## MBA Logistics and Supply Chain Management

The Department of Marketing and Logistics continues a long-term commitment to excellence in graduate education. The departmental faculty recruited from nationally and internationally recognized universities, represents a wide range of teaching and research expertise. Graduates of the program pursue careers in a broad spectrum of industries.

An MBA with a concentration in Logistics and Supply Chain Management supports growth and development from two perspectives. One, if you have an established career path, the program provides you the opportunity to gain the broader, more general perspective necessary for promotion to leading managerial positions. Two, if you are preparing for the business world, the combination of an undergraduate degree with an MBA concentration in Logistics and Supply Chain Management provides an excellent foundation for additional career opportunities.

### CAREER POSSIBILITIES

#### BACKGROUND COURSES/CONTENT

The College of Business Graduate Programs Office works with students to determine if background deficiency courses will be necessary. Background content might include Financial and Managerial Accounting, Business Information Systems, Statistics, Business Law, Finance, Marketing, Micro and Macro Economics, Operations Management and Calculus. Deficiencies can be completed via traditional academic coursework or through Ivy Software and Responsive.net. Ivy Software and Responsive.net deliver self-paced online learning modules that provide the needed background content without the need to formally enroll in courses at UNT. For more information go to [cob.unt.edu/background](http://cob.unt.edu/background).
