

CFA RECOGNIZED UNIVERSITY SCHOLARSHIP APPLICATION ANNOUNCEMENT

June and December Exams

Each year, the FIREL faculty can sponsor multiple students for the Chartered Financial Analyst exam offered in June and December. The CFA program provides an important certification for those working or intending to work in the investments profession. The scholarship will waive the CFA Program enrollment fee and reduce the exam registration fee (includes access to the curriculum eBook) to US\$350. This is a potential value of \$1,000 or more.

The scholarship candidate must be a currently enrolled student in an undergraduate or graduate degree program at UNT. Once a scholarship candidate has received the Awareness Scholarship from CFA Institute, graduation or other separation from enrollment with the sponsor institution will not void the scholarship.

Students wishing to apply for the CFA scholarship should read about the exam at <http://cfainstitute.org/programs/cfaprogram/Pages/index.aspx> and about the scholarship at http://cfainstitute.org/programs/cfaprogram/scholarships/Pages/awareness_scholarships.aspx

APPLICATION PROCESS: Please email a current resume, unofficial transcript(s) and **CFA® Program University Student Scholarship Application** form with applicant section completed to Ian.Liu@unt.edu
