Residential heating oil price increases

The average retail price for home heating oil rose 1.8 cents from a week ago to \$2.08 per gallon. That's down 72 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$2.02 per gallon, up 3-tenths of a cent from last week, and down 76 cents from a year ago.
