

College of Music Core Information

*Requirements may vary slightly depending on catalog year. See an advisor for details.

The College of Music offers five fields of study for Bachelor of Music and Bachelor of Arts Degrees:

- **Music Performance (BM)**
- **Composition (BM)**
- **Jazz Studies—Instrumental and Vocal Performance or Jazz Arranging (BM)**
- **Bachelor of Arts in Music—Classic or Music History track (BA)**
- **Music Education—Choral, Orchestral, or Band-Instrumental (BM)**
- **Music Theory (BM)**

Music majors take basic core music classes in theory, history, private lessons, piano, and performance groups (music laboratories). Some majors require additional hours to those listed below, but all music majors will fulfill these courses:
