

## Accounting Principles – Research Guide

### Electronic Resources

#### UNT Databases

These electronic databases, indexes and abstracts are available through the UNT Dallas Library web page at <http://www.untDallas.edu/library>. These electronic resources are a vital link in finding journal articles, books and other information at the college level for your class assignments.

**Note:** Several excellent Business and Accounting Databases have restricted access. A list of the available databases with descriptions and restrictions are available at <http://iii.library.unt.edu/search/f?Accounting>

#### Check First

[Business Source Complete](#)  
[Accounting Standards Board \(ASB\)](#)

Note: Many excellent Business and Accounting Databases have restricted access, but are accessible through the previously mentioned [Accounting](#) Database list through UNT Libraries. If any link goes to a blank library page, click on the UNT Libraries home link (first item on top menu bar) and search for the desired database, or search using the above methods from [UNT Libraries Electronic Resources](#).

#### Then Check
