WELCOME, NEW STUDENTS!

The University of North Texas has partnered with Foundry to provide a course that address critical life skills dealing sexual assault prevention and bystander education. As part of our comprehensive prevention efforts for new students, University of North Texas expects each new student to complete AlcoholEdu and Sexual Assault Prevention for Undergraduates (SAPU). Please read below on how to access courses.

SEXUAL ASSAULT PREVENTION FOR UNDERGRADUATES (SAPU)

The course includes surveys to help personalize your experience and measure your attitudes and behaviors about healthy relationships and sexual assault. All survey responses are confidential; UNT will only receive information about the student body as a whole and will never see any individual student's answers.

- Log into your MyUNT Portal.
- Click on the 'Student' tab located on the top of the portal. This is different than your 'Student Center'.
- In the lower middle of the page, there is a message box that says "Mandatory Sexual Assault Prevention Training for all incoming students"
- To access course, click on link.
- You will need your UNT ID number to access SAPU. This is the number provided with your UNT acceptance information (it is an 8 digit number that starts with the number 1)
- Part 1 is due August 21
- Part 2 will not open until the end of September
