**Biden and China's Xi Jinping to Hold Crucial Talks** DGN Today, 11:17 AM

In August 2011, Vice President Biden, right, walks with Chinese Vice President Xi Jinping as they visit the South Bridge in Dujiangyan on the outskirts of Chengdu.

By Merle David Kellerhals Jr.  
IIP Staff Writer  
Washington,  
February 11, 2012

The weeklong visit to the United States of Chinese Vice President Xi Jinping, hosted by Vice President Biden, should be viewed as part of a broader effort by the United States to focus American foreign and economic policies on the Asia-Pacific region, a senior U.S. national security official says.

"A critical part of our Asia-Pacific policy is the very deep relationship and cooperation that we have with China on a range of areas," Deputy National Security Advisor Ben Rhodes said February 10.
