IN REPLY REFER TO

MMS/MRM/RIK
Mail Stop 330G5

FEB 23 2001

Dear Operator:

In our "Dear Operator Letter" dated August 30, 2000, the Minerals Management Service (MMS) notified you of specific onshore Federal leases in Wyoming that were selected to participate in a Royalty in Kind (RIK) program beginning October 1, 2000. In accordance with the terms of that letter, we are notifying you of the termination of in-kind status of your onshore Federal leases in Wyoming.

The in-kind status of the leases listed in the enclosure terminates on March 31, 2001, and the royalties will be payable in value rather than in kind, **effective April 1, 2001**. Please notify the appropriate working interests of the changes in royalty status for these leases.

You must continue to report crude oil production and royalties to MMS on the Oil and Gas Operations Report (OGOR) or the Monthly Report of Operations (Form MMS-3160). Effective April 1, 2001, you must report in value on the Report of Sales and Royalty Remittance (Form MMS-2014) under current requirements and frequencies as specified in MMS regulations.

Please visit our website at www.mrm.mms.gov for information regarding properties participating in RIK sales.

Sincerely,

Milton K. Dial
Assistant Program Director
for Royalty in Kind
