COUNTY OF ORIGIN is entered in a student's SIMS file from the application for admission. A student must file a new application for admission after graduating or dropping out for one year and the county of origin is coded from the address on the new application. Thus, the county of origin for a student may originally be Harris County but may become Denton County by a later admission date.

Percentages may not sum to 100% due to rounding.

Permanent Resident Aliens are counted with US Citizens

Notes about the admissions categories:

- 1. New from high school (or first time in college).** Some "new from high school" students have enough college credit earned in military service, by local and national examinations, dual enrollments, or TAMS, to be classified above the freshman level.
- 2. Returning former student.** A student who drops out for one year or more must file an application for admission in order to return. Such a student is coded as a former student.
- 3. Transient and special students.** A person enrolled in another institution who takes courses at UNT without actually transferring to UNT is coded as a transient student. A person who is permitted to enroll in designated classes without completing the regular admission process is coded as a special student. Transients and special students are accepted for one semester only (they must reapply for permission to enroll for another term).
- 4. New graduate student.** A student who receives a baccalaureate degree from UNT and is admitted to UNT graduate school is coded as a new graduate student, as are students coming from other institutions. The same applies to a student who receives a master's degree from UNT and is admitted to a doctoral program.
- 5. Continuing student.** Students who continue to be enrolled without needing to file a new application for admission are counted as continuing students.

* The post-baccalaureate classification was implemented by the University for Coordinating Board purposes in summer 1992 (after internal statistics were printed) and appears in the Fact Book beginning in fall 1993 to more clearly define the student who holds at least a bachelor's degree, but who is not currently accepted into an approved graduate program. Students accepted into a master's program are classified as "master's" and students accepted into a doctoral program are classified as "doctoral" with the following exception: students with a bachelor's degree who are accepted into a doctoral program are classified as "master's" until they have completed 30 hours toward the doctorate.

Note: Post Bac students' semester credit hours are reflected in the appropriate classification level

Note: Sponsored Project Awards include all new awards for each fiscal year.

***Total expenditures include all expenditures during each fiscal year. Typically expenditures are less than awards because (1) expenditures lag behind new awards and (2) awards include non-cash contributions of equipment, software, and in-kind support.

**** Due to inconsistent reporting across state agencies in the **Other** category, the Texas Higher Education Coordinating Board revised the December 1999 reporting requirements to exclude the **Other** category. The report will now be limited to only research expenditures.

SECTION H
LIBRARY, STAFF, AND FACILITIES

Exhibit H-1 University Library Holdings, Use, and Expenditures

The University Libraries house collections of over two million cataloged items, in a variety of formats, in five libraries located in four separate facilities on campus. The Willis Library contains a majority of the holdings of the Libraries, along with such special areas as the Music Library, Government Documents, Archives, and the Rare Book and Texana collections. The Science and Technology Library, located in the Information Sciences Building, contains the Curriculum Materials Collection (CMC), the library and information sciences collections, and the science and technology collections. The Media Library, with its specialized collections of audio-visual materials and computer software, is located in Chilton Hall. The Library Annex contains lesser-used research materials from the collections and houses the Libraries' Technical Services and Preservation departments.

The University Libraries are administered by a staff of 70, including 40 librarians. The Libraries are under the general supervision of the Dean of Libraries, who is assisted by the Assistant University Librarian, and the University Library Committee, an advisory body appointed by the Faculty Senate.
