Legend:

	Shipment is considered a document
●	Requires a Commercial Invoice (PS Form 6182) (Original + 2 copies) - Shipment is considered a non-document.
X	Prohibited Item
####	Related Footnote number of footnoted commodity

Footnotes:

- 43 Is the total weight of the shipment more than 22 lbs (10 kgs)? Commercial Invoice is required because the weight is over 22 lbs (10 kgs).
- 114 Specify if synthetic.
- 161 Certificate of analysis from the Ministry of Health, Import License and Free Sale certificate required of recipient.
- 188 An Import License from the Dept of Communication is required by the recipient for shipments of communication equipment prior to the arrival of the shipment. Failure to obtain a license prior to the arrival will result in fines.
- 244 All audio visual commodities must have a Commercial Invoice indicating length, width, duration, a brief but satisfactory synopsis of contents and reason for importation.
- 292 Commercial Invoice should separately state (a) value of a blank diskette/computer tape/compact disc/digital video disc and (b) value of data on diskette/computer tape/compact disc/digital video disc.
- 477 A detailed description of the goods is required with a list of compositions if applicable.
- 531 Import Permit from Ministry of Health required of recipient. Must detail the chemical compound of the product on the Commercial Invoice.
- 539 Used Personal Effects and Household Goods may be exempted from tax. New Personal Effects will not be exempted from duties and tax.
- 540 Subject to formal entry if declared value is over \$30 US and/or 15 kgs (approximately 33 lbs).
- 541 If recipient is not Thai national, an original passport and B-1 work permit is required for duty exemption. If recipient is Thai national, overseas visa of more than 12 months validity is required for duty exemption.
- 543 Recipient must obtain license from Thailand Industrial Standard prior to shipment arrival.
- 563 A copy of passport is required of recipient.
- 793 Import Permit from the Department of Food and Drug required of recipient.
- 930 The Commercial Invoice must specify: type of garment, fabric content, fabric weight (net), dimensions, length, width, production method (woven/knitted), gender group (men/women...etc) for textiles (finished and unfinished), and samples. If all information is not included in the Invoice, expect additional days for Customs clearance.
- 958 All agriculture products will require an Import License from the Ministry of Agriculture, Cooperatives and the Department of Plant Quarantine.
- 972 Catalog (manual) is required for clearance.
- 992 Subject to inspection, expect delays.

GIFT SHIPMENTS:

Acceptable: Duties/Taxes will be assessed.

SPECIAL REQUIREMENTS:

- Contact lenses are tax exempted. But if brought in parts, they will be grouped in a category of ordinary shipments and will be required to pay duties/taxes.
- All non-document shipments are subject to verification from Customs regardless of the value or commodity.
- Any shipment with declared value above \$50 US will have to go through Customs clearance process and some delay is expected.
- Birth Control Pills, Condoms and other items that are used for Family Planning are subject to approval by the National Drug Authority. The recipient has the responsibility of clearing with the National Drug Authority before a customs entry is made.
- Customs in Entebbe has phased out old Taxpayer Identification Numbers. Any recipient importing a commodity whose Invoice is more than \$1,000 US must have a new Taxpayer Identification Number. Under declared or over declared commodity is given a penalty of 50% of the total value of the cost of the commodity.
- The Air Waybill (Shipping Label) should always be completed with company name before the contact name, care of or attention name. Entebbe Customs rejects shipments with contact name shown before company name.

Footnotes:

- 44 Are these drugs controlled drugs or psychotropic substance? Controlled drugs and psychotropic substance are prohibited.
- 53 Does this shipment contain Horror Comics? Horror Comics are prohibited.
- 94 Is this blank stock? Commercial Invoice is required because the shipment contains blank stock.
- 111 If donated, statement to this effect required on Commercial Invoice.
- 113 A list of the contents of the shipment must be included on the Commercial Invoice.
- 244 All audio visual commodities must have a Commercial Invoice indicating length, width, duration, a brief but satisfactory synopsis of contents and reason for importation.
- 247 Import License may be required of recipient depending on substance. Substance must be in a sealed container and have clear description of substance appearing on container. If goods are for research purposes only, a statement making this claim should appear on Air Waybill (Shipping Label) and Commercial Invoice plus a letter from shipper should accompany shipment, which has a clear description of the contents and also contains the claim for research purposes. To prevent delays or deterioration of shipments, it is suggested that License Requirement/non-requirement be determined prior to shipment. Licenses covering substances are issued by the Department of Environment Food and Rural Affairs.
- 292 Commercial Invoice should separately state (a) value of a blank diskette/computer tape/compact disc/digital video disc and (b) value of data on diskette/computer tape/compact disc/digital video disc.
- 417 Form C2 (Visiting Forces personnel) and/or Form C3 (Civilians) will expedite Clearance. Forms can be obtained from the United Kingdom Customs web site.(www.hmrc.gov.uk).
- 432 Statement indicating reason for import required of recipient.
- 456 Pre-shipment approval by the port health official is recommended; otherwise regulatory control may affect delivery.
- 459 Products of Animal Origin, Animal Blood and Blood products can only be cleared at Border Inspection Post approved Airports: Stansted, Heathrow and Manchester.
- 490 End user number from the office of H M Customs and excise required of recipient at the time of importation for shipments from Non-European Union countries (see page A1 for Member Country List) in order to receive duty free entry.
- 551 Shipments containing controlled substances and all medicines for resale require of recipient an Import License from the Home Office and/or Medicine Control Agency (Department of Health). Expect two (2) to four (4) weeks delay in obtaining the license if not available prior to shipping. For all prescription drugs, the Invoice should provide a full description of all constituents parts. For prescription drugs for personal use, it is recommended to include a copy of the doctor's prescription with the shipment, attached to the Invoice. Delays may be expected due to Customs inspection for controlled substances.
- 552 Import License from the Trade Department required of recipient for shipments of CB radios, radio telephonic transmitters, walkie talkies and microbugs. Expect 2 to 4 weeks delay in obtaining this license.
- 618 Import License from the Department of Trade and Industry required of recipient, except for a) samples, b) gifts of one single item of clothing that adhere to all other gift exemption requirements.
- 830 Semen, Animal Products, Fresh Meat and Fish, Milk Products, Untreated Animal Hides and Skins and Game Trophies cannot be delivered within the guaranteed transit times. These shipments require a minimum 48 hour delay and there are no FedEx facilities to recharge Dry Ice/Liquid Nitrogen, etc. The extended time required for these shipments to clear will result in an additional clearance surcharge. These restrictions will apply to all FedEx services through STN.
- 852 Toner cartridges larger than 500 grams being transported within printing equipment are prohibited unless originated from a known recipient and approved by the Department of Transport.
- 868 Personal shipments of Viagra must have a doctors prescription. Commercial shipments of Viagra must follow requirements for drugs and medicine.
- 963 An Origin Declaration is required for samples valued between 23-66 Pounds Sterling (\$32-\$93 US). If valued above \$66 UKL (\$93 US), it will not be considered a sample shipment.

UNITED KINGDOM (GB) - (continued)

990 Is the total declared value for Customs of the shipment more than 18 Pounds Sterling (\$27 US Dollars)? Commercial Invoice is required if valued over 18 Pounds Sterling (approximately \$27 US Dollars).
