

On-Line MBA Program Request Form

UNT College of Business

The College of Business (COB) is now formally offering two online MBA programs and one dual program with the Fort Worth campus. The majority of the background, core and professional field courses offered through our online programs can be taken 100% online including testing. **Some courses do require proctored examination**, which can be taken live at UNT or arranged at a location near the student. Instructors determine whether proctored examinations are required for their courses and are at the student's expense.

Once you have been admitted to the MBA program, if you wish to be a 100% online student, sign and date the form and return it to the Graduate Programs Office via fax, e-mail or regular mail. **Students must take all classes online and may be removed from the online program if on campus courses are taken.**

Student Information (Please print clearly)
