NAEYC is committed to becoming an increasingly high performing and inclusive organization.

**National Association for Multicultural Education ([www.nameorg.org](http://www.nameorg.org))****National Association for Bilingual Education [NABE] ([www.nabe.org](http://www.nabe.org))**

Promoting educational excellence and equity through bilingual education, the National Association for Bilingual Education (NABE) is the only national organization exclusively concerned with the education of language-minority students in American schools.

**Texas Association for Bilingual Education (<http://tabe.org>)**

TABE pursues the implementation of educational policies and effective bilingual-bicultural programs that promote equal educational opportunity and academic excellence for language minority students. TABE firmly believes that only enrichment (additive) forms of bilingual education ensure that language minority students are successful academically and develop age-appropriate English proficiency. To this end, TABE fully endorses and promotes the implementation of research-based two-way/dual language programs and maintenance (late-exit) bilingual programs.

**Kappa Delta Pi ([www.kdp.org/](http://www.kdp.org/))**

International Honor Society in Education, Kappa Delta Pi is committed to recognizing excellence and fostering mutual cooperation, support, and professional growth for educational professionals.

**Association for Childhood Education International (<http://www.acei.org/>)**

To promote and support in the global community the optimal education and development of children, from birth through early adolescence, and to influence the professional growth of educators and the efforts of others who are committed to the needs of children in a changing society.
