Registration Instructions

This form is for the use of conference participants only. Individuals registering to conduct business should contact Jason Sheldrake, Assistant Executive Director, NSTA Sales, at 703-312-9273 to register as a Non-exhibiting Industry Representative.

Each registrant (except nonteaching spouse) must submit a separate registration form. Do not send duplicate registrations—**if you fax your form, do not also mail the form**. For complete information on registration, including rates, deadlines, spouse and guest fees, electronic versions of the program by e-mail, and more, go to www.nsta.org/confreg.

Registration fees cover all nonticketed conference activities and entry to the Exhibit Hall. Fees do not cover ticketed events, meals, lodging, or transportation other than NSTA-contracted shuttle service.

By registering to attend a National Science Teachers Association (NSTA) conference, you grant permission to NSTA to take and use your photo in NSTA marketing and promotional pieces for an indefinite period of time. Marketing and promotional pieces include, but are not limited to, printed brochures, reports, postcards, flyers, and materials, as well as online uses such as postings on the NSTA website, online newsletters, and e-mail blasts. NSTA shall own all rights, including copyrights in and to the photos. You also grant permission to NSTA to use, encode, digitize, transmit, and display the video/audio of your session, presentation, or workshop given at the NSTA conference, singularly or in conjunction with other recordings, as well as to use your name, photograph, biographic information, and ancillary material in connection with such video/audio for commercial, promotional, advertising, and other business purposes. NSTA and its employees are released from any liability arising out of the use of your name, video, photographs, and/or organization name and location.

Earlybird/Advance Deadlines

Registrations submitted online, postmarked, or faxed by the earlybird deadline or the advance deadline have substantially lower fees than those for on-site registration.

You must register by the advance deadline to receive your e-mail with your badge, tickets, and confirmation in advance of the conference. If you submitted your registration before the advance deadline and if by three weeks before the conference you have not received an e-mail with your confirmation packet, call NSTA conference registration at 703-243-7100 or 800-328-8998 or e-mail reg@nsta.org.

If your registration is received online or postmarked/faxed after the advance deadline, you will be charged the full on-site rate and your confirmation may not be e-mailed to you before the conference. Pick up your confirmation, badges, and tickets on-site at the Badge Pick-Up/Replacement Counter in the NSTA Registration Area.

Ticketed Events

Tickets are available on a first-come/first-served basis. For the fasted service, we recommend that you register and purchase tickets online (www.nsta.org/confreg). You may also register and/or purchase tickets using this Advance Registration Form. If you are registered for the full meeting (two–four days), you may purchase tickets for any available event. If you are registering for one day only, you may purchase tickets only for those events that take place on the day for which you are registering.

There are two prices for ticketed events: the advance price and the on-site price. To qualify for the advance price, your registration and ticket purchases must be postmarked or faxed by the advance registration deadline of **February 24**.

You may add tickets to an earlier registration online or by submitting a new registration form (check the box on the new form that indicates that you have already registered for the conference). Visit our website (www.nsta.org/LA) for details and descriptions of ticketed events. Tickets are nonrefundable.

Refund/Cancellation Policy

Refund requests must be in writing and must be postmarked 10 days before the conference. Badge materials must be returned with refund request. Registration cancellations are subject to a \$20 processing fee. **Ticketed events are nonrefundable.**

Questions?

Contact NSTA conference registration at 703-243-7100 or 800-328-8998, or via e-mail at reg@nsta.org. For general information on the national conference or to register online, visit our website at www.nsta.org/conferences

Submitting Your Registration

Payment for registration and membership (if attaching membership application) must be included with your registration form. Forms received without payment will be returned unprocessed. Payment may be made by check or purchase order from your school or school district (attach forms for all registrants). *Note:* credit card payments must be made online at www.nsta.org/confreg.

Professional Learning Institutes: Wednesday, March 29, 2017

NSTA Professional Learning Institutes (PLIs) are focused, content-based programs that explore key topics in science/STEM education in depth. Presented by experts in science/STEM education, professional learning, standards implementation, assessment, curriculum, and resources/materials development, PLIs are scheduled on Wednesday, March 29, 9:00 AM to 4:00 PM. PLI-4 and PLI-5 are each followed by two days of pathway sessions that offer further exploration of the topics covered. Institutes are offered in conjunction with the NSTA Los Angeles National Conference on Science Education and require conference registration.

NSTA Professional Learning Institutes (PLI-1 through PLI-8) are ticketed events (\$150) by preregistration only. For complete descriptions of each PLI, visit www.nsta.org/LAbrowser.

No meals are included for the following events, so please plan accordingly.

- PLI-1: Disciplinary Core Ideas: Reshaping Teaching and Learning
- PLI-2: Helping Students Make Sense of the World Using Next Generation Science and Engineering Practices
- PLI-3: Uncovering Students' and Teachers' Ideas with Three-Dimensional Formative Assessment Probes and Techniques
- PLI-4: Argument-Driven Inquiry: Transforming Laboratory Experiences so Students Can Use Core Ideas, Crosscutting Concepts, and Science Practices to Make Sense of Natural Phenomena
- PLI-5: Moving Standards into Practice: Five Tools and Processes for Translating the *NGSS* into Instruction and Classroom Assessment
- PLI-6: District-Level Administrators: You Are Not Alone in the *NGSS* Universe!
- PLI-7: Equity in Science Education
- PLI-8: Integrating Science and Literacy with Picture Books
