

The University of North Texas at Dallas Policy Manual	Chapter 3.000
3.001 Organizational Chart	Governance

Policy Statement. It is the policy of the University of North Texas at Dallas to maintain and publish a clearly defined organizational structure of the University as required by the University of North Texas System Board of Regents.

Application of Policy. This policy applies to the total university.

Procedures and Responsibilities.

1. The President is responsible for creating and updating the organizational chart that effectively communicates the administrative, supervisory, and reporting structure through which the University administers its faculty and staff.

Responsible Party: President

2. A current organizational chart for the University shall be maintained and published on a regular basis. The organizational chart shall be made available upon request or published on the University’s website.

Responsible Party: President

References and Cross-references.
