Course Evaluation Methods

This course will utilize the following instruments to determine student grades and proficiency of the learning outcomes for the course.

Attendance – *Faithful class attendance is crucial since lectures complement the readings, rather than duplicate them. After the fourth missed class, each additional absence, whether excused or unexcused, will result in a three-point grade reduction from your final grade in the course.*

Participation – *Participation is an important component of this class. Lectures are interactive and approximately fifteen minutes of each class will be set aside for discussion of documents, maps, paintings, and film clips. I encourage you to participate both by answering my questions and by asking me your own. The quality of your comments is more important than the quantity.*

Assignments – *In addition to doing outside reading and studying for quizzes and exams, this class requires you to analyze three of the assigned primary documents—one from each of the three sections of this course. You will assess them using document analysis worksheets from the National Archives that I will provide. The purpose of these assignments is to improve your analytical skills and the quality of class discussion.*

Quizzes – *Three equally weighted quizzes consisting of identifications from your study guides will be given at the beginning of class at the midpoint of each section of the course. These quizzes serve several purposes: they help you to prepare for your exams, they help to structure and improve the quality of our discussions, and they let me know how well you are learning.*

Exams – *Three equally weighted exams will consist of identifications and an essay question that will ask you to support an argument with evidence from your readings and class notes. The final exam will be given during finals week but is not cumulative. You will receive a review sheet with potential essay questions prior to each exam.*

Grading Matrix:

Instrument	Total
Attendance	10%
Participation	10%
3 Primary Document Analyses	20%
3 Quizzes	15%
Exam 1	15%
Exam 2	15%
Final Exam	15%
Total:	100%

Grade Determination:

A = 90-100
B = 80 – 89
C = 70 – 79
D = 60 – 69
F = 0-59

University Policies and Procedures

Students with Disabilities (ADA Compliance):

The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Students' with documented disabilities are responsible for informing faculty of their needs for reasonable accommodations and providing written authorized documentation. Grades assigned before an accommodation is provided will not be changed as accommodations are not retroactive. For more information, you may visit the Student Life Office, Suite 200, Building 2 or call Laura Smith at 972-780-3632.

Student Evaluation of Teaching Effectiveness Policy:

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class

is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

Assignment Policy:

Document analyses should be submitted on the day of discussion using the supplied forms. If we omit a document because of time constraints, you may still choose to analyze it and submit it on the day we would have discussed it. Late documents must be submitted within a week of the discussion date and will receive a 10-point grade penalty.

Exam Policy:

Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook). In such a case the student should still make every effort to communicate with the instructor by phone or e-mail prior to the exam and take the make-up exam within a week of the originally scheduled date.

Academic Integrity:

Academic integrity is a hallmark of higher education. You are expected to abide by the University's code of Academic Integrity policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University's policies and procedures. Refer to the Student Code of Academic Integrity at <http://www.unt.edu/unt-dallas/policies/Chapter%2007%20Student%20Affairs,%20Education,%20and%20Funding/7.002%20Code%20of%20Academic%20Integrity.pdf> for complete provisions of this code.

In addition, all academic work submitted for this class, including exams, papers, and written assignments should include the following statement:

On my honor, I have not given, nor received, nor witnessed any unauthorized assistance that violates the UNTD Academic Integrity Policy.

Bad Weather Policy:

On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website www.unt.edu/dallas. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy:

The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent.

Diversity/Tolerance Policy:

Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.

Optional Policies**Electronics:**

Cell phones and other hand-held electronic devices are not permitted in this class.

Laptops:

Laptops are only permitted with instructor approval and should be used solely for course-related activities. Anyone found surfing the internet during class will lose future computer privileges.

Food and Drink

Food is not permitted in this class, but you may bring a non-alcoholic drink.
