acts and the causing thereof are hereby prohibited:

(a) The introduction or delivery for introduction into interstate commerce of any misbranded package of a hazardous substance.

(b) The alteration, mutilation, destruction, obliteration, or removal of the whole or any part of the label of, or the doing of any other act with respect to, a hazardous substance, if such act is done while the substance is in interstate commerce, or while the substance is held for sale (whether or not the first sale) after shipment in interstate commerce, and results in the hazardous substance being in a misbranded package.

(c) The receipt in interstate commerce of any misbranded package of a hazardous substance and the delivery or proffered delivery thereof for pay or otherwise.

(d) The giving of a guarantee or undertaking referred to in section 5(b)(2) which guarantee or undertaking is false, except by a person who relied upon a guarantee or undertaking to the same effect signed by, and containing the name and address of, the person residing in the United States from whom he received in good faith the hazardous substance.

(e) The failure to permit entry or inspection as authorized by section 11(b) or to permit access to and copying of any record as authorized by section 12.

(f) The introduction or delivery for introduction into interstate commerce, or the receipt in interstate commerce and subsequent delivery or proffered delivery for pay or otherwise, of a hazardous substance in a reused food, drug, or cosmetic container or in a container which, though not a reused container, is identifiable as a food, drug, or cosmetic container by its labeling or by other identification. The reuse of a food, drug, or cosmetic container as a container for a hazardous substance shall be deemed to be an act which results in the hazardous substance being in a misbranded package. As used in this paragraph, the terms "food", "drug", and "cosmetic" shall have the same meanings as in the Federal Food, Drug, and Cosmetic Act. 21 USC 301.

(g) The manufacture of a misbranded package of a hazardous substance within the District of Columbia or within any territory not organized with a legislative body.

(h) The use by any person to his own advantage, or revealing other than to the Secretary or officers or employees of the Depart-

ment, or to the courts when relevant in any judicial proceeding under this Act, of any information acquired under authority of section 11 concerning any method of process which as a trade secret is entitled to protection.

PENALTIES

SEC. 5. (a) Any person who violates any of the provisions of section 4 shall be guilty of a misdemeanor and shall on conviction thereof be subject to a fine of not more than $500 or to imprisonment for not more than ninety days, or both; but for offenses committed with intent to defraud or mislead, or for second and subsequent offenses, the penalty shall be imprisonment for not more than one year, or a fine of not more than $3,000, or both such imprisonment and fine.

(b) No person shall be subject to the penalties of subsection (a) of this section, (1) for having violated section 4(c), if the receipt, delivery, or proffered delivery of the hazardous substance was made in good faith, unless he refuses to furnish on request of an officer or employee duly designated by the Secretary, the name and address of the person from whom he purchased or received such hazardous substance, and copies of all documents, if any there be, pertaining to the delivery of the hazardous substance to him; or (2) for having violated section 4(a), if he establishes a guarantee or undertaking signed by, and containing the name and address of, the person residing in the United States from whom he received in good faith the hazardous substance, to the effect that the hazardous substance is not in misbranded packages within the meaning of that term in this Act; or (3) for having violated subsection (a) or (c) of section 4 in respect of any hazardous substance shipped or delivered for shipment for export to any foreign country, in a package marked for export on the outside of the shipping container and labeled in accordance with the specifications of the foreign purchaser and in accordance with the laws of the foreign country, but if such hazardous substance is sold or offered for sale in domestic commerce, this clause shall not apply.

SEIZURES

SEC. 6. (a) Any hazardous substance that is in a misbranded package when introduced into or while in interstate commerce or while held for sale (whether or not the first sale) after shipment in interstate commerce, or which may not, under the provisions of section 4(f), be introduced into interstate commerce, or which has been manufactured in violation of section 4(g), shall be liable to be proceeded against while in interstate commerce or at any time thereafter, on libel of information and condemned in any district court in the United States within the jurisdiction of which the hazardous substance is found: *Provided*, That this section shall not apply to a hazardous substance intended for export to any foreign country if it (1) is in a package branded in accordance with the specifications of the foreign purchaser, (2) is labeled in accordance with the laws of the foreign country, and (3) is labeled on the outside of the shipping package to show that it is intended for export, and (4) is so exported.

(b) Such hazardous substance shall be liable to seizure by process pursuant to the libel, and the procedure in cases under this section shall conform, as nearly as may be, to the procedure in admiralty; except that on demand of either party any issue of fact joined in any such case shall be tried by jury. When libel for condemnation proceedings under this section, involving the same claimant and the same issues of misbranding, are pending in two or more jurisdictions, such pending proceedings, upon application of the United States or the claimant seasonably made to the court of one such jurisdiction, shall be con-

solidated for trial by order of such court, and tried in (1) any district selected by the applicant where one of such proceedings is pending; or (2) a district agreed upon by stipulation between the parties. If no order for consolidation is so made within a reasonable time, the United States or the claimant may apply to the court of one such jurisdiction, and such court (after giving the other party, the claimant, or the United States attorney for such district, reasonable notice and opportunity to be heard) shall by order, unless good cause to the contrary is shown, specify a district of reasonable proximity to the claimant's principal place of business, in which all such pending proceedings shall be consolidated for trial and tried. Such order of consolidation shall not apply so as to require the removal of any case the date for trial of which has been fixed. The court granting such order shall give prompt notification thereof to the other courts having jurisdiction of the cases covered thereby.

(c) Any hazardous substance condemned under this section shall, after entry of the decree, be disposed of by destruction or sale as the court may, in accordance with the provisions of this section, direct and the proceeds thereof, if sold, less the legal costs and charges, shall be paid into the Treasury of the United States; but such hazardous substance shall not be sold under such decree contrary to the provisions of this Act or the laws of the jurisdiction in which sold: *Provided*, That, after entry of the decree and upon the payment of the costs of such proceedings and the execution of a good and sufficient bond conditioned that such hazardous substance shall not be sold or disposed of contrary to the provisions of this Act or the laws of any State or territory in which sold, the court may by order direct that such hazardous substance be delivered to the owner thereof to be destroyed or brought into compliance with the provisions of this Act under the supervision of an officer or employee duly designated by the Secretary, and the expenses of such supervision shall be paid by the person obtaining release of the hazardous substance under bond.

(d) When a decree of condemnation is entered against the hazardous substance, court costs and fees, and storage and other proper expenses, shall be awarded against the person, if any, intervening as claimant of the hazardous substance.

(e) In the case of removal for trial of any case as provided by subsection (b)—

(1) the clerk of the court from which removal is made shall promptly transmit to the court in which the case is to be tried all records in the case necessary in order that such court may exercise jurisdiction;

(2) the court to which such case is removed shall have the powers and be subject to the duties, for purposes of such case, which the court from which removal was made would have had, or to which such court would have been subject, if such case had not been removed.

HEARING BEFORE REPORT OF CRIMINAL VIOLATION

SEC. 7. Before any violation of this Act is reported by the Secretary to any United States attorney for institution of a criminal proceeding, the person against whom such proceeding is contemplated shall be given appropriate notice and an opportunity to present his views, either orally or in writing, with regard to such contemplated proceeding.

INJUNCTIONS

SEC. 8. (a) The United States district courts and the United States courts of the territories shall have jurisdiction, for cause shown and subject to the provisions of rule 65 (a) and (b) of the Federal Rules of Civil Procedure, to restrain violations of this Act. 28 USC app.

(b) In any proceeding for criminal contempt for violation of an injunction or restraining order issued under this section, which violation also constitutes a violation of this Act, trial shall be by the court or, upon demand of the accused, by a jury. Such trial shall be conducted in accordance with the practice and procedure applicable in the case of proceedings subject to the provisions of rule 42(b) of the Federal Rules of Criminal Procedure.

STYLE OF ENFORCEMENT PROCEEDINGS—SUBPENAS

SEC. 9. All criminal proceedings and all libel or injunction proceedings for the enforcement, or to restrain violations, of this Act shall be by and in the name of the United States. Subpenas for witnesses who are required to attend a court of the United States in any district may run into any other district in any such proceeding.

REGULATIONS

SEC. 10. (a) The authority to promulgate regulations for the efficient enforcement of this Act, except as otherwise provided in this section, is hereby vested in the Secretary.

(b) The Secretary of the Treasury and the Secretary of Health, Education, and Welfare shall jointly prescribe regulations for the efficient enforcement of the provisions of section 14, except as otherwise provided therein. Such regulations shall be promulgated in such manner and take effect at such time, after due notice, as the Secretary of Health, Education, and Welfare shall determine.

EXAMINATIONS AND INVESTIGATIONS

SEC. 11. (a) The Secretary is authorized to conduct examinations, inspections, and investigations for the purposes of this Act through officers and employees of the Department or through any health officer or employee of any State, territory, or political subdivision thereof, duly commissioned by the Secretary as an officer of the Department.

(b) For purposes of enforcement of this Act, officers or employees duly designated by the Secretary, upon presenting appropriate credentials and a written notice to the owner, operator, or agent in charge, are authorized (1) to enter, at reasonable times, any factory, warehouse, or establishment in which hazardous substances are manufactured, processed, packed, or held for introduction into interstate commerce or are held after such introduction, or to enter any vehicle being used to transport or hold such hazardous substances in interstate commerce; (2) to inspect, at reasonable times and within reasonable limits and in a reasonable manner, such factory, warehouse, establishment, or vehicle, and all pertinent equipment, finished and unfinished materials, and labeling therein; and (3) to obtain samples of such materials or packages thereof, or of such labeling. A separate notice shall be given for each such inspection, but a notice shall not be required for each entry made during the period covered by the inspection. Each such inspection shall be commenced and completed with reasonable promptness.

(c) If the officer or employee obtains any sample, prior to leaving the premises, he shall give to the owner, operator, or agent in charge

a receipt describing the samples obtained. If an analysis is made of such sample, a copy of the results of such analysis shall be furnished promptly to the owner, operator, or agent in charge.

RECORDS OF INTERSTATE SHIPMENT

SEC. 12. For the purpose of enforcing the provisions of this Act, carriers engaged in interstate commerce, and persons receiving hazardous substances in interstate commerce or holding such hazardous substances so received shall, upon the request of an officer or employee duly designated by the Secretary, permit such officer or employee, at reasonable times, to have access to and to copy all records showing the movement in interstate commerce of any such hazardous substance, or the holding thereof during or after such movement, and the quantity, shipper, and consignee thereof; and it shall be unlawful for any such carrier or person to fail to permit such access to and copying of any record so requested when such request is accompanied by a statement in writing specifying the nature or kind of such hazardous substance to which such request relates: *Provided*, That evidence obtained under this section shall not be used in a criminal prosecution of the person from whom obtained: *Provided further*, That carriers shall not be subject to the other provisions of this Act by reason of their receipt, carriage, holding, or delivery of hazardous substances in the usual course of business as carriers.

PUBLICITY

SEC. 13. (a) The Secretary may cause to be published from time to time reports summarizing any judgments, decrees, or court orders which have been rendered under this Act, including the nature of the charge and the disposition thereof.

(b) The Secretary may also cause to be disseminated information regarding hazardous substances in situations involving, in the opinion of the Secretary, imminent danger to health. Nothing in this section shall be construed to prohibit the Secretary from collecting, reporting, and illustrating the results of the investigations of the Department.

IMPORTS

SEC. 14. (a) The Secretary of the Treasury shall deliver to the Secretary of Health, Education, and Welfare, upon his request, samples of hazardous substances which are being imported or offered for import into the United States, giving notice thereof to the owner or consignee, who may appear before the Secretary of Health, Education, and Welfare and have the right to introduce testimony. If it appears from the examination of such samples or otherwise that such hazardous substance is in misbranded packages or in violation of section 4(f), then such hazardous substance shall be refused admission, except as provided in subsection (b) of this section. The Secretary of the Treasury shall cause the destruction of any such hazardous substance refused admission unless such hazardous substance is exported, under regulations prescribed by the Secretary of the Treasury, within ninety days of the date of notice of such refusal or within such additional time as may be permitted pursuant to such regulations.

(b) Pending decision as to the admission of a hazardous substance being imported or offered for import, the Secretary of the Treasury may authorize delivery of such hazardous substance to the owner or consignee upon the execution by him of a good and sufficient bond providing for the payment of such liquidated damages in the event of default as may be required pursuant to regulations of the Secretary

of the Treasury. If it appears to the Secretary of Health, Education, and Welfare that the hazardous substance can, by relabeling or other action, be brought into compliance with this Act, final determination as to admission of such hazardous substance may be deferred and, upon filing of timely written application by the owner or consignee and the execution by him of a bond as provided in the preceding provisions of this subsection, the Secretary may, in accordance with regulations, authorize the applicant to perform such relabeling or other action specified in such authorization (including destruction or export of rejected hazardous substances or portions thereof, as may be specified in the Secretary's authorization). All such relabeling or other action pursuant to such authorization shall, in accordance with regulations, be under the supervision of an officer or employee of the Department of Health, Education, and Welfare designated by the Secretary, or an officer or employee of the Department of the Treasury designated by the Secretary of the Treasury.

(c) All expenses (including travel, per diem, or subsistence, and salaries of officers or employees of the United States) in connection with the destruction provided for in subsection (a) of this section and the supervision of the relabeling or other action authorized under the provisions of subsection (b) of this section, the amount of such expenses to be determined in accordance with regulations, and all expenses in connection with the storage, cartage, or labor with respect to any hazardous substance refused admission under subsection (a) of this section, shall be paid by the owner or consignee and, in default of such payment, shall constitute a lien against any future importations made by such owner or consignee.

SEPARABILITY CLAUSE

SEC. 15. If any provision of this Act is declared unconstitutional, or the applicability thereof to any person or circumstance is held invalid, the constitutionality of the remainder of the Act and the applicability thereof to other persons and circumstances shall not be affected thereby.

TIME OF TAKING EFFECT

SEC. 16. This Act shall take effect upon the date of its enactment; but no penalty or condemnation shall be enforced for any violation of this Act which occurs—

(a) prior to the expiration of the sixth calendar month after the month in which this Act is enacted, or

(b) prior to the expiration of such additional period or periods, ending not more than eighteen months after the month of enactment of this Act, as the Secretary may prescribe on the basis of a finding that conditions exist which necessitate the prescribing of such additional period or periods: *Provided*, That the Secretary may limit the application of such additional period or periods to violations related to specified provisions of this Act, or to specified kinds of hazardous substances or packages thereof.

APPLICATION TO EXISTING LAW

SEC. 17. Nothing in this Act shall be construed to modify or affect the provisions of the Flammable Fabrics Act, as amended (15 U.S.C. 1191–1200), or any regulations promulgated thereunder; or of chapter 39, title 18, United States Code, as amended (18 U.S.C. 831 et seq.), or any regulations promulgated thereunder, or under sections 204 (a)(2) and 204(a)(3) of the Interstate Commerce Act, as amended (relating to the transportation of dangerous substances and explosives

SEC. 18. The Federal Caustic Poison Act (44 Stat. 1406) is repealed effective at the close of the sixth calendar month after the month of enactment of this Act, except that the Federal Caustic Poison Act shall remain in full force and effect with respect to any "dangerous caustic or corrosive substance" (as defined by that Act) which is an article subject to the Federal Food, Drug, and Cosmetic Act and which is, by virtue of paragraph 2 of section 2(f) of this Act, excluded from the term "hazardous substance" as defined in this Act: *Provided*, That, if the Secretary, pursuant to section 16(b) of this Act, prescribes an additional period or periods during which violations of this Act shall not be enforceable and if such additional period or periods are applicable to violations of this Act involving one or more substances defined as "dangerous caustic or corrosive substances" by the Federal Caustic Poison Act, that Act shall, with respect to such substance or substances, remain in full force and effect during such additional period or periods: *Provided further*, That, with respect to violations, liabilities incurred or appeals taken prior to the close of said sixth month or, if applicable, prior to the expiration of the additional period or periods referred to in the preceding proviso, all provisions of the Federal Caustic Poison Act shall be deemed to remain in full force for the purpose of sustaining any proper suit, action, or other proceeding with respect to any such violations, liabilities, and appeals.

"(4) Subject to the provisions of section 210, any common carrier by motor vehicle which, on the date this paragraph takes effect, is the holder of a certificate or certificates described in paragraph (2) of this subsection or issued under paragraph (3) of this subsection or section 207(a), authorizing transportation by motor vehicle between places in the United States of passengers or property in commerce between the United States and the Territory of Alaska, and on August 26, 1958, it or its predecessor in interest was engaged in the transportation of passengers or property as a common carrier by motor vehicle between places in the United States and places in Alaska, and such operations have been continued since that time (or if engaged in furnishing seasonal service only, was engaged in such operations in the year 1958 during the season ordinarily covered by its operations, and such operations have not been discontinued), except in either instance as to interruptions of service over which the carrier or its predecessor in interest had no control, shall be issued a certificate authorizing transportation to or from the points or areas in Alaska served by it, from or to all points in the other States of the United States designated in the above-mentioned certificate or certificates held by the carrier, of passengers or the class or classes of commodities specified therein, to the extent that under the said certificate or certificates the carrier, prior to the date of admission of Alaska into the Union, was authorized to perform within the States all transportation required for through motor vehicle transportation by the carrier to or from places in the Territory of Alaska, without requiring further proof that public convenience and necessity will be served thereby and without further proceedings, if application for such certificate is made to the Commission as provided herein on or before December 31, 1960. Pending the determination of such application, the continuance of such operations without a certificate shall be lawful. "(c) If, after reviewing the record of the case, a board of review determines that the officer has established that he should be retained on the active list, his case is closed. However, at any future time, he may be again required to show cause for retention under section 8791 of this title.

"§ 8794. Removal of officer: action by Secretary of the Air Force upon recommendation

"(3) allowed to appear in person and by counsel at proceedings before a board of inquiry; and

"(4) allowed full access to, and furnished copies of, records relevant to his case at all stages of the proceeding, except that a board shall withhold any records that the Secretary determines should be withheld in the interests of national security.

In any case where any records are withheld under clause (4), the officer whose case is under consideration shall, to the extent that the national security permits, be furnished a summary of the records so withheld.

"§ 8796. Officers considered for removal: retirement or discharge

"(a) At any time during proceedings under this chapter and before the removal of an officer from the active list of the Regular Air Force, the Secretary of the Air Force may grant his request—

"(1) for voluntary retirement, if he is otherwise qualified therefor; or

"(2) for discharge under subsection (b).

"(b) Each officer removed from the active list of the Regular Air Force under this chapter shall—

"(1) if on the date of removal he is eligible for voluntary retirement under any law, be retired in the grade and with the pay for which he would be eligible if retired at his request; or

"(2) if on that date he is ineligible for voluntary retirement under any law, be discharged in the grade then held with severance pay computed by multiplying his years of active commissioned service, but not more than 12, by one month's basic pay of that grade.

"(c) For the purposes of subsection (b)(2), a part of a year that is six months or more is counted as a whole year, and a part of a year that is less than six months is disregarded.

"§ 8797. Officers eligible to serve on boards

"(a) No officer may serve on a board under this chapter unless he is senior in regular grade to, and outranks, any officer considered by that board.

"(b) No person may be a member of more than one board convened under this chapter for the same officer."

(b) The analysis of subtitle D and the analysis of part II of subtitle D are each amended by inserting the following new item:

(2) by amending subsection (b) by striking out the words "so entitled to retire" and inserting the words "the date he completes 20 years of service computed under section 8927(a) of this title, or the first day of the seventh calendar month after the Secretary approves the report of the last board that did not recommend him for promotion to the grade concerned, whichever is later" in place thereof.

Convening of boards.

SEC. 10. (a) Not more than once in each fiscal year, the Secretary of the Army and the Secretary of the Air Force may convene one or more boards, each consisting of at least five officers of the Regular Army or the Regular Air Force, as the case may be, in a grade above colonel, to review the records of, and recommend for continuation on the active list, officers of that component on the active list in the regular grade of colonel or lieutenant colonel who have at least 20 years of service computed under section 3927(a) or 8927(a) of title 10, United States Code, whichever applies, and who have been considered more than twice but not recommended for promotion to the next higher regular grade.

(b) A board convened under this section shall recommend officers for continuation on the active list in the number specified by the Secretary. The Secretary may specify separate numbers for particular categories of officers. However, except with respect to the first board convened under this section in the Army and in the Air Force, the number specified by him for officers in any category must be at least 80 percent of the officers in that category being considered. An officer may be considered for continuation on the active list under this section only once while serving in the regular grade of colonel and only once while serving in the regular grade of lieutenant colonel.

(c) Except as provided by section 1 of the Act of April 23, 1930, ch. 209, as amended (5 U.S.C. 47a), if the Secretary approves the report of a board, he shall, not later than the first day of the seventh calendar month beginning after he approves that report, retire each officer who is considered but not recommended for continuation.

46 Stat. 253.

(d) A member of the Army or the Air Force who is retired under this section is entitled to retired pay computed under formula A of section 3991 or 8991, respectively, of title 10.

(e) This section does not apply to—

(1) members of the Army Nurse Corps, Army Medical Specialist Corps, or Women's Army Corps;

(2) Air Force nurses or medical specialists; or

(3) female members of the Air Force who are not designated under section 8067(a)–(d) or (g)–(i) of title 10.

(f) This section is not effective after June 30, 1965.

SEC. 11. Notwithstanding section 1431 of title 10, United States Code, a change or revocation of an election made under that section by an officer who is retired under section 10 of this Act is effective if made at such a time that it would have been effective had he been retired on the earliest date prescribed for an officer of his kind by section 3916, 3921, 8916, or 8921 of title 10, as appropriate.

10 USC 5701 note. SEC. 12. Effective as of August 11, 1959, section 3 of the Act of August 11, 1959, Public Law 86–155 (73 Stat. 336), is amended to read as follows:

"SEC. 3. Notwithstanding section 1431 of title 10, United States Code, a change or revocation of an election made under that section by—

"(1) an officer who is retired under this Act; or

"(2) an officer who has been considered but not recommended for continuation on the active list under section 1 of this Act and who hereafter retires voluntarily before the date specified for his retirement under this Act;

is effective if made at such a time that it would have been effective had he been retired on the date prescribed by section 6376, 6377, or 6379 of title 10, United States Code, as appropriate."

10 USC 5701 note. SEC. 13. An officer who has been considered but not recommended for continuation on the active list under section 1 of the Act of August 11, 1959, Public Law 86–155 (73 Stat. 333), and who retired or retires voluntarily before the second day of the month following the month in which this Act is enacted, may, within six months following the enactment of this Act, affirm a change or revocation of an election made under section 1431 of title 10, United States Code, before his retirement, if the change or revocation would have been effective under section 3 of the Act of August 11, 1959, Public Law 86–155, as amended by this Act, but for his voluntary retirement. If an officer takes no action under this section, his currently valid election under section 1431 of title 10, United States Code, shall remain unchanged. The computation of the revised reduction in retired pay in the case of an officer who affirms a change of election under this section shall be in accordance with section 1436 of title 10, United States Code, and according to the conditions that existed on the day the officer became eligible for retired pay. An affirmation or revocation made under this section is effective on the first day of the month in which made. No refund may be made and no additional payment may be required with respect to any period before that date.

"LISTING AND CERTIFICATION OF COLOR ADDITIVES FOR FOODS, DRUGS, AND COSMETICS

"When Color Additives Deemed Unsafe

"SEC. 706. (a) A color additive shall, with respect to any particular use (for which it is being used or intended to be used or is represented as suitable) in or on food or drugs or cosmetics, be deemed unsafe for the purposes of the application of section 402(c), section 501(a)(4), or section 601(e), as the case may be, unless— 52 Stat. 1047, 1049, 1054. 21 USC 342, 351, 361.

"(1)(A) there is in effect, and such additive and such use are in conformity with, a regulation issued under subsection (b) of this section listing such additive for such use, including any provision of such regulation prescribing the conditions under which such additive may be safely used, and (B) such additive either (i) is from a batch certified, in accordance with regulations issued pursuant to subsection (c), for such use, or (ii) has, with respect to such use, been exempted by the Secretary from the requirement of certification; or

"(2) such additive and such use thereof conform to the terms of an exemption which is in effect pursuant to subsection (f) of this section.

While there are in effect regulations under subsections (b) and (c) of this section relating to a color additive or an exemption pursuant to subsection (f) with respect to such additive, an article shall not, by reason of bearing or containing such additive in all respects in accordance with such regulations or such exemption, be considered adulterated within the meaning of clause (1) of section 402(a) if such article is a food, or within the meaning of section 601(a) if such article is a cosmetic other than a hair dye (as defined in the last sentence of section 601(a)). 21 USC 342, 361.

"Listing of Colors

"(b)(1) The Secretary shall, by regulation, provide for separately listing color additives for use in or on food, color additives for use in or on drugs, and color additives for use in or on cosmetics, if and to the extent that such additives are suitable and safe for any such use when employed in accordance with such regulations.

"(2)(A) Such regulations may list any color additive for use generally in or on food, or in or on drugs, or in or on cosmetics, if the Secretary finds that such additive is suitable and may safely be employed for such general use.

"(B) If the data before the Secretary do not establish that the additive satisfies the requirements for listing such additive on the applicable list pursuant to subparagraph (A) of this paragraph, or if the proposal is for listing such additive for a more limited use or uses, such regulations may list such additive only for any more limited use or uses for which it is suitable and may safely be employed.

"(3) Such regulations shall, to the extent deemed necessary by the Secretary to assure the safety of the use or uses for which a particular color additive is listed, prescribe the conditions under which such additive may be safely employed for such use or uses (including, but not limited to, specifications, hereafter in this section referred to as tolerance limitations, as to the maximum quantity or quantities which may be used or permitted to remain in or on the article or articles in or on which it is used; specifications as to the manner in which such additive

may be added to or used in or on such article or articles; and directions or other labeling or packaging requirements for such additive).

"(4) The Secretary shall not list a color additive under this section for a proposed use unless the data before him establish that such use, under the conditions of use specified in the regulations, will be safe: *Provided, however*, That a color additive shall be deemed to be suitable and safe for the purpose of listing under this subsection for use generally in or on food, while there is in effect a published finding of the Secretary declaring such substance exempt from the term 'food additive' because of its being generally recognized by qualified experts as safe for its intended use, as provided in section 201(s).

21 USC 321.

"(5)(A) In determining, for the purposes of this section, whether a proposed use of a color additive is safe, the Secretary shall consider, among other relevant factors—

"(i) the probable consumption of, or other relevant exposure from, the additive and of any substance formed in or on food, drugs, or cosmetics because of the use of the additive;

"(ii) the cumulative effect, if any, of such additive in the diet of man or animals, taking into account the same or any chemically or pharmacologically related substance or substances in such diet;

"(iii) safety factors which, in the opinion of experts qualified by scientific training and experience to evaluate the safety of color additives for the use or uses for which the additive is proposed to be listed, are generally recognized as appropriate for the use of animal experimentation data; and

"(iv) the availability of any needed practicable methods of analysis for determining the identity and quantity of (I) the pure dye and all intermediates and other impurities contained in such color additive, (II) such additive in or on any article of food, drug, or cosmetic, and (III) any substance formed in or on such article because of the use of such additive.

"(B) A color additive (i) shall be deemed unsafe, and shall not be listed, for any use which will or may result in ingestion of all or part of such additive, if the additive is found by the Secretary to induce cancer when ingested by man or animal, or if it is found by the Secretary, after tests which are appropriate for the evaluation of the safety of additives for use in food, to induce cancer in man or animal, and (ii) shall be deemed unsafe, and shall not be listed, for any use which will not result in ingestion of any part of such additive, if, after tests which are appropriate for the evaluation of the safety of additives for such use, or after other relevant exposure of man or animal to such additive, it is found by the Secretary to induce cancer in man or animal.

"(C)(i) In any proceeding for the issuance, amendment, or repeal of a regulation listing a color additive, whether commenced by a proposal of the Secretary on his own initiative or by a proposal contained in a petition, the petitioner, or any other person who will be adversely affected by such proposal or by the Secretary's order issued in accordance with paragraph (1) of section 701(e) if placed in effect, may request, within the time specified in this subparagraph, that the petition or order thereon, or the Secretary's proposal, be referred to an advisory committee for a report and recommendations with respect to any matter arising under subparagraph (B) of this paragraph, which is involved in such proposal or order and which requires the exercise of scientific judgment. Upon such request, or if the Secretary within such time deems such a referral necessary, the Secretary shall forthwith appoint an advisory committee under subparagraph (D) of this paragraph and shall refer to it, together with all the data before him, such matter arising under subparagraph (B) for study thereof

21 USC 371.

and for a report and recommendations on such matter. A person who has filed a petition or who has requested the referral of a matter to an advisory committee pursuant to this subparagraph (C), as well as representatives of the Department of Health, Education, and Welfare, shall have the right to consult with such advisory committee in connection with the matter referred to it. The request for referral under this subparagraph, or the Secretary's referral on his own initiative, may be made at any time before, or within thirty days after, publication of an order of the Secretary acting upon the petition or proposal.

"(ii) Within sixty days after the date of such referral, or within an additional thirty days if the committee deems such additional time necessary, the committee shall, after independent study of the data furnished to it by the Secretary and other data before it, certify to the Secretary a report and recommendations, together with all underlying data and a statement of the reasons or basis for the recommendations. A copy of the foregoing shall be promptly supplied by the Secretary to any person who has filed a petition, or who has requested such referral to the advisory committee. Within thirty days after such certification, and after giving due consideration to all data then before him, including such report, recommendations, underlying data, and statement, and to any prior order issued by him in connection with such matter, the Secretary shall by order confirm or modify any order theretofore issued or, if no such prior order has been issued, shall by order act upon the petition or other proposal.

"(iii) Where—

"(I) by reason of subparagraph (B) of this paragraph, the Secretary has initiated a proposal to remove from listing a color additive previously listed pursuant to this section; and

"(II) a request has been made for referral of such proposal to an advisory committee;

the Secretary may not act by order on such proposal until the advisory committee has made a report and recommendations to him under clause (ii) of this subparagraph and he has considered such recommendations, unless the Secretary finds that emergency conditions exist necessitating the issuance of an order notwithstanding this clause.

"(D) The advisory committee referred to in subparagraph (C) of this paragraph shall be composed of experts selected by the National Academy of Sciences, qualified in the subject matter referred to the committee and of adequately diversified professional background, except that in the event of the inability or refusal of the National Academy of Sciences to act, the Secretary shall select the members of the committee. The size of the committee shall be determined by the Secretary. Members of an advisory committee shall receive as compensation for their services a reasonable per diem, which the Secretary shall by rules and regulations prescribe, for time actually spent in the work of the committee, and shall in addition be reimbursed for their necessary traveling and subsistence expenses while so serving away from their places of residence. The members shall not be subject to any other provisions of law regarding the appointment and compensation of employees of the United States. The Secretary shall furnish the committee with adequate clerical and other assistance, and shall by rules and regulations prescribe the procedure to be followed by the committee.

"(6) The Secretary shall not list a color additive under this subsection for a proposed use if the data before him show that such proposed use would promote deception of the consumer in violation of this Act or would otherwise result in misbranding or adulteration within the meaning of this Act.

"(7) If, in the judgment of the Secretary, a tolerance limitation is required in order to assure that a proposed use of a color additive will be safe, the Secretary—

"(A) shall not list the additive for such use if he finds that the data before him do not establish that such additive, if used within a safe tolerance limitation, would achieve the intended physical or other technical effect; and

"(B) shall not fix such tolerance limitation at a level higher than he finds to be reasonably required to accomplish the intended physical or other technical effect.

"(8) If, having regard to the aggregate quantity of color additive likely to be consumed in the diet or to be applied to the human body, the Secretary finds that the data before him fail to show that it would be safe and otherwise permissible to list a color additive (or pharmacologically related color additives) for all the uses proposed therefor and at the levels of concentration proposed, the Secretary shall, in determining for which use or uses such additive (or such related additives) shall be or remain listed, or how the aggregate allowable safe tolerance for such additive or additives shall be allocated by him among the uses under consideration, take into account, among other relevant factors (and subject to the paramount criterion of safety), (A) the relative marketability of the articles involved as affected by the proposed uses of the color additive (or of such related additives) in or on such articles, and the relative dependence of the industries concerned on such uses; (B) the relative aggregate amounts of such color additive which he estimates would be consumed in the diet or applied to the human body by reason of the various uses and levels of concentration proposed; and (C) the availability, if any, of other color additives suitable and safe for one or more of the uses proposed.

"Certification of Colors

"(c) The Secretary shall further, by regulation, provide (1) for the certification, with safe diluents or without diluents, of batches of color additives listed pursuant to subsection (b) and conforming to the requirements for such additives established by regulations under such subsection and this subsection, and (2) for exemption from the requirement of certification in the case of any such additive, or any listing or use thereof, for which he finds such requirement not to be necessary in the interest of the protection of the public health: *Provided*, That, with respect to any use in or on food for which a listed color additive is deemed to be safe by reason of the proviso to paragraph (4) of subsection (b), the requirement of certification shall be deemed not to be necessary in the interest of public health protection.

"Procedure for Issuance, Amendment, or Repeal of Regulations

52 Stat. 1055. 21 USC 371.

"(d) The provisions of section 701 (e), (f), and (g) of this Act shall, subject to the provisions of subparagraph (C) of subsection (b)(5) of this section, apply to and in all respects govern proceedings for the issuance, amendment, or repeal of regulations under subsection (b) or (c) of this section (including judicial review of the Secretary's action in such proceedings) and the admissibility of transcripts of the record of such proceedings in other proceedings, except that—

"(1) if the proceeding is commenced by the filing of a petition, notice of the proposal made by the petition shall be published in general terms by the Secretary within thirty days after such filing, and the Secretary's order (required by paragraph (1) of section 701(e)) acting upon such proposal shall, in the absence of prior

referral (or request for referral) to an advisory committee, be issued within ninety days after the date of such filing, except that the Secretary may (prior to such ninetieth day), by written notice to the petitioner, extend such ninety-day period to such time (not more than one hundred and eighty days after the date of filing of the petition) as the Secretary deems necessary to enable him to study and investigate the petition;

"(2) any report, recommendations, underlying data, and reasons certified to the Secretary by an advisory committee appointed pursuant to subparagraph (D) of subsection (b)(5) of this section, shall be made a part of the record of any hearing if relevant and material, subject to the provisions of section 7(c) of the Administrative Procedure Act (5 U.S.C., sec. 1006(c)). The advisory committee shall designate a member to appear and testify at any such hearing with respect to the report and recommendations of such committee upon request of the Secretary, the petitioner, or the officer conducting the hearing, but this shall not preclude any other member of the advisory committee from appearing and testifying at such hearing; 60 Stat. 241.

"(3) the Secretary's order after public hearing (acting upon objections filed to an order made prior to hearing) shall be subject to the requirements of section 409(f)(2); and 72 Stat. 1787. 21 USC 348.

"(4) the scope of judicial review of such order shall be in accordance with the fourth sentence of paragraph (2), and with the provisions of paragraph (3), of section 409(g). 72 Stat. 1788. 21 USC 348.

"Fees

"(e) The admitting to listing and certification of color additives, in accordance with regulations prescribed under this Act, shall be performed only upon payment of such fees, which shall be specified in such regulations, as may be necessary to provide, maintain, and equip an adequate service for such purposes.

"Exemptions

"(f) The Secretary shall by regulations (issued without regard to subsection (d)) provide for exempting from the requirements of this section any color additive or any specific type of use thereof, and any article of food, drug, or cosmetic bearing or containing such additive, intended solely for investigational use by qualified experts when in his opinion such exemption is consistent with the public health."

TITLE II—EFFECTIVE DATE, TRANSITIONAL PROVISIONS, AND EFFECT ON OTHER LAWS

DEFINITIONS

52 Stat. 1040. 21 USC 301.

SEC. 201. As used in this title, the term "basic Act" means the Federal Food, Drug, and Cosmetic Act; the term "enactment date" means the date of enactment of this Act; and other terms, insofar as also used in the basic Act (whether before or after enactment of this Act) shall have the same meaning as they have, or had when in effect, under the basic Act.

EFFECTIVE DATE

SEC. 202. This Act shall, subject to the provisions of section 203, take effect on the enactment date.

PROVISIONAL LISTINGS OF COMMERCIALLY ESTABLISHED COLORS

SEC. 203. (a) (1) The purpose of this section is to make possible, on an interim basis for a reasonable period, through provisional listings, the use of commercially established color additives to the extent consistent with the public health, pending the completion of the scientific investigations needed as a basis for making determinations as to listing of such additives under the basic Act as amended by this Act. A provisional listing (including a deemed provisional listing) of a color additive under this section for any use shall, unless sooner terminated or expiring under the provisions of this section, expire (A) on the closing date (as defined in paragraph (2) of this subsection) or (B) on the effective date of a listing of such additive for such use under section 706 of the basic Act, whichever date first occurs.

52 Stat. 1058. 21 USC 376.

(2) For the purposes of this section, the term "closing date" means (A) the last day of the two and one-half year period beginning on the enactment date or (B), with respect to a particular provisional listing (or deemed provisional listing) of a color additive or use thereof, such later closing date as the Secretary may from time to time establish pursuant to the authority of this paragraph. The Secretary may by regulation, upon application of an interested person or on his own initiative, from time to time postpone the original closing date with respect to a provisional listing (or deemed provisional listing) under this section of a specified color additive, or of a specified use or uses of such additive, for such period or periods as he finds necessary to carry out the purpose of this section, if in the Secretary's judgment such action is consistent with the objective of carrying to completion in good faith, as soon as reasonably practicable, the scientific investigations necessary for making a determination as to listing such additive, or such specified use or uses thereof, under section 706 of the basic Act. The Secretary may terminate a postponement of the closing date at any time if he finds that such postponement should not have been granted, or that by reason of a change in circumstances the basis for such postponement no longer exists, or that there has been a failure to comply with a requirement for submission of progress reports or with other conditions attached to such postponement.

(b) Subject to the other provisions of this section—

(1) any color additive which, on the day preceding the enactment date, was listed and certifiable for any use or uses under section 406(b), 504, or 604, or under the third proviso of section 402(c), of the basic Act, and of which a batch or batches had been certified for such use or uses prior to the enactment date, and

52 Stat. 1049, 1052, 1055, 1047. 21 USC 346, 354, 364, 342.

(2) any color additive which was commercially used or sold prior to the enactment date for any use or uses in or on any food, drug, or cosmetic, and which either, (A), on the day preceding the enactment date, was not a material within the purview of any of the provisions of the basic Act enumerated in paragraph (1) of this subsection, or (B) is the color additive known as synthetic beta-carotene,

shall, beginning on the enactment date, be deemed to be provisionally listed under this section as a color additive for such use or uses.

(c) Upon request of any person, the Secretary, by regulations issued under subsection (d), shall without delay, if on the basis of the data before him he deems such action consistent with the protection of the public health, provisionally list a material as a color additive for any use for which it was listed, and for which a batch or batches of such material had been certified, under section 406(b), 504, or 604 of the basic Act prior to the enactment date, although such color was no longer listed and certifiable for such use under such sections on the day preceding the enactment date. Such provisional listing shall take effect on the date of publication.

(d)(1) The Secretary shall, by regulations issued or amended from time to time under this section—

(A) insofar as practicable promulgate and keep current a list or lists of the color additives, and of the particular uses thereof, which he finds are deemed provisionally listed under subsection (b), and the presence of a color additive on such a list with respect to a particular use shall, in any proceeding under the basic Act, be conclusive evidence that such provisional listing is in effect;

(B) provide for the provisional listing of the color additives and particular uses thereof specified in subsection (c);

(C) provide, with respect to particular uses for which color additives are or are deemed to be provisionally listed, such temporary tolerance limitations (including such limitations at zero level) and other conditions of use and labeling or packaging requirements, if any, as in his judgment are necessary to protect the public health pending listing under section 706 of the basic Act;

52 Stat. 1058. 21 USC 376.

(D) provide for the certification of batches of such color additives (with or without diluents) for the uses for which they are so listed or deemed to be listed under this section, except that such an additive which is a color additive deemed provisionally listed under subsection (b)(2) of this section shall be deemed exempt from the requirement of such certification while not subject to a tolerance limitation; and

(E) provide for the termination of a provisional listing (or deemed provisional listing) of a color additive or particular use thereof forthwith whenever in his judgment such action is necessary to protect the public health.

(2)(A) Except as provided in subparagraph (C) of this paragraph, regulations under this section shall, from time to time, be issued, amended, or repealed by the Secretary without regard to the requirements of the basic Act, but for the purposes of the application of section 706(e) of the basic Act (relating to fees) and of determining the availability of appropriations of fees (and of advance deposits

to cover fees), proceedings, regulations, and certifications under this section shall be deemed to be proceedings, regulations, and certifications under such section 706. Regulations providing for fees (and advance deposits to cover fees), which on the day preceding the enactment date were in effect pursuant to section 706 of the basic Act, shall be deemed to be regulations under such section 706 as amended by this Act, and appropriations of fees (and advance deposits) available for the purposes specified in such section 706 as in effect prior to the enactment date shall be available for the purposes specified in such section 706 as so amended.

(B) If the Secretary, by regulation—

(i) has terminated a provisional listing (or deemed provisional listing) of a color additive or particular use thereof pursuant to paragraph (1)(E) of this subsection; or

(ii) has, pursuant to paragraph (1)(C) or paragraph (3) of this subsection, initially established or rendered more restrictive a tolerance limitation or other restriction or requirement with respect to a provisional listing (or deemed provisional listing) which listing had become effective prior to such action,

any person adversely affected by such action may, prior to the expiration of the period specified in clause (A) of subsection (a)(2) of this section, file with the Secretary a petition for amendment of such regulation so as to revoke or modify such action of the Secretary, but the filing of such petition shall not operate to stay or suspend the effectiveness of such action. Such petition shall, in accordance with regulations, set forth the proposed amendment and shall contain data (or refer to data which are before the Secretary or of which he will take official notice), which show that the revocation or modification proposed is consistent with the protection of the public health. The Secretary shall, after publishing such proposal and affording all interested persons an opportunity to present their views thereon orally or in writing, act upon such proposal by published order.

(C) Any person adversely affected by an order entered under subparagraph (B) of this paragraph may, within thirty days after its publication, file objections thereto with the Secretary, specifying with particularity the provisions of the order deemed objectionable, stating reasonable grounds for such objections, and requesting a public hearing upon such objections. The Secretary shall hold a public hearing on such objections and shall, on the basis of the evidence adduced at such hearing, act on such objections by published order. Such order may reinstate a terminated provisional listing, or increase or dispense with a previously established temporary tolerance limitation, or make less restrictive any other limitation established by him under paragraph (1) or (3) of this subsection, only if in his judgment the evidence so adduced shows that such action will be consistent with the protection of the public health. An order entered under this subparagraph shall be subject to judicial review in accordance with section 701(f) of the basic Act except that the findings and order of the Secretary shall be sustained only if based upon a fair evaluation of the entire record at such hearing. No stay or suspension of such order shall be ordered by the court pending conclusion of such judicial review.

52 Stat. 1055.
21 USC 371.

(D) On and after the enactment date, regulations, provisional listings, and certifications (or exemptions from certification) in effect under this section shall, for the purpose of determining whether an article is adulterated or misbranded within the meaning of the basic Act by reason of its being, bearing, or containing a color additive, have the same effect as would regulations, listings, and certifications (or exemptions from certification) under section 706 of the basic Act.

A regulation, provisional listing or termination thereof, tolerance limitation, or certification or exemption therefrom, under this section shall not be the basis for any presumption or inference in any proceeding under section 706 (b) or (c) of the basic Act.

(3) For the purpose of enabling the Secretary to carry out his functions under paragraphs (1) (A) and (C) of this subsection with respect to color additives deemed provisionally listed, he shall, as soon as practicable after enactment of this Act, afford by public notice a reasonable opportunity to interested persons to submit data relevant thereto. If the data so submitted or otherwise before him do not, in his judgment, establish a reliable basis for including such a color additive or particular use or uses thereof in a list or lists promulgated under paragraph (1) (A), or for determining the prevailing level or levels of use thereof prior to the enactment date with a view to prescribing a temporary tolerance or tolerances for such use or uses under paragraph (1) (C), the Secretary shall establish a temporary tolerance limitation at zero level for such use or uses until such time as he finds that it would not be inconsistent with the protection of the public health to increase or dispense with such temporary tolerance limitation.

(a) the outflow from Cochiti Reservoir during each spring flood and thereafter will be at the maximum rate of flow that can be carried at the time in the channel of Rio Grande through the middle valley without causing flooding of areas protected by levees or unreasonable damage to channel protective works: *Provided*, That whenever during the months of July, August, September, and October, there is more than two hundred twelve thousand acre-feet of storage available for regulation of summer floods and the inflow to Cochiti Reservoir (exclusive of that portion of the inflow derived from upstream flood-control storage) is less than one thousand five hundred cubic feet per second, no water will be withdrawn from storage in Cochiti Reservoir and the inflow derived from upstream flood-control storage will be retained in Cochiti Reservoir.

(d) All reservoirs of the Middle Rio Grande project will be operated at all times in the manner described above in conformity with the Rio Grande compact, and no departure from the foregoing operation schedule will be made except with the advice and consent of the Rio Grande compact, and no departure from the foregoing operation schedule will be made except with the advice and consent of the Rio Grande Compact Commission: *Provided*, That whenever the Corps of Engineers determines that an emergency exists affecting the safety of major structures or endangering life and shall so advise the Rio Grande Compact Commission in writing these rules of operation may be suspended during the period of and to the extent required by such emergency.

To deny to the District of Columbia, in suits on claims arising out of the negligent operation of vehicles owned or controlled by it and operated by its employees in the performance of their official duties, the defense of governmental immunity, to relieve such employees of liability in such cases to third persons, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "District of Columbia Employee Non-Liability Act."

D. C. Employee Non-Liability Act.

SEC. 2. As used in this Act the term—

(a) "Commissioners" means the Commissioners of the District of Columbia, or their designated agent.

(b) "Court" means either the United States District Court for the District of Columbia or the Municipal Court for the District of Columbia, depending upon the amount involved in an action under the authority of this Act as related to the limits of jurisdiction of the said courts.

(c) "District" means the Government of the District of Columbia, a municipal corporation.

(d) "Emergency run" means the movement of a District-owned vehicle, by direction of the operator or of some other authorized person or agency, under circumstances which lead the operator or such person or agency to believe that such vehicle should proceed expeditiously upon a particular mission or to a designated location for the purpose of dealing with a supposed fire or other emergency, an alleged violation of a statute or regulation, or other incident requiring emergency action, or the prompt transportation to a place of treatment or greater safety of an alleged sick or injured person.

(e) "Emergency vehicle" means a vehicle assigned (1) to the Fire Department of the District or to the Metropolitan Police Department and not designated by the Commissioners as a nonemergency vehicle; or (2) to other departments or officials of the District and designated by the Commissioners as an emergency vehicle.

(f) "Employee" means a person serving as an officer or employee of the District, whether or not paid by the District, or a person formerly so engaged, or the representative of a deceased officer or employee of the District.

(g) "Vehicle" means every type of conveyance or machine capable of movement on land, or in water or air, including an animal being ridden and any animal-drawn machinery or conveyance.

SEC. 3. Hereafter the District of Columbia shall not assert the defense of governmental immunity in any suit at law in which a claim is asserted against it for money only on account of damage to or loss of property or on account of personal injury or death caused by the negligent or wrongful act or omission of any employee of the District occurring as the result of the operation by such employee, within the scope of his office or employment, of a vehicle owned or controlled by the District: *Provided*, That in the case of a claim arising out of the operation of an emergency vehicle on an emergency run the District shall be liable only for gross negligence. Nothing contained in this Act shall be construed as depriving the District of any other defense in law or equity which it may have to any such action or give to any person, corporation, partnership, or association any right to institute or maintain any suit against the District which it did not have prior to the date of enactment hereof.

SEC. 4. The judgment in any such action shall constitute a complete bar to any action by the claimant by reason of the same subject matter against the employee of the District whose act or omission gave rise to

the claim. No suit shall be instituted involving any claim described in section 3 unless the claimant shall have first given notice to the District in accordance with the Act of February 28, 1933 (47 Stat. 1370; sec. 12–208, D.C. Code, 1951 edition) and shall have presented to the District in writing a claim for money damages in connection therewith, and the District has had six months from the date of such filing within which to make final disposition of such claim. The administrative disposition of a claim by the District shall not be competent evidence of liability or amount of damages in proceedings on any such claim.

SEC. 5. In any case involving any claim described in section 3 in which the trial court shall consider the verdict excessive, the court may order a remittitur of so much of the amount of such verdict or judgment, as the case may be, as it considers excessive, and either permit the party in whose favor the verdict was rendered or the party recovering such judgment, as the case may be, to file a remittitur.

SEC. 6. After the effective date of this Act, no civil action or proceeding shall be brought or be maintained against an employee of the District for loss of or damage to property or for personal injury, including death, resulting from the operation by such employee of any vehicle if it be alleged in the complaint or develop in a later stage of the proceeding that the employee was acting within the scope of his office or employment, unless the District shall, in an action brought against it for such damage or injury, including death, specifically deny liability on the ground that the employee was not, at the time and place alleged, acting within the scope of his office or employment. If in any such civil action or proceeding pending in a court in the District of Columbia as of the effective date of this Act the District has not been named as a defendant, said District shall be joined as a defendant and after its answer has been filed and subject to the provisions of the preceding sentence, the action shall be dismissed as to the employee and the case shall proceed as if the District had been a party defendant from the inception thereof.

SEC. 7. Nothing in this Act shall be construed so as to relieve any District employee from liability to the District for negligent damage to or loss of District property.

Supplemental unemployment benefit trusts.
Tax exemptions.
68A Stat. 163.
26 USC 501.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 501(c) of the Internal Revenue Code of 1954 (relating to exemption from tax on corporations, certain organizations, etc.) is amended by adding after paragraph (16) the following new paragraph:

"(17) (A) A trust or trusts forming part of a plan providing for the payment of supplemental unemployment compensation benefits, if—

"(i) under the plan, it is impossible, at any time prior to the satisfaction of all liabilities with respect to employees under the plan, for any part of the corpus or income to be (within the taxable year or thereafter) used for, or diverted to, any purpose other than the providing of supplemental unemployment compensation benefits,

"(ii) such benefits are payable to employees under a classification which is set forth in the plan and which is found by the Secretary or his delegate not to be discriminatory in favor of employees who are officers, shareholders, persons whose principal duties consist of supervising the work of other employees, or highly compensated employees, and

"(iii) such benefits do not discriminate in favor of employees who are officers, shareholders, persons whose principal duties consist of supervising the work of other employees, or highly compensated employees. A plan shall not be considered discriminatory within the meaning of this clause merely because the benefits received under the plan bear a uniform relationship to the total compensation, or the basic or regular rate of compensation, of the employees covered by the plan.

"(B) In determining whether a plan meets the requirements of subparagraph (A), any benefits provided under any other plan shall not be taken into consideration, except that a plan shall not be considered discriminatory—

"(i) merely because the benefits under the plan which are first determined in a nondiscriminatory manner within the meaning of subparagraph (A) are then reduced by any sick, accident, or unemployment compensation benefits received under State or Federal law (or reduced by a portion of such benefits if determined in a nondiscriminatory manner), or

"(ii) merely because the plan provides only for employees who are not eligible to receive sick, accident, or unemployment compensation benefits under State or Federal law the same benefits (or a portion of such benefits if determined in a nondiscriminatory manner) which such employees would receive under such laws if such employees were eligible for such benefits, or

"(iii) merely because the plan provides only for employees who are not eligible under another plan (which meets the requirements of subparagraph (A)) of supplemental unemployment compensation benefits provided wholly by the employer the same benefits (or a portion of such benefits if determined in a nondiscriminatory manner) which such employees would receive under such other plan if such em-

ployees were eligible under such other plan, but only if the employees eligible under both plans would make a classification which would be nondiscriminatory within the meaning of subparagraph (A).

"(C) A plan shall be considered to meet the requirements of subparagraph (A) during the whole of any year of the plan if on one day in each quarter it satisfies such requirements.

"(D) The term 'supplemental unemployment compensation benefits' means only—

"(i) benefits which are paid to an employee because of his involuntary separation from the employment of the employer (whether or not such separation is temporary) resulting directly from a reduction in force, the discontinuance of a plant or operation, or other similar conditions, and

"(ii) sick and accident benefits subordinate to the benefits described in clause (i).

"(E) Exemption shall not be denied under subsection (a) to any organization entitled to such exemption as an association described in paragraph (9) of this subsection merely because such organization provides for the payment of supplemental unemployment benefits (as defined in subparagraph (D)(i))."

Denial of exemption.

To aid in the development of a coordinated system of transportation for the National Capital region; to create a temporary National Capital Transportation Agency; to authorize negotiation to create an interstate agency; and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I—SHORT TITLE, STATEMENT OF FINDINGS AND POLICY, AND DEFINITIONS

SHORT TITLE

SEC. 101. This Act may be cited as the "National Capital Transportation Act of 1960".

STATEMENT OF FINDINGS AND POLICY

SEC. 102. The Congress finds that an improved transportation system for the National Capital region (1) is essential for the continued and effective performance of the functions of the Government of the United States, for the welfare of the District of Columbia, for the orderly growth and development of the National Capital region, and for the preservation of the beauty and dignity of the Nation's Capital; (2) requires the planning on a regional basis of a unified system of freeways, parkways, express transit service on exclusive rights-of-way, and other major transportation facilities; (3) requires cooperation among the Federal, State, and local governments of the region and public carriers in the development and administration of major transportation facilities; (4) requires financial participation by the Federal Government in the creation of certain major transportation facilities that are beyond the financial capacity or borrowing power of the public carriers, the District of Columbia, and the local governments of the region; and (5) requires coordination of transportation facilities with other public facilities and with the use of land, public and private. The Congress therefore declares that it is the continuing policy and responsibility of the Federal Government, in cooperation with the State and local governments of the National Capital region, and making full use of private enterprise whenever appropriate, to encourage and aid in the planning and development of a unified and coordinated transportation system for the National Capital region.

DEFINITIONS

SEC. 103. When used in this Act—

(a) "National Capital region" means the District of Columbia, Montgomery and Prince Georges Counties in the State of Maryland, Arlington, Fairfax, Loudoun, and Prince William Counties and the cities of Alexandria and Falls Church in the Commonwealth of Virginia, and all other cities now or hereafter existing in Maryland or Virginia within the geographic area bounded by the outer boundaries of the combined area of said counties and cities.

(b) "Government agency" and "government agencies" mean the Government of the United States, District of Columbia, Commonwealth of Virginia, State of Maryland, or any political subdivision, agency, or instrumentality thereof which is located within, or whose jurisdiction includes all or part of, the National Capital region; the term includes, but is not limited to, public authorities, towns, villages, cities, other municipalities, and counties.

TITLE II—CREATION OF A NATIONAL CAPITAL TRANSPORTATION AGENCY

NATIONAL CAPITAL TRANSPORTATION AGENCY

SEC. 201. (a) There is hereby established the National Capital Transportation Agency (hereinafter referred to as the "Agency"). The Agency shall be subject to the direction and supervision of the President, or the head of such department or agency as he may designate. The Agency shall be headed by an Administrator who shall be appointed by the President, by and with the advice and consent of the Senate, and who shall receive compensation at a rate equal to the maximum rate for grade 18 of the General Schedule of the Classification Act of 1949, as amended, plus $500 per annum.

63 Stat. 954.
5 USC 1071 note.

(b) To assist the Administrator in the execution of the functions vested in the Agency there shall be a Deputy Administrator who shall be appointed by the President, by and with the advice and consent of the Senate, and who shall receive compensation at a rate equal to the maximum rate for grade 18 of the General Schedule of the Classification Act of 1949, as amended. The Deputy Administrator shall perform such duties as the Administrator may from time to time designate and shall be Acting Administrator during the absence or disability of the Administrator.

(c) No Administrator or Deputy Administrator shall, during his continuance in office, be engaged in any other business, but shall devote himself to the work of the Agency. No Administrator or Deputy Administrator or member of the Advisory Board (established in section 202) shall have financial interest in any corporation engaged in the business of providing public transportation nor in any corporation engaged in the manufacture or selling of passenger transportation equipment or facilities.

ADVISORY BOARD

SEC. 202. There is established an Advisory Board of the National Capital Transportation Agency. The Advisory Board shall be composed of five members appointed by the President, by and with the advice and consent of the Senate, at least three of whom shall be residents of the National Capital region. The President shall designate one member as chairman. The Advisory Board shall meet at least once every ninety days. The Advisory Board shall advise the Administrator in respect of such matters as the general policies of the Agency; Agency policies in connection with acquisition, design, and construction of facilities; fees for the use of Agency facilities and property; planning and administration generally; and such other matters as may be referred to it by the Administrator or which the Advisory Board, in its discretion, may consider. Each member of the Advisory Board, when actually engaged in the performance of his duties, shall receive for his services compensation at a rate not in excess of the per diem equivalent of the maximum rate for grade 18 of the General Schedule of the Classification Act of 1949, as

amended, together with travel expenses as authorized by section 5 of the Act of August 2, 1946, as amended (5 U.S.C. 73b–2), for persons employed intermittently as consultants or experts and receiving compensation on a per diem when actually employed basis. 60 Stat. 808.

ADVISORY AND COORDINATING COMMITTEES

SEC. 203. (a) The Administrator is authorized to establish such advisory and coordinating committees composed of representatives of State and local governments, Federal agencies, other Government agencies, and such private organizations and persons as may be necessary or helpful to obtain the maximum amount of cooperation and correlation of effort in order that a coordinated system of transportation be developed for the National Capital region. These advisory and coordinating committees shall consider problems referred to them by the Administrator and shall make recommendations to the Administrator concerning the activities of the Agency as they affect transit, traffic, and highway conditions, and other matters of mutual interest to the Agency and to the Government agencies, organizations, and persons represented on the advisory and coordinating committees.

(b) The advisory and coordinating committees shall serve the Agency solely in an advisory capacity. Members of such committees shall serve thereon without additional compensation. Members who are not representatives of an agency of the United States may receive travel expenses as authorized by section 5 of the Act of August 2, 1946, as amended (5 U.S.C. 73b–2), for persons serving without compensation. 60 Stat. 808.

PREPARATION AND APPROVAL OF TRANSIT DEVELOPMENT PROGRAM

SEC. 204. The Agency—

(a) Shall prepare, and may from time to time revise, a Transit Development Program. The Transit Development Program shall consist of a plan or plans indicating the general location of facilities in which the Agency will participate for the transportation of persons within the National Capital region, a timetable for the provision of such facilities and comprehensive financial reports including costs, revenues, and benefits. The Transit Development Program may indicate (1) the routes of surface, subsurface, and elevated carriers, including bus and other motor vehicle carriers, rail carriers, waterborne carriers, air carriers, and other carriers, and (2) the location and extent of terminals, stations, platforms, motor vehicle parking facilities for transit users, extra-wide median strips and other rights-of-way, docks, rails or tracks or other similar facilities, bridges, tunnels, buildings or structures, powerplants, repair shops, yards, garages, and other necessary facilities relating to the transportation of persons. The Transit Development Program shall, to the extent practicable, conform to the general plan for the development of the National Capital region and to the comprehensive plan for the National Capital within the meaning of sections 3, 4, and 5 of the National Capital Planning Act of 1952 (66 Stat. 781), except as may be determined by the President. D.C. Code 1-1001 note.

(b) Shall, in the preparation of the Transit Development Program, give special consideration to:

(1) Expanded use of existing facilities and services, including expanded use and development of existing railroad lines into the District of Columbia, and coordinated and efficient transit service across jurisdictional boundaries and between areas served by different companies: *Provided*, That the Public Utilities Commission of the District of Columbia, before granting its approval to any further

conversion by the D.C. Transit System, Inc., of street railway operations to bus operations as provided in section 7 of the Act of July 24, 1956 (70 Stat. 598), shall consult with the Agency on the possible use of street railway facilities and equipment in the Transit Development Program. The Commission may withhold its approval of such conversion and require the preservation of equipment and facilities already withdrawn from service if it finds that there is a substantial possibility that the Transit Development Program will provide for the continued use of street railway facilities and equipment.

(2) Early development of a subway from Union Station capable of rapid dispersal of passengers from the railhead to the principal employment centers in the District of Columbia and its immediate environs, and capable of being extended to serve other parts of the region: *Provided*, That no freeway, or new parkway more than two lanes in width, shall be built within the District of Columbia west of Twelfth Street, Northwest, and north of either the north or west legs of the proposed Inner Loop Freeway, the proposed Potomac River Expressway, or the proposed Palisades Parkway, before July 1, 1965; and the Agency shall not later than January 10, 1965, submit to the President, for transmittal to Congress, its recommendation as to whether any such freeway or parkway should thereafter be built.

(3) Acquisition and development of rights-of-way and related facilities for providing express transit lines in conjunction with major highways and bridges.

(c) Shall prepare proposals for implementing each part of the Transit Development Program, including preliminary engineering plans, descriptions of the character of services to be rendered, estimates of costs and revenues, arrangements for financing and organization, and other information setting forth the manner in which the program is to be carried out: *Provided*, That no part of the Transit Development Program shall be carried out by the Agency until a report containing a full and complete description of that part of the program has been transmitted to the Congress, and the execution of that part of the program has been expressly authorized by legislation thereafter enacted by the Congress.

(d) In order to facilitate the transition from a Federal agency to an interstate proprietary agency and to further coordination within the National Capital region, shall submit the Transit Development Program and any revision thereof: (1) to the governing bodies of the District of Columbia, Montgomery and Prince Georges Counties in the State of Maryland, and Arlington, Fairfax, Loudoun, and Prince William Counties and the cities of Alexandria and Falls Church in the Commonwealth of Virginia, and the transit regulatory bodies having jurisdiction in the National Capital region for review and comment; (2) to such organizations of government agencies or officials concerned with the solution of the community development problems of the National Capital region on a unified metropolitan basis as are now in existence or as may be created by agreement, law, or compact for review and comment; (3) to the Commission of Fine Arts for review and comment; (4) to private companies transporting persons in the National Capital region and to unions representing the employees of such companies for review and comment; and (5) to the Governors of Maryland and Virginia or such government agencies as they may designate for approval of the location and extent of proposed Agency facilities and the timetable for the provision of such facilities within Maryland and Virginia, respectively; and except as provided in subsection (e) of this section, the Agency shall not acquire, construct, or operate property, rights-of-way, or facilities indicated in the Transit Development Program or a revision thereof within the State

in which such property, rights-of-way, or facilities are located unless prior thereto the Governor of the State involved or such government agency as he may designate shall have approved the Transit Development Program or the pertinent revision thereof.

(e) Until the Transit Development Program has been approved by the Governor of Maryland or Virginia as provided in subsection (d) of this section, shall, when it proposes to acquire, construct, or operate property, rights-of-way, or facilities located in Virginia or Maryland, first submit plans and other information showing in detail the purposes for which such property, rights-of-way, or facilities are to be used to the Governor of the State in which the property, rights-of-way, or facilities are to be located, or to such government agency as may be designated by the Governor. In implementing programs approved by the Congress in accordance with subsection (c) of this section, the Agency may acquire, construct, or operate such property, rights-of-way, or facilities, as the case may be, in the State upon approval of the Governor thereof, or of the designated government agency.

(f) Shall conduct research, surveys, experimentation, evaluation, design and development, in cooperation with other Government agencies and private organizations when appropriate, on the needs of the region for transportation; on facilities, equipment, and services to meet those needs; on organization and financial arrangements for regional transportation; and on other matters relating to the movement of persons in the region. The Agency's studies shall include a continuation of the work begun in the mass transportation survey conducted by the National Capital Planning Commission and the National Capital Regional Planning Council, pursuant to the Second Supplemental Appropriations Act of 1955 (69 Stat. 33), and shall include further studies as may be necessitated by changed conditions, the availability of new techniques, and the response of Government agencies and the public to the transportation plan adopted by the Commission and Council. The Agency's studies shall also include evaluations of the transportation system recommended in the transportation plan, and of alternative facilities and kinds of services.

(g) Shall submit to the President for transmittal to Congress, not later than November 1, 1962, recommendations for organization and financial arrangements for transportation in the National Capital region. The Agency shall consider the following organizational alternatives, among others: a Federal corporation, an organization established by interstate compact, and continuation or modification of the organization established by this Act. In preparing its recommendations the Agency shall consult with the governments of the District of Columbia, Maryland, and Virginia, the local governments of the National Capital region, and the Federal agencies having an interest in transportation in the National Capital region: *Provided*, That any recommendations submitted by the Agency shall provide as far as possible for the payment of all costs by persons using or benefiting from regional transportation facilities and services, and shall provide for the equitable sharing of any remaining costs among the Federal, State, and local governments.

FUNCTIONS, DUTIES, AND POWERS

SEC. 205. (a) Subject to the provisions of this title, the Agency—

(1) in order to implement those parts of the Transit Development Program approved by statute in accordance with section 204(c), and except as provided in the proviso of paragraph (2) of this subsection, may acquire (by purchase, lease, condemnation,

or otherwise) or construct transit facilities, property, and rights-of-way for the transportation of persons within the National Capital region. Such facilities, property, and rights-of-way may include those enumerated under section 204(a) or any other necessary transit facilities, property, or rights-of-way relating to transportation of persons. The Agency may contribute funds for the acquisition of rights-of-way for, and the construction of limited amounts of freeway, parkway, and other arterial highway facilities, including construction incidental to the use and protection of such rights-of-way for transit facilities, to the government agencies having jurisdiction thereof if, in the opinion of the Agency, such contributions are necessary to the fulfillment of the objectives of this Act;

64 Stat. 874.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That subsection (l) of section 3 of the Federal Deposit Insurance Act, as amended (12 U.S.C. 1813(l)), is amended to read as follows:

"(l) The term 'deposit' means—

"(1) the unpaid balance of money or its equivalent received or held by a bank in the usual course of business and for which it has given or is obligated to give credit, either conditionally or unconditionally, to a commercial, checking, savings, time, or thrift account, or which is evidenced by its certificate of deposit, or a check or draft drawn against a deposit account and certified by the bank, or a letter of credit or a traveler's check on which the bank is primarily liable: *Provided*, That, without limiting the generality of the term 'money or its equivalent', any such account or instrument must be regarded as evidencing the receipt of the equivalent of money when credited or issued in exchange for checks or drafts or for a promissory note upon which the person obtaining any such credit or instrument is primarily or secondarily liable, or for a charge against a deposit account, or in settlement of checks, drafts, or other instruments forwarded to such bank for collection,

"(2) trust funds as defined in this Act received or held by such bank, whether held in the trust department or held or deposited in any other department of such bank,

"(3) money received or held by a bank, or the credit given for money or its equivalent received or held by a bank, in the usual course of business for a special or specific purpose, regardless of the legal relationship thereby established, including without being limited to, escrow funds, funds held as security for an obligation due to the bank or others (including funds held as dealers reserves) or for securities loaned by the bank, funds deposited by a debtor to meet maturing obligations, funds deposited as advance payment on subscriptions to United States Government securities, funds held for distribution or purchase of securities, funds held to meet its acceptances or letters of credit, and withheld taxes: *Provided*, That there shall not be included funds which are received by the bank for immediate application to the reduction of an indebtedness to the receiving bank, or under condition that the receipt thereof immediately reduces or extinguishes such an indebtedness,

"(4) outstanding draft (including advice or authorization to charge bank's balance in another bank), cashier's check, money order, or other officer's check issued in the usual course of business for any purpose, including without being limited to those issued in payment for services, dividends, or purchases, and

"(5) such other obligations of a bank as the Board of Directors, after consultation with the Comptroller of the Currency and the Board of Governors of the Federal Reserve System, shall find and prescribe by regulation to be deposit liabilities by general usage: *Provided further*, That any obligation of a bank which is payable only at an office of the bank located outside of the States of the United States, the District of Columbia, Puerto Rico, Guam, and the Virgin Islands, shall not be a deposit for any of

SEC. 2. Subsections (a), (b), and (c) of section 7 of the Federal Deposit Insurance Act (12 U.S.C. 1817 (a), (b), and (c)) are amended to read as follows:

State nonmember banks. Reports.

"(a)(1) Each insured State nonmember bank (except a District bank) shall make to the Corporation reports of condition which shall be in such form and shall contain such information as the Board of Directors may require. Such reports shall be made to the Corporation on the dates selected as provided in paragraph (3) of this subsection and the deposit liabilities shall be reported therein in accordance with and pursuant to paragraphs (4) and (5) of this subsection. The Board of Directors may call for additional reports of condition on dates to be fixed by it and may call for such other reports as the Board may from time to time require. The Board of Directors may require reports of condition to be published in such manner, not inconsistent with any applicable law, as it may direct. Every such bank which fails to make or publish any such report within ten days shall be subject to a penalty of not more than $100 for each day of such failure recoverable by the Corporation for its use.

"(2) The Corporation shall have access to reports of examination made by, and reports of condition made to, the Comptroller of the Currency or any Federal Reserve bank and to all revisions of reports of condition made to either of them, and they shall promptly advise the Corporation of any revisions or changes in respect to deposit liabilities made or required to be made in any report of condition. The Corporation may accept any report made by or to any commission, board, or authority having supervision of a State nonmember bank (except a District bank), and may furnish to the Comptroller of the Currency, to any Federal Reserve bank, and to any such commission, board, or authority, reports of examinations made on behalf of, and reports of condition made to, the Corporation.

"(3) Each insured State nonmember bank (except a District bank) shall make to the Corporation, each insured national bank and each insured District bank shall make to the Comptroller of the Currency, and each insured State member bank shall make to the Federal Reserve bank of which it is a member, four reports of condition annually upon dates which shall be selected by the Chairman of the Board of Directors, the Comptroller of the Currency, and the Chairman of the Board of Governors of the Federal Reserve System, or a majority thereof. The dates selected shall be the same for all insured banks, except that when any of said reporting dates is a nonbusiness day for any bank, the preceding business day shall be its reporting date. Two dates shall be selected within the semiannual period of January to June inclusive, and the reports on such dates shall be the basis for the certified statement to be filed in July pursuant to subsection (c) of this section, and two dates shall be selected within the semiannual period of July to December inclusive, and the reports on such dates shall be the basis for the certified statement to be filed in January pursuant to subsection (c) of this section. The deposit liabilities shall be reported in said reports of condition in accordance with and pursuant to paragraphs (4) and (5) of this subsection, and such other information shall be reported therein as may be required by the respective agencies. Each said report of condition shall contain a declaration by the president, a vice president, the cashier or the treasurer, or by any other officer designated by the board of directors or trustees of the reporting bank to make such declaration, that the report is true and correct to the best of his knowledge and belief. The correctness of said report of con-

dition shall be attested by the signatures of at least three of the directors or trustees of the reporting bank other than the officer making such declaration, or by at least two if there are not more than three directors or trustees, with the declaration that the report has been examined by them and to the best of their knowledge and belief is true and correct. At the time of making said reports of condition each insured national, District and State member bank shall furnish to the Corporation a copy thereof containing such signed declaration and attestations. Nothing herein shall preclude any of the foregoing agencies from requiring the banks under its jurisdiction to make additional reports of condition at any time.

"(4) In the reports of condition required to be made by paragraph (3) of this subsection, each insured bank shall report the total amount of the liability of the bank for deposits in the main office and in any branch located in any State of the United States, the District of Columbia, any Territory of the United States, Puerto Rico, Guam, or the Virgin Islands, according to the definition of the term 'deposit' in and pursuant to subsection (l) of section 3 of this Act, without any deduction for indebtedness of depositors or creditors or any deduction for cash items in the process of collection drawn on others than the reporting bank: *Provided*, That the bank in reporting such deposits may (i) subtract from the deposit balance due to any bank the deposit balance due from the same bank (other than trust funds deposited by either bank) and any cash items in the process of collection due from or due to such banks shall be included in determining such net balance, except that balances of time deposits of any bank and any balances standing to the credit of private banks, of banks in foreign countries, of foreign branches of other American banks, and of American branches of foreign banks shall be reported gross without any such subtraction, and (ii) exclude any deposits received in any office of the bank for deposit in any other office of the bank: *And provided further*, That outstanding drafts (including advices and authorizations to charge bank's balance in another bank) drawn in the regular course of business by the reporting bank on banks need not be reported as deposit liabilities. The amount of trust funds held in the bank's own trust department, which the reporting bank keeps segregated and apart from its general assets and does not use in the conduct of its business, shall not be included in the total deposits in such reports, but shall be separately stated in such reports.

"(5) The deposits to be reported on such reports of condition shall be segregated between (i) time and savings deposits and (ii) demand deposits. For this purpose and for the computation of assessments provided in subsection (b) of this section, the time and savings deposits shall consist of time certificates of deposit, time deposits-open account, deposits accumulated for the payment of personal loans, and savings deposits; and demand deposits shall consist of all deposits other than time and savings deposits.

"(6) The Board of Directors, after consultation with the Comptroller of the Currency and the Board of Governors of the Federal Reserve System, may by regulation define the terms 'cash items' and 'process of collection', and shall classify deposits as 'time', 'savings', and 'demand' deposits, for the purposes of this section.

"(b) (1) The annual assessment rate shall be one-twelfth of 1 per centum. Except as provided in subsection (c) (2) of this section, the semiannual assessment due from any insured bank for any semiannual period shall be equal to one-half the annual assessment rate multiplied by such bank's average assessment base for the immediately preceding semiannual period.

"(2) For the purposes of this section the term 'semiannual period' means a period beginning on January 1 of any calendar year and ending on June 30 of the same year, or a period beginning on July 1 of any calendar year and ending on December 31 of the same year.

"(3) A bank's average assessment base for any semiannual period shall be the average of such bank's assessment bases for the two dates, falling within such semiannual period, for which the bank is required to submit reports of condition pursuant to paragraph (3) of subsection (a) of this section (referred to hereafter in this section as 'reports of condition').

"(4) A bank's assessment base for any date shall be equal to the bank's liability for deposits (including the deposits of any other bank for which it has assumed liability) as reported in its report of condition for such date, plus the assessment base additions set forth in paragraph (5), and less the assessment base deductions set forth in paragraph (6).

"(5) The assessment base additions shall be the amounts of—

"(A) uninvested trust funds required to be separately stated in the bank's report of condition; and

"(B) any deposits received in any office of the bank for deposit in any other office of the bank located in the United States, the District of Columbia, Puerto Rico, Guam, or the Virgin Islands, except those which have been included in deposits in the report of condition or which have been offset in the report of condition by an equal amount of cash items in its possession drawn on itself (on the same type of deposit as those offset) and not charged against deposit liabilities at the close of business on the date as of which the report of condition is made, either in their actual amount as shown on the books of the bank, or, if not so shown, in an amount determined by means of an experience factor pursuant to regulations prescribed by the Board of Directors.

"(6) The assessment base deductions shall be the amounts of—

"(A) cash items in the bank's possession, drawn on itself, which have not been charged against deposit liabilities at the close of business on the date as of which the report of condition is made, either in their actual amount as shown on the books of the bank, or, if not so shown, in an amount determined by means of an experience factor pursuant to regulations prescribed by the Board of Directors;

"(B) deposits included in reported deposit liabilities which are accumulated for the payment of personal loans and are assigned or pledged to assure repayment of the loans at maturity;

"(C) 1 per centum of the bank's adjusted time and savings deposits (as defined in paragraph (7)); and

"(D) 16⅔ per centum of the bank's adjusted demand deposits (as defined in paragraph (8)).

Each insured bank, as a condition to the right to make any such deduction in determining its assessment base, shall maintain such records as will readily permit verification of the correctness of its assessment base. No insured bank shall be required to retain such records for such purpose for a period in excess of five years from the date of the filing of any certified statement, except that when there is a dispute between the insured bank and the Corporation over the amount of any assessment the bank shall retain such records until final determination of the issue.

"(7) The term 'the bank's adjusted time and savings deposits' means the amount of the bank's time and savings deposits as reported in its report of condition, as adjusted—

"(A) either by adding the amount of all deposits of the type described in subparagraph (5)(B) or, if the bank elects to ascertain the respective amounts of such deposits creditable to time and savings deposits and to demand deposits, by adding the amount creditable to time and savings deposits;

"(B) by subtracting, if the bank elects to ascertain the respective amounts of its items of the type described in subparagraph (6)(A) chargeable against time and savings deposits and against demand deposits, the amount chargeable against time and savings deposits; and

"(C) by subtracting the amount of all deposits of the type described in subparagraph (6)(B).

"(8) The term 'the bank's adjusted demand deposits' means the amount of the bank's demand deposits as reported in its report of condition, as adjusted—

"(A) by adding the amount of all deposits of the type described in subparagraph (5)(A);

"(B) by adding, if the bank elects to ascertain the respective amounts of its deposits of the type described in subparagraph (5)(B) creditable to time and savings deposits and to demand deposits, the amount creditable to demand deposits; and

"(C) either by subtracting the amount of all items of the type described in subparagraph (6)(A), or, if the bank elects to ascertain the respective amounts of such items chargeable against time and savings deposits and against demand deposits, by subtracting the amount chargeable against demand deposits.

"(c)(1) On or before the last day of the first month following each semiannual period, each insured bank which became insured prior to the beginning of such period shall file with the Corporation a certified statement showing its average assessment base for such period, and the amount of the semiannual assessment due to the Corporation for the semiannual period which begins with such month. Each such bank shall pay to the Corporation the amount of the semiannual assessment it is required to certify.

"(2) A bank shall not be required to pay any assessment for the semiannual period in which it becomes an insured bank. On or before the last day of the first month following the semiannual period during which any bank becomes an insured bank, such bank shall—

"(A) file with the Corporation a certified statement showing, as its assessment base for such period, its assessment base for the last date, if any, within such period for which it was required to submit a report of condition, or

"(B) if such bank became an insured bank after the last date in such period for which a report of condition was required, such bank shall make a special report of condition as of the last day of such semiannual period, and shall file with the Corporation a certified statement showing, as its assessment base for such period, its assessment base for the date of such special report.

The semiannual assessment due from such bank for the semiannual period which begins with such month shall be equal to one-half the annual assessment rate multiplied by the assessment base computed pursuant to subparagraph (A) or (B) of this paragraph, and the amount of such assessment shall be shown on such certified statement. Each such bank shall pay to the Corporation the amount of the semiannual assessment it is required to certify.

"(3) The certified statements required to be filed with the Corporation under paragraphs (1) and (2) of this subsection shall be in such form and set forth such supporting information as the Board

of Directors shall prescribe and shall be certified by the president of the bank or any other officer designated by its board of directors or trustees that to the best of his knowledge and belief the statement is true, correct and complete and in accordance with the Federal Deposit Insurance Act and regulations issued thereunder. The assessment payments required from insured banks under paragraphs (1) and (2) of this subsection shall be made in such manner and at such time or times as the Board of Directors shall prescribe, provided the time or times so prescribed shall not be later than sixty days after filing the certified statement setting forth the amount of assessment.

"(4) Except as otherwise provided in this section, the Board of Directors shall prescribe all needful rules and regulations for the enforcement of this section. The Board of Directors may limit the retroactive effect, if any, of any of its rules or regulations." Rules and regulations.
