

Bill F2016-4

WHEREAS some students only come to the University on nights and weekends (as defined by University hours);

WHEREAS individuals must have a valid UNT parking permit in order to park 24/7;

WHEREAS parking on campus contributes to needs for maintenance and repair over time;

WHEREAS individuals seeking to park on nights and weekends are currently required to purchase a Remote permit for \$125, although some individuals do not require daytime/business hour parking;

WHEREAS a lower-priced permit for night and weekend parking would be less expensive for students while contributing to funds for parking lot maintenance and related costs;

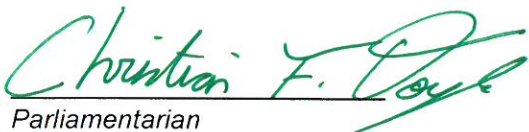

LET IT BE RESOLVED THAT the University create a new parking permit specifically for night and weekend parking only; and

LET IT BE FURTHER RESOLVED THAT this new permit is to be priced at \$50 on an annual basis; and

LET IT BE FURTHER RESOLVED THAT permit pricing for purchases for time periods shorter than one year are to be prorated in line with the University's system of prorated pricing for other permits.

Respectfully Submitted,
Senator Karla Villarreal
