

## On-Campus Childcare Facility Resolution F2016-R2

**WHEREAS,** The University of North Texas (UNT) does not currently have a drop in childcare center for students with children

**WHEREAS,** In conversations with constituents, particularly those with children, the vast majority would like to see a service on campus that provides convenient on-campus childcare

**WHEREAS,** The reoccurring issue, and number of petitions throughout the years have been spearheaded by busy student parents and has been met with no action in response to these student petitions.

**WHEREAS,** Off-Campus Student Services, the office that provides services and resources for non-traditional and graduate students, is in full support of a drop in childcare center for UNT students

**WHEREAS,** Other universities within the country such as, Eastern Western University, the University of New Orleans, Purdue and many more are already providing affordable drop in childcare for students and faculty

**WHEREAS,** The majority of children within UNT's Child Development Lab are faculty children with few student's children enrolled

**LET IT BE RESOLVED THAT,** UNT research the possibility for a drop in childcare facility for students, staff, and faculty unrelated to the Child Development Lab

**LET IT BE FURTHER RESOLVED,** that until creation of said facility the university, if possible, provide a room on campus where drop in childcare can be provided temporarily

**LET IT BE FURTHER RESOLVED,** that the administration look into remodeling Kerr Cafeteria into a childcare facility upon creation of the University's new standalone dining center

**LET IT BE FURTHER RESOLVED,** a copy of this resolution be sent to the Board of Regents, President of the University, Vice President of Student Affairs, Off-Campus Student Services, Graduate Student Council, Faculty and Staff Senates.
