

Service to the Community – Student Reflection

EUID: _____

Date: _____

Description:

Using specific and relevant detail, give a concise description of your experience:

Feelings:

How did you feel and what did you think about this experience prior to it?

How did you feel and what did you think after the experience?

Evaluation:

What went well or badly during the experience?

How did the experience end?

Analysis:

Reconsider the things that went well or badly and write why you think it went that way:

Think about your contribution to the experience and how or why it was useful:

Conclusion:

Based on your experience, what should or could you have done differently?

What did you learn about yourself through that experience?

Action Plan:

What do you need to do in order to be better prepared to face this experience in the future?

Does this experience make you want to participate in similar activities again, and why or why not?

What has this experience taught you about the importance of civic engagement?

How has this experience inspired you to be more involved in the community?
