

UNT College of Business

MS Accounting - Corporate Accounting

Fall 2018

The MS in Accounting—Corporate Accounting designed to provide an appropriate base of knowledge for entry into the accounting profession. Students earning this degree will have completed an educational program consistent with the recommendations from professional accountants and accounting educators, and will be prepared for entry into careers as professional accountants.

CAREER POSSIBILITIES

Actuary | Budget Accountant | Financial Analyst | Controller | Management Accountant | Chief Financial Officer

ADMISSION REQUIREMENTS

Students applying to the MS in Accounting with a focus on Corporate Accounting must have successfully completed all accounting backgrounds courses before applying to the program. A student must have a minimum accounting GPA of 3.0 in order to be considered for the MS in Accounting with a concentration in Corporate Accounting.

COURSE REQUIREMENTS

BACKGROUND COURSES/CONTENT

The College of Business Graduate Programs Office works with students to determine if background deficiency courses will be necessary. Background content might include Financial and Managerial Accounting, Business Information Systems, Statistics, Business Law, Finance, Marketing, Micro and Macro Economics, Operations Management and Calculus. Deficiencies can be completed via traditional academic coursework or through Ivy Software and Responsive.net. Ivy Software and Responsive.net deliver self-paced online learning modules that provide the needed background content without the need to formally enrolling in courses at UNT. For more information go to cob.unt.edu/background.
