

Request to Update University Records - Visa Status

This form is used to request an update to University records regarding immigration status. Use this form when your status has changed from one non-immigrant status such as F1 to a new status such as US Permanent Resident.

Please consider the following when requesting an update to University records regarding your immigration status:

- You must show proof that your new status has been approved. Acceptable documents include valid EAD cards and Notice I-797A from USCIS.
- UNT can only maintain your F-1 status if you continue to follow F-1 immigration regulations. Remember the FACTS!
- If you update your immigration status to Pending Permanent Resident or US Permanent Resident, you will no longer be automatically enrolled in the Student Health Insurance Plan and will need to opt in if you wish to have UNT health coverage.
- If you are currently qualified for in-state tuition under a non-F-1 status and are switching to an F-1 status, you will no longer be eligible for in-state tuition rates, unless you qualify from Texas high school attendance.
- Not all immigration statuses will qualify you for in-state tuition.
