SUBJECT: Class Deviation - Extension of 8(a) Partnership Agreement Between the
U.S. Small Business Administration and the Department of Defense

My December 1, 2006 memo, Class Deviation 2006-O0005, provided notice of an extension through January 30, 2007, of the 8(a) Partnership Agreement between the Small Business Administration and the Department of Defense (DoD). This memo, Class Deviation 2007-O0001, supersedes Class Deviation 2006-O0005, and extends the current 8(a) Partnership Agreement through February 28, 2007, by the attached amendment. This amendment allows DoD Contracting Officers to continue to award 8(a) contracts directly to 8(a) Program participants in accordance with Defense Federal Acquisition Regulations Supplement (DFARS) 219.800(a). DFARS Subpart 219.8 is being amended to reflect the extension. Accordingly, Contracting Officers are authorized to deviate from the DFARS 219.800(a) September 30, 2006, expiration date. This class deviation (2007-O0001) remains in effect until it is superseded, rescinded, or until the DFARS is amended as discussed above.

My point of contact for this subject is Ms. Susan Pollack, 703-697-8336,
