

The Jostens Global Citizens Sustainability Scholarship is provided to support undergraduate students who engage in activities and/or pursue an education path for a career related to sustainability. The Jostens Global Citizens Sustainability Scholarship is in the amount of \$1,000 and will be awarded to the most qualified applicant.

Eligibility

To be eligible for consideration, an applicant for the Scholarship must meet the following criteria:

- Minimum entrance and continuing academic performance standards of the University in effect at the time of any award.
- Maintain full time enrollment as established by the University, unless the student is nearing completion of their degree program and does not need full time enrollment
- Maintain a 3.0 GPA.
- Submit an application for this award, including an essay describing the applicant's commitment to environmental sustainability.
- Agree to an interview by the selection committee upon request.

Application Instructions

Email Gary.Cocke@unt.edu with all application materials by September 10, 2017 to be considered for the Jostens Global Citizen Sustainability Scholarship.

- Provide an essay discussing why sustainability is important to you. Discuss how your educational path and activities are building to a career related to sustainability and discuss your career goals. Discuss the impact that you hope to have in the field of sustainability (Maximum 500 words)
- Attach a copy of your unofficial transcript from UNT. If you are incoming freshman, please provide your high school transcript.
- Attach at least 1 letter of recommendation.
