

## **COLLABORATIVE**

We work as a team within our organization, across organizations and with our customers. We strive to be collaborative with everyone.

## **ACCOUNTABLE**

We measure everything meaningful and publish that information for all to see.

## **TRUSTWORTHY**

We firmly believe in being a trustworthy partner for everyone who uses our services; this is a hallmark of our culture. We do not say it unless we mean it. We do what we say we will do, when we say we will do it.

## **EXCEPTIONAL**

We strive for excellence in everything we do for ourselves and our customers. We believe that nothing short of doing an exceptional job is worth doing.

## **RESPECTFUL**

We treat our teams, customers and partners with mutual respect. We respect all and value their contributions.
