

The University of North Texas at Dallas Policy Manual	Chapter 11.000
11.002 Smoking and Tobacco Products	Facilities and Real Estate

Policy Statement. The University of North Texas at Dallas promotes the health and safety of students, faculty, staff, and visitors. To that end the University building and grounds will be smoke and tobacco product free without exception effective August 1, 2011. Before August 1, 2011, the campus will be smoke and tobacco free except in certain temporary designated areas. These temporary designated areas will be terminated August 1, 2011.

Application of Policy. This policy applies to the total university.

Procedures and Responsibilities.

1. The areas in which tobacco product use is temporarily allowed will be published by the CFO/Vice President Finance and Administration, in consultation with the Associate Provost for Student Success.
2. This policy does not prohibit smoking or tobacco use in a personal vehicle.
3. Disposal of tobacco products on campus, other than in University provided containers, is prohibited.
