Notes: Saturday/Sunday are non-operating days unless otherwise noted by the country and should be taken into consideration when determining the delivery date. For some countries, either Saturday or Sunday may be an operating day. If either Saturday or Sunday is an operating day in the destination country, use that day in the calculation for delivery. For example, if a customer drops off a 2-day shipment on Thursday to a country that operates on Saturday, the calculated delivery day is Saturday. See the Work Week section of the destination country for details when the work week is not Monday through Friday.

Holidays: Destination country and U.S. holidays will be observed. No deliveries will be made on these non-operating days. Deliveries will be made the following operating day.

(See country listing in Section III for observed holidays.)

Participating Locations

Global Express Guaranteed service is available to more than 16,000 participating retail locations throughout the United States.

Countries Served

Date-certain delivery is available to more than 190 countries worldwide. See Exhibit 1, "Country Listing and Price Group," for a complete listing of countries served and their associated price group.

Sizes and Weights

Minimum Size: An envelope or package must be large enough to completely contain the Global Express Guaranteed Air Waybill (Shipping Label), postage, endorsement, and any applicable markings. The shipping label is approximately 5.5 inches high and 9.5 inches long.

Maximum Size: Total length and girth not to exceed 108 inches. Individual dimensions not to exceed:

Length – 46 inches
Width – 35 inches
Height – 46 inches

Maximum Weight: Total weight not to exceed 70 pounds.

Value limits: \$2,499 or a lesser amount as limited by country, content, or value.

Dimensional Weight (DIM)

Dimensional weight is the calculation utilized to determine the appropriate price of postage based upon the size of the shipment in relation to the weight of the shipment. Postage for items mailed in USPS-supplied Global Express Guaranteed envelopes is based on the actual weight of the piece. For items weighing 1/2 pound or less, the 1/2 pound postage price is applied. For all other weights, round up to the next whole pound. Postage for items not mailed in USPS-supplied Global Express Guaranteed envelopes is based on the dimensional weight or the actual weight, whichever is greater.

Dimensional Weight (DIM): (Length x Width x Height) /166 = Dimensional Weight.

Determining Dimensional Weight for a Rectangular-Shaped Parcel:

Follow these steps to determine the dimensional weight for a rectangular-shaped parcel:

1. Determine the length, width, and height in inches. Round off each measurement to the nearest whole inch.
2. Multiply the length by the width by the height.
3. Divide the result by 166. For weights less than 0.5 pound, round up to 0.5 pound. For all other weights, round up to the next whole pound.

Determining Dimensional Weight for a Nonrectangular- Shaped Parcel:

Follow these steps to determine the dimensional weight for a nonrectangular-shaped parcel:

1. Determine the length, width, and height in inches. Measure the length, width, and height at their extreme dimensions. Round off each measurement to the nearest whole inch.
2. Multiply the length by the width by the height.
3. Multiply the result by an adjustment factor of 0.785.
4. Divide the result by 166. For weights less than 0.5 pound, round up to 0.5 pound. For all other weights, round up to the next whole pound.

Allowable Contents

Documents and non-documents (merchandise) with restrictions as defined by each destination country are in Section III. See Countries and Cities Served information under Documentation Requirements in Section III for specific restrictions that apply to the destination country. In a limited number of situations, **additional documentation may be required**. The sender is responsible for determining if the item is allowable despite any statement made in Publication 141, on the Global Express Guaranteed Web site, or by a Postal Service employee or the Postal Service's agents.

Insurance

Additional insurance may be purchased for an additional fee for shipments not to exceed the total shipment value of \$2,499.00 or a lesser amount as limited by country, content, or value. Document shipments are insured up to \$100 per shipment at no additional charge for document reconstruction (for the reasonable costs incurred in reconstructing duplicates of nonnegotiable documents mailed) and non-document shipments are insured against loss or damage up to \$100 per shipment at no additional charge. See individual country listings for limits on shipment value or content.

Insured Amount not over	Fee
\$100	No Fee
\$200	\$1.00
\$300	\$2.00
\$400	\$3.00
\$500	\$4.00
For insurance coverage above \$500, add \$1.00 per \$100 or fraction thereof, up to a maximum of \$2,499 per shipment.	
\$2,499	\$24.00

P.O. Boxes

P.O. Box addresses may be used to certain international locations. **The Money-Back Guarantee does not apply to shipments to P.O. Box addresses acceptable for delivery.** See the list of countries that accept P.O. Box addresses on page 23 of this Global Express Guaranteed Service Guide. Though a PO Box address is acceptable for a GXG shipment to these countries, the recipient's phone number will be required in order for FedEx Express to contact the recipient to make arrangements to deliver to a valid street address.

APOs, FPOs, and DPOs

Global Express Guaranteed service is not available for shipments addressed to APOs, FPOs, and DPOs.

Duties and Taxes

All items entering a foreign country are subject to Customs inspection and the assessment of duties and taxes in accordance with that country's national laws. **If duties and taxes are assessed on an item mailed via Global Express Guaranteed service, they may be collected from the recipient prior to, or upon, delivery.** FedEx Express may contact the recipient before clearance is complete to confirm the arrangements for reimbursement. In addition, for some countries, there may be an administrative fee that is collected from the recipient to cover the costs of clearing the item through customs and collecting duties and taxes.

Shipments may be delayed if FedEx Express is not able to reach the recipient to confirm payment for duties and taxes. If a recipient refuses to pay the duties and taxes, the sender may be contacted

to make alternative arrangements. In either case, the Money-Back Guarantee will not apply. (See Undeliverable Shipments section below.)

Recipient's payment for duties and taxes may be made by one of the following means at the sole discretion of FedEx Express: cash, check (personal or business, provided valid identification is offered), money order, traveler's check, or as locally required in the destination country. Payment of duties and taxes may not be made by credit card.

Access web site export.gov/logistics/eg_main_018130.asp for an estimate of duties and taxes that, if levied against a shipment, the recipient will be required to pay prior to delivery.

Customer Service

Customer Service is available by calling 1-800-222-1811.

Loss or Damage Claims

If the shipment is lost or damaged, you may file a claim. All claims must be initiated within 30 days of the mailing date by contacting a Customer Service Representative at 1-800-222-1811; this Representative will provide more details on how to file a claim. The original receipt of the Air Waybill (Shipping Label) may be required when filing a claim. If the recipient accepts the shipment without noting any damage on the delivery record, we will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, original shipping cartons, and packing must be available to us for inspection. Written documentation supporting the amount of a claim may also be required. All supporting documentation must be submitted within 9 months of the mailing date.

Undeliverable Shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay duties and taxes.
- The recipient refuses to accept the shipment.
- The recipient and/or their delivery address cannot be located or determined.
- The shipment was addressed to an area not served.
- The shipment is unable to clear Customs.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.

- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.
- The shipment would likely cause damage or delay to other shipments or property, or the shipment would likely cause injury to personnel.

Should a shipment be classified as undeliverable, the following guidelines apply:

1. If a shipment is undeliverable for any reason, an attempt to notify the sender may be made to arrange for the return of the shipment if local Customs regulations will allow. If the sender cannot be contacted within five business days, the shipment may be placed in a general order warehouse or a Customs bonded warehouse or disposed of. In any event, if a package cannot be delivered, cleared through Customs or returned, the package may be transferred or disposed of at FedEx Express' sole discretion.
2. For shipments returned from international points to the U.S., FedEx Express return charges and fees will be assessed to the original shipper. Also included will be any other charges incurred by FedEx Express, including, but not limited to, duties, taxes and storage fees, if applicable.
3. Shipments that cannot be returned due to local regulatory constraints will either be placed in a general order warehouse or a customs-bonded warehouse or disposed of at FedEx Express' sole discretion and at any location.
4. The Money-Back Guarantee will not apply for shipments classified as undeliverable.

Postage and Fees

Postage prices for Global Express Guaranteed shipments are calculated based upon the country of destination (see Exhibit 1, pages 15-17). There are eight price groups (see Exhibit 2, pages 19-21).

The prices for items mailed in USPS-supplied Global Express Guaranteed envelopes are based on the actual weight of the piece. For items weighing less than 1/2 pound, round up to the 1/2 pound price. For all other weights, round up to the next whole pound. The prices for all other items not mailed in USPS-supplied Global Express Guaranteed envelopes are based on dimensional weight (see DIM Weight pages 3-4) or the actual weight, whichever is greater.

1. Methods of Payment

Postage may be paid by postage stamps, postage validation imprinter (PVI) labels, postage meter strips, PC postage or other payment methods as described at www.usps.com/gxg.

Additionally, customers can pay for postage online via credit card. Customers who prepare and pay for their Global Express Guaranteed shipments online at www.usps.com/gxg will be eligible for discounted postage prices, a standard 10% for all online shipments.

2. Official Mail

A. Mailings by Federal Agencies

Global Express Guaranteed shipments that are entered by federal agencies and departments are subject to the same postage payment requirements, weight and size limits, customs form requirements, and general conditions for mailing as Global Express Guaranteed shipments that are originated by non-governmental entities.

B. USPS Mailings

Global Express Guaranteed shipments mailed as Official Business by U.S. Postal Service entities must bear the G-10 permit indicia, and are subject to the same weight and size requirements, and general conditions as USPS Official Mail.

Money-Back Guarantee

If the shipment is accepted at a designated USPS retail outlet or other authorized location by the specified deposit time for Global Express Guaranteed service, the shipment will be delivered to the recipient in accordance with the transit times outlined in the Service Guide on or before close of business in the local time

zone or we will refund your postage paid, as outlined below. Check with your local authorized USPS acceptance office for specific information about services and the Money-Back Guarantee. If the shipment is not delivered by the scheduled day and you file a refund request, the USPS will refund the postage unless: 1) the delivery was attempted but could not be made; 2) the delivery address was incomplete or inaccurate; or 3) the shipment was delayed by circumstances beyond our control as outlined in the Terms and Conditions on the Air Waybill (Shipping Label), the Service Guide, or Click-N-Ship. This Money-Back Guarantee does not apply to shipments to P.O. Box addresses acceptable for delivery. All requests must be initiated within 30 days of the mailing date by contacting a Customer Service Representative at 1-800-222-1811; this representative will provide more details on how to file a refund request. The original receipt of this Air Waybill (Shipping Label) may be required when filing a refund request.

The Illustration below taken from the Countries & Cities Served (Section III) demonstrates how to determine the transit time for Global Express Guaranteed shipments. Delivery is available to the destination within the number of days that is listed to the right of the respective city under the DOC or NON-DOC columns. **(see chart below)**

		ISRAEL (IL)	
		Days	
		DOC	NON DOC
Adi.....	17940	02	02
Adora.....	90415	06	06
Afek.....	30042	02	02
Afiq.....	12938	03	03
Afiqim.....	15148	03	03
Afula.....	18200	02	02
Afula.....	18251	02	02
Afula.....	18262	02	02

Diagram annotations:
 - A box labeled "2-Days to Delivery" has an arrow pointing to the DOC column for the first Afula entry (18200).
 - A box labeled "3-Days to Delivery" has an arrow pointing to the NON-DOC column for the first Afula entry (18200).

Note: If the calculated delivery day lands on a day of the week in the country that is not an operating day, go to the next operating day of the country to determine delivery day. (For example, customer drops off an item Wednesday, number of transit days is three (3), and the calculated delivery day is Saturday in Israel. Saturday is not an operating day for this country. Sunday is the next operating day, and therefore the delivery day.)

Summary of Our Terms and Conditions

Global Express Guaranteed[®]

1. The USPS Contract With You: These terms and conditions, along with those set out in the *Global Express Guaranteed Service Guide (Service Guide)* and the *International Mail Manual (IMM)*, are all the terms of the contract between you (the sender of the shipment) and us (USPS, FedEx Express, and/or their agents). When you tender a shipment to us, you accept our terms for you, and for anyone else who has a legal interest in the shipment. Our terms and conditions also protect anyone with whom we may contract to collect, transport, or deliver your shipment. No employee of USPS, FedEx Express, or anyone else has any authority to change any of our terms or conditions, or make any promises on our behalf. If there is a conflict between the terms and conditions of the Air Waybill (Shipping Label), this Service Guide, or the International Mail Manual (IMM) then in effect, the current Service Guide or International Mail Manual (IMM) will control, in that order of priority.

2. What "Shipment" Means: A shipment means all allowable contents that travel under one Air Waybill (Shipping Label), not just any single document or item included in a shipment. You certify that the shipment details are complete and accurate. You agree that all shipments may be carried by any means, including air, surface, or any other carrier.

3. Your Obligations: You warrant that each article in the shipment is properly described on this Air Waybill (Shipping Label) and any accompanying documents, acceptable for transport by us, and properly marked, addressed, and packed to ensure safe transportation with ordinary care in handling. You are responsible for all charges, including postage, and possible surcharges, Customs and duties assessments including fees related to our prepayment of the same, governmental penalties and fines, taxes, and our attorney fees and legal costs, related to this shipment.

4. Allowable Contents: We accept as shipments documents (correspondence and printed matter "DOC") and non-documents (all other items "NON-DOC"), with restrictions on content and value as defined by each destination country in the Service Guide. No shipment may contain contents with a total value greater than US \$2,499. NON-DOC shipments may be subject to inspection.

5. Prohibited Contents: We do not accept as a shipment anything that is considered a restricted article or hazardous material as defined by the Department of Transportation (DOT), or dangerous goods as defined by the International Air Transport Association (IATA) or the International Civil Aviation Organization (ICAO), or certain other items listed in the Service Guide or International Mail Manual (IMM), such as cash or cash equivalents. See the Service Guide for additional prohibited items and restrictions for this service.

6. Customs: You appoint us as your agent to conduct export and import clearance. You also certify us as the nominal consignee solely for the purpose of designating a Customs broker to perform Customs clearance. You are responsible for and warrant your compliance with all applicable laws, rules, and regulations, including but not limited to Customs laws; import, export, and re-export laws; and governmental regulations of any country to, from, through, or over which your shipment may be carried. You agree to furnish such information and complete and attach to this Air Waybill (Shipping Label) such documents as are necessary to comply with such laws, rules, and regulations. We assume no liability to you or any other person for any losses or expenses due to your failure to comply with this provision.

7. Export Control: You hereby certify that all statements and information contained in this Air Waybill (Shipping Label) and any accompanying documents relating to exportation are true and correct. You certify that this shipment does not require filing of Electronic Export Information, or EEI (formerly known as Shipper's Export Declaration, or SED) or any such filing of export data. Furthermore, you understand that civil and criminal penalties, including forfeiture and sale, may be imposed for making false or fraudulent statements, or for violation of any United States Laws on exportation, including but not limited to 13 USC Sec. 305, 22 USC Sec. 401, 18 USC Sec. 1001, and 50 USC App. 2410.

8. Letter of Instruction: If you do not complete all the documents required for carriage or if the documents you submit are not appropriate for the services or destination requested, you hereby instruct us, where permitted by law, to complete, correct, or replace the documents for you. However, we are not obligated to do so. If a substitute form of air waybill is needed to complete delivery of your shipment and we complete that document, the terms of this Air Waybill (Shipping Label) will continue to govern. We are not liable to you or any other person for our actions on your behalf under this provision.

9. Money-Back Guarantee: If the shipment is accepted at a designated USPS retail outlet or other authorized location by the specified deposit time for Global Express Guaranteed service, the shipment will be delivered to the recipient in accordance with the transit times outlined in the Service Guide on or before the close of business in the local time zone or we will refund your postage paid, as outlined below. Check with your local authorized USPS acceptance office for specific information about services and the Money-Back Guarantee. If the shipment is not delivered by the scheduled day and you file a refund request, the USPS will refund the postage unless: 1) the delivery was attempted but could not be made; 2) the delivery address was incomplete or inaccurate; or 3) the shipment was delayed by circumstances beyond our control as outlined in Paragraph 13. This Money-Back Guarantee does not apply to shipments to P.O. Box addresses acceptable for delivery. All requests must be initiated within 30 days of the mailing date by contacting a Customer Service Representative at 1-800-222-1811; this Representative will provide more details on how to file a refund request. The original receipt of the Air Waybill (Shipping Label) may be required when filing a refund request.

Summary of Our Terms and Conditions

Global Express Guaranteed® (Continued)

10. Loss or Damage Claims: If the shipment is lost or damaged, you may file a claim. All claims must be initiated within 30 days of the mailing date by contacting a Customer Service Representative at 1-800-222-1811; this Representative will provide more details on how to file a claim. The original receipt of this Air Waybill (Shipping Label) may be required when filing a claim. If the recipient accepts the shipment without noting any damage on the delivery record, we will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, original shipping cartons, and packing must be available to us for inspection. Written documentation supporting the amount of a claim may also be required. All supporting documentation must be submitted within 9 months of the mailing date.

11. Insurance Coverage: Additional insurance may be purchased for shipments not to exceed the total shipment value of US \$2,499 or a lesser amount as limited by country, content, or value. You are responsible for requesting insurance and paying the applicable fee. Regardless of who is at fault, if you fail to pay the applicable fee, our liability will be limited to US \$100. As provided in Paragraph 15 below, DOC shipments are insured up to US \$100 per shipment at no additional charge for document reconstruction (for the reasonable costs incurred in reconstructing duplicates of nonnegotiable documents mailed), and NON-DOC shipments are insured against loss or damage up to US \$100 per shipment at no additional charge. Additional insurance up to a total of US \$2,499 per shipment may be purchased for an additional fee. Coverage, terms, and limitations are subject to change. Consult the Service Guide for insurance fees, limitations, and terms of coverage to each individual country.

WE ARE NOT LIABLE FOR

12. Delayed Shipments: We will make our best effort to deliver your shipment according to our regular delivery schedules. Except as provided in Paragraph 15 below, USPS, FedEx Express, and/or their agents are not liable for any losses or damages caused by delays, even if they are our fault, in picking up, transporting (including delays caused by diversions), or delivering a shipment.

13. Circumstances Beyond Our Control: We are not liable if a shipment is lost, misdelivered, damaged, or delayed because of circumstances beyond our control. These circumstances include: terrorist activity; strikes; labor actions; an "act of God," for example an earthquake, cyclone, storm, or flood; "force majeure," for example war, plane crash, or embargo; import/export clearance delays; any defect or characteristic to do with the nature of the shipment, even if known to us when we accepted it; or any action or omission by anyone outside USPS, FedEx Express, or their agents, for example the sender of the shipment, the

recipient, or an interested third party, Customs or government officials, or other carriers or third parties with whom we contract to deliver to destinations that we do not serve directly. We are not liable even if you, the sender, did not ask for or know about a third-party delivery. We are also not liable for electrical or magnetic damage to, or erasure of, electronic or photographic images or recordings.

14. Consequential Damages: We are not liable for the following, whether they arise in contract or any other form of civil action, including negligence, and even if they are our fault: consequential or special damages or loss; other indirect loss; or breach of other contracts. Consequential damage or loss includes but is not limited to loss of income, profit, interest, markets, and use of contents.

15. Extent of Our Liability: We make no warranties, express or implied. Our liability for a shipment that is not delivered according to the Money-Back Guarantee is limited to a refund of the postage paid by the sender as outlined in Paragraph 9. Unless additional insurance is purchased, our liability for a lost or damaged shipment is limited to the lowest of US \$100, or the actual amount of the loss or damage, or the actual value of the allowable contents. Actual value means the lowest of the cost of replacing, reconstructing, or reconstituting the allowable contents of the shipment (determined at the time and place of acceptance). These terms and conditions, and where applicable the Warsaw Convention, limit and/or exclude our liability for loss, damage, or delay. You agree that there are no agreed stopping places, and we reserve the right to route the shipment in any way we deem appropriate.

16. False Statements and Right to Inspect: The submission of a false, fictitious, or fraudulent statement may result in imprisonment of up to 5 to 8 years depending on the nature of the violation (18 USC Sec. 1001). In addition, a civil penalty of up to US \$5,000 and an additional assessment of twice the amount falsely claimed may be imposed (31 USC Sec. 3802). Your NON-DOC shipment may, at our option or at the request of governmental authorities, be opened and inspected by us or such authorities at any time.

17. Mandatory Law: Insofar as any provision contained or referred to in this Air Waybill (Shipping Label) may be contrary to any applicable international treaties, laws, governmental regulations, orders, or requirements, such provision shall remain in effect as part of our agreement to the extent that it is not overridden. The invalidity or unenforceability of any provision shall not affect any other provision contained or referred to in this Air Waybill (Shipping Label). Unless otherwise indicated, the sender's address indicated on the face of this Air Waybill (Shipping Label) is the place of execution and the place of departure, and the recipient's address listed on the face of this Air Waybill (Shipping Label) is the place of destination.
