Select Download My Data

Green Button Download My Data

The graph displayed above depicts only usage and volumetric usage charges based on available interval data. The graph does not include other fees such as local utility user taxes and certain other taxes, surcharges and fees or medical baseline discounts. As a result, the volumetric usage charges displayed in the graph will not reflect all of the charges on your bill.

Step 4: Select “Export usage for specific days” then choose your date range and click “Export”

Export your data

For your review in a spreadsheet program (.csv file)

Export all bill totals

Export usage for a range of days:
Since your last bill: Feb 2, 2012 – Mar 2, 2012

For developers and third parties (.xml file)

Export usage for specific days:
From: 03/03/2012 To: 04/03/2012
