IVY SOFTWARE BACKGROUND COURSES

WHAT IS IVY SOFTWARE?

The College of Business is now working with a new partner, Ivy Software, to offer self-paced, online course modules, to serve as an alternative route to completing background course deficiencies for the MBA and MS degrees. Students with background course deficiencies may use the modules administered by Ivy Software as an alternative to enrollment in traditional background courses at UNT (below). Courses being offered by Ivy Software and their equivalent background courses include:

IVY SOFTWARE	UNT BACKGROUND
*Financial Accounting	ACCT 5020
*Managerial Accounting	ACCT 5020
Information Systems	BCIS 5090
Business Law Essentials	BLAW 5050
Business Math and Statistics	DSCI 5010
Fundamentals of Economics	ECON 5000
Understanding Corporate Finance	FINA 5040
Principles of Marketing	MKTG 5000

*Both courses must be taken.

Courses offered by Ivy Software are 100% online. Students have 120 days to complete each course and must earn a grade of 80% to meet the background deficiency requirement. Ivy Software courses are competitively priced at $60 each. Completed courses are used to show competency in a specific core area. They will not be noted as complete on a UNT official transcript and are not financial aid eligible. To learn more and to register for an Ivy Software course go to cob.unt.edu/ivysoftware.
