# Visiting Team Tailgate Policies

The University of North Texas tailgating policy is designed to ensure:

- The enjoyment of fans.
- The safety, security and well-being of all people on game days.
- The preservation of all public property under the management of the University.

Fans are encouraged to arrive early and tailgate prior to the game. Campus parking lots will open at 8:00AM prior to each game for tailgating. Tailgating is not permitted while game is in progress.

Tailgating activity that takes up vacant parking spaces or interferes with traffic flow within a parking lot is prohibited. Saving spaces for other vehicles is also prohibited.

Tailgating that includes the responsible and lawful use of alcohol is permitted within the parameters determined by law and University rules and protocols. Police will patrol these areas and enforce all applicable laws. **Glass containers and kegs are NOT permitted.**

Tents, tarps or canopies are not permitted if they impede foot or vehicular traffic or if they extend into additional parking spaces. In order to protect parking lot surfaces, tents, awnings, and similar items that require ground stakes are prohibited. Violators of this policy will be asked by University Event Staff to dismantle the tent, tarp, or canopy. Stakes used in the green space area may not be longer than 12 inches or wider than ½ inch in order to not interfere with underground utilities.

Game day cash parking will be available in the designated lots around Fouts Field. Fouts Field is located across I-35 with ADA shuttles and the North Texas pedestrian bridge available for our visiting fans. The Fouts Field parking lot is a first come, first serve basis and is \$10 per car per parking spot.

Access to electricity is available and can be ran from electrical box near visiting team tailgating area but must provide your own 200 ft. of extension cord.

Gas and charcoal grills with covers are permitted. Grills should be two feet in diameter or less and a minimum of two feet off the ground. Open flames are prohibited. Containers will be provided in tailgate areas for the disposal of hot coals.

The University reserves the right to restrict tailgating due to day and time of game, weather, etc.
