## 1"K hat Jg'Blackboard3

Blackboard is a course management software, a tool that allows instructors to put some (or all) of the components of their courses online. Instructors can use Blackboard to

- \* post files for their students' use
- \* allow students to electronically submit assignments
- \* hold virtual office hours
- \* continue class discussions outside of class
- \* administer tests and quizzes
- \* support student workgroups

... as well as to perform many other functions analogous to those that would take place in a physical classroom. Some professors that use Blackboard are teaching their courses entirely online, but many others use it to support or supplement their "in person" class instruction.

## 2" How do I access Blackboard?

To access Blackboard course(s) from the Internet:

- \* Type learn.untdallas.edu in your web address

Log in using:

- \* Username: your euid #
- \* Password: your password is your email address
- \* Once you have closed the initial welcome page, click on

the links to the course/organization you are enrolled in to access your Blackboard course shell!

To access Blackboard course(s) from UNT Dallas webpage:

- \* Type www.untdallas.edu in your web address
- \* Click on "eCampus" link at the top of the screen

## 3" How do I reset my password?

To access Blackboard, you must log in to the Portal. If you have forgotten your password, go to the **Account and Password Reset** link.

Enter the required information and click the **Next** button. Click **Confirm** if correct data is entered. If you made a mistake, click **Cancel** and re-enter your information.

The **Password Reset** page will show you your username and the option to create a new password. Confirm the new password in the second field and click **Save**.

You should be redirected to the Portal page. Enter your username and your new password to access Blackboard.

## "I was able to log in to Blackboard, but I did not find a course. What do I do?

If you are unable to find a course, you may need to contact your professor or the Registrar's Office. You can also check the Blackboard system to see if the course is listed.

## 5" Which browsers can I use to access Blackboard?

- For PCs: **Internet Explorer** version 9 or higher, **Chrome** or **Firefox** are recommended
- For Macs: **Safari** 5.0 or higher, or **Firefox** are recommended

## "I am registered in several courses, but some of my classes are not showing up on my Blackboard site. Why aren't they listed?

Your professor may have chosen not to (or may have forgotten to) make the Blackboard site available. You should contact your professor via email or in class and ask them if the course uses Blackboard and, if so, to check on course availability

Alternatively, you may have a status problem. If this is the case, you should check your status with the Registrar or Bursar offices in your college.

## "Why am I not receiving e-mails from my Blackboard classes?

Your Blackboard related e-mail address should be your default email address on Blackboard, but the Blackboard system will keep the primary e-mail you entered

verify this email address:

- In the Blackboard Home tab, find and click on the **Update Email** link in the Tools module to the left

Some e-mail providers, such as Yahoo, Hotmail, and AOL, may identify email from Blackboard as junk mail and then either automatically delete the email or move it to a junk mail folder. If you are using the college email, please check your settings to make sure that you do not have e-mail from Blackboard defaulted to go to your junk folder.

## "How do I change my email address on Blackboard?

You can have only one email address in Blackboard. The email address that is active in the Blackboard Portal is brought into the Blackboard system. If you do not use this email address, you can change it **ONLY** to a **BLACKBOARD RELATED EMAIL ADDRESS** in Blackboard.

1. In the Blackboard Home tab, find and click on the **Update Email** link in the Tools module to the left.
2. Enter the new email twice.
3. Click **Submit**.

**NOTE:** This **will not** change the email address used in the Blackboard Portal or any other Blackboard system. It will **ONLY** change the email used by the Blackboard system.

## "How do I access a Discussion Board forum on Blackboard?

The Discussion Board is a tool for sharing ideas about class materials. A Discussion Board can contain one or more forums. The main Discussion Board page displays a list of available discussion **forums**. These forums may be located anywhere in the course.

### ACCESSING THE DISCUSSION BOARD

- On the **Course Menu**, click the **Discussions** link.

### REPLYING TO DISCUSSION POSTS
