FERC FORM NOS. 2-A AND 3-Q SUBMISSION SOFTWARE AND ELECTRONIC FILING

All questions about how to install or use the software should be referred to FERC Online Support toll free at 1-866-208-3676, locally at 202-502-6652 (or 202-502-8659 for TTY), or email ferconlinesupport@ferc.gov.

New companies filing for the first time must first register by sending an email to ferconlinesupport@ferc.gov containing the following information: company name, company address, point-of-contact name, point-of-contact email address, and point-of-contact telephone number.

After receiving this information, FERC Online Support will provide the requestor with instructions on how to set up the software application and an access number (pin) to permit electronic filing via the form submission software. The point-of-contact email list will be used to disseminate any future information on the software. Once a company has been assigned an access number, it does not need to obtain a new one for subsequent annual or quarterly filings unless there is a change in the entity such as a merger or acquisition.

RESUBMISSIONS OF FERC FORM NOS. 2-A OR 3-Q FILINGS

Resubmit any revised FERC Form Nos. 2-A or 3-Q data using the forms submission software only. Revised schedules should be noted in the remarks section of the List of Schedules. Explain the reason for the resubmission in a footnote for any revised data fields.

CPA CERTIFICATION STATEMENT FILING GUIDANCE

The Commission's regulations require a Report of Certification, generally referred to as the CPA Certification Statement, to be filed by May 18 of the following calendar year. However, natural gas companies previously classified as Class C or D prior to January 1, 1984, do not have to file a CPA Certification Statement (18 C.F.R. § 158.11 (2012)).

The CPA Certification Statement must be filed with the Secretary of the Commission at the address below:

Secretary
Federal Energy Regulatory Commission
888 First Street, NE
Washington, DC 20426

Companies are encouraged to file their CPA Certification Statement using eFiling rather than filing a hard copy. Information on how to use the eFiling system are on the Commission's website at: <http://www.ferc.gov/docs-filing/efiling/user-guide.pdf>. When asked for a docket number, enter ZZ13 and then select the first option "CPA Certification." For further assistance using the eFiling system please contact the eFiling Help Desk at 202-502-8258 or send your question to efiling@ferc.gov.

Questions concerning reporting and filing requirements should be directed to the Office of Enforcement's Division of Energy Market Oversight at form2-A@ferc.gov.
