A student must file a new application for admission after graduating or dropping out for one year and the county of origin is coded from the address on the new application. Thus, the county of origin for a student may originally be Harris County but may become Denton County by a later admission date.

¹Permanent Resident Aliens are counted with US Citizens.

Notes about the admissions categories:

¹**New from high school (or first time in college).** Some "new from high school" students have enough college credit earned in military service, by local and national examinations, dual enrollments, or TAMS, to be classified above the freshman level.

Returning former student. A student who drops out for one year or more must file an application for admission in order to return. Such a student is coded as a former student.

Transient and special students. A person enrolled in another institution who takes courses at UNT without actually transferring to UNT is coded as a transient student. A person who is at UNT without actually transferring to UNT is coded as a transient student. A person who is permitted to enroll in designated classes without completing the regular admission process is coded as a special student. Transients and special students are accepted for one semester only (they must reapply for permission to enroll for another term).

Continuing student. Students who continue to be enrolled without needing to file a new application for admission are counted as continuing students.

³Total research expenditures include all research expenditures during each fiscal year. Typically expenditures are less than awards because expenditures lag behind new awards and awards include non-cash contributions of equipment, software, and in-kind support.

Note: Sponsored Project Awards include all new awards for each fiscal year.

University Library Holdings, Use, and Expenditures
FY2008**

The University Libraries house collections of almost 6 million cataloged items, in a variety of formats, in five libraries located in five separate facilities, and provide electronic access through the University Libraries' website <http://www.library.unt.edu> . The Willis Library contains a majority of the holdings of the Libraries, along with such special areas as the Music Library, Government Documents, Archives, and the Rare Book and Texana collections. The Science and Technology Library, located in the Information Sciences Building, contains the Curriculum Materials Collection (CMC) and the science and technology collections. The Research Park Library collections support the College of Engineering and the School of Library and Information Sciences. The Media Library, with its specialized collections of audio-visual materials and computer software, is located in Chilton Hall. The Library Annex contains lesser-used research materials from the collections and houses the Libraries' Technical Services and Preservation departments. The Dallas Campus Library supports the academic programs at the University of North Texas-Dallas.

The University Libraries serve as an Affiliate Archive for the National Archives and Records Administration and to date have received over \$1.8 million dollars in external funding for research in digital preservation and for the creation of digital collections with partner institutions. Of interest is the Portal to Texas History, the CyberCemetery, the Congressional Research Service Reports Archives, the Miniature Books Collection, and the Jean-Baptiste Lully Collection.
<http://www.library.unt.edu/libraries-and-collections/digital-collections> .

The UNT Music Library holds the largest sound archive in the Southwest with over 882,641 recordings in cylinder, 78, 45, LP, 8-track, cassette, CD, DVD, reel-to-reel tape and DAT tape formats. 1

The University Libraries are administered by 49 librarians with the assistance of 86 full-time staff. The Libraries are under the general supervision of the Dean of Libraries, who is assisted by the Associate Dean of Libraries, and the University Library Committee, (an advisory body appointed by the Faculty Senate).
