## Admissions Requirements

In addition to UNT admissions requirements, you must also meet requirements for admission into your desired degree program (major) within the College of Engineering.

### **Freshman Applicants:**

Must meet one of the following criteria:

- Top 25% of high school graduating class - MATH SAT score of 570 or better and a total SAT score of 1070 or better; or a MATH ACT score of 23 or better and a cumulative ACT score of 23 or better.

If you meet the above requirements, admission will be granted into your desired degree program (major) within the College of Engineering. A degree audit must be created for you in order to progress toward graduation. The degree audit is an official document that lists all the courses & requirements you need to complete your degree. It also shows the application of completed courses, credits, & requirements toward graduation. Your degree audit will be created & emailed to your UNT email account after orientation. Please contact the Advising Office (contact information below) for any questions or concerns regarding your degree audit.

If you do **not** meet the above requirements, you must seek entry into a degree program (major) within another college or pursue Pre-Professional Engineering (PREP) in the College of Public Affairs & Community Service. ## North Texas Discovery Park (NTDP)

North Texas Discovery Park (NTDP) is a 2<sup>nd</sup> campus located 4 miles north of the main campus. It is the location of all College of Engineering offices, classes, & labs. NTDP also offers a cafeteria, library, computer access labs, specialty engineering labs, an engineering student organization office, an advising office, & a career services office.

Information on free bus transportation routes/times & available student parking passes/locations can be found at [unt.edu/transit](http://unt.edu/transit).

## Degree Requirements

The structure of engineering bachelor's degrees consists of 3 categories of requirements:

- *University Core Curriculum*: set of general education requirements common to all degrees at UNT.
- *Engineering Foundations*: set of requirements unique to engineering degrees.
- *Major*: set of requirements common to a primary area of study.

You may choose to pursue a *Minor* or a *Certificate* in addition to your degree requirements. A *Minor* or a *Certificate* is an optional set of requirements for a secondary area of study. It is similar to a "mini-major".

## Courses

All UNT courses are documented using a four letter subject abbreviation & four digit number.

<i>Abbreviations:</i>	ENGL for English	<i>Numbers:</i>	Freshman	1000
	HIST for History		Sophomore	2000
	MATH for Mathematics		Junior	3000
			Senior	4000

### Different types of courses at UNT:

- *Prerequisite* or "Prereq": course that must be completed to move onto another course in a sequence.
- *Corequisite* or "Coreq": course that must be taken in the same semester as another course.
- *Recitation* or "Rec": extra, required meeting time to cover homework, answer questions, etc..
- *Laboratory* or "Lab": required time that's an application of the information that you learn in class.
- *Advanced course*: junior or senior level course.
- *Internet course* or "INET": course in which the majority of instruction, assignments, & work is online.
- *Blended course*: course in which a portion of the instruction, assignments, & work is online.

### Different semester or term offerings of courses at UNT:

- Fall: August to December
- Spring: January to May
- 3 Week: May
- 8 Week: May to July
- 10 week: June to August
- 5 week I: June to July
- 5 week II: July to August

*Please note that UNT does not offer winter-mester*

## Classification

Your classification is based on the number of earned credit hours after semester/term grade/credit posting; not the number of semesters or years you have been attending university. Classification dictates your registration appointment time each semester & may impact your eligibility for scholarships, financial aid, internships, etc.

<i>Freshman:</i>	0 - 29 hours	<i>Junior:</i>	60 - 89 hours
<i>Sophomore:</i>	30 - 59 hours	<i>Senior:</i>	90+ hours

## Credit Hours

Number of units assigned to each class. Tells you approximately how many hours per week you'll be in class & approximately how many hours per week you'll need to study for that course.

### How many hours do I earn for each class?

Depends on the course. Usually 3 – 4 hours but courses can range from 1 to 5 hours.

### How many credits is full-time?

12 hours (approximately 4 courses). UNT bills the same tuition for 12 – 15 hours. Fees vary based on credits & course type.

### How many hours can I take each semester?

19 hours in the fall/spring semesters & 18 hours in the summer. You can receive overload approval to take more hours if you have met the following criteria:

At least a 3.0 GPA on a minimum 15 hour UNT residence load for the semester just completed.

At least a 3.0 GPA on a minimum 12 hour UNT residence load for the summer terms just completed.

At least a 3.0 GPA on all work completed at UNT & a minimum 24 hours of credit in residence.

### Do I have to be a full-time student?

No, UNT doesn't require you to be a full-time student but if you are an international student, an athlete, receiving financial aid or scholarships or insurance coverage from your parents, then yes.

## Grade Point Average (GPA)

Grades have a point value & courses are worth a certain amount of credit hours. GPA is calculated by dividing the number of grade points earned by the number of attempted hours. Attempted credit hours are used in calculating GPA. Credit hours earned by AP, CLEP, or IB & courses dropped "W" don't count as attempted hours & don't average into your GPA. Grades of "F" & "WF" are still attempted hours & count heavily against your GPA!

### How do grades convert to grade points?

- A = 4 points x # of credit hours course is worth
- B = 3 points x # of credit hours course is worth
- C = 2 points x # of credit hours course is worth
- D = 1 points x # of credit hours course is worth
- F = 0 points x # of credit hours course is worth

### How to Calculate Your GPA:

- Determine grade points for each course using the conversion above
- Total your number of grade points
- Total your number of attempted hours
- Divide total grade points by total attempted hours
- Number that results = your GPA

### Different types of GPAs:

- *Semester or Term GPA*: the GPA you earned for the semester just enrolled.
- *UNT GPA*: the cumulative GPA you earn in all UNT courses. A minimum 2.0 GPA is required.
- *Overall GPA*: GPA you earn in all courses (UNT & transfer). A minimum 2.0 GPA is required.
- *Engineering Foundations GPA*: GPA you earn in foundations courses. A minimum 2.5 GPA is required.
- *Major GPA*: the GPA you earn in courses in your major.

You can access a GPA calculator at [advising.unt.edu/about-your-gpa/calculate-your-gpa](https://advising.unt.edu/about-your-gpa/calculate-your-gpa).

## Grade Point Average (GPA): Honors

### Semester Honors:

Semester honors is determined from your fall or spring semester GPA & is documented on your UNT transcript. You must complete at least 12 hours to be recognized for honors. Summer GPA is not recognized for honors. Candidates for a 2<sup>nd</sup> bachelor's degree are not eligible for semester honors.

*President's List: 4.000*

*Dean's List: 3.500 – 3.999*

### Graduation with Honors:

Graduation with honors is determined by your overall (UNT & transfer) GPA & is documented on your UNT transcript. Candidates for a 2<sup>nd</sup> bachelor's degree are not eligible for graduation honors.

*Cum laude: 3.500 – 3.699*

*Magna cum laude: 3.700 – 3.899*

*Summa cum laude: 3.900 – 4.000*

## Grade Point Average (GPA): Academic Status

### Academic Good Standing:

Standing if you earn at least a cumulative 2.0 UNT GPA. A 1.8 UNT GPA is acceptable during your 1<sup>st</sup> semester at UNT but it must be increased to at least a 2.0 after your 1<sup>st</sup> semester.

### Academic Alert:

Standing if you are a freshmen & your UNT GPA falls below 1.8 during the 1<sup>st</sup> semester or falls below 2.0 during the 2<sup>nd</sup> semester. You can only be placed on alert once. You must raise your UNT GPA to 2.0 or higher during the alert semester or you will be placed on probation.

### Academic Probation:

Standing if you are not eligible for alert & your UNT GPA falls below 1.8 during the 1<sup>st</sup> semester or falls below 2.0 during any following semester. You must raise your UNT GPA to 2.0 to return to good standing or earn a semester GPA of at least 2.25 to remain on probation.

### Academic Suspension:

Standing if you fail to raise your UNT GPA to a 2.0 or earn a 2.25 semester GPA while on probation. A 1<sup>st</sup> suspension is for 1 long semester, a 2<sup>nd</sup> suspension is for 2 long semesters, & a 3<sup>rd</sup> suspension is for 4 long semesters. You **may** be allowed to return to UNT after completing your suspension period.

## Incompletes

An "I" or "Incomplete" grade is a pending grade on your record which does not affect your GPA. An "I" may be granted by the professor if you meet all the following conditions:

- The final drop & withdraw deadlines for the semester/term have passed.
- You experience an emergency situation that prohibits you from completing remaining work.
- You have been earning a passing grade to the point of the emergency situation.
- You can complete & submit outstanding work within one year after the grade of "I" is granted.

*Professors are not required to grant an "I" even if you meet the conditions. Each professor may use his or her discretion when deciding whether or not to grant an "I". Incompletes must be completed within 12 months or an automatic grade of "F" will be posted on your transcript.*

### Pass/No Pass Grading Option

You may elect to take miscellaneous elective courses which are not needed for your degree plan or graduation under the Pass/No Pass Grading Option. Certain criteria must be met & you must obtain approval from your advisor after you have enrolled in the course. A "grade" of "P" or "NP" will be recorded on your transcript. This "grade" is not calculated into your GPA so your "grade" performance will not have a positive or negative impact on your GPA.

Refer to [catalog.unt.edu](http://catalog.unt.edu) for more information & [unt.edu/registration](http://unt.edu/registration) for deadlines.

### Retaking Courses: Course Duplications

If your transcript(s) contains the same course with an earned grade more than once, the 1<sup>st</sup> course/grade will be treated as a duplication & deleted from your GPA. Any additional courses/grades will be calculated into the GPA. This includes transfer courses/grades.

Course duplication will impact your GPA & your academic status (alert, probation, suspension, or good standing).

Please note there is a 2 attempt limit on engineering & major required courses that require a grade of C or better. Also, note that only the last attempt/grade will be used in certifying eligibility for graduation. Contact your advisor to confirm how your GPA or graduation eligibility will be affected if you take a course more than once.

### Dropping or Withdrawing

*Dropping* refers to removing yourself from one or more courses for the semester/term (but you remain in at least one course for the semester/term). You can drop yourself via the MyUNT registration system before or shortly after the semester/term begins. The MyUNT drop functionality usually expires on the 1<sup>st</sup> day of summer semesters/terms or approximately 5 days into the fall/spring semesters/terms. After the MyUNT drop functionality expires, you may still be able to drop via approval of your course's instructor. Please see drop procedures & deadlines listed at [unt.edu/registration](http://unt.edu/registration). A "W" or "WF" may be recorded on your transcript.

Only 6 drops are allowed during your academic career unless you began college before the fall semester of 2007. Once the 6 drop limit is reached, no additional drops are approved.

*Withdrawing* refers to dropping all courses for the semester/term. You are not allowed to withdraw (drop all courses) via the MyUNT registration system. You must follow the procedures & deadlines listed at [unt.edu/registration](http://unt.edu/registration). A "W" or "WF" may be recorded on your transcript.

*Remember that a "WF" is calculated as a "F" grade on your GPA.*

*Dropping or withdrawing may affect your financial aid. Check with the Financial Aid Office!*

### Taking Courses at Another Institution: Concurrent Enrollment

You may take courses at another institution to apply at UNT if you meet the following conditions:

- You have been preapproved by your advisor.
- The course(s) you plan to enroll in have been preapproved by your advisor.
- You meet course load approval & residency requirements at UNT.
- You are not graduating the same semester/term in which you will be concurrently enrolled.

*Enrollment in course(s) at another institution during your last/graduating semester will result in postponement of your graduation. This applies to summer enrollment as well as fall or spring enrollment.*

## Payment

You must register during open enrollment periods & pay by the deadline listed in MyUNT or [www.unt.edu/registration](http://www.unt.edu/registration). Failure to pay will result in the cancellation of your entire schedule of classes.

You must elect either the Traditional Tuition Plan or the Eagle Express Tuition Plan before your 1<sup>st</sup> semester/term begins. Information on both plans can be found at [studentaccounting.unt.edu](http://studentaccounting.unt.edu).

You have numerous options available to pay. These include financial aid, scholarships, grants, loans, & student employment. Refer to [unt.edu/paying-for-college.htm](http://unt.edu/paying-for-college.htm) for information.

If you have been awarded financial aid, please be aware that you must maintain Satisfactory Academic Progress (SAP) & Pace of Progression (POP) in order for your aid to continue. Refer to [financialaid.unt.edu/satisfactory-academic-progress-requirements](http://financialaid.unt.edu/satisfactory-academic-progress-requirements) for information.

## Tuition Increases

### *Repeated Course Tuition Increase:*

If you are a Texas resident & you attempt certain courses more than twice, you are subject to pay an additional tuition rate per semester credit hour for the repeated course. Refer information at [studentaccounting.unt.edu](http://studentaccounting.unt.edu).

### *Excessive Hours Regarding Tuition:*

Texas code specifies that resident undergraduates may be subject to a higher tuition rate for attempting excessive hours at any public institution.

If you initially enrolled in the fall 1999 semester (or later), you cannot exceed more than 45 credit hours of the number of hours required for the completion of your degree plan. Any hours beyond 45 are considered excessive & will result in additional tuition charges. If you initially enrolled in the fall 2006 semester (or later), you cannot exceed more than 30 credit hours of the number of hours required for the completion of your degree plan. Any hours beyond 30 are considered excessive & will result in additional tuition charges. Refer to information at [studentaccounting.unt.edu](http://studentaccounting.unt.edu).

### *Excessive Hours Regarding Financial Aid:*

If you receive financial aid & maintain Satisfactory Academic Progress (SAP) & Pace of Progression (POP), your aid eligibility continues until you attempt 150% of the minimum credit hours required for your degree plan. For most students, once they attempt approximately 180 credit hours, their aid is discontinued.

## Graduation

You must make an appointment with the Advising Office the semester before you plan to graduate to confirm that you are on track for graduation.

Also, you must obtain & complete a graduation application at the beginning of your final semester. Refer to [registrar.unt.edu](http://registrar.unt.edu) for more information & the application deadline. Failure to complete & submit a graduation application by the deadline listed in your final semester will result in your failure to graduate or earn your degree.

## Graduation Ceremony

Commencement is UNT's formal graduation ceremony. UNT offers 1 commencement each year for students who graduated in December, May, or August. Commencement is always held in May. In addition to commencement, the College of Engineering offers a college recognition ceremony in December & May for engineering students who graduated in December, May or August. In order to attend commencement and/or the college recognition ceremony, you must have applied for & been approved for graduation at the beginning of your final semester. Refer to [unt.edu/commencement](http://unt.edu/commencement) for more information.
