INDEPENDENT AUDITORS' REPORT

To the Board of Directors University of North Texas Foundation, Inc. Denton, Texas

We have audited the accompanying financial statements of University of North Texas Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of August 31, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of University of North Texas Foundation, Inc. as of August 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTES TO THE FINANCIAL STATEMENTS

## NOTE 1 - PURPOSE AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Purpose

The University of North Texas Foundation, Inc. (Foundation) is a nonprofit organization with the purpose of providing financial support to the University of North Texas. This purpose is accomplished by the Foundation receiving and managing donations (cash and non-cash) from individuals and organizations.

The Foundation is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

#### **Basis of Presentation**

The financial statements have been prepared on the accrual basis of accounting.

## Contributions

Contributions are generally temporarily or permanently restricted by the donor to support specific programs within the University of North Texas. Unconditional promises to give are recorded as received. Contributions receivable due in the next year are recorded at their estimated net realizable value. Contributions receivable due in subsequent years are recorded at the present value of their estimated net realizable value, using interest rates applicable to the years in which the promises are received to discount the amounts. An allowance for uncollectible promises to give has been provided based on management's evaluation of contributions receivable at year end.

Contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets.

Endowment contributions and investments are permanently restricted by the donor. Investment income available for distribution is recorded in temporarily restricted net assets because of program restrictions. The portion of the fair value of endowment funds which is below the endowment fund's historical cost is recorded as a reduction in unrestricted net assets.

Contributions of donated noncash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

# NOTE 1 - PURPOSE AND SUMMARY OF SIGNIFICANT ACCOUNTS POLICIES (Continued)

#### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with an initial maturity at the time of purchase of three months or less. At August 31, 2017 and 2016, there was \$3,748,277 and \$1,676,512, respectively, of cash equivalents in the Foundation's investment accounts awaiting investment.

#### Investments

The Foundation carries investments in marketable securities, other common stocks, and mutual funds with readily determinable fair values at their fair values based on quoted prices in active markets (Level 1 measurements) in the statements of financial position. Investments in fixed income securities, fixed income mutual funds, and comingled funds are carried at their fair value based on published valuations (Level 2 measurements). Investments in non-publicly traded Real Estate Investment Trust and Hedge Funds of Funds are carried at their fair value as determined using significant unobservable inputs (Level 3 measurements). Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities.

#### Real Property

#### Other Assets

NOTES TO THE FINANCIAL STATEMENTS

# **NOTE 4 – FAIR VALUE MEASUREMENTS (continued)**

Financial assets valued using level 1 inputs are based on unadjusted quoted market prices within active markets. Fair values for mutual funds and comingled funds valued using level 2 inputs are based on published daily valuations. Fair values for the Real Estate Investment Trust, Hedge Funds of Funds, and Loan Fund are determined by third-party valuations of the investments. There were no changes in valuation methods during fiscal years 2017 or 2016.

# **NOTE 5 – CONTRIBUTIONS AND OTHER RECEIVABLES**

Contributions and other receivables as of August 31, 2017 and August 31, 2016 are as follows:

	August 31, 2017	August 31, 2016

The donor verbally renewed the pledge for payment by March 31, 2016. This date also passed without receiving a payment. The pledge no longer meets the criteria of an unconditional promise to give and has been reversed during the year ended August 31, 2016. The reversal is shown in the Statement of Activities as an adjustment to prior year contributions renewable.

#### **NOTE 6 – UNRESTRICTED NET ASSETS**

Unrestricted net assets at August 31, 2017 and 2016 include \$1,746,303 and \$1,577,403 respectively, which has been designated by the Foundation's Board of Directors as a reserve for future operations.

#### NOTE 10 – INCOME TAX STATUS

The Foundation has received a letter of determination from the Internal Revenue Service advising that it qualifies as a non-profit corporation under Section 501(c)(3) of the Internal Revenue Code and, therefore, is not subject to income tax. The Foundation is not a private foundation within the meaning of section 509(a) of the Internal Revenue Code.

#### NOTES TO THE FINANCIAL STATEMENTS

## **NOTE 11 – RETIREMENT PLAN**

The Foundation sponsors a defined contribution retirement plan covering all full time employees of the Foundation. Prior to January 1, 2017, the Foundation contributed 8.5% of eligible employees' compensation to the plan, and employees were required to contribute a minimum of 6.65% of compensation to the plan. Effective January 1, 2017, a new 403(b) plan was adopted. Under the terms of the new plan, the Foundation contributes a full matching contribution of up to 6.0% of compensation for employees who make an elective contribution. An additional discretionary non-elective contribution may be allocated on the basis of compensation, as budgeted and approved by the Board in advance of the fiscal year. Employees may make voluntary contributions up to the limits prescribed by the Internal Revenue Code. The Foundation contributions to the existing and prior plans were \$67,712 and \$73,062 for the year ended August 31, 2017 and 2016 respectively.

#### NOTE 12 – ASSETS HELD UNDER SPLIT INTEREST AGREEMENTS

The Foundation is the Trustee or Co-Trustee of various charitable remainder trusts and administers several gift annuity contracts. The agreements require annuity payments to the income beneficiaries for life, with the remaining assets of the trusts or agreements creating endowments upon the death of the income beneficiary. The annuity obligations are recorded at the present value of the expected future cash payments to the beneficiaries based on published life expectancy tables using a discount rate of six percent.

The assets held under these agreements are included in the statement of financial position at fair value.

#### NOTE 13 - ASSETS HELD FOR OTHERS

The Foundation holds and invests certain funds in trust on behalf of the University of North Texas System (UNTS). Pursuant to an investment agreement dated March 15, 2012 and amended and restated on November 1, 2014, certain UNTS long-term assets have been placed with the Foundation and invested in the Foundation's Consolidated Investment Pool. The UNTS investment funds are subject to the same investment management policy as the Foundation's investments, but receive monthly distributions. The initial term of the agreement effective on November 1, 2014 ended August 31, 2016. It contains a provision to automatically renew annually thereafter, as well as a provision for early termination as agreed by the parties.

The Foundation also holds and invests certain funds in trust on behalf of the University of North Texas (UNT). Pursuant to an investment management agreement dated August 24, 2012, certain UNT endowment assets have been placed with the Foundation and invested in the Foundation's Consolidated Investment Pool or the Foundation's DFA Short-Term Government fund. The UNT endowment funds invested in the Foundation's Consolidated Investment Pool are subject to the same investment management and distribution policies as the Foundation's investments. The initial term of the agreement ended August 31, 2013, with a provision to automatically renew annually thereafter. On April 28, 2017 the agreement was re-written with an effective date of June 1, 2017, with the initial term ending on August 31, 2022 and a provision to automatically renew and extend for additional five-year terms.

#### NOTES TO THE FINANCIAL STATEMENTS

### NOTE 13 – ASSETS HELD FOR OTHERS (continued)

UNTS and UNT are independent of the Foundation in all respects. UNTS and UNT are not subsidiaries or affiliates of the Foundation and are not directly or indirectly controlled by the Foundation. The Board of Regents of UNTS makes all decisions regarding the business and affairs of UNTS and UNT, and their long-term assets and endowment assets managed by the Foundation are the exclusive property of UNTS and UNT respectively. Since the Foundation does not have ownership of any of the UNTS or UNT assets, neither the principal nor income generated by these assets, except for management fees paid from these assets, are included in the amount of net assets of the Foundation.

Also, a trust for which the Foundation serves as Trustee currently name the Foundation as the remainder beneficiary, however, the donor has retained the right to change the remainder beneficiary to other charitable organizations. As a result, the Foundation has recorded the assets held under this trust as assets held for others.

Assets held under these arrangements are included in the Statement of Financial Position at fair value, and the Foundation realized net management fee income of \$523,376 and \$424,069 respectively during the year ended August 31, 2017 and 2016, respectively for its services.
