## T.J. Hubbard

**Head Coach**

**Fourth Year ▶ Oklahoma Wesleyan**

T.J. Hubbard enters his fourth season as head coach of the

North Texas softball team after serving as an assistant coach for the Mean Green from 2003-07.

Hubbard picked up his 60th career win in 2010, becoming the winningest softball coach at North Texas. He finished the season with a win-loss record of 82-81 after three years as head coach. In each of his three years at the helm, Hubbard has led the Mean Green to greater success and 2010 was an example of that.

North Texas recorded many firsts in 2010: its first winning season (29-20), the most wins in school history (29), a school-record 52 home runs. The Mean Green also picked up big wins against nationally-ranked opponents: No. 15 Texas and No. 24 Baylor. North Texas posted its highest finish in the Sun Belt (third) and tied its best finish in the conference tournament (2-2, third).

NT set team records in slugging percentage, walks, home runs, lowest ERA, lowest opponent batting average, and fewest runs allowed. The Mean Green set individual records in walks and lowest ERA.

Under Hubbard, North Texas has continued its emphasis on offensive production and stellar defense. For the fifth straight year, North Texas hit 42 or more home runs. The Mean Green set a team record in 2010 with 52 total home runs.

For the first time, the Mean Green had three players named to the All-Sun Belt team. Mallory Cantler was named to the first team for the third straight year, while Mariza Martinez was named to the second team a second straight time. Ashley Lail became the first North Texas pitcher to receive all-conference honors after being named to the second team.

In 2009, North Texas became the fastest team to reach the 20-win mark, posted the second-most wins and the best winning percentage in school history.

NT set team records in slugging percentage, home runs, lowest ERA, lowest opponent batting average, shutouts and fewest losses. The Mean Green set individual records in batting average, on-base percentage, lowest ERA and lowest opponent batting average.

The Mean Green has also become a force on the base paths. In 2009, NT stole the second-most bases in school history with 56. Mariza Martinez and Megan

Rupp stole the second-most bases in individual school history with 16.

Also in 2009, Martinez became the first North Texas player to be named to the Louisville Slugger/NFCA All-Central Region First Team.

In his first season at the helm of North Texas in 2008, Hubbard led the Mean Green to a then school-record 27 wins and its best finish at the Sun Belt Conference Tournament. North Texas also secured its best home record (14-9) with wins against Creighton, Tulsa, Oklahoma State and Texas Tech. The 2008 team set a number of team bests at the time, including wins (27), batting average (.277), runs (248), doubles (78), RBI (213) and total bases (660).

Under Hubbard's tutelage as both a head and assistant coach, 11 North Texas players have been named all-conference, six have been selected to the Sun Belt All-Tournament Team and 11 players were named conference player of the week in the last seven years.

Susan Waters was one of the Mean Green's most decorated players. As a senior in 2007, she was one of the nation's home run leaders, finishing 14th in home runs per game (.30). Her 17 home runs was one shy of tying her single-season school record. The two-time first-team All-Sun Belt honoree left the program holding 13 single-season and 15 career records, including the career home run record.

Katya Muller was a two-time first-team All-Sun Belt honoree at shortstop. She left North Texas in 2008 as the program's leading hit leader.

Hubbard has been a part of Mean Green softball from the very beginning. Hired as an assistant coach in August of 2003, Hubbard helped field the very first North Texas team in 2004.

As an assistant, Hubbard worked primarily with the hitters and the infield. In 2007, the Mean Green was ranked No. 1 in the NCAA in double plays per game (0.60). NT finished tied for first nationally in total double plays with a school-record 35 turns.

From the start in 2004, Hubbard and North Texas has taken pride in its defense. In 2004, North Texas was ranked second in the NCAA with 30 double plays while averaging 0.38 double plays per game, which was tied for 10th in the nation. The Mean Green in 2006 finished first in the Sun Belt Conference with 23 double plays, while its 0.38 per game average was ranked 28th in the NCAA. In 2008, North Texas finished 47th in the NCAA with a 0.33 per game average.

↳ history

The new era of Mean Green softball started with a big swing of the bat. North Texas not only recorded its first hit in its opening game against nationally-ranked Texas A&M on Feb. 4, 2004, the Mean Green posted its first home run as well. Freshman Susan Waters gave North Texas a few firsts - hit, home run, scored run, RBI - along with tying the game at 1-1. The Aggies went on to win the game, 6-1, but it marked the beginning of a Mean Green roller coaster ride, full of the highs and lows that would accompany a first-year program.

In May of 2002, North Texas athletic director Rick Villarreal announced that the Mean Green would field a Div. I softball team for the first time in 16 years. The team would assemble in the fall of 2003 with the spring of 2004 being the team's first season. Denia Park in Denton was selected as the team's home field and was the site of North Texas' first win of the 2004 season.

The Mean Green swept a doubleheader against Northwood on Feb. 10 at Denia Park, snapping a six-game losing streak. Freshman pitcher Katy Maxey won the first game, 3-1, while junior lefthander Mandy Hacker shutout Northwood in the nightcap, 5-0. The friendly confines of Denia Park proved to be just that for the Mean Green; NT went 13-13 at home. On the road, North Texas managed only nine wins with seven of them coming down the stretch. The Mean Green's schedule proved to be a daunting task. The NT squad faced nine teams ranked in the NFCA/USA Today Top 25 Poll, including No.1 UCLA and No. 2 Arizona.

North Texas returned all its starters for the Mean Green's second season and a new head coach, Kelly Burns. Highlights from the 2005 season include the capturing of the Tulsa Invite championship, six conference victories and two wins in the Sun Belt Conference Tournament. Senior Stephanie Cranmer was named All-Sun Belt both of her years at North Texas and left the program as the team's leader in batting average, hits, multiple-hit games and on-base percentage.

In its third and fourth years, the Mean Green softball team continued to take steps towards becoming a top program. Its largest steps came on the offensive side, where North Texas set a number of individual and team records. In 2006, the Mean Green set or tied eight individual batting game records and four team batting game records. Almost all the players saw their offensive numbers jump dramatically from the previous year.

Susan Waters became the most decorated player in the young history of the program. She set the single-season home run record at North Texas in 2006 with 18 long balls and is the career record holder with 49. She set 10 single-season marks in 2006 and currently holds 11 career records at North Texas. She was named first-team All-Sun Belt two years in a row and became the first softball student-athlete at North Texas to be named ESPN The Magazine Academic All-District in 2006.

In 2007, the Mean Green played in its brand new softball complex; Lovelace Stadium. Located in Mean Green Village next to the soccer field, Lovelace Stadium provided a true home-field advantage for the Mean Green. The team also had a locker room and training facilities near the field.

Also in 2007, North Texas picked up two historic wins. The Mean Green defeated Texas Tech, 4-2, on the road. In the Sun Belt Tournament, NT upset top-seeded Louisiana-Lafayette. The victory against the Ragin' Cajuns was the first in the series for the Mean Green and handed ULL its first loss in Sun Belt tournament history.

TJ Hubbard, an assistant for the Mean Green through its entire existence, started his first year at the helm of North Texas for the 2007-08 season. The 2008 team won a school record 27 games and picked up wins against Oklahoma State, Texas Tech and Creighton. Lovelace Stadium proved to be a home-field advantage with the Mean Green going 14-9 in its home venue.

Katya Muller and Mallory Cantler were named first-team all-conference with Muller earning the nod for the second straight year. Muller left the program as the school's all-time hit leader. Cantler was also named to the Sun Belt Conference All-Tournament Team, and finished her freshman campaign by setting single-season records in batting average, hits and doubles. As a team, North Texas set team bests in wins, batting average, runs scored, hits, doubles, total bases, slugging percentage and RBI.

In 2009, North Texas became the fastest team to reach the 20-win mark, posted the second-most wins and the best winning percentage in school history. For the third straight year, the Mean Green had two players named to the All-Sun Belt team. Mallory Cantler was named to the first team for the second straight year, while Mariza Martinez was named to the second team. Martinez also became the first North Texas player to be named to the Louisville Slugger/NFCA All-Central Region First Team.

North Texas recorded many firsts in 2010: its first winning season (29-20), the most wins in school history (29), a school-record 52 home runs. The Mean Green also picked up big wins against nationally-ranked opponents: No. 15 Texas and No. 24 Baylor. North Texas posted its highest finish in the Sun Belt (third) and tied its best finish in the conference tournament (2-2, third).

For the first time, the Mean Green had three players named to the All-Sun Belt team. Mallory Cantler was named to the first team for the third straight year, while Mariza Martinez was named to the second team a second straight time. Ashley Lail became the first North Texas pitcher to receive all-conference honors after being named to the second team.

When North Texas opened its season against Texas A&M in 2004, it marked the second time in school history that North Texas has sponsored softball. For four years from 1985-88, NT sanctioned a team while it was a member of the Southland Conference. The program struggled with limited scholarships and four head coaches in as many seasons, compiling an overall record of 37-136 and going 11-38 in conference play.

Highlights from that era are few and far between, although the Lady Eagles, as they were called then, left a few marks worth remembering. In 1985, Jearlynn Johnson shared the conference lead in home runs. That same season, pitcher Gayle Edwards shared the league record for most complete games in a tournament. In 1988, Kris Fletcher led the Southland in doubles.
