- Balloons - Rubber or Plastic require a Health Permit of the recipient. A health permit is issued by the Health Ministry and should be secured prior to shipping.
- Candy (chocolate is included) shipments require an Import Permit issued by the Ministry of Economy and must comply with Sanitary Notice issued by the Health Ministry. A declaration of the percent of sugar content is required for shipments. This also applies to gift shipments.
- Commercial Samples should be marked as such. The declared value must be \$1 US (per unit value). No original packaging accepted. Statement must be included on Air Waybill (Shipping Label) and Commercial Invoice indicating goods are samples. Further regulations may apply depending on the commodity. Duties and Taxes may be assessed. Samples must be permanently marked or torn. Sample labels will not be considered as marked.
- Diplomatic shipments: Shipments cleared as Diplomatic are duty free. Shipments must present the corresponding Diplomatic Seals and must be addressed from an Embassy to another Embassy. If addressed to a Minister or official dependency, the Embassy must send a letter confirming it is a Diplomatic shipment.
- Recipient is required to obtain prior to shipment a Sanitary Authorization Permit from the Department of Health (S.S.A.) for all items used or consumed by humans (medicine, surgical equipment, toothpaste, etc.). A copy of the permit must accompany shipment in order to avoid clearance days.
- Wooden Furniture, Ornaments, Decorations and Wooden Products are prohibited.
- A detailed Commercial Invoice is required for values over \$300 US.
- Additional clearance fees and delays may apply to special foreign incentive programs such as North American Free Trade Agreement (NAFTA), Decreto para el Fomento de la Industria Manufacturera,

MEXICO (MX) - (continued)

Maquiladora y de Servicios de Exportacion (IMMEX) and Empresas Altamente Exportadoras (ALTEX).

- All shipments are subject to pre-inspection by the Customs house broker. For detailed information on what commodities apply, the shippers should contact the recipient or visit the internet at <http://www.economia.gob.mx/>.
- Documents must not have a declared value on the Air Waybill (Shipping Label).
- Hard to identify substances such as pastes, liquids, powders, gels, odoriferous substances, scented oils, laboratory reactive agents, caliber standards, chemicals and raw materials and liquid or medical products such as pills, tablets, granules, must be accompanied by a physical and/or chemical analysis to identify its composition, nature, origin or other necessary characteristics in order to be properly classified. These products can only be cleared via formal entry. The only exception will be if the importer is registered and fully licensed to import these products.
- SWPM (Solid Wood Packing Material) must comply with ISPM-15 (International Standard Phytosanitary Measures). Wood must be marked with the IPPC logo and the two letter ISO code for the country that treated the Wood Packing Material. The marking must also include the unique number assigned by the national plant protection organization to the company responsible for ensuring the Wood Packing Material was properly treated and either the abbreviation HT (heat treatment) or MB (methylbormide). Shipments arriving without this information will be returned. Paper certification (treatment certificates) will not be required.

QATAR (QA)

Recipient is responsible for duties and taxes that are assessed by the country.

PRICE GROUP: 6

P.O. BOX ADDRESSES:

Accepted: Only with a city name, proper address and/or a prominent landmark. In addition, an operational telephone number is required, preferably a land line. (For shipments that have cell phone numbers, expect delivery delays.)

DIMENSION NOTE:

Maximum Size: Total length and girth not to exceed 108 inches.

Individual dimensions not to exceed:

Length - 46 Inches

Width - 35 Inches

Height - 46 Inches

Minimum Size: An envelope or package must be large enough to completely contain the Global Express Guaranteed Air Waybill (Shipping Label), postage, endorsement, and any applicable markings. The shipping label is approximately 5.5 inches high and 9.5 inches long.

WEIGHT NOTE:

Total Not To Exceed 70 Lbs

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Duties/Taxes will be assessed.

SPECIAL REQUIREMENTS:

- Temporary Import or Repair and Return Procedure for Inbound shipments: a) Shipper's Commercial Invoice and Air Waybill (Shipping Label) should mention clearly - "Temporary Import" or "Repair and Return". b) Recipient should provide a request letter to the Doha Customs to allow the Temporary Import with time period and deposit blank check in advance. c) Subject to approval from Customs depending on the commodity/ documentation and availability of item/s.

- The recipient must hold a valid Qatar Import License and only authorized to import products listed/as per their Import License. In case of non-compliance, shipment will be returned billing all charges to shippers account.
- The recipient should have a valid Qatar residence permit or employment visa importing personal affects. Customs will apply duties and charges.
- Shipments that are incorrectly declared will not be accepted, they will be confiscated and/or destroyed.
- Electronic commodities determined to be radio frequency devices or sub-assemblies capable of sending, receiving or interfering with radio signals require an approval from the Supreme Council of Information and Communication Technology. Expect a delay as importer needs to seek approval upon arrival of shipment. No pre-clearance available for these commodities.
- All non-document commercial shipments, including samples, must be legalized at the time of import and require a legalization fee to be paid by the recipient. The legalization fees are based on the shipment value. The minimum Customs fee for the import of shipments to Qatar is Qatari Riyal 250 (approximately \$69 US) if shipping documents are not legalized from Qatar Consulate/ Embassy at the origin.
- All shipments must have Freight and Insurance cost mentioned on the Commercial Invoice. If cost is not on the Commercial Invoice, Customs will calculate the charges per their set regulations.
- Country of manufacture of the product must be engraved/printed on the product itself with expiration date of the product. Stickers will not be acceptable.
- GXG will accept shipments of Israeli origin. However, this country may not allow such imports.
- No shipment is to be accepted unless a telephone number or a valid fax number is included. Numbers with 9745 are cell phone numbers, expect delivery delays for cell phone numbers.
- Radio Equipment will not be accepted if the recipient does not have a license and prior approval from Regulatory Affairs Department. The equipment will be confiscated in case of violation.
- Recipients/Importers are not allowed to use Qatar Global Service Participant (GSP) name for importing shipments. All shipping documents must reflect the actual importer name and address. Such shipments may be confiscated, huge penalty charged and severe legal action taken by Customs in case of violation.
- Shipments destined to Qatar Military bases are exempted from these requirements.

Individual dimensions not to exceed:

Length - 46 Inches

Width - 35 Inches

Height - 46 Inches

Minimum Size: An envelope or package must be large enough to

completely contain the Global Express Guaranteed Air Waybill

(Shipping Label), postage, endorsement, and any applicable

markings. The shipping label is approximately 5.5 inches high and 9.5 inches long.

WEIGHT NOTE:

Total Not To Exceed 70 Lbs

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Gifts value up to 400 Rand (approximately \$51 US) will be exempt from duty.

SPECIAL REQUIREMENTS:

- Electronic goods and computer parts imported into South Africa at commercial quantities, personal use or resale need a test report from the South African Bureau of Standards. If the Letter of Authority is not available within 5 days of the goods arrival, the shipment will be confiscated.
- Pro forma Invoices are not accepted.
- Shipments valued less than 500 South African Rand (approximately \$73 US) may be randomly stopped by Customs. Additional paperwork (suppliers price list and purchase order) may be asked for to confirm true and correct value.
- Shipments repaired under warranty require export documents (Bill Of Entry, Customs Release Notification, Customs Worksheet, Air Waybill (Shipping Label), and all Invoices) plus the original DA65 (only required if and when faulty items/parts has been exported back to the original supplier). Duties and taxes are exempt with a warrant agreement. Shipments that have Cost of Repair require Valued Added Tax and duties are applicable on the repair cost.
- Replacement items/parts that are as good as new must declare true and correct value. Documents required: a full and complete set of original first import and export documents, plus the original DA65 (only required if and when faulty items/parts has been exported back to the original supplier), supplier price list if originally imported as part of a machine/unit, and the replaced items/parts must be highlighted on the price list for ease of reference.
- Samples must be tagged, mutilated or mark ed.
- Used goods require the recipient to obtain an Import Permit from International Trade Commission.
- All non-document shipments, regardless of the value, must be accompanied by a Commercial Invoice on company letterhead, if shipment is a commercial shipment. An electronic Commercial Invoice/generic customer automation produced Invoice is not

SOUTH AFRICA, REPUBLIC OF (ZA) - (continued)

accepted. Fair Market value should be declared, not the nominal value.

- All shipments valued over 500 South African Rand (approximately \$73 US) or above will require one (1) extra day for clearance.
- Any shipment entering into South Africa with a value exceeding 500 South African Rand (approximately \$73 US) is classified as high value shipment. Duty and taxes will be assessed by Customs according to the commodity and the value provided on the Air Waybill (Shipping Label) and Commercial Invoice.
- Customs consider all shipments dutiable and taxable, including items not for resale, items of no commercial value, loaned items, promotional items, exchange items, personal effects, and warranty repairs. The true and correct value should be declared at all times. Air Waybill (Shipping Label) and Invoices must be clearly marked.
