4th - 8th English Language Arts and Reading & ESL
4th - 8th Mathematics & ESL
4th - 8th Science & ESL
4th - 8th Social Studies & ESL

Admission to Teacher Education

Students must be admitted to the UNT Teacher Education Program before enrolling in most education courses. For admission to elementary or middle school Teacher Education Programs (Interdisciplinary Studies, Early Childhood-6th or 4th-8th), a student must have:

- Junior standing (60 credit hours earned);
Catalog Years 2013-2014, and earlier, a 2.75 Overall GPA (includes all transferred and UNT courses) OR a 2.75 Core GPA with all graded courses complete;
Catalog Years 2014-2015, and later, a 2.75 Overall GPA (includes all transferred and UNT courses) AND a 2.75 Core GPA with all graded courses complete;
Appropriate exam scores on either the ACT, SAT, or Praxis Core: Academic Skills for Educators;
A Final Result of Interview Approved for the online admission Interview Questionnaire;
Active enrollment at UNT and a completed or in-process degree audit in the College of Education Student Advising Office.

Continuation in the Teacher Education program is not guaranteed by the admission process. Students who withdraw or are discontinued from the Teacher Education program will not be eligible to take certification exams or be recommended for certification through UNT.

Professional Development School (PDS): Students will participate in PDS and the Clinical Practice Program during the final two long semesters of their degree/certification program which requires they be available during normal public school hours. Students must meet all prerequisites to participate in PDS and participate in public school Clinical Practice placements. UNT and participating school districts require a criminal history check prior to Clinical Practice.

TEXES Exams: Students should visit the TEXES Advising Office (TAO) to discuss testing information and requirements upon admission to the Teacher Education Program. The TAO is located in Matthews Hall 103.

Recommendation for Teacher Certificate: To be recommended for certification, a student must have successfully completed:

- Admission to the Teacher Education Program;
All required professional clinical experiences;
All required academic courses and GPA requirements as stated on the degree audit (completion of Bachelor's Degree);
All required TEXES exams.

I consent to UNT's disclosure of my academic record including records related to my clinical experience, test scores, and my Texas Education Agency (TEA) ID number to school districts, and the Texas Education Agency (TEA) for the purpose of meeting the requirements of the Teacher Education Program and the requirements for Teacher Certification.

All communication from the Student Advising Office and TEA will be through your EagleConnect e-mail account. When you have met all certification requirements, please apply for your certificate at the TEA website, tea.texas.gov. Although the College of Education at UNT recommends you for Teacher Certification to the TEA, the final authority to confer your teacher certificate remains with the State Board for Educator Certification (SBEC). Applicants must pass a criminal history check conducted by SBEC before certificates are issued.

I have been previously admitted to a Teacher Education program at _____.
