Career Record: 1-4			Assistant Coach: Rachel Friel (2nd year)						
Program Facts			Recap						
Letterwinners Returning/Lost: 22/7			In its first season under head coach Brittany Roth, the North Texas swimming and diving program saw several program first and new records set. The 2016-17 squad matched its highest finish of fourth place at the Conference USA Championship, and had six members of the team medal in three different events. North Texas knocked-off TCU in a dual meet for the second time in as many seasons and secured a first-place finish at the Little Rock Invitational, defeating four other schools.						
2016-17 Overall Record: 1-4			Under Roth, the Mean Green sent four swimmers to the USA Winter Nationals in Atlanta for the first time in the history of the program. Additionally, five North Texas records fell under Roth's leadership. Junior Sarah Vaisse set the program record in the 100-yard breaststroke and the 200-yard individual medley, and newcomer Emmabeth Jensen etched her name atop the 100-yard freestyle this season. The North Texas relay teams broke the 200- and 400-yard freestyle relay records at the Conference USA Championship in February.						
2016-17 NCAA 'B' Consideration Cuts: 5			North Texas swimmers achieved five NCAA "B" standard times and had six swimmers land on the all-conference team. The team was recognized as a College Swimming Coaches Association of America (CSCAA) Scholar All-America Team for the 13th-straight year, finishing the year with a 3.15 team GPA and 7 girls on the team achieving a 4.0 and 17 above a 3.5.						
Conference Finish: 4th									
First Year of Program: 1998									
Program All-Time Record: 71-146 (19 seasons)
