

# Management of Pediatric Bronchiolitis

presented by Leslie Hunter, MD & Methodist Pediatric Outreach

**Where:** Val Verde Regional Medical Center Medical Board Room

**When:** December 4, 2017 12:30p -1:30p

**How:** Register with Falan Durbin at [Falan.Durbin@vvrmc.org](mailto:Falan.Durbin@vvrmc.org)

non-employees download registration form at [www.methodistpedioutreach.com](http://www.methodistpedioutreach.com) and send as directed; call (210) 575-7550 with questions.

**Cost:** No cost for this program & lunch is provided!

**Objectives:** Learners will be able to 1) Identify underlying causes of bronchiolitis in the pediatric population, 2) Distinguish between bronchiolitis and other respiratory diseases, 3) Recognize bronchiolitis through assessment, and 4) Determine appropriate treatment (per to the current AAP guidelines) of the pediatric patient in respiratory distress.

#### PHYSICIAN ACCREDITATION STATEMENTS:

UNT Health Science Center is accredited by the American Osteopathic Association to award continuing medical education to physicians.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of UNT Health Science Center INCEDO and Methodist Children's Hospital. UNT Health Science Center is accredited by the ACCME to provide continuing medical education for physicians.

#### PHYSICIAN CREDIT DESIGNATION:

UNT Health Science Center has requested that the AOA Council on Continuing Medical Education approve this program for 1 hours of AOA Category 2A CME credits. Approval is currently pending.

UNT Health Science Center designates this live activity for a maximum of 1 *AMA PRA Category 1 Credits(s)*<sup>TM</sup>.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Data collected as part of this activity may be analyzed as part of educational research to study the effectiveness of interventions. This project is included under UNT HSC IRB protocol #2017-056.
