Residential heating oil price increases

The average retail price for home heating oil rose 11.2 cents from a week ago to \$2.91 per gallon. That's down \$1.33 from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region rose to \$2.87 per gallon, up 9.8 cents from last week, and down \$1.29 from a year ago.
