

Wonbong Choi

Nanomaterials and Devices Lab,
Professor of Department of Materials Science & Engineering
Professor of Mechanical & Energy Engineering

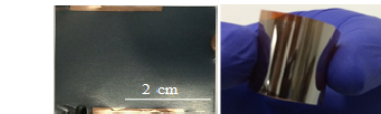

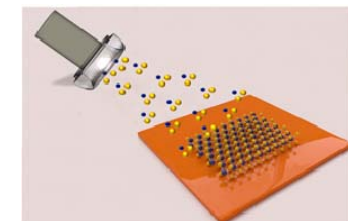

- Fellow, Materials Research Society
- MRS Medal Award (2006)
- Patents > 80, Publications > 200 (Citation # >9,500, H-index 48)

Single molecular DNA-Sensor Nano Letter (2008)

Li-ion Battery, ACS Nano (2010)

2D MoS₂ flexible supercapacitor Jr. Materials Chemistry A (2015)
