

WE CARE WE COUNT

faculty and staff giving campaign

April 1, 2017

Dear UNT Community,

April brings the **seventh-annual We Care We Count Faculty/Staff Giving Campaign**. Daily, you foster the growth of the UNT community while creating pathways for student success—in and out of the classroom. We Care We Count is one more opportunity for you to take **your commitment to UNT to the next level**.

From **April 1 to May 5**, make your gift to any fund, program or department on campus as an additional investment in your day-to-day work. Giving during We Care We Count generates more opportunities and resources throughout campus—leveraging your daily efforts that help to propel UNT students forward.

I invite you to join me in making your annual gift to UNT this month. Gifts of at least \$25 are eligible to receive a redesigned exclusive UNT T-shirt and all donors will be entered into our weekly drawings for prizes from one of many generous donors in the community.

Our combined donations create tangible proof that UNT faculty and staff are invested in the UNT community. Let's encourage all of our peers to be a part of our campaign to impact UNT students again this year. In a very real way we make UNT stronger, because **we care** and we **coUNT!**

Thank you for all that you do.

Go Mean Green!

Nicole Sprowl ('10)
Director of the Annual Fund at UNT
