ORIENTATION &
TRANSITION PROGRAMS
Division of Student Affairs

WELCOME CLASS OF 2022

Congratulations!

On behalf of the administration, faculty, and staff, welcome to University of North Texas and the class of 2022! **We are proud that you have chosen to become a member of our growing UNT family!**

In order to assist you with your transition to UNT, all new undergraduate students are required to attend an orientation session. Orientation is designed to help students and families become acclimated to the university. During orientation, you will have the chance to meet with **faculty and staff, meet your new classmates, connect with current students, learn about university resources, and receive academic advising in preparation for registering for classes.** You will leave orientation understanding our university's spirit and traditions, as well as what to expect as you embark on your college experience.

Using Your Freshman Booklet

Your Freshman Booklet is your guide to what should be done before arriving on campus for the fall semester. Your first step in becoming a UNT student is attending orientation, but there are many tasks that you need to complete before and after orientation in order to be prepared for Mean Green Move-In Weekend! Our hope is that you use this book as a guide for what to do next. **If you have questions along the way, call our office at 940-565-4198 and we'd be happy to help!**

First Flight Week

We believe every UNT student has the potential to succeed. We also know that the transition to college can often be difficult as you begin to navigate a new environment where you are now responsible for all of your decisions—both positive and negative. Part of our responsibility is to help you shape your college experience in a way that sets you up for success. You are an important member of our university community and we want to make sure you, too, feel like an integral member of it. To help you start on the right foot, **all new freshmen will be required to participate in First Flight, UNT's official welcome week program.**

First Flight consists of a series of events all geared toward starting your first semester on the right foot. Ultimately, by the end of First Flight, we want you to feel prepared,

have a sense of what a healthy college lifestyle looks like, feel connected to the university community, and already be thinking about your future!

All new freshmen must be checked in to First Flight and on campus by Sunday, August 19 at 4:00pm for the First Flight Kick-Off. Once First Flight kicks-off, regardless of if you live on campus or will be commuting to campus, you should plan to spend the entire week at UNT. More information on First Flight, including how to check in can be found at studentaffairs.unt.edu/first-flight-week.

Orientation Fee

The student orientation fee is **\$150 for students who register by May 1, and \$180 after that date. This fee is non-refundable.**

This fee includes lodging, meals during orientation, materials, t-shirt, staffing, administrative costs, and year-long orientation activities.

Parking & Transportation

Students driving to campus should refer to the map on the back of this booklet for driving directions. **Individuals attending freshman orientation should park in the Eagle Lots 23 and 27 behind Maple Hall and across from Clark Hall, or Resident Lots 19 and 20 near Fouts Field.** The office of Orientation and Transition Programs does not provide shuttles to and from the airport. Students flying into either DFW or Love Field airport are encouraged to make alternative arrangements.

What to Bring to Orientation

- Any transcripts showing college credit
- Any information on AP, CLEP, or IB exams
- Financial Aid/Scholarship Award Letter(s)
- All correspondence from UNT
- Spirit Cards
- Umbrella, rain coat, and rain boots (in case of rain)
- Comfortable shoes and clothes. It is recommended that you dress in layers as some of the campus buildings are cold during the summer months.
- Personal items: pen, paper, cash for snacks, toiletries, linens, pillow, extra towel (*bedding is NOT provided*)

Disability Accommodations

Students who intend to register with the Office of Disability Accommodation (ODA) under the terms of ADA/504, or who request accommodations during their orientation session, should check the appropriate boxes on their orientation registration materials. In addition, please contact ODA two weeks prior to your orientation date by calling 940.565.4323, TTY callers 1-800-RELAY TX. Visit the ODA website at www.unt.edu/oda.

Early College High School Graduates

Although students who graduate from an Early College High School (ECHS) can enter the university with a significant number of transfer credits, UNT requires these graduates to participate in a freshman orientation program. We believe this best sets you up for success at the University of North Texas. Because your needs are slightly different, we encourage you to attend a special meeting prior to the orientation welcome to help better prepare you for your orientation experience. **This meeting will take place on the first day of your orientation, before the official welcome.** We encourage you to check in to orientation and then attend this meeting. The location of the meeting will be available to you at check-in.

Your Official Email: EagleConnect

EagleConnect is the official UNT email system for students, applicants and alumni. Do not risk missing official communication from the university. Students and applicants to the university regularly should check their EagleConnect email to view important communications from the Office of the Registrar, Financial Aid, libraries, student accounting, advisors, and others. You also may receive communication through Blackboard Learn, a separate system. EagleConnect is for university business matters; Blackboard Learn is for classroom, assignments and academic matters. Both systems require your regular attention.

If this is your first time using EagleConnect, please read the online instructions: <https://it.unt.edu/eagleconnect-help>. For general information or to log in, visit the EagleConnect web page: <https://it.unt.edu/eagleconnect>. After your initial set up is complete, bookmark this site in your favorite browser to log in directly: <https://outlook.com/my.unt.edu>. If you would like your email forwarded to an external address, such as Gmail, Yahoo, etc., you must configure forwarding in EagleConnect, <https://it.unt.edu/redirecting-email>.

For assistance with your email system, account management or any information technology matter, please call, click or come by the University IT Help Desk.

UNT Major Boot Camp

UNT Major Boot Camp is designed for freshmen students that left orientation unsure of their major selection. At the UNT Major Boot Camp, students will have the opportunity to review personality inventory results with a professional, research major options and potential careers, and work with UNT staff to learn about changing their major.

The program will take place on Thursday, August 2, 2018 from 9:00am until 3:00pm, and is free to all incoming freshman students. Complete program details, including a schedule at a glance and the registration link, can be found on the orientation.unt.edu website by clicking "**Major Boot Camp**" in the right menu bar.

COLLEGES & SCHOOLS

Majors at UNT

During orientation you will have the opportunity to meet with advisors in your major department to learn about academic requirements and to be advised for course registration. **During orientation, new students will meet with academic deans, academic advisors, faculty advisors, and staff members to learn about requirements for a bachelor's degree and necessary placement examinations.** Academic standards, required advising meetings with individual departments, and special programs within the college or school will also be reviewed.

Honors College

If you have already been admitted to the Honors College for Fall 2018, please go to honors.unt.edu for additional information. For those who may still be contemplating applying for membership, applications will be accepted for Fall 2018 until June 1, 2018. It takes approximately three to four weeks to process completed applications and respond

to the applicant through their UNT student email. Students may only apply for the Honors College once accepted to UNT and assigned a Student ID number and UNT student email. For more information and an application, please go to honors.unt.edu.

HONORS COLLEGE ADVISING

The Honors College is pleased to welcome Honors students to a special session during orientation during College Success Sessions. At this session, you will meet with the Honors College staff, learn how to register for Honors classes, and discover the many benefits that will culminate in your graduation from UNT with your degree and Honors College award.

You will receive a special invitation when you check in at orientation. For more information, please contact the Honors College at 940.565.3305.

IMPORTANT REMINDERS

Math Placement Exam

The Department of Mathematics will not place students into courses at or above the level of Calculus I (Math 1710) without prerequisite credit. Some examples of prerequisite credit include: scores of 3 or better on the Calculus AB or BC Advanced Placement Exam, a score of 5 or better on the higher-level IB mathematics exam, and dual credit in mathematics courses with Texas Common Course Numbers: Math 2312 or 2412. If you would like to take Calculus I as your initial course and do not have prior prerequisite credit, you will be required to take the placement assessment. If your major requires Calculus I, then you are strongly encouraged to take the placement assessment.

1. You are expected to take the online Pearson MyMathTest (MMT) prior to coming to your orientation session. Doing this is important for students majoring in Math, Engineering, Science, Economics (BS) and who need to start with Calculus I (Math 1710) or a Business major who needs Business Calculus (Math 1190).
2. You will find how to access the test and other important information about the placement assessment on the Math Department's website. Go to: www.math.unt.edu, under 'Courses and Schedules' select 'Math Placement'.

Foreign Language Placement and Exam for Credit

Students taking the Foreign Language Placement Exam may earn up to 12 hours of foreign language credit. The exam may be taken only once per language. Many degrees at UNT require some level of proficiency in a foreign language. Review your degree requirements at catalog.unt.edu to see if a foreign language is required. **The placement test is free to take, but if you would like the credits earned from the test applied to your transcript there is a \$53 fee that will be applied to your student account.**

Exams for placement and/or credit are offered in **Arabic, Chinese, French, German, Italian, Japanese, Latin, Russian, and Spanish. The foreign language placement/credit exam will be available each orientation session.** In addition, the Department of World Languages, Literatures, and Cultures offers proficiency exams for languages not offered at UNT. For more information, contact the Department of World Languages and Literatures or Department of Spanish at 940.565.2404.

Music Meeting During Orientation

All students who are not music majors but are interested in being involved with the College of Music during their time at UNT should plan to attend the music session during orientation to find out more about music minors, music classes for non music majors, auditioning for any of the performance groups, and the possibility of taking private lessons for the fall semester. We will also have information on applying and auditioning to become a music major available at this meeting.

Students who have successfully auditioned for the College of Music do not attend this session. Anyone considering auditioning for a band, choir, or orchestra should attend this session. The information session will be available each orientation session. You will receive a schedule with specific times and locations at check in.

Texas Success Initiative (TSI)

The Texas Success Initiative is a state-legislated program designed to ensure that students enrolled in public colleges and universities possess the academic skills needed to perform effectively in college-level course work. **All students MUST provide documentation for exemption or take the TSI Assessment prior to enrolling in college-level courses at the University of North Texas.**

Students can check their own TSI status by logging onto the MyUNT system at my.unt.edu and going to their Student Center page. In the bottom right corner of the Student Center is a TSI link. Click the TSI link to view your TSI status. If you have questions, contact the Learning Center at 940.369.7006 or tsi@unt.edu.

ADDITIONAL EXEMPTIONS

Please see learningcenter.unt.edu/tsi for all other exemption types.
*SAT Composite = Critical Reading plus Math Scores

Exemptions are not automatic. If you believe you are exempt, but your overall TSI status is not listed as complete on my.unt.edu, please provide your supporting documentation directly to the Learning Center

Testing Information

TSI testing is **NOT** part of the orientation schedule; students needing to test should test prior to attending their scheduled orientation session. Please visit the Learning Center website at learningcenter.unt.edu/tsi for testing locations near you. Students MUST complete the Pre-Assessment Activity

prior to testing and provide proof of completion. The Pre-Assessment Activity is located on the Pre-Orientation website and at learningcenter.unt.edu/tsi. Study tools are also available to help you prepare.

**Students needing to test for the Texas Success Initiative (TSI) are encouraged to test at a location near their hometown before orientation. TSI testing is not part of the orientation schedule. Please visit the Learning Center website for more information: learningcenter.unt.edu/texasuccessinitiative*

TRANSPORTATION SERVICES

The University of North Texas Transportation Services welcomes you to campus, and would like to congratulate you on becoming the newest addition to the Mean Green family! Transportation Services is committed to providing safe, reliable parking as well as related motorist assistance to the University community. We support the mission of the University through a collaborative effort that emphasizes flexibility, fairness, sensitivity, and mutual respect. Our goal is to help you understand the ins and outs of getting around the UNT campus. We are here for you!

As a new incoming student, you have options! Incoming students who choose to bring a car to campus will need to purchase a UNT parking permit. Parking permits allow students to park their vehicles in lots throughout campus. Permits can be purchased online and will be available for preorder for the upcoming academic year in April. Visit the UNT Transportation Services website, transportation.unt.edu, for more information. For students who choose not to bring a car to campus, the means of transportation at UNT are vast and navigating around campus is easy. Purchasing a permit is not required for students without cars. The following options show the transit methods available to you at UNT:

- **UNT Bus Service** – Service provided by Denton County Transportation Authority (DCTA). With 8 routes and 60 destinations, students can easily get around campus and where they need to go throughout the Denton community.
- **E-ride** – Service provides late night transportation across campus. There are fixed, continuous routes at UNT between the hours of 7pm – 7am, Monday – Thursday and 4pm – 7am, Friday – Sunday. Service can also be requested by calling an on demand dispatcher.
- **Zipcar** – Service allows UNT students, 18 and older, to rent a car by the hour, allowing access to the Denton community and surrounding areas with a reserved parking spot upon return.

For more information about transit options, please visit our website at transportation.unt.edu. For additional parking needs, UNT works with Parkmobile to provide short-term options. Lots throughout campus have initiated the use of this service, allowing students to park and pay for the time spent on campus. Students pay for parking wirelessly through an app on their smartphone or device while in the parking lot near their vehicle. Parkmobile signs are clearly displayed to show which lots allow this payment method. Transportation Services hopes you find our options and amenities useful. We are always happy to answer any questions you may have by contacting us at transportation.services@unt.edu or 940.565.3020.

Immunization Information

All new students, including transfer students, under the age of 22 must show evidence of receipt of an initial bacterial meningitis vaccination (meningococcal meningitis vaccine) dose or booster in the last five years and at least ten days prior to the first day of the semester in which the student initially enrolls. For more information, visit the UNT Student Health and Wellness Center website at healthcenter.unt.edu/immunization-requirements.

Students with a complex medical condition are urged to meet with a medical provider at the UNT Student Health and Wellness Center to review their medical history. This review will allow staff to understand your unique medical situation and help us provide accommodations to meet your needs.

Blackboard

What is Blackboard?

Blackboard is the learning management system used by the University of North Texas. It is a secure web-based environment that enables you to **view course content your instructor has made available to you, participate in online discussions or other collaborative activities, and submit assignments, quizzes, and exams.** Even if you are not taking an online course, your instructors will often use Blackboard to provide you access to syllabi, links to supplemental resources, assignments, and most importantly, your grades!

How to Log In

1. You can log in to Blackboard on the web by going to learn.unt.edu or by selecting Blackboard from the top menu options on the UNT home page at www.unt.edu.
2. Use your **EUID as your Username and your Account Management System (AMS) Password** to log into Blackboard Learn. (If you're not sure what your EUID is, go to ams.unt.edu to retrieve it.)
3. You will see a list of your current courses on the My Courses list after you log in.

We recommend that you use Google Chrome or Firefox (or Safari) browsers to access Blackboard. Internet Explorer is not supported by Blackboard so we don't recommend using it. Maintenance occurs every Saturday night from 11:00pm until 2:00am Sunday morning, so plan your Blackboard course activities around that time period.

Bb Student Mobile App

Blackboard's new mobile app, Bb Student, helps you keep up with all of your class activities and materials. Bb Student is supported for devices running iOS8+, Android 4.0+, or Windows 8.1+. Key features include:

- **Activity Stream:** Prioritized events and actions across all courses are pushed to you here.
- **Course Outline:** Content is organized and presented by course number.
- **Test & Quizzes:** View, complete, and submit assignments and quizzes right in the app.
- **Grades:** Access your grades and check your progress at any time.

Follow these steps to download and install the Bb Student app.

1. From your device, access the appropriate online store.
 - iTunes StoreSM on your iPhone®, iPod touch®
 - Google Play™ on your Android® device
 - Windows Store on your Windows® device
2. Search for Bb Student.
3. Install the app on your mobile device.
4. Open Bb Student and search for the University of North Texas.
5. Log in with your Blackboard EUID and password.

UNT is currently transitioning courses to Canvas. All courses will begin using Canvas during the 2018-2019 academic year. If your fall 2018 course is in Canvas, you will receive a link to the course when you login to BlackBoard Learn.

Information Technology Support: UIT Help Desk

Living on Campus

Living on campus during your first year at UNT, while required, is a great benefit to you as a student. Here are some things that tend to happen for residents of UNT Housing:

- Meet people that live around you and become part of the on-campus community
- Find opportunities to get involved through campus events and student organizations
- Be in close proximity to your classes and campus resources that promote academic success
- Get the feeling that UNT is the place to call home as you complete your degree

UNT Housing is here to assist residents through the experience of being in college and becoming an engaged member of the Mean Green Nation!

The application for housing and the ability to edit preferences on an existing application is accessible through your eHousing account. Room assignments, for those students with a complete application, begin in May. Once assigned, the ability to change application preferences or room assignments is extremely limited.

Mean Green Move-In Weekend, the opening of the residence halls for the Fall 2018 semester, will be Saturday, August 18 and Sunday, August 19. Housing will be communicating to students about arrival and move-in plans during the summer. There will be volunteers on hand from across the UNT community throughout the weekend to help with move-in. Come early, move in and get ready for the start of First Flight Week.

Student Financial Aid & Scholarships

Tips for Completing the Free Application for Federal Student Aid (FAFSA)

Before You Apply:

- Step 1:** Make sure you're eligible to apply. Look for eligibility requirements at studentaid.gov.
- Step 2:** Apply early in order to get first consideration for awards! The FAFSA and Renewal FAFSA are available each October for the upcoming academic year at fafsa.gov. UNT's Priority Deadline is March 15th.
- Step 3:** Create your Federal Student Aid Identification Number (FSA ID) required for filing and signing necessary documents ahead of time at fsaid.ed.gov.
- Step 4:** Gather all required documents and information, such as your completed federal income tax return, your social security number and bank statements.

After You Have Applied:

- Step 1:** Check your Student Aid Report (SAR) for accuracy. You will receive a copy of your SAR via email or mail about a week after the FAFSA has been filed. The SAR summarizes information provided on the FAFSA. The SAR will also indicate Pell Grant eligibility, if any, and the Expected Family Contribution (EFC).
- Step 2:** Monitor your myUNT Student Portal located at my.unt.edu frequently for status updates. Once all requests for additional documents have been satisfied, you will be able to accept, decline or reduce your award offers.
- Step 3:** Keep copies of all documents and correspondence.

When Filing The FAFSA:

- Step 1:** Provide your correct Social Security Number.
- Step 2:** Complete the asset and income information. Do not leave it blank. For questions regarding income, if the answer is zero or if the question does not apply to you, enter 0.
- Step 3:** Use the IRS Data Retrieval Tool. If you and/or your parents already filed a federal tax return with the IRS, you may be eligible to use the IRS Data Retrieval Tool which is the best and easiest way to provide accurate tax information. With just a few simple steps, you and/or your parents can transfer information directly into your FAFSA.
- Step 4:** List our Title IV Federal School Code: **003594**.

Code of Student Conduct

The Dean of Students Office enforces the Code of Student Conduct. The Code explains what conduct is prohibited, the process the university uses to review alleged violations, and the sanctions that can be imposed. When students may have violated the Code they meet with a university official to discuss the violation in an educational process.

Anyone can report alleged misconduct to the Dean of Students Office by calling 940.565.2039, emailing conduct.dos@unt.edu, or visiting the office in the University Union, suite 409.

Anyone who has experienced dating violence, domestic violence, stalking, sexual harassment, or sexual violence can contact the Dean of Students Office (940.565.2039), the Title IX Coordinator (940.565.2711), or the UNT Police Department (940.565.3000) to file a report.

Assistance, support, and referrals to other support agencies are available regardless of any request for disciplinary action. A student who has been impacted by dating violence, domestic violence, stalking, sexual harassment, or sexual violence can receive assistance through the UNT Survivor Advocate. The Survivor Advocate can be reached by calling 940.565.2648, emailing SurvivorAdvocate@unt.edu, or visiting the office in the University Union, Suite 411.

The Code of Student Conduct can be found on the Dean of Students website at deanofstudents.unt.edu/conduct.

Eagle Alert System

The UNT Eagle Alert system notifies the UNT community with immediate emergency information.

Students should update their phone number online through the MyUNT portal, my.unt.edu, by logging in with valid UNT credentials—your EUID and password. In the top of the right column, look for Eagle Alert, then click on "Update your information."

The Eagle Alert system allows UNT administrators to contact campus community members quickly by phone about critical or emergency situations affecting the safety and wellbeing of people on and around the UNT campus. The system sends a message by recorded voice and text

to the user's phone and an email to all active students, faculty and staff. The system must have the user's updated information and permission to send text messages for Eagle Alert. *Note: Only phone numbers in the U.S. 50 states are supported.*

For Twitter users: UNT has an official campus emergency Twitter account. By following @UNTEagleAlert on Twitter, you, your family and friends can receive emergency messages and updates in real time. For more information, visit the Eagle Alert web page, <https://www.unt.edu/eaglealert>.

For assistance with updating your Eagle Alert information or any other information technology matter, please call, click or come by the University IT Help Desk.

Eagle Camp

New School, New Friends & New Experiences

Not to be confused with orientation, **Eagle Camp is the next step in a smooth transition to UNT and the Denton community.** Eagle Camp is a great opportunity for you to make new friends, learn UNT traditions, and enter into your first year of college with confidence and feeling like a part of the UNT family! You will also meet student leaders who will help you feel ready as you start college as a part of the Mean Green family!

Why go to Eagle Camp?

Getting Connected

Eagle Camp is a great way for new students to build friendships before starting classes at UNT. Eagle Camp offers several activities and unique experiences, small group sessions with current student leaders and much more!

Getting Involved

At Eagle Camp, exceptional student leaders motivate and encourage campers to contribute their time and talent in making a difference as an Eagle.

Becoming an Eagle

Eagle Camp is full of activities and events that offer students a chance to grow in their understanding of the tradition and mission of UNT.

Eagle Camp Fee

Early Eagle Registration Fee: \$175 (prior to July 1)
Regular Registration Fee: \$200 (after July 1)

The camp fee covers transportation to and from camp, lodging for two nights, six meals, a camp t-shirt and all activities. Payment should be submitted online when you register.

Mark your calendar! Eagle Camp is August 10-12, 2018

Eagle Camp is a 3-day optional experience and tradition for incoming students that takes place at Camp Copass in Denton, Texas. Students ride buses from the **UNT campus to Camp Copass, where they stay in air-conditioned, furnished cabins.** For more information about Eagle Camp and to register visit studentaffairs.unt.edu/eagle-camp.

PARENT & FAMILY ORIENTATION

Parents and family members are an important part of the UNT family and their support and interest are critical to a student's successful adjustment to university life. For these reasons, **UNT offers a Parent Orientation program that runs concurrently with Freshman Orientation.** During Parent Orientation, parents will be introduced

to many UNT offices, services and academic programs and will have the opportunity to connect with current UNT parents. Each session is designed to give you an understanding of the institution where your student will be spending the next four years. The Parent Orientation program pricing structure is below:
