

## Tuition and Mandatory Fees (Fees are Subject to Change)

The amounts shown below are provided to better assist students and parents in assessing the cost of enrolling at the University of North Texas (UNT). While this information is intended to be comprehensive, tuition, fees, and room and board are subject to increase or decrease without notice by action of the Texas Legislature and/or the Board of Regents of UNT. Students are responsible for any additional amounts due UNT resulting from post audits and corrections, including all fees and waivers (i.e., registration assessing errors, changing from off-campus to on-campus classes, invalid employment waivers, etc.). For current information on tuition and fees, visit the Student Accounting

and University Cashiering Services web site ([www.unt.edu/tuition](http://www.unt.edu/tuition)). Student Accounting and University Cashiering Services is open from 8:15 a.m. to 5 p.m. Monday through Friday. See [www.unt.edu/tuition](http://www.unt.edu/tuition) for current tuition and fees.

Students are responsible for payment of the following charges.

The UNT Board of Regents has been granted the authority, within established guidelines, to set graduate tuition rates by program.

**Graduate tuition** for all graduate courses (5000- and 6000-level courses) at UNT is \$50 per hour above the undergraduate rate.

Please visit the Student Accounting and University Cashiering Services web site ([www.unt.edu/tuition](http://www.unt.edu/tuition)) for the most current tuition and fee rates.

### Explanation of Fees

#### (Fees are Subject to Change)

Visit the **Student Accounting and University Cashiering Services web site ([www.unt.edu/tuition](http://www.unt.edu/tuition))** for current fees.

#### Student Service Fees

Student service fees are assessed in proportion to the number of semester credit hours for which a student registers to cover the cost of student services that directly involve or benefit students, including, but not limited to, recreational activities, artist and lecture series, cultural entertainment series, debating and oratorical activities and student government.

#### Student Union Fee

A fixed student union fee is collected from each enrolled student for the purpose of operating, maintaining, improving and equipping the University Union. Activities financed by the student union fee are limited to those in which the entire student body is eligible to participate.

#### Technology Use Fee

The technology use fee is collected in proportion to the number of credit hours for which a student registers to defray costs associated with the addition

of instructional equipment in classrooms and student computer laboratories, development of the degree audit system and instruction-related activities in the Computing Center.

#### Library Use Fee

The library use fee is collected in proportion to the number of credit hours for which a student registers to support the development and maintenance of library collections and to provide expanded operating hours and other services to meet student needs.

#### Medical Services Fee

The fixed medical services fee is used solely to provide medical services to students enrolled at the university.

#### International Education Fee

A fixed international education fee is collected from each enrolled student to be used in support of an international education financial aid fund. This fund allows an equal opportunity for all students to participate in student exchange and study abroad programs.

**Publication Fee**

A fixed publication fee is collected from each enrolled student to defray costs associated with publication and distribution of schedules of classes, catalogs and other publications available to all students.

**Recreational Facility Fee**

A fixed recreational facility fee is collected from each enrolled student for the purpose of operating the Pohl Recreation Center.

**Transportation Fee**

The transportation fee, which is collected in proportion to the number of credit hours for which a student is registered, supports the shuttle bus system that transports students to, and around, various locations on campus.

**Undergraduate Advising Fee**

The undergraduate advising fee, which is collected in proportion to the number of credit hours for which a student is registered, supports the advising process for undergraduate students.

**International Student Fee**

A fixed international student fee is charged to all non-immigrant visa students for each term in which they enroll in UNT. The fee is billed with tuition and other fees and is **in addition** to totals listed above.

**Property Damage Deposit**

Each student who enrolls pays a property damage deposit that is refundable on request upon final withdrawal or graduation.

**Fees Related to Instruction**

Instructional fees fall into three fee categories: course fees, laboratory fees and special service fees. Please note that for billing purposes, these fee categories are grouped together and billed as one instructional fee.

Instructional fees are due at the time of registration or the payment deadline for early registered students. These fees are refundable according to the university refund policy. If a student desires to know what portion of an instructional fee falls into each category listed below, they may contact Student Accounting and University Cashiering Services at 940-565-3225.

**Course Fees**

Course fees are charged to cover consumable supplies, syllabi, tests, salaries and wages of employees who assist in the preparation, distribution and supply of classroom materials and some equipment purchases related directly to student participation in the classroom or laboratory. Course fees can, in

some instances, save students money by bulk purchasing of goods and services. These fees are set at the minimum cost of services that all students in the department or division receive.

**Laboratory Fees**

Laboratory fees are only applicable to courses that require students to register for a laboratory section. Laboratory fees are collected to cover the cost of materials and supplies used by students in the laboratory. The laboratory fee may not be less than \$2 nor more than \$30 for any one term/semester or summer session.

**Special Service Fees**

Special service fees are collected to help offset the cost of materials and services a student is eligible to receive while enrolled in a course. These fees are directly related to classroom, laboratory or practicum activity and may cover the wages of employees who assist in the instructional process such as models, tutors, proctors or laboratory assistants.

The chart below shows the typical breakdown of course fees charged by UNT. Fees are subject to change. Visit [www.unt.edu/tuition](http://www.unt.edu/tuition) for current information.

### Universities Center at Dallas Fee

Students enrolling for upper-division undergraduate courses or graduate courses offered by the partner universities of the Universities Center at Dallas may enroll at their home institution for courses offered by other UCD universities. UCD is located in downtown Dallas. A \$15.00 per credit hour fee is collected from students who are enrolled at UCD.

## Option to Pay Tuition by Installment

The Texas Legislature has the authority to modify or eliminate installment payment of tuition at each regular or called legislative session.

UNT provides for the payment of tuition and fees during the fall and spring terms/semesters through the following alternatives:

1. full payment of tuition and fees upon registration or by the payment deadline for early registration; or
2. selection of the installment plan. By selecting the installment plan, the student understands that it is a contractual agreement and agrees to make the installment payments by the due dates indicated.

Tuition and fees must be paid in full for each summer session upon registration or by the payment deadline for early registration. Tuition payment by installment is not offered during the summer.

### Non-Refundable Fees for Tuition by Installment

Handling fee: \$15.00

A \$15.00 non-refundable handling fee will be charged to the student's account each semester the installment plan is selected.

A student who fails to make payment of tuition and fees (including any incidental fees) by the due date may be prohibited from registering for classes until full payment is made. A student who fails to make payment prior to the end of the term/semester may be denied credit for the work done that term/semester.

See the online schedule of classes at [www.unt.edu/registrar](http://www.unt.edu/registrar) for procedures and policies concerning installment payment of tuition.

### Tuition and Fee Payments

Credit card payments (MasterCard, Visa, American Express and Discover) and check payments may be made through self-service at [my.unt.edu](http://my.unt.edu). Tuition and fee payments may be made by personal check, money order, cashier's check or cash at the Eagle Student Services Center on the Denton Campus.

Tuition and fee payments also may be made by personal check, money order, or cashier's check at the Dallas Campus. Student Accounting and University Cashiering Services requires the student identification number to be recorded on all check and money order payments made in person.

Bills are not mailed for registration. Account balances and schedule information may be obtained through self-service at [my.unt.edu](http://my.unt.edu).

### Cash Payments

Cash payments are accepted only at Student Accounting and University Cashiering Services, located in the Eagle Student Services Center on the Denton campus. Please do not mail cash payments.

### Tuition and Fee Policies

Tuition covers undergraduate and graduate work. Tuition and the various fees provide limited health services and admission to university-sponsored fine arts and athletic events. Instructional fees, materials fees and private instruction fees are additional. Students must purchase their own textbooks and supplies.

Fees charged for late registration, duplication of records, graduation and regalia, late filing for graduation and miscellaneous items are noted at [www.unt.edu/tuition](http://www.unt.edu/tuition).

## Residency Regulations for Tuition Purposes

Rules and regulations for determining residence status are specified under Title 3 Section 54.052 of the Texas Education Code and are available at the Texas Higher Education Coordinating Board, College for All Texans web site at [www.collegeforalltexas.com](http://www.collegeforalltexas.com). In general, students must domicile and physically reside in Texas for the 12-month period immediately preceding their initial registration in an educational institution in Texas. Other factors may be considered for residency determination for tuition.

Students who are not legal residents of Texas must pay nonresident tuition, including the statutory tuition charges and standard university fees approved by the Board of Regents. Admission requirements for nonresidents are the same as for resident students.

Certain residency exceptions do not affect actual residency status but do allow for a nonresident tuition exemption. Refer to "Tuition and Fee Waivers" below for further information.

### Responsibility of the Student

The student is responsible for knowing residence status and for registering under the proper status. Any questions concerning residence must be discussed with the proper authority in the Office of Admissions and/or Registrar's Office prior to registration.

Any student erroneously classified as a resident will be reclassified and will be required to pay all out-of-state tuition due. Attempts to evade non-resident fees may subject the student to the statute penalty and to possible disciplinary action.

### Change of Status Nonresident to Resident

A student who is at any time classified as a nonresident retains nonresident status until reclassification as a resident is applied for and is officially approved by the Registrar.

### Change of Status Resident to Nonresident

Students who are classified as residents but become nonresidents by virtue of any change of domicile must notify the Registrar of such change immediately. Students who believe they have been erroneously classified have the opportunity for appeal. The appeal is to be made to the authority by whoever assigned the original classification, either in the Office of Admissions or in the Registrar's Office.

## Tuition and Fee Refunds

A student who drops a course or withdraws from the university within certain time periods may be entitled to a partial refund of tuition and fees. These refunds are calculated according to the category and time schedule listed below. Refund periods and rates are subject to change by the state legislature. Delinquent payment fees, late registration charges, publication fees and installment handling fees are non-refundable. Any financial obligation to UNT must be resolved before any refunds will be made.

### Class Drop Refunds

Refunds are made for any course dropped through the 12th class day for the long term/semester; corresponding dates are set for summer terms/sessions. See the academic calendar at [www.unt.edu/catalog/calendar.htm](http://www.unt.edu/catalog/calendar.htm) for specific dates. The semester's first class day is always the first official university day of classes and not the first day of an individual's class.

Refunds for dropped classes are processed after midsemester. **Note:** If all classes for the term/semester are dropped, see "Schedule of Withdrawal Refunds."

Students applying for financial aid are required to notify Student Financial Aid and Scholarships before dropping any class to learn how it will affect current or future financial aid eligibility.

### Withdrawal from the University

Withdrawal refunds are determined by the number of enrolled semester credit hours at the time of withdrawal. Withdrawal percentages are applied to the total amount of tuition and fees as prescribed by state law, not the amount paid. The withdrawal schedule and percentages of refund shown below pertain to total withdrawal from the term/semester and are mandated by the state legislature. The term/semester's first class day is always the first official university day of classes and not the first day the individual attends class. A withdrawal refund is based on the day of withdrawal, regardless of the date the class first meets.

Additional information may be found online at [www.unt.edu/tuition](http://www.unt.edu/tuition) or by contacting Student Accounting and University Cashiering Services.

The withdrawal schedule and percentage of a pro-rata refund pertain to total withdrawal from the term/semester and are mandated by federal law. Please contact Student Financial Aid and Scholarships regarding pro-rata refund schedules and percentages.

### General Financial Policies

UNT is a state-assisted institution subject to state laws. Extension of credit is prohibited and all financial obligations to the university must be paid when due. Tuition, fees, and room and board are subject to change by action of the Texas Legislature or the UNT Board of Regents.

### Correction of Errors

Students are responsible for any additional amounts due UNT resulting from auditing and correction of records after registration fees have been paid including all registration assessment errors, change from off-campus to on-campus classes, invalid employment waivers, etc.

### Payments by Third Party

Checks issued by a third party in payment of a student's tuition, fees or other charges made by UNT should be made payable to UNT. The student's name and/or student ID number should be included on the payment.

### Returned Checks

A returned check is defined as any check, similar sight order, or electronic bank draft returned to the university unpaid due to no fault of the bank or the university.

Upon receipt of a returned check, notification is mailed to the issuing party or the individual in whose behalf the check was issued. The address on the check and/or the address in the official university records is used. The check is payable on or before 10 working days from the date of the notice. Only cash, cashier's check or money order is accepted for payment of the returned check and service charge (\$25 per check).

A student may be withdrawn immediately from the university if payment is not made within the stated time period. DO NOT, however, stop attending classes unless you receive official notification of your withdrawal. Notification of withdrawal is made to the address on the check and/or the address in the official university records.

Check issuing privileges are suspended while any returned check and/or service charges are outstanding.

If the university receives three or more returned checks during an academic year, the check-issuing privileges of the individual are revoked.

If all attempts to collect a returned check have failed, a student may be dismissed from UNT and civil or criminal legal action may be taken in accordance with Texas state law (Sections 31.06 and 32.41 of the Texas Penal Code).

### Stop-Payment on Tuition Checks

A student who has not already done so will be withdrawn from UNT on the date the returned stop-payment check is received by UNT. A returned check service charge (\$25 per check) will be assessed. Tuition refund charges are based on normal refund policy.

If a student wishes to be withdrawn, the Registrar's Office should always be contacted as soon as possible.

## Financial Aid

UNT provides several methods of assisting students in financing their education. Applications and complete descriptions of all programs, requirements and qualifications are available at Student Financial Aid and Scholarships, Eagle Student Services Center. For more information, call 940-565-2302.

## Financial Assistance

### Graduate Fellowships and Assistantships

Fellowships and assistantships are awarded annually by almost all departments of the university to qualified graduate students. The number awarded annually depends upon departmental needs for the services of such appointees. Compensation varies with the type of services rendered by the appointee, the amount of time required for performance of the duties, and individual academic qualifications and experience. Appointments and awards ordinarily are made by the departments early in the spring, to take effect at the beginning of the next academic year.

Qualified graduate students and prospective students should communicate directly with the chair of the major department to obtain information and applications. No fellowship or assistantship appointment is regarded as final until the applicant has obtained admission to the Toulouse School of Graduate Studies.

### University of North Texas Master's and Doctoral Fellowships

The Toulouse School of Graduate Studies annually awards a number of generous fellowships to new doctoral and master's students. Eligibility for these fellowships is limited to students nominated by academic departments and programs from among new students beginning their doctoral or master's degree course work in the fall term/semester. For additional requirements for fellowships, see the graduate studies web site: [www.gradschool.unt.edu](http://www.gradschool.unt.edu).

### Scholarships

Most graduate scholarships at UNT are awarded and administered by the Toulouse School of Graduate Studies ([www.gradschool.unt.edu](http://www.gradschool.unt.edu)) or by individual departments, schools or colleges. Application deadlines for these scholarships vary. Check with the department of your major for additional details.

New, continuing and transfer graduate students meeting the eligibility criteria are eligible to apply for the next year's General Academic Scholarship. New and transfer graduate students are eligible to apply if fully admitted to UNT. Continuing graduate students with at least a cumulative GPA of 3.0 at the end of the fall term/semester are also eligible to

apply for the next academic year. All applicants must have an assigned UNT ID number to submit an application. Annual application deadline is March 1.

Non-Texas residents who are awarded a competitive scholarship (of at least \$1,000 for the academic year or summer for which they are enrolled) by a University of North Texas Scholarship Committee (one officially recognized by the administration and approved by the Texas Higher Education Coordinating Board) are eligible to pay Texas-resident fees and charges. Scholarships not awarded by UNT through their competitive scholarship process are not eligible to pay Texas-resident fees and charges.

Private organizations such as parents' employers, fraternal organizations, and business and professional groups can often provide other sources of financial assistance. A link to known external scholarships is available online at [www.unt.edu/finaid](http://www.unt.edu/finaid), or you may visit the scholarship library located in the Eagle Student Services Center (ESSC) to review other agency materials and conduct online scholarship searches.

Information in this catalog is correct at the time of printing, but is subject to change without prior notification. Visit the UNT Student Financial Aid and Scholarships web site for additional scholarship details at [www.unt.edu/finaid](http://www.unt.edu/finaid).

### Application Period and Deadlines

The application period begins January 1 of each year for the following academic year (fall/spring/summer). The Free Application for Federal Student Aid (FAFSA) or Renewal Application is available each January for the upcoming academic year and should be completed as early as possible. Students are encouraged to apply online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Students whose application files are completed by the priority dates are ensured first consideration for awards. Application data is received electronically from the Central Processing System (Federal Student Aid Programs) through which applications are processed. It includes the data from the FAFSA or Renewal Application. The application data must reach our office before a file can be processed.

#### UNT's Priority Dates:

- Fall/spring term/semester: April 15
- Spring term/semester only: August 15
- Summer term/semester: February 15

A separate UNT summer application must be completed for summer financial aid. This application is available online ([my.unt.edu](http://my.unt.edu)) in February for the following summer term/semester. The FAFSA for the year preceding the summer is also required.

### General Eligibility Requirements

Before any assistance is granted (Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Work-Study, Federal Perkins Loan or loans from the Federal Stafford Loan Program), general eligibility and program requirements must be met. To be eligible for financial aid you must:

1. establish eligibility by completing and filing the Free Application for Federal Student Aid (FAFSA) or Renewal Application;
2. not be in default on any Title IV loan (Federal Perkins or Federal Stafford), or owe a refund or repayment on educational funds received at any institution;
3. be a U.S. citizen or eligible noncitizen;
4. be registered with the Selective Service if you are a male at least 18 years old born after December 31, 1959 (most males between the ages of 18 and 25, including permanent residents and other eligible noncitizens, are required to register with Selective Service);
5. enroll in and maintain at least a half-time class load;
6. use all funds received through financial aid for educational purposes;
7. be accepted for admission by the university and enrolled in a degree program;
8. be making satisfactory academic progress;
9. have a valid Social Security Number; and
10. have a high school diploma or a GED (general equivalency diploma).

**Note:** Transient and summer visiting students are not eligible for financial aid.

### Special Conditions for Financial Aid Recipients

1. Students who withdraw from all classes must first go to the UNT Registrar's Office, and then proceed to Student Financial Aid and Scholarships for official clearance before leaving the university.

2. **Refunds and Payments.** If you officially withdraw, cease attendance, or are administratively withdrawn from UNT, any refund of tuition and fees and other university charges will be assessed for return to programs from which you (or your parents if they received a Federal Parent Loan) were originally paid. An additional "repayment" calculation will be performed to determine if you must repay a portion of the assistance paid directly to you for living expenses.

Student Financial Aid and Scholarships personnel will apply the federally mandated formula for the return of financial aid funds. Funds will be returned to the programs from which the money was paid to you in the following order:

- Federal Stafford Loan Program
- Federal Perkins Loan Program
- Federal Parent Loan Program (PLUS)
- Federal Pell Grant Program
- Federal Supplemental Educational Opportunity Grant Program
- Other Title IV Programs
- Other Federal, State, Private or Institutional Student Aid

In addition, it is possible you will owe a repayment of unearned financial aid funds if you cease enrollment prior to the 60 percent completion point of any enrollment period for which you received financial aid funds. The completion point is based on the total number of class days in an enrollment period.

3. Official transcripts are not issued to any student who has an unpaid account or owes a defaulted federal student loan received from any university.
4. Federal and state regulations require that each student maintain satisfactory academic progress to be eligible for financial aid programs. Minimum standards must be achieved by the end of any given enrollment period at UNT. Satisfactory academic progress (SAP) is defined in both quantitative and qualitative measures. The quantitative measure requires a graduate student to complete a minimum number of required course hours each term/semester of enrollment as defined below.

Number of registered hours	Minimum number of current earned hours and pass/no pass hours
16–19	12
12–15	9
6–11	6
3–5	3
2	2
1	1

The qualitative measure requires a graduate student to maintain a 2.75 cumulative UNT grade point average. Enrollment hours for loan deferment and financial aid eligibility may differ from those published in this catalog. Also see "Enrollment Certification" in the Enrollment section of this catalog. Financial aid recipients must notify Student Financial Aid and Scholarships before dropping courses or withdrawing. Current term/semester, current year or future aid eligibility may be affected.

Students in an academic program under the graduate career (major or concentration) are required to enroll in at least 4 graduate hours per term/semester to be considered for financial aid.

5. Enrollment hour requirements are as follows:

Fall/Spring	Summer
Full-Time (9 or more hours)	9 or more hours
3/4-Time (6–8 hours)	6–8 hours
1/2 Time (4–5 hours)	4–5 hours

Full-time, three-quarter-time and half-time enrollment may be defined differently by the Registrar's Office.

6. If students receive all failing grades (any combination F's, WF's and NP's), attendance in all classes will be reviewed. If attendance cannot be confirmed via official UNT Registrar records, Student Financial Aid and Scholarships personnel will apply the federally mandated calculation for the return of financial aid funds. Unearned Title IV funds (aid) will be returned to the programs from which the money was paid to the student (or the student's parent) and it is possible that the student will owe a repayment to the university.

Visit [www.unt.edu/finaid](http://www.unt.edu/finaid) to review additional and specific financial aid and scholarship information.
