Student Accounting Backup

Student Accounting Review

Improve Customer Service while Reducing Expenses and maintaining Strong Compliance

- The student accounting operations that impact students services will transition to member oversight.
- Shared responsibilities will remain centralized under specific member institutions.
- Uniform and unified processes will seek to find efficiencies with either member or shared responsibilities.

Staffing & Budget Changes

- UNTS will transition 28 FTEs to member institutions along with \$1,730,662 in annual budget.
- UNTD will receive 3 FTEs and setup an service level agreement with UNT to manage specific operations.
- UNTHSC will receive 5 FTEs and add 1 internal staff to oversee operations.
- UNT will receive 20 FTEs to combine with 5 internal staff working in student customer services.
- UNT will save approximately \$96k in budget from two vacant FTEs as part of the transition.

Member Responsibilities	Shared Responsibilities

Board Briefing

Committee: Audit

Date Filed: January 8, 2015

Title: Approval of Revisions to the Audit Committee Charter

Background:

On January 22, 2008, the Audit Committee adopted a formal Charter. This Audit Committee Charter is being revised pursuant to recommendations from the Financial Transformation project and is in accordance with recognized best practices in higher education governance.

This charter seeks to: define the Committee’s purpose, primary goals, and objectives and clarify how members will work together to fulfill the goals and objectives of the Committee as a whole.

The charter language will be evaluated on an annual basis to ensure it remains relevant and effective to the System and its institutions.

Financial Analysis/History:

There is no financial impact.

Board Order

Title: Approval of Revisions to the Audit Committee Charter

At an official meeting of the Board of Regents of the University of North Texas System properly posted and held on February 19-20, 2015, pursuant to a motion made by Regent and seconded by Regent , the Board approved the motion presented below:

Whereas, a remedial activity resulting from the work performed on Governance under the leadership of the Financial Oversight Task Force recommended the Audit Committee Charter be revised, and

Whereas, the Interim Chief Internal Auditor has prepared the Audit Committee Charter, and

Whereas, the Board of Regents has reviewed the Audit Committee Charter,

Now, Therefore, The Board of Regents authorizes and approves the following:

- 1. Revisions to the Audit Committee Charter as reflected in the attachment to this order.

BOARD OF REGENTS AUDIT COMMITTEE CHARTER

Purpose and Authority

The Audit Committee of the Board of Regents ("Board") of the University of North Texas System (System) assists the Board in fulfilling its responsibilities for:

1. Oversight of the quality and integrity of the accounting financial, and non-financial reporting practices;
2. Oversight of the internal audit function, any external auditors who the Committee may employ, and engagements with the State Auditor;
3. Oversight of the internal control environment;
4. Oversight of legal and regulatory compliance;
5. Oversight of information security and controls;
6. Oversight of the integrity of the System's financial statements and the System's accounting and financial reporting processes and financial statement audits;
7. Oversight of the System's disclosure control processes and procedures, internal controls over financial reporting, and compliance with ethical standards adopted by the System; and
8. Oversight of the System's risk management process.

The Audit Committee should encourage continuous improvement, and should foster adherence to the System's policies, procedures, and practices at all levels. The Audit Committee should also provide for open communication among the external auditor, financial and senior management, the internal audit function, and the Board of Regents.

The Audit Committee has the authority to conduct investigations into any matters within its scope of responsibility and obtain advice and assistance from outside legal, accounting, or other advisers, as necessary, to perform its duties and responsibilities. In carrying out its duties and responsibilities, the Audit Committee shall also have the authority to meet with and seek any information it requires from employees, Regents, or external parties.

The System will provide appropriate funding, as determined by the Audit Committee, to fund the internal audit activity, to compensate the external auditor, to compensate any advisers that the Audit Committee chooses to engage, and for payment of ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee's principal responsibility is one of oversight. The fundamental responsibility for the integrity of the System's financial statements and disclosures rests with management and the external auditor.

Membership and Meetings

The Audit Committee is a standing committee of the Board and is composed of not fewer than four members of the Board. The Chairman of the Finance Committee shall serve as an ex officio voting member of the Audit Committee.

Committee members will be appointed by the Chairman of the Board of Regents.

The Audit Committee members will be financially literate and the Committee will provide its members with continuing education opportunities in financial reporting and other relevant areas. The Audit Committee should include at least one financial expert.

The Audit Committee will meet four times annually or more frequently as circumstances require. The Audit Committee may meet in executive session as needed and as allowed by law. The Audit Committee should meet with the external auditors, internal auditors and management in separate executive sessions.

The agenda for Committee meetings will be developed by the Audit Committee Chairman in

consultation with the Chancellor and the Chief Internal Auditor.

The committee will meet periodically with the external auditor and management to discuss the annual audited financial statements and quarterly financial statements.

Independence

The Board of Regents and management must be independent from vendors. If overlapping financial interests or personal relationships exist, they must be fully disclosed, and the appropriate personnel must recuse themselves from discussions and voting on related matters.

Accounting / Financial Information Review Duties

1. Review the annual financial statements and related footnotes and discuss with management, the Chief Internal Auditor and the external auditor.
2. Review the financial statements and all of its disclosures, especially fees paid to vendors, activities unrelated to the System's purpose and transactions with related entities.

External Auditor Review Duties

1. Appoint, compensate, retain, and oversee the work performed by the external auditor retained for the purpose of preparing or issuing an audit report or related work. Review the performance and independence of the external auditor and remove the external auditor if circumstances warrant. The external auditor will report directly to the Audit Committee and the Audit Committee will oversee the resolution of disagreements between management and the external auditor if they arise.
2. Review both the audit and non-audit services to be provided by the external auditor.
3. Consider whether the external auditor's provision of permissible non-audit services is compatible with the auditor's independence. Actively engage in dialogue with the external auditor with respect to any disclosed relationships or services that may affect the independence and objectivity of the auditor and take appropriate actions to oversee the independence of the external auditor.
4. Review with the external auditor any problems or difficulties with respect to the audit and obtain reports on significant findings and recommendations, together with management responses.
5. Hold timely discussions with the external auditor regarding the following:
 - a. All critical accounting policies and practices.
 - b. All alternative treatments of financial information within generally accepted accounting principles (GAAP) related to material items that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the external auditor.
6. At least annually, obtain and review a report by the external auditor describing:
 - a. The external auditor's internal quality-control procedures.
 - b. Any material issues raised by the most recent internal quality-control review or peer review, or by any inquiry or investigation by governmental or professional authorities within the preceding five years with respect to independent audits carried out by the external auditor, and any steps taken to deal with such issues.
 - c. All relationships between the external auditor and the System.
7. Annually, evaluate the external auditor's qualifications, performance, and independence. Further, the Audit Committee will review the experience and qualifications of the lead partner. The Audit Committee will also consider whether there should be rotation of the external auditor itself. The Audit Committee should present its conclusions to the board.
8. Set policies for hiring personnel of the external auditor.

Financial Reporting Processes, Accounting Policies, and Internal Control Structure Duties

UNT | SYSTEM™

1. Discuss with the external auditor, the internal audit function, and management, the extent to which changes or improvements in financial or accounting practices have been implemented.
2. In consultation with the external auditor and the internal audit function, review the integrity of the System's financial reporting processes (both internal and external).
3. Understand the scope of the external auditor's review of internal control over financial reporting.
4. Monitor the effectiveness of the internal control systems. Receive and review any disclosures from the System's CFOs and Controllers made in connection with the certification of the System's financial reports: a) significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the university's ability to record, process, summarize, and report financial data; and b) any fraud, whether or not material, that involves management or other employees who have a significant role in the university's internal controls.
5. Review major issues regarding accounting principles and financial statement presentations, including any significant changes in the System's selection or application of accounting principles; major issues as to the adequacy of the university's internal controls.
6. Review analyses prepared by management and the external auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements for state and local governments.
7. Review and approve all related-party transactions.
8. Establish and oversee procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters, including procedures for confidential, anonymous submissions by System employees regarding questionable accounting or auditing matters.
9. Confirm that significant findings and recommendations made by the internal and external auditors are received, discussed and acted upon appropriately and promptly.
10. Assure that management is setting the appropriate tone in communicating the importance of internal controls and in establishing policies and procedures to mitigate risk.

Internal Audit Duties

1. Review all internal audit reports and responses and monitor the implementation of recommendations.
2. Recommend for approval by the Board the hiring, removal, and evaluation of the Chief Internal Auditor who shall report to the Board through the Audit Committee.
3. Annually review the performance of the Chief Internal Auditor.
4. Review the effectiveness of the internal audit function, including staffing, training, independence, and adequacy of resources.
5. Approve the internal audit purpose statement, charter, and other governance documents related to internal audit activities, and annually review and recommended changes, as needed, of the internal audit governance documents (including the purpose statement and charter).
6. Periodically review, with the Chief Internal Auditor, any significant difficulties, disagreements with management, or scope restrictions encountered in the course of conducting their work.
7. Periodically review the internal audit function's responsibility, budget, and staffing.
8. Meet with the Chief Internal Auditor in private without representation from administration present.

Ethical Compliance, Legal Compliance, and Risk Management Duties

1. Oversee, review, and periodically update the System's code of conduct and how the System assures compliance with and enforces this code.
2. Oversee the System's risk management process.
3. Review any legal and regulatory matters that may have a material impact on the financial statements, internal auditing, and/or compliance activities.
4. Recommend the annual System-wide risk assessment and annual internal audit plan for review and approval by the Board of Regents.
5. Initiate audits and compliance activities as deemed necessary to ensure appropriate risk management and control processes within the System.
6. Review all compliance reports and monitor the implementation of recommendations.

7. Consider the risk of management's ability to override the internal controls.

Reporting and Duties

1. Recommend to the Board of Regents that the audited financial statements be included in the System's annual report.
2. Report regularly to the Board of Regents regarding the execution of the Audit Committee's duties, responsibilities, activities, and any issues encountered.

Other Responsibilities and Duties

1. Recommend an Audit Committee Charter for review and approval by the Board of Regents; and review this charter at least annually and recommend to the Board of Regents any necessary amendments.
2. Conduct an annual performance assessment relative to the Audit Committee's purpose, duties, and responsibilities outlined herein.
3. Perform any other activities consistent with this charter, the System's bylaws, and governing laws that the Board of Regents or Audit Committee determine are necessary or appropriate.

UNIVERSITY of HOUSTON SYSTEM

Audit and Compliance Committee

Charge: The audit and compliance committee has oversight of all audit matters and all compliance activities, including ensuring sound fiscal and management policies and practices. It also provides oversight to ensure full compliance with all applicable local, state, and federal laws and regulations.

The Audit & Compliance Committee (“the Committee”) of the Board of Regents (“the Board”) of The University of Houston (“UH”) System assists the Board in fulfilling its responsibilities for:

- Oversight of the quality and integrity of the accounting and financial reporting practices, including the annual financial statements, and the system of internal controls;
- Oversight and direction of the internal auditing function, any external auditors or other outside expertise whom the Committee may employ, and engagements with the State Auditor;
- Oversight and direction for the System-wide institutional compliance function;
- Oversight of the review of effective institutional management practices which provide for effective risk management, accountability and stewardship at all UH System components; and
- Other duties as directed by the Board.

The Committee’s role includes a particular focus on UH System’s processes to manage business and financial risk, and for compliance with significant applicable legal, ethical, and regulatory requirements.

Membership

The membership of the Committee shall consist of not less than three regents, nor more than four. The Committee will have a committee chair, vice chair, and one or two additional regents, all of whom shall be appointed by the chair of the board. The chair of the board will serve as ex-officio for the Committee and will count for

purposes of determining a quorum. A quorum is three for the Committee. One to four advisory members may be appointed to the Committee with the unanimous approval of the chair of the board, the chancellor, and the chair of the Committee. The advisory members will serve one-year terms from September 1 through August 31 and may be reappointed each year. Advisory members will not have voting authority.

Reporting

The Chief Audit Executive, System-wide Compliance Officer, and executive management shall provide periodic reports related to audit, compliance, and management review to the Committee. Any public accounting firm or other outside expertise employed by the Committee shall report directly to the Committee. The State Auditor's reports will be submitted to this committee. The Committee is expected to maintain free and open communications, which shall include private executive sessions, at least annually, with these parties, as it deems appropriate and is permitted by law.

The Committee chairperson shall regularly report Audit & Compliance Committee activities to the full Board of Regents, particularly with respect to:

- (i.) any issues that arise regarding compliance with legal or regulatory requirements and the performance and independence of internal and external auditing and assurance functions; and
- (ii.) such other matters as are relevant to the Committee's discharge of its responsibilities.

Education

UH System executive management is responsible for providing the Committee with educational resources related to accounting principles and procedures, risk management, and other information that may be requested by the Committee. UH System executive management shall assist the Committee in maintaining appropriate financial and compliance literacy.

Authority

The Committee, in discharging its oversight role, is empowered to study or

investigate any matter related to audit, compliance, and management of interest or concern that the Committee, in its sole discretion, deems appropriate for study or investigation by the Committee. The Committee shall be given full access to all UH System employees and operations as necessary to carry out this authority. The Committee through its chair is authorized to engage outside expertise, to the extent permitted by applicable law, should it choose to do so.

Responsibilities

The Committee's specific responsibilities in carrying out its oversight role are delineated in the Audit & Compliance Committee Responsibilities Checklist. The responsibilities checklist will be updated annually by the Committee to reflect changes in regulatory requirements, authoritative guidance, and evolving oversight practices. As the compendium of Committee responsibilities, the most recently updated responsibilities checklist will be considered to be an addendum to this charter.

The Committee relies on the expertise and knowledge of management, the internal auditors, the State Auditor, and any public accounting firm or other outside expertise they may employ in carrying out its oversight responsibilities. UH System executive management is responsible for preparing complete and accurate financial statements and for monitoring internal controls and compliance with all applicable laws, regulations, and internal policies and procedures. Any public accounting firm or other outside expertise hired by the Committee is responsible for performing the services specified in the hiring contract.

CHECKLIST

Responsibilities Checklist for the Audit & Compliance Committee of the Board of Regents of The University of Houston System.

1. The Committee will perform such other functions as assigned by law or the Board of Regents of The University of Houston System ("the Board").
2. The Committee shall meet four times per year or more frequently as circumstances require. The Committee may ask members of management or others to attend the meeting and provide pertinent information as necessary.

3. The agenda for Committee meetings will be prepared in consultation between the Committee chair (with input from the Committee members), UH System executive management, the Chief Audit Executive, and the System-wide Compliance Officer.
4. The Committee shall verify that its membership is familiar with the Committee's Charter, goals, and objectives.
5. The Committee shall review the independence of each Committee member based on applicable independence laws and regulations.
6. The Committee shall review and approve the appointment or change in the Chief Audit Executive.
7. The Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities.
8. The Committee shall provide an open avenue of communication between the State Auditor, internal auditors, any public accounting firm or other outside expertise employed, executive management, and the Board. The Committee chairperson shall report Committee actions to the Board with such recommendations as the Committee may deem appropriate.
9. For the purpose of preparing or issuing an audit report or related work, the Committee shall be directly responsible for the appointment, compensation, and oversight of the work of any employed public accounting firm (including the resolution of disagreements between management and the auditor regarding financial reporting) or other outside expertise. This does not preclude an individual component institution from hiring a public accounting firm to perform work at the component level.
10. The Chief Audit Executive has responsibility for ensuring that no conflicts of interest exist between public accounting firms performing consulting services and firms conducting financial statement audits. The Chief Audit Executive shall report annually on the status and integrity of UH System's engagements with public accounting firms.
11. The Committee shall review with executive management, the Chief Audit Executive, the System-wide Compliance Officer, the State Auditor, and any employed public accounting firm the coordination of efforts to assure completeness of coverage, reduction of redundant efforts, and the effective use of resources.
12. The Committee shall inquire of executive management, the Chief Audit Executive, the System-wide Compliance Officer, and any employed public accounting firm or other outside expertise about significant risks or exposures and

assess the steps management has taken to minimize such risk to UH System.

13. The Committee shall consider and review with the Chief Audit Executive, the System-wide Compliance Officer, the State Auditor, and any employed public accounting firm or other outside expertise:

a. The adequacy of UH System's internal controls including computerized information system controls and security;

b. The adequacy and efficiency of senior-level management with respect to fiscal operations and compliance functions at all component institutions;

c. Any related significant findings and recommendations of the State Auditor, independent public accountants, and internal audit together with management's responses thereto.

14. Regarding the UH System's financial statements, the Committee shall review with executive management and/or the Chief Audit Executive:

a. UH System's annual financial statements and related footnotes;

b. Any audit and assurance work performed on components of the annual financial statements;

c. Any significant changes to the financial statements requested by the State Auditor, internal audit, or any independent public accountants;

d. Any serious difficulties or disputes with management encountered during assurance work on components of the financial statements;

e. Other matters related to the conduct of assurance services that are to be communicated to the Committee under generally accepted government auditing standards.

15. The Committee shall require the UH System Chancellor and UH System Chief Financial Officer certify the annual financial statements for the UH System as a whole, and that each component President and Chief Financial Officer certify the annual financial statements for their respective component institution.

16. The Committee shall review legal and regulatory matters that may have a material impact on the financial statements, internal auditing and/or compliance activities.

17. The Committee shall review with executive management and the Chief Audit Executive at least annually U. H. System's critical accounting policies, including any significant changes to Generally Accepted Accounting Procedures (GAAP), Regents' Bylaws and Policies, and/or operating policies or standards.

18. On an annual basis, the Committee shall review, recommend, and approve the

annual audit plan, including the allocation of audit hours and internal audit budget and staffing.

19. Regarding audits, the Committee shall consider and review with executive management and the Chief Audit Executive:

- a. Significant findings during the year and management's responses thereto;
- b. Any difficulties encountered in the course of the audits, including any restrictions on the scope of work or access to required information;
- c. Any changes required in the planned scope of the audit plan.

20. The Committee shall conduct an annual performance review and evaluation of the Chief Audit Executive.

21. The Committee shall ensure procedures are established for the receipt, retention, and treatment of complaints received regarding internal controls or auditing matters; and the confidential anonymous submission by employees of concerns regarding questionable auditing matters.

22. The Committee shall monitor The University of Houston System Institutional Compliance Program and review with executive management and the System-wide Compliance Officer the status of the program and the results of its activities, including:

- a. Significant institutional risks identified during the year and mitigating actions taken;
- b. Significant findings during the year and management's responses thereto;
- c. Any difficulties encountered in the course of inspections or assurance activities, including any restrictions on the scope of work or access to required information;
- d. Any changes required in planned scope of the compliance action plan.

23. The Committee shall conduct an annual review of the ethics and conflict of interest policies of the Board and each of the universities and receive a status update on the annual regent certification statements.

24. The Committee shall ensure procedures are established for the receipt, retention, and treatment of complaints received regarding compliance issues and the confidential anonymous submission by employees of concerns regarding ethically or legally questionable matters.

25. The Committee shall meet with the Chief Audit Executive, the System-wide Compliance Officer, executive management, or any employed external auditors or other outside expertise in executive session to discuss any matters that the Committee or the before named believe should be discussed privately with the

Committee, to the extent permitted by applicable law.

26. The Committee shall review and update the Audit & Compliance Committee Responsibilities Checklist annually.

27. The Committee shall conduct an annual review of the report on compliance of each support organization.

28. The Committee shall receive an annual fraud prevention and awareness report which summarizes the fraud risk analyses and related risk mitigation strategies.

29. The Committee shall receive an annual report of all activities of the Identity Theft Prevention program.

30. The Committee shall receive an annual report to the Board listing all professional services and consulting contracts to a single entity greater than \$250,000 and for all other procurements (except investment agreements) where total compensation for system-wide sources to a single entity is expected to exceed \$1,000,000.

31. The Committee shall receive an annual report on the activities of the Internal Auditing Department in the format prescribed by the State Auditor's Office (Texas Government Code 2102.009).

32. The Committee shall receive an audit report on the safety and security of the institution's facilities at least once every three years (Texas Education Code 51.217).

Meeting for FY2016 - FY2017

Thursday - December 1, 2016

10:30 a.m. - 11:30 a.m.

Location:

Hilton University of Houston Hotel

Conrad Hilton Ballroom, Second Floor

4450 University Drive

THE UNIVERSITY OF TEXAS SYSTEM ADMINISTRATION
INTERNAL AUDIT COMMITTEE CHARTER
(Approved on 3/22/16 by System Administration Internal Audit Committee)

AUTHORITY

The University of Texas (UT) System Policy UTS129, *Internal Audit Activities* authorizes the establishment of the UT System Administration (System Administration) Internal Audit Committee (Committee).

PURPOSE

The Committee is an essential part of the risk management and internal control infrastructure. The Committee exists to assist the Chancellor in fulfilling his responsibilities for oversight and management of System Administration and the UT institutions. The Committee's oversight of the System Audit Office is accomplished by awareness of key issues, the risk assessment, and the annual internal audit plan. Its primary responsibilities are to assist and advise the UT System Board of Regents' Audit, Compliance, and Management Review Committee (ACMRC), Chancellor, and management team of UT System in the following matters:

- Oversight of management activities and processes put in place to manage business and financial risk to System Administration's missions and objectives.
- Oversight and direction of the internal audit activity to ensure alignment of activities with areas of high risk and/or high potential for adding organizational value.
- Oversight of any external public accounting firms and review of their results.
- Evaluation of risks identified by management or through audit, advising management, and elevating reporting of risk management and audit activities to the UT System (through internal audit or direct processes), including the ACMRC.

ROLES

Membership in the Committee is made up of members who are external to the organization in addition to key members of the System Administration executive management team.

The Chairman of the Committee will be nominated by the Chancellor and approved by the ACMRC Chairman. The Committee is functionally responsible to the ACMRC and assists the ACMRC in discharging its oversight duties for the UT System. This is accomplished as the Committee carries-out its responsibilities, as defined in this charter. The Committee Chairman has direct access to the ACMRC Chairman; however, most of the reporting and coordination of information is administratively facilitated through the UT System Chief Audit Executive (CAE).

At least three Committee members must be external to System Administration and the Chairman must be one of the external members. The external members will serve three-year

THE UNIVERSITY OF TEXAS SYSTEM ADMINISTRATION
 INTERNAL AUDIT COMMITTEE CHARTER
(Approved on 3/22/16 by System Administration Internal Audit Committee)

terms with the eligibility to be appointed to one additional three-year term. Members of management may be Committee members or invited guests and should include the Chancellor.

Generally, the external Committee members must be independent and objective, have management or governance leadership experience, and possess skills, which will complement the profile of skills held by the Committee. Such skills include, but are not limited to, financial and technology acumen, academic and healthcare industry awareness, and basic risk and control understanding. The System Audit Office and management can aid members in seeking material and education to maintain current and adequate member skill. All members of the Committee should attend orientation, which is provided by the System Audit Office.

MEETINGS

The Committee meets quarterly, with the authority to convene additional meetings, as necessary. The meetings should provide for direct communication between the CAE, Committee members, and Chancellor. Evidence of actions taken by the Committee should be reflected in recorded minutes. A majority of members constitutes a quorum and attendance should be recorded in the minutes.

RESPONSIBILITIES

The Committee’s specific responsibilities in carrying out its oversight and reporting roles are delineated below.

	Quarter Due
GENERAL	
Meet at least four times per year (more frequently as circumstances require or at the request of the Committee Chairman or Chancellor)	1,2,3,4
Have meeting agenda prepared by the CAE in consultation with the Committee Chairman	1,2,3,4
Have approved minutes of meetings maintained by the CAE	1,2,3,4
Review the Committee Charter and assess performance of the responsibilities delineated in that charter, periodically	Periodically
Perform such other functions as assigned by the ACMRC	As Needed
Meet in private executive session as necessary to assess the performance of the internal audit activity	1,2,3,4

THE UNIVERSITY OF TEXAS SYSTEM ADMINISTRATION
INTERNAL AUDIT COMMITTEE CHARTER
(Approved on 3/22/16 by System Administration Internal Audit Committee)

OVERSIGHT OF BUSINESS, TECHNOLOGY, AND FINANCIAL RISK MANAGEMENT

Determine that System Administration management demonstrates responsibility for identifying and managing business risks; evidenced by clear understanding of these risks and effective response. Business risk responses include, but are not limited to, formal objectives, oversight mechanisms (metrics, reporting, policies & procedures), and established business functions with capable people, adequate process, and sufficient technology.	On-going
Review key reports demonstrating the integrity of the organization’s financial statements such as: <ul style="list-style-type: none"> • Certifications by management • Internal audits of financial information and internal controls • External financial audit results • Reports of management processes and tools for assessment and management of fraud 	Periodically

OVERSIGHT OF THE INTERNAL AUDIT ACTIVITY

Approve an Internal Audit Activity Charter that is consistent with the Texas Internal Auditing Act and Standards of the Professional Practice of Internal Auditing	Periodically
Review the Internal Audit Activity Charter to ensure it encompasses any required revisions, periodically	Periodically
Review the risk assessment methodology for capturing applicable business and financial risks for development of the Annual Internal Audit Plan	4
Review the Annual Internal Audit Plan to ensure appropriate coverage for risks identified in the risk assessment, including coverage of significant financial and information systems	4
Approve the Annual Internal Audit Plan and all changes thereto	4
Review quarterly the status of completion of the Annual Internal Audit Plan	1,2,3,4
Receive the results of all completed internal audit engagements	1,2,3,4
Receive reports of confidential internal reporting (hotline activity) related to internal controls, financial management, internal auditing, or external auditing	As Needed
Review all priority findings and management action plans to address the related recommendations made	1,2,3,4
Monitor the status of management action plans for recommendations to priority findings	1,2,3,4
Approve utilization of internal audit resources outside the Annual Internal Audit Plan	As Needed

THE UNIVERSITY OF TEXAS SYSTEM ADMINISTRATION
INTERNAL AUDIT COMMITTEE CHARTER
(Approved on 3/22/16 by System Administration Internal Audit Committee)

Review staffing and organization of the internal audit activity for appropriateness in relation to the organization and its identified risks and make recommendations to the Chancellor, if necessary	Periodically
Request an annual self-assessment by the internal audit activity and review the results	Periodically
Ensure that an external quality assessment is performed at least once every three years and review the results	Triennial
Provide input to the Chancellor for the annual evaluation of the CAE	As Needed
Provide input to the Chancellor on the hiring and dismissal of the CAE	As Needed

OVERSIGHT OF EXTERNAL FIRMS

Review any external audit firm contractual arrangements with the organization to confirm management compliance with the requirements of Regents' Rule 20402 <i>Provision of Audit and Non-Audit Services by External Audit Firms</i> and the operating rules of the ACMRC	As Needed
Review the reports of any external audit firms contracted by the organization to perform financial, reporting, accounting, or internal audit	As Needed
Receive reports from internal audit and management regarding the State Auditor's Office audit activities	As Needed

UT SYSTEM COORDINATION

Develop open communication among the various Institutional Audit Committee Chairmen, the System Audit Office, and the ACMRC to create a collaborative approach for business and financial risk management for the UT System as a whole	On-going
Committee Chairman attends orientation or meetings, as requested by ACMRC members	As Needed
Review reports, which are used by the ACMRC in discharging its oversight duties for the UT System: <ul style="list-style-type: none"> • Annual Internal Audit Plan of System Administration and changes thereto • Status of the Annual Internal Audit Plan and completed engagements • Annual Consolidated Internal Audit Plans and status of the UT institutions • Report of internal confidentially disclosed (hotline) activity related to internal controls, financial management, internal auditing, or external auditing • Priority findings and their status • Contracts with external public accounting firms for financial related activity • Other matters as requested by the ACMRC 	On-going

The responsibilities outlined above will be updated periodically by the Committee to reflect changes in UT System guidance, regulatory requirements, and authoritative guidance or best practices in business, technology and financial risk management.

Texas Tech University System

Audit Committee Charter

Dates Approved or Amended:

-- *Initial adoption of policy*.....08-07-2009

-- *Comprehensive review (no changes)*.....07-28-2014

PREAMBLE

The Audit Committee Charter (Charter) was adopted by the Board of Regents (Board) of the Texas Tech University System (TTU System) on August 7, 2009, and any subsequent changes to the Charter must be approved by the Board.

INTRODUCTION

The Audit Committee (Committee) of the Board is established pursuant to Section 01.02.8.d(4), *Regents' Rules*. The purpose of this Charter is to provide guidelines for the operation of the Committee to further define its role, duties, and responsibilities.

The Committee plays a key role in fulfilling the Board's governance responsibilities throughout the TTU System and all of its components related to:

- Accounting and financial reporting practices;
- Effective institutional management practices;
- Internal and external audit functions;
- Risk management processes;
- Achievement of program objectives;
- Control environment (accountability, ethical values, stewardship);
- Internal control activities;
- Monitoring; and
- Information and communication (financial and other reporting requirements).

AUTHORITY

The Committee, in fulfilling its oversight role, has the authority to study or investigate any matter within the Committee's scope of responsibilities. The Committee will inform the Board of such actions and the results. With the concurrence of the Committee, the Committee Chair may fulfill certain duties and responsibilities of the Committee and report back the results to the Committee and the Board.

EDUCATION

The TTU System is responsible for providing the Committee with educational resources related to auditing, risk management, accounting principles and practices, and other information that the Committee may request. The Chief Audit Executive and the Secretary of the Board will assist the Committee in maintaining literacy in the appropriate areas related to the Committee's function.

MEETINGS

The Committee will meet at least quarterly or more frequently as the Board or Committee dictates or as circumstances require. Periodically as determined by the Committee, the Committee will meet separately with the Chief Audit Executive to discuss matters the Committee believes should be discussed privately with the Committee. Such meetings will be governed by the Texas Open Meetings Act (Chapter 551, *Texas Government Code*).

DUTIES AND RESPONSIBILITIES

The duties and responsibilities of the Committee include the following:

- Provide a forum for communication among internal auditors, management, external auditors, and the Board on issues within the areas described above.
- Oversee the development, implementation, and execution of policies and procedures that promote accountability, ethical values, and sound control practices. The Office of Audit Services will be accountable to the Board through the Committee for objectively evaluating risk management, control, and governance processes.
- Request and review information from the Chancellor and Presidents, the Chief Audit Executive, and external auditors about significant risks or exposures within TTU System, and assess the adequacy of management's actions to identify, assess, and mitigate identified risks with strong control activities, information and communication processes, and monitoring processes. Require the Chief Audit Executive to provide an assessment of TTU System components' risk management processes on a biennial basis.
- The Committee will make recommendations for the selection of external auditors or may delegate such authority to the Chief Audit Executive.
- Review with management and/or the Chief Audit Executive:
 - The annual financial statements of TTU System and its components;
 - Any significant changes in generally accepted accounting principles (GAAP) or TTU System accounting policies that may impact the financial statements;
 - Any legal or regulatory matters that may have a material impact on the financial statements; and
 - Any related internal or external audit work performed.

- Related to audits or other engagements performed by external auditors, review with the external auditors and/or the Chief Audit Executive:
 - Results of the engagement, which may include audited financial statements, an opinion letter, or other reports issued by the external auditors;
 - Any material adjustments to the financial statements;
 - Significant findings or recommendations; and
 - Management letters issued by the external auditors, together with responses for addressing issues noted.
- In consultation with the Chief Audit Executive, review and approve the annual audit plan, as well as any changes to the plan as a result of changing risks or other circumstances.
- Review with the Chief Audit Executive and management:
 - Significant audit issues and management's responses thereto;
 - Status of management's action plans to address prior audit issues;
 - Any difficulties encountered in the course of performing audits, including restrictions on the scope of work and access to required information;
 - The Office of Audit Services budget and staffing;
 - The Office of Audit Services' compliance with professional standards as outlined in Section 2102.011, *Texas Government Code*; and
 - The TTU System's fraud prevention program and any significant results from investigations of fraud, waste, and abuse.
- Promote an atmosphere of open communication and cooperation with the State Auditor's Office to utilize the knowledge of the State Auditor in assessing control activities, management, internal audit function, and the impact of each one on the quality and reliability of the TTU System's operations, outcomes, and results.
- Conduct executive sessions as authorized by law.
- Formally evaluate the Chief Audit Executive's performance on an annual basis, including a review of related compensation, to be completed no later than March of each fiscal year.
- Report Committee actions to the Board with any recommendations the Committee may deem appropriate.

GOVERNMENT CODE

TITLE 10. GENERAL GOVERNMENT

SUBTITLE C. STATE ACCOUNTING, FISCAL MANAGEMENT, AND PRODUCTIVITY

CHAPTER 2102. INTERNAL AUDITING

Sec. 2102.001. SHORT TITLE. This chapter may be cited as the Texas Internal Auditing Act.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.

Sec. 2102.002. PURPOSE. The purpose of this chapter is to establish guidelines for a program of internal auditing to assist agency administrators and governing boards by furnishing independent analyses, appraisals, and recommendations about the adequacy and effectiveness of a state agency's systems of internal control policies and procedures and the quality of performance in carrying out assigned responsibilities. Internal auditing is defined as an independent, objective assurance and consulting activity designed to add value and improve an organization's operations. It helps an organization accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 2003, 78th Leg., ch. 380, Sec. 1, eff. Sept. 1, 2003.

Sec. 2102.003. DEFINITIONS. In this chapter:

- (1) "Administrator" means the executive head of a state agency.
- (2) "Assurance services" means an examination of evidence for the purpose of providing an independent assessment of risk management, control, or governance processes for an organization. Assurance services include audits as defined in this section.
- (3) "Audit" means:
 - (A) a financial audit described by Section [321.0131](#);

- (B) a compliance audit described by Section [321.0132](#);
- (C) an economy and efficiency audit described by Section [321.0133](#);
- (D) an effectiveness audit described by Section [321.0134](#); or
- (E) an investigation described by Section [321.0136](#).

(4) "Consulting services" means advisory and related client service activities, the nature and scope of which are agreed upon with the client and are intended to add value and improve an organization's operations. Consulting services include counsel, advice, facilitation, and training.

(5) "State agency" means a department, board, bureau, institution, commission, or other agency in the executive branch of state government.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 1997, 75th Leg., ch. 1122, Sec. 11, eff. Sept. 1, 1997; Acts 2003, 78th Leg., ch. 380, Sec. 2, eff. Sept. 1, 2003.

Sec. 2102.004. APPLICABILITY. (a) Sections 2102.005-2102.012 apply only to a state agency that:

- (1) has an annual operating budget that exceeds \$10 million;
- (2) has more than 100 full-time equivalent employees as authorized by the General Appropriations Act; or
- (3) receives and processes more than \$10 million in cash in a fiscal year.

(b) Sections [2102.013](#) and [2102.014](#) apply to each state agency that receives an appropriation and that is not described by Subsection (a).

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 2001, 77th Leg., ch. 804, Sec. 1, eff. Sept. 1, 2001;
Acts 2003, 78th Leg., ch. 291, Sec. 1, eff. June 18, 2003.

Sec. 2102.005. INTERNAL AUDITING REQUIRED. A state agency shall conduct a program of internal auditing that includes:

(1) an annual audit plan that is prepared using risk assessment techniques and that identifies the individual audits to be conducted during the year; and

(2) periodic audits of the agency's major systems and controls, including:

(A) accounting systems and controls;

(B) administrative systems and controls; and

(C) electronic data processing systems and controls.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 1997, 75th Leg., ch. 1122, Sec. 12, eff. Sept. 1, 1997.

Sec. 2102.006. INTERNAL AUDITOR; STAFF. (a) The governing board of a state agency or the administrator of a state agency that does not have a governing board shall appoint an internal auditor.

(b) An internal auditor must:

(1) be a certified public accountant or a certified internal auditor; and

(2) have at least three years of auditing experience.

(c) The state agency shall employ additional professional and support staff the administrator determines necessary to implement an effective program of internal auditing.

(d) The governing board of a state agency, or the administrator of a state agency if the state agency does not have a governing board, shall periodically review the resources dedicated to the internal audit program and determine if adequate resources exist to ensure that risks identified in the annual risk assessment are adequately covered within a reasonable time frame.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 2001, 77th Leg., ch. 804, Sec. 2, eff. Sept. 1, 2001;
Acts 2003, 78th Leg., ch. 380, Sec. 3, eff. Sept. 1, 2003.

Sec. 2102.007. DUTIES OF INTERNAL AUDITOR. (a) The internal auditor shall:

(1) report directly to the state agency's governing board or the administrator of the state agency if the state agency does not have a governing board;

(2) develop an annual audit plan;

(3) conduct audits as specified in the audit plan and document deviations;

(4) prepare audit reports;

(5) conduct quality assurance reviews in accordance with professional standards as provided by Section 2102.011 and periodically take part in a comprehensive external peer review; and

(6) conduct economy and efficiency audits and program results audits as directed by the state agency's governing board or the administrator of the state agency if the state agency does not have a governing board.

(b) The program of internal auditing conducted by a state agency must provide for the auditor to:

(1) have access to the administrator; and

(2) be free of all operational and management responsibilities that would impair the auditor's ability to review independently all aspects of the state agency's operation.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.

Amended by Acts 2001, 77th Leg., ch. 804, Sec. 3, eff. Sept. 1, 2001.

Sec. 2102.008. APPROVAL OF AUDIT PLAN AND AUDIT REPORT. The annual audit plan developed by the internal auditor must be approved by the state agency's governing board or by the administrator of a state agency if the state agency does not have a governing board. Audit reports must be reviewed by the state agency's governing board and the administrator.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.

Amended by Acts 2001, 77th Leg., ch. 804, Sec. 4, eff. Sept. 1, 2001.

Sec. 2102.009. ANNUAL REPORT. The internal auditor shall prepare an annual report and submit the report before November 1 of each year to the governor, the Legislative Budget Board, the Sunset Advisory Commission, the state auditor, the state agency's governing

board, and the administrator. The state auditor shall prescribe the form and content of the report, subject to the approval of the legislative audit committee.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 1997, 75th Leg., ch. 1122, Sec. 13, eff. Sept. 1, 1997.

Sec. 2102.0091. REPORTS OF PERIODIC AUDITS. (a) A state agency shall file with the Sunset Advisory Commission, the Governor's Office of Budget, Planning, and Policy, the state auditor, and the Legislative Budget Board a copy of each report submitted to the state agency's governing board or the administrator of the state agency if the state agency does not have a governing board by the agency's internal auditor.

(b) Each report shall be filed not later than the 30th day after the date the report is submitted to the state agency's governing board or the administrator of the state agency if the state agency does not have a governing board.

(c) In addition to the requirements of Subsection (a), a state agency shall file with the Governor's Office of Budget, Planning, and Policy, the state auditor, and the Legislative Budget Board any action plan or other response issued by the state agency's governing board or the administrator of the state agency if the state agency does not have a governing board in response to the report of the state agency's internal auditor.

(d) If the state agency does not file the report as required by this section, the Legislative Budget Board or the Governor's Office of Budget, Planning, and Policy may take appropriate action to compel the filing of the report.

Added by Acts 1999, 76th Leg., ch. 281, Sec. 7, eff. Sept. 1, 1999.
Amended by Acts 2001, 77th Leg., ch. 804, Sec. 4, eff. Sept. 1, 2001.
Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1312 (S.B. 59), Sec. 50, eff. September 1, 2013.

Sec. 2102.010. CONSULTATIONS. An internal auditor may consult the state agency's governing board or the administrator of the state agency if the state agency does not have a governing board, the governor's office, the state auditor, and legislative agencies or committees about matters affecting duties or responsibilities under this chapter.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 2001, 77th Leg., ch. 804, Sec. 4, eff. Sept. 1, 2001.

Sec. 2102.011. INTERNAL AUDIT STANDARDS. The internal audit program shall conform to the Standards for the Professional Practice of Internal Auditing, the Code of Ethics contained in the Professional Practices Framework as promulgated by the Institute of Internal Auditors, and generally accepted government auditing standards.

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 2003, 78th Leg., ch. 380, Sec. 4, eff. Sept. 1, 2003.

Sec. 2102.012. PROFESSIONAL DEVELOPMENT. (a) Subject to approval by the legislative audit committee, the state auditor may make available and coordinate a program of training and technical assistance to ensure that state agency internal auditors have access to current information about internal audit techniques, policies, and procedures and to provide general technical and audit assistance to agency internal auditors on request.

(b) The state auditor is entitled to reimbursement for costs associated with providing the services under the terms of interagency cooperation contracts negotiated between the state auditor and each agency. The costs may not exceed those allowed by the General Appropriations Act. Work performed under this section by the state auditor is subject to approval by the legislative audit committee for inclusion in the audit plan under Section [321.013\(c\)](#).

Added by Acts 1993, 73rd Leg., ch. 268, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 2003, 78th Leg., ch. 785, Sec. 33, eff. Sept. 1, 2003.

Sec. 2102.013. ANNUAL RISK ASSESSMENT; REPORT. (a) A state agency described by Section 2102.004(b) shall conduct each year a formal risk assessment consisting of an executive management review of agency functions, activities, and processes.

(b) The risk assessment must:

(1) evaluate the probability of occurrence and the likely effect of financial, managerial, and compliance risks and of risks related to the use of information technology; and

(2) rank risks according to the probability of occurrence and likely effect of the risks evaluated.

(c) The state agency shall submit the written risk assessment to the state auditor in the form and at the time prescribed by the state auditor.

Added by Acts 2003, 78th Leg., ch. 291, Sec. 2, eff. June 18, 2003.

Sec. 2102.014. EVALUATION OF RISK ASSESSMENT REPORTS; AUDITS.

(a) Based on risk assessment and subject to the legislative audit committee's approval of including the work described by this subsection in the audit plan under Section 321.013(c), the state auditor shall:

(1) evaluate each report submitted under Section 2102.013;

(2) identify agencies with significant financial, managerial, or compliance risk or significant risk related to the use of information technology; and

(3) recommend to the governor that the identified agencies obtain an audit to address the significant risks identified by the state auditor.

(b) The governor may order an agency identified under this section to:

(1) obtain an audit under governmental auditing standards;

(2) submit reports and corrective action plans as prescribed by Section 2102.0091; and

(3) report to the state auditor the status of the agency's implementation of audit recommendations in the form and addressing issues as prescribed by the state auditor.

(c) The governor may provide funds to agencies as necessary to pay the costs of audits ordered under this section from any funds appropriated to the governor for this purpose.

Added by Acts 2003, 78th Leg., ch. 291, Sec. 2, eff. June 18, 2003.

Sec. 2102.015. PUBLICATION OF AUDIT PLAN AND ANNUAL REPORT ON INTERNET. (a) Notwithstanding Section 2102.003, in this section, "state agency" means a board, commission, department, institute, office, or other agency in the executive branch of state government that is created by the constitution or a statute of this state, including an institution of higher education as defined by Section 61.003, Education Code.

(b) Subject to Subsection (c), at the time and in the manner provided by the state auditor, a state agency shall post on the agency's Internet website:

(1) the agency's internal audit plan approved as provided by Section 2102.008; and

(2) the agency's annual report required under Section 2102.009.

(c) A state agency is not required to post information contained in the agency's internal audit plan or annual report if the information is excepted from public disclosure under Chapter 552.

(d) A state agency shall update the posting required under this section at the time and in the manner provided by the state auditor to include a detailed summary of the weaknesses, deficiencies, wrongdoings, or other concerns, if any, raised by the audit plan or annual report.

(e) A state agency shall update the posting required under this section to include a summary of the action taken by the agency to address the concerns, if any, that are raised by the audit plan or annual report.

Added by Acts 2013, 83rd Leg., R.S., Ch. 840 (H.B. 16), Sec. 1, eff. June 14, 2013.

UNTS Enterprise Audit Report Inventory

The repository represents the detailed audit activity supporting the “UNTS Enterprise Audit Report Inventory” presentation listed on the Schedule of Events for the Board of Regents Meeting May 17, 2018.

The repository includes audit activity from UNT System Internal Audit, Texas State Auditor’s Office and other external agencies from Fiscal Year 2013 through the current timeframe.

UNTS Enterprise Audit Report Inventory

Internal / External	Reporting Agency	Fiscal Year Report was Issued	Audit Number	Audit Category	Report Name	Component Institution	Key Observations	Risk Level	Recommendation Details	Management Response	Individual Responsible for Implementation	Expected Implementation Date	Recommendation Status
Internal	UNT System Internal Audit	Fiscal Year 2009	09-011 HSC	Finance	Advancement Office Follow-Up Review	UNT System	The written agreement between the Center and the UNTHSC Foundation has not been revised or reaffirmed since September 1994.	Low	Review and update the agreement between the Center and the Foundation including a "right to audit clause." Refer to Legal Counsel and the AGB-CASE model agreement for guidance.	Management agrees. In process. The Vice President for Development will raise this topic at the April 2009 Foundation Board meeting and complete by the June meeting. The updated agreement will be distributed upon approval of appropriate Center and Foundation Administrators.	Doug White, VP of Institutional Advancement	Original Date 11/30/2012 Revised Date 12/31/16	Closed
Internal	UNT System Internal Audit	Fiscal Year 2009	09-011 HSC	Finance	Advancement Office Follow-Up Review	UNT System	The written agreement between the Center and the UNTHSC Foundation has not been revised or reaffirmed since September 1994.	Low	Distribute or make available the reaffirmed agreement to stakeholders including Center administrators, Advancement Office employees, and the Foundation Board of Directors.	Management agrees. In process. The Vice President for Development will raise this topic at the April 2009 Foundation Board meeting and complete by the June meeting. The updated agreement will be distributed upon approval of appropriate Center and Foundation Administrators.	Doug White, VP of Institutional Advancement	Original Date 11/30/2012 Revised Date 12/31/16	Closed
External	EXPERIS	Fiscal Year 2013	NA	Information Technology	UNT Health Science Center (UNT HSC) Change Management Assessment	UNTHSC	<p>1. Current Change Management Practices - Based on the documentation provided (e.g., documents listed in Appendix A, email, etc...), it was determined that for the ten applications/services that meet the criteria of being both high risk and institutional in scope(impact), a population of changes could not be evidenced and that Change Management practices were found to be minimal, general in nature and less than expected.</p> <p>Change Management procedures do not include the following:</p> <ul style="list-style-type: none"> -Standardized procedures to handle requests (including maintenance and patches) for changes to applications, procedures, processes, system and service parameters, and the underlying platforms -Structured way to determine the impact on the operational system(and overall infrastructure) and its functionality for each request for change -Process to ensure changes are categorized, prioritized, assigned, and authorized -Process for pre-implementation and post-implementation testing protocols/requirements -Process for defining, raising, testing, documenting, assessing and authorizing emergency changes (outside of the 'normal' change process) -Tracking and reporting systems to document and communicate rejected changes, communicate the status of approved and in-process changes, and completion of approved changes (e.g. a spreadsheet) -Procedures to update associated system and user documentation and procedures whenever changes are implemented (e.g. 	High	<p>Recommendations/Activities to Consider for Observations 1 through 4: The following are considered suggests and not mandates for the applications/services that meet the criteria of being both high risk and institutional in scope (impact):</p> <ul style="list-style-type: none"> -Establish a tracking and reporting system (e.g. spreadsheet) to document approved/rejected changes, communicate the status of requests (e.g. in-process, in testing, approved, completed). -Make certain that approved changes are implemented as planned (or document explanations where changes deviate from original plan). 	<p>ITS management agrees with these best practice recommendations and will complete the steps listed below to ensure that all changes to IT systems at UNTHSC are assessed, categorized, comply with TAC guidelines, and as appropriate, follow a formal change process. Formal change processes will be applied to systems or applications that have been classified as high risk (contains or processes private and/or regulated data), and high impact (institutional wide use).</p> <ul style="list-style-type: none"> -Classification and evaluation of high risk/high impact systems and applications will be conducted and reviewed by ITS management, CIO, and stakeholders annually. -ITS has begun a pilot of Microsoft System Center Service Manager(SCSM), a tool for IT service and change management that will hold system and application information, and allow for the tracking and reporting of changes made to those systems and applications identified as high risk/high impact. Estimated completion date for pilot is within the next 6 months. -Change management procedures will be formalized at the completion of the pilot, and with adoption of SCSM or similar tool. Procedures will include approval processes, pre and post testing, and emergency change protocols, and will be reviewed annually by ITS management. -ITS is currently in the process of updating our institutional and internal policies, including Systems Change Control. Internal	UNT System Internal Audit	Fiscal Year 2013	12-014 UNT	Governance and Regulatory Compliance	Mean Green Club Review	UNT	Non-Compliance with UNT Policy 7.2 – The procedure for accepting and processing Mean Green Club donations is not in compliance with UNT policy 7.2, Fundraising and Private Support.	Moderate	Coordinate with the Office of Development to be in compliance with UNT policy 7.2, Fundraising and Private Support.	Four years ago the Athletic Department met with Advancement to develop a system to handle Mean Green Club (MGC) Donations. The crux of the problem is two-fold. First most MGC members send in their ticket renewals and MGC renewals in the same envelope utilizing the same credit card or check. The current process was agreed upon to alleviate ticket orders from being sent to the foundation where there was no method of processing. Secondly, a large majority of our MGC members renew in August. With the need to immediately process MGC credit so that parking passes and tickets can be distributed, we cannot afford the lag time of those orders first going to advancement. This process was streamlined almost four years ago with the agreement of both parties. My remedy would be to modify the policy and I would agree with that recommendation. Management will meet with University Advancement to create a policy revision to be submitted for adoption.	Dan Johnston, Athletic Advancement, Director of Advancement, Mike Ashbaugh, Senior Associate Athletics Director for Business Operations, and Troy Taylor, Assistant Athletic Director Business Operations.	9/1/2013	Closed

Internal	UNT System Internal Audit	Fiscal Year 2013	12-024 UNT	Academic and Students	Student Worker Review	UNT	The Controller's Office does not notify an employee's supervisor and Vice President of indebtedness to the University as required by UNT Policy 2.2.26, Employee Indebtedness Owed to the University. Additionally, Student Accounting and Cashiering Services (SACS) is not sending a report detailing employee indebtedness to the Controller's Office, as required by UNT Policy 2.2.26.	Low	The Controller's Office should continue their process of evaluating and revising UNT Policy 2.2.26 to ensure compliance with UNT Policy 18.1.9 FERPA.	Suggested Management Action 4: We believe that the current policy as submitted complies with FERPA requirements. Once adopted, we will review the policy periodically (not less than every 5 years) for amendment as needed.	Carlos Hernandez, Ed D, CPA, Associate VP for Finance and Controller	11/1/2012	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	12-024 UNT	Academic and Students	Student Worker Review	UNT	The Controller's Office does not notify an employee's supervisor and Vice President of indebtedness to the University as required by UNT Policy 2.2.26, Employee Indebtedness Owed to the University. Additionally, Student Accounting and Cashiering Services (SACS) is not sending a report detailing employee indebtedness to the Controller's Office, as required by UNT Policy 2.2.26.	Low	SACS should produce an employee debt report that identifies all employees that owe money to the university. Subsequently, the Controller's Office should notify employees' supervisors and Vice Presidents of indebtedness to the University as required by policy.	A process has been adopted that allows identification of "career" employees with a past-due balance in student accounting records. It is important to note that student accounting records do not represent a complete record of all possible indebtedness (i.e. does not include parking fines). We will continue to collaborate with University departments as appropriate to facilitate collection of past due balances from employees and students alike.	Terri Miller, Assistant Director of SACS	6/1/2012	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	12-026 DAL	Academic and Students	UNT Dallas Student Service Fees Review	UNT Dallas	Noncompliance With Texas Education Code 54.5031 – UNT Dallas Administrators failed to establish a Student Service Fee Advisory Committee (SSFAC) as required by Texas Education Code 54.5031. Having no policy to govern and procedures to guide management of student service fees contributed to the noncompliance.	Moderate	Because the committee is now established, UNT Dallas administrators should develop a process to insure the SSFAC remains a formal, working committee and that input from the committee is obtained, regarding the establishment or changes to the type, amount, and expenditure of student service fees as provided by the Texas Education Code. The process should consist of establishing a University policy that is aligned with requirements of Texas Education Code 54.5031 and include operational procedures to govern activities of the SSFAC.	The Director of Student Life has reviewed TEC 54.5031 and Student Service Fee Advisory Committee (SSFAC) standards, which describes membership (elected & appointed), SSFAC charge, terms of service, operating procedures, and process by which the SSFAC effectively reviews, discusses, and renders its recommendation to the University Leadership. In an effort to clarify why the majority of implementation dates are prior to the date of the audit report, it's important to note that this audit occurred April 2012 through May 24, 2013, and a number of corrective steps had already occurred well before the audit report was available.	Dr. Jared Cobb, Director of Student Life	2/1/2013	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	12-026 DAL	Academic and Students	UNT Dallas Student Service Fees Review	UNT Dallas	Noncompliance With Texas Education Code 54.5031 – The UNT Dallas student body or the student government was not made aware of \$319,955.38 in student service fees that were transferred from UNT and recorded in UNT Dallas reserve account 301011.	Moderate	Obtain SSFAC recommendations regarding the allocation, disbursement and expenditure of the \$319,955.38 held in reserve account 301011.	Student Service Fee Advisory Committee (SSFAC) was informed of the additional funding from UNT Dallas reserve account 301011 and asked to consider various renovations which would enhance Student Life at UNT Dallas. After several discussions, forums, etc. SSFAC recommend five (5) projects to the President's office for approval. Cost of projects totaled \$191,000.00. Additional projects will be identified and voted on once the first slate of projects has been completed. This will allow us to properly evaluate the best use of the remaining \$128,955.38 and to provide additional funding in the event unforeseen expenses arise during implementation of the approved improvements. Internal	UNT System Internal Audit	Fiscal Year 2013	13-010 UNT	Finance	UNT Dining Services A/P Audit	UNT	UNT Dining Services is not verifying that they have been billed in accordance with the contract terms with Ben E. Keith.	Moderate	Implement a process and procedure to audit the Ben E. Keith invoices to verify that UNT is billed in accordance with the contract terms.	We will be conducting periodic audits of the Ben E. Keith invoices and verifying the 6.5% margin is being enforced.	Suzan Cruz, Business Manager	2/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	13-010 UNT	Finance	UNT Dining Services A/P Audit	UNT	UNT Dining Services is not scanning its Retail Dining Service invoices and supporting documentation as required by the Delegated Voucher Payable Agreement with the UNT System Business Service Center.	Low	Develop a procedure to scan Retail Dining Service invoices.	We are committed to completing the suggested electronic/scan Retail invoices as requested. We will be contacting our Retail Vendors and discussing the changes that are required by the University with regards to electronic/scanned invoicing and how we can streamline a process that will work for both parties.	Suzan Cruz, Business Manager	9/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	13-012 UNT	Academic and Students	Space Planning Review	UNT	OSMP has not completed a Space Inventory Survey since 2009 which was conducted by Facilities.	Moderate	Suggested Management Action for Director of Office of Space Management and Planning: Conduct periodically a Space Inventory Survey preferably annually if possible, and update information into the Space Management System data base in order to ensure that information recorded in the data base is complete and accurate.	Agreed at time of observation however Survey is currently in progress. OSMP has invested more than a year in discovery, specification and development of an expanded and more robust system that will not only allow us to complete a yearly space survey but will enable UNT to collect and disseminate valuable data that will benefit Research Services, the Registrar, Facilities, Risk Management, HR, Classroom Support, Asset Management and virtually every other unit on campus. Additional auditee comments: OSMP currently maintains the data for and completes THECB and Federal required reporting for the UNT Denton and Dallas campuses as well as some of the space occupied by the System. The combined total of approximately 7.3 million square feet of space, according to industry standards for staff required for CAFM systems, should require 3-4 people full time to maintain it after initial setup. At this time OSMP has 1 FTE dedicated to the role of system development project management and maintenance of all space data.	Cheryl Benningfield, Space Inventory Manager	4/26/2013	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	13-012 UNT	Academic and Students	Space Planning Review	UNT	UNT has only one employee who is fully knowledgeable in using and maintaining the Space Management System data base.	Moderate	Suggested Management Action for Director of Office of Space Management and Planning: Provide appropriate training to another employee in order to ensure continuity of the Space Management System.	Agreed. Although Jessica, the Office Manager has taken several training classes since May, the complexity and certain administrative rights of the Space Management System make training of existing regular staff difficult. Each member of the current OSMP staff has a full time position and associated workload and only one person's position includes the responsibility for the system. The amount of training and ongoing use that would be required to achieve competence in the maintenance of the system does not lend itself to an "additional duties as assigned" task or one that is a part-time on occasion role. Additional auditee comments: The need for additional personnel to be trained as well as another FTE for the Space Management System is crucial especially if our office is expected to continue State reporting for the UNT Dallas and System campuses. The addition of the new Law School, Shared Services under the System, and UNT Dallas campus failing their THECB space audit, cannot be achieved with the current staff in OSMP. We will need one additional FTE in order to address these critical issues.	Cheryl Benningfield, Space Inventory Manager	5/1/2013	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	13-012 UNT	Academic and Students	Space Planning Review	UNT	OSMP does not have detailed operational written procedures addressing the assignment and re-assignment of University space.	Low	Suggested Management Action for Director of Office of Space Management and Planning: Develop detailed written departmental procedures, outlining the OSMP operational processes and controls.	Agreed at time of observation however certain written procedures have since been written. 1. OSMP now has written procedures for communications and processes concerning the Space Assessment Committee and Administration approval/non-approval of such requests. 2. Detailed written procedures have been completed for the Space Inventory Survey process and were published online in April, 2013. Additional written OSMP operational procedures have been identified and are being developed at this time.	Jessica Shumate, Office Manager	12/1/2013	Closed

Internal	UNT System Internal Audit	Fiscal Year 2013	13-008 UNT	Governance and Regulatory Compliance	NCAA Compliance Review – Eligibility Certification	UNT	<p>The review and testing of operational processes and controls indicated that business procedures and controls pertaining to the determination of student-athlete eligibility certification are effective and operating as intended. For the sample tested, information recorded and maintained to determine student athlete eligibility for the Fall 2012 and Spring 2013 semesters was accurate. The Office of the Registrar and the Athletics department are proactive in ensuring that the University has complied with NCAA eligibility requirements and maintain accurate information used in determining student-athlete eligibility. Meetings are often held between the two departments to ensure UNT compliance. The Office of the Registrar recently developed a control schedule called "Student-Athlete Checklist for Continuing Students" to assist in documenting that NCAA requirements have been met. Internal Audit noted a need to improve the recording of signatures and dates on some supporting documentation; this was discussed during the Exit Meeting.</p>	NA	None	NA	NA	NA	N/A

Internal	UNT System Internal Audit	Fiscal Year 2013	13-010 UNT	Finance	UNT Dining Services A/P Audit	UNT	<p>UNT Dining Services is not verifying that they have been billed in accordance with the contract terms with Ben E. Keith. Ben E. Keith, Dining Services main food vendor, is required to bill Dining Services the identical amount that Ben E. Keith pays for food products purchased from other vendors. On top of this amount, Ben E. Keith is allowed to charge a profit margin, not greater than 6.5%. The method by which the margin is calculated is detailed in the contract.</p> <p>Currently, in processing payments to Ben E. Keith, Dining Services is not verifying that the 6.5% margin has been calculated correctly and in accordance with the contract terms. Also, the contract includes a right to audit clause so that UNT can verify that it has been charged the same amount that Ben E. Keith has paid. Dining Services has never exercised this option.</p>	Moderate	<p>Suggested Management Action for the Executive Director of Dining Services:</p> <p>1. Implement a process and procedure to audit the Ben E. Keith invoices to verify that UNT is billed in accordance with the contract terms.</p> <p>Implementation will provide assurance that UNT Dining Services is verifying and paying no more than the agreed six and one half percent (6.5%) margin.</p>	We will be conducting periodic audits of the Ben E. Keith invoices and verifying the 6.5% margin is being enforced.	Suzan Cruz, Business Manager	2/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	13-015 UNT	Research	Restricted Research Review	UNT	<p>Expenditures for one research project were not included in the 2012 annual report to the Texas Higher Education Coordinating Board. (THECB).</p> <p>At the time of initial setup, a research project was inadvertently assigned a National Association of College and University Business Officers (NACUBO) class code that identified the project as public service instead of restricted research in the University's general ledger (GL) system. Subsequently, when restricted research expenditures data were extracted from the GL to report to the THECB, expenditures for the project coded as public service were not included.</p>	Moderate	<p>Suggested Management Action for the Director of the Office of Research Services:</p> <p>1. Develop a process to match and reconcile restricted research awards with corresponding restricted research expenditures prior to reporting to the THECB or other regulatory entities.</p> <p>Implementation will provide assurance that restricted research awards are accurately matched or reconciled to restricted research expenditures prior to reporting to the THECB.</p>	Develop and use a control report on a consistent basis to ensure that NACUBO class coding for restricted research awards matches corresponding reporting for restricted research expenditures.	Britt Krhovjak, Assistant Director for Research Accounting	11/30/2013	Closed
Internal	UNT System Internal Audit	Fiscal Year 2013	13-007 HSC	Academic and Students	School of Health Professions Review Audit	UNTHSC	<p>UNTHSC does not have comprehensive policies and/or procedures for cash handling.</p> <p>While the Office of Accounting has a cash handling procedure, it does not give specific detail on maintaining of cash balances in a department (i.e. maintaining a record of custody, entrance procedures for a safe, distribution of cash payments, and independent reconciliation).</p> <p>The following was observed regarding cash handling in the SHP:</p> <ul style="list-style-type: none"> • The department withdraws cash to pay research/simulated patients a fee for participation in a study of class. After the cash is provided to the SHP, no record of custody is maintained when cash is passed from one employee to another. • There was no log showing entrance into the safe where these funds were kept. • Funds were not in the location indicated on the 'Research Participation Custodial Agreement' form. • Large cash balances were withdrawn and held for periods exceeding three months. <p>In our sample of withdrawals for research or training patients, three institutionally funded projects had cash outstanding of \$16,190.</p>	Moderate	<p>Suggested Management Action For Controller and Chief Budget Officer:</p> <p>Develop comprehensive cash handling policies and/or procedures that ensure cash is safeguarded. The procedure should include processes for: Maintaining a chain of custody, storing cash in a safe, entrance into the safe, disbursing cash to patients, returning all unused funds, and establishing an independent reconciliation.</p>	Management agrees that UNTHSC does not have comprehensive procedure for cash handling, although there is a procedure for handling petty cash. Management will develop a general policy for instances that are outside the scope of petty cash. The suggestion will be made to the BSC Director of Purchasing to add instructions regarding securing funds to the simulated patient and research participant procedures.	Kim Schaade, Associate Controller	1/31/2014	Closed

Internal	UNT System Internal Audit	Fiscal Year 2013	13-016 UNT	Finance	UNT Endowment Review Audit	UNT	Students received scholarships from the Texas Apartment Association (TAA) that were not processed through the Office of Student Financial Aid and Scholarships (SFAS). Students enrolled in the Residential Property Management (RPM) degree program offered by the Department of Finance, Insurance, Real Estate and Law (FIREL) are eligible to apply for a scholarship from the TAA. Scholarships awarded by TAA are sent directly to the student. Consequently, the awards are not processed through SFAS.	Low	Recommendations for Chair of the FIREL Department: Establish procedures to work in conjunction with the TAA to identify recipients of scholarships, ascertain the amount of each scholarship awarded, and direct scholarship payments to the Office of Student Financial Aid and Scholarships for coordination and processing; or consult with the donor, Office of General Counsel, and SFAS to amend the MOU so that the requirements conform to current practice.	1: Management agrees that the following portion of the MOU has not been implemented: "The University agrees to establish a RPM Program scholarship to be funded by the Donor, and to work in conjunction with the Donor to identify candidates and recipients for the scholarship." Since the donor chose to not fund the program, the University could not establish the program scholarship as described in the MOU. Since the program was never created, no scholarships were ever awarded as UNT RPM program scholarships. Management agrees to consult with the donor and the Office of General Counsel to amend the MOU to delete the reference in the statement quoted above.	Michael Braswell, TAA Professor and Marcia J. External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	7 of 56 general ledger postings sampled totaling \$1,896,910.42 were posted to the clearing or operating DeptID of the advancement function and not to the permanent DeptID. The review process for the clearing account DeptID is not performed monthly and does not receive appropriate approvals. A running balance is maintained in the clearing DeptID and expenditures are being made out of the account, which could potentially misstate the financial position if contributions recorded to this Foundation DeptID are meant for UNTHSC. This issue has also been noted on previous UNTS Internal Audit reports to UNTHSC.	NA	The UNTHSC advancement function should reconcile the Clearing DeptID monthly, and move identified outstanding gifts or deposits to permanent DeptIDs.	Monthly reconciling has been enacted, with all transfers from of the Clearing Dept/D requiring review and approval of the VP of Institutional Advancement.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed

A running balance is maintained in the clearing DeptID and expenditures are being made out of the account, which could potentially misstate the financial position if contributions recorded to this Foundation DeptID are meant for UNTHSC. This issue has also been noted on previous UNTS Internal Audit reports to UNTHSC.	NA	The UNTHSC advancement function should not allow expenditures to be posted to the Clearing DeptID.	Monthly reconciling has been enacted, with all transfers from of the Clearing Dept/D requiring review and approval of the VP of Institutional Advancement.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	<ul style="list-style-type: none"> A lack of segregation of duties exists between the personnel responsible for receiving contributions and recording in Raiser's Edge. There is not a current process to record mail or in-hand contributions on a receipt log as they are received by the UNTHSC advancement function, which increases the risk of contributions not being deposited upon receipt. 	NA	The UNTHSC advancement function should establish a segregation of duties between receiving contributions and entering contributions into Raiser's Edge to provide for adequate checks and balances.	A contribution log has been created and is assigned to a distinct member of the Advancement team for receipt and recording of all gifts received in person or through the mail.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	<ul style="list-style-type: none"> A lack of segregation of duties exists between the personnel responsible for receiving contributions and recording in Raiser's Edge. There is not a current process to record mail or in-hand contributions on a receipt log as they are received by the UNTHSC advancement function, which increases the risk of contributions not being deposited upon receipt. 	NA	The UNTHSC advancement function should establish a contribution receipt log to record donations received in-person or through mail. The log should include, at a minimum, the check number, payee name, amount, and date received.	The contribution log is being reconciled monthly to ensure that all gifts on the log have been recorded in Raiser's Edge.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	<ul style="list-style-type: none"> A lack of segregation of duties exists between the personnel responsible for receiving contributions and recording in Raiser's Edge. There is not a current process to record mail or in-hand contributions on a receipt log as they are received by the UNTHSC advancement function, which increases the risk of contributions not being deposited upon receipt. 	NA	The UNTHSC advancement function should establish a process to reconcile the contribution receipt log monthly to Raiser's Edge and EIS to determine that contributions received have been recorded in Raiser's Edge.	The contribution log is being reconciled monthly to ensure that all gifts on the log have been recorded in Raiser's Edge.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	The bank reconciliation process performed by the UNTHSC Accounting function does not resolve unreconciled items in a timely manner due to delays in receiving necessary transaction information from the Foundation. The August 2013 bank reconciliation for the Advancement account had two reconciling items over three months old in the total amount of \$18,308.46, which could potentially misstate the financial position of UNTHSC if the reconciling items are determined inaccurate.	NA	The UNTHSC advancement and accounting functions should establish a policy indicating reconciling items should be resolved within one month. The UNTHSC advancement function should provide timely recording of transactions to facilitate timely reconciliations.	The practice has been established and is in place.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	2 of 60 contributions reviewed totaling \$220,000 were not recorded in Raiser's Edge to the proper DeptID. One contribution totaling \$10,000 was unable to be tested due to lack of supporting documentation provided. Without a review process prior to contributions being entered into Raiser's Edge, a risk exists that contributions are not recorded to the correct DeptID and potentially misstating the financial position of UNTHSC.	NA	The UNTHSC advancement function should research and resolve the three exceptions noted.	NA	Doug White, Vice President UNTHSC Institutional Advancement	NA	N/A
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	2 of 60 contributions reviewed totaling \$220,000 were not recorded in Raiser's Edge to the proper DeptID. External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	A reconciliation is not performed between the Raiser's Edge system, which acts as a subledger, to the EIS general ledger revenue transactions to assess whether the contributions were recorded to the correct DeptID on the general ledger as indicated by Raiser's Edge. Three contributions analyzed totaling \$30,018.08 were not properly recorded to the general ledger based on how the contribution was recorded in Raiser's Edge.	NA	Research and resolve the three exceptions noted.	NA	Doug White, Vice President UNTHSC Institutional Advancement	NA	N/A
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	A reconciliation is not performed between the Raiser's Edge system, which acts as a subledger, to the EIS general ledger revenue transactions to assess whether the contributions were recorded to the correct DeptID on the general ledger as indicated by Raiser's Edge. Three contributions analyzed totaling \$30,018.08 were not properly recorded to the general ledger based on how the contribution was recorded in Raiser's Edge.	NA	The Foundation should work with the UNTHSC Accounting Office to establish a policy to perform a monthly reconciliation between the general ledger and Raiser's Edge to assess whether contributions recorded in Raiser's Edge were recorded to the correct DeptID in the general ledger.	A monthly reconciliation is now being conducted.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	A reconciliation is not performed between the Raiser's Edge system, which acts as a subledger, to the EIS general ledger revenue transactions to assess whether the contributions were recorded to the correct DeptID on the general ledger as indicated by Raiser's Edge. Three contributions analyzed totaling \$30,018.08 were not properly recorded to the general ledger based on how the contribution was recorded in Raiser's Edge.	NA	The Foundation shall provide to the UNTHSC Accounting Office an adequate level of support for all journal entries prior to their posting to the general ledger.	A monthly reconciliation is now being conducted.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	A policy does not exist requiring an executive level review and approval of transfers from the UNTHSC operating account where general contributions are maintained to the Foundation investment account. Currently, the accounts are owned by UNTHSC and Foundation, respectively, and the legal ownership of the funds change through these transfers. The ability to transfer funds between bank accounts provide for an increased risk to the misuse of funds.	NA	The UNTHSC advancement function should establish a policy requiring documentation of executive level review and approval of transfer requests prior to the transfer being executed.	A practice requiring executive level review and approval has been implemented.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	A policy does not exist requiring review and approval of transfer transactions between DeptIDs prior to being posted to the general ledger. The ability to transfer funds between DeptIDs provides for an increased risk of misrepresentation of funds on the UNTHSC financial statements.	NA	The UNTHSC advancement function should establish a policy requiring executive level review and approval of DeptID transfers prior to their posting to Raiser's Edge and the general ledger.	A practice requiring executive level review and approval of Dept/D transfers has been implemented.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed
External	Deloitte & Touche in conjunction with UNT System Internal Audit	Fiscal Year 2014	NA	Finance	University of North Texas System - UNTHSC & UNTHSC Foundation Advancement Process Assessment	UNTHSC, UNTHSC Foundation	There is currently not a policy within the advancement function related to the review and approval of DeptID addition, deletion, and modifications in the system. The ability to add, delete, or modify DeptIDs increases the risk that funds are misrepresented on the UNTHSC financial statements or that funds are recorded for a purpose in contradiction to the intent of the contribution.	NA	The UNTHSC advancement function should establish a policy requiring review and approval of additions, deletions, or modifications of DeptID code prior to effecting Raiser's Edge or the general ledger.	A practice requiring executive level review/approval of Dept/D creation or alterations has been implemented.	Doug White, Vice President UNTHSC Institutional Advancement	NA	Closed

External	State Auditor's Office	Fiscal Year 2014	14-022	Finance	State of Texas Compliance with Federal Requirements for the Research and Development Cluster for the Fiscal Year Ended August 31, 2013	UNT	One (1 percent) of 70 direct cost transactions tested at the University of North Texas (University) was unallowable. For 1 (1 percent) of 70 direct cost transactions tested, the University incorrectly calculated the amount of the federal expenditure.	NA	The University should establish and implement procedures to ensure that it does not charge unallowable or incorrect costs to federal awards.	The UNT Business Service Center (BSC) agrees. The BSC has corrected the travel reimbursement and the payroll underpayment. The BSC has established business practices to address the recommendation, which include: <u>Management Response and Corrective Action Plan 2012:</u> -Provided additional training to Travel staff regarding unallowable expenses on federal funds. -Will participate in ongoing collaboration with the UNT Office of Research Services to enhance the audit process of travel expenditures to avoid unallowable charges to federal funds. -ERP (PeopleSoft) system now calculates partial months using an annualized hourly rate of pay (2,080 hours). The manual calculation is no longer necessary. The University has implemented a process to calculate partial month salary payments. Auditors tested a sample of payroll transactions and determined that each transaction was allowable and calculated correctly. However, 1 of 15 travel expenditures tested was unallowable. The University reimbursed gratuity charges as part of a travel reimbursement. <u>2013 Update:</u> The UNT Office of Research Services has a written procedure and training in place covering unallowable expenditures on federal awards, including tips. The employee that approved the travel reimbursement that included the \$19 was already aware of the procedure, but didn't detect the unallowable charge during his regular review. The issue has been discussed with the employee, and will be reinforced further with all employees. <u>Management Response and Corrective Action Plan 2013:</u>	Robert Watling/Aaron Lemay and Debbie Reynolds	12/5/2013	Closed
External	State Auditor's Office	Fiscal Year 2014	14-022	Finance	State of Texas Compliance with Federal Requirements for the Research and Development Cluster for the Fiscal Year Ended August 31, 2013	UNT	The University of North Texas (University) did not ensure that vendors associated with 4 (40 percent) of 10 procurements tested that exceeded \$25,000 were not suspended or debarred.	NA	The University should document its vendor suspension and debarment verifications for all procurements of at least \$25,000.	The UNT System Business Service Center (BSC) agrees. The BSC has established business practices to address the recommendation, which include: <u>Management Response and Corrective Action Plan 2012:</u> -Added a clause/condition to the UNT System Purchase Order Terms and Conditions on 10/26/12. - Provided additional training to Purchasing staff on EPLS Search and documentation requirements on 1/16/13. - Created a procedure to ensure all procurements of at least \$25,000 are documented appropriately and are audited by management daily on 1/22/13. All Business Service Center Purchasing staff will be re-educated on the EPLS requirements and the need to maintain verification documentation. Purchasing Director/Manager will continue to audit for compliance on a daily basis. <u>Management Response and Corrective Action Plan</u>	Debbie Reynolds, Carolyn Cross, and Tina Koenig	12/16/2013	Closed

External	State Auditor's Office	Fiscal Year 2014	14-555	Finance	Statewide Single Audit Report for the Year Ended August 31, 2013	UNT	On its SEFA, the University of North Texas (UNT): - Incorrectly reported expenditures for four CFDA's in the Student Financial Assistance Cluster of federal programs using award year instead of fiscal year. As a result, UNT (1) incorrectly included \$6,257,520 and (2) incorrectly excluded \$278,738 in expenditures on its SEFA. UNT also incorrectly included \$6,255,520 of those expenditures in the notes to its SEFA and understated federal revenue by \$276,738 in the notes to its SEFA. - Could not provide adequate support for excluding \$361,374 in expenditures from its SEFA. UNT asserted that it excluded those expenditures because it had a vendor relationship with other state entities; however, UNT could not provide support for that assertion.	NA	None	Corrective action was taken.	NA	NA	N/A
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-01 Safety: Electrical Safety: GFCI Outlets - SORM noted during the consultation that an outlet in the welding shop within six feet of a sink did not have a GFCI receptacle nor was it on a GFCI circuit.	NA	SORM recommends providing GFCI protection as per the National Electrical Code.	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT Dallas	14-08-01 Safety: Fire Safety: Box Stacking in Kitchen Storage Room SORM noted during this consultation that boxes were stacked on racks in the kitchen storage room such that the sprinkler heads would not have the required 18 inches of clearance space needed to function properly, as per the NFPA standard.	NA	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT System	14-08-01 Safety: Fire Safety: Fire Wall Penetrations SORM noted during the consultation that some of the fire wall penetrations in the seventh floor electrical room have not been sealed with fire-resistant sealant.	NA	SORM recommends that these areas be sealed with the properly rated fire sealant, as per the NFPA standard.	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT Dallas	14-08-02 Safety: Electrical Safety: Daisy-Chaining Power Strips SORM noted during the consultation that in the manager's office of the kitchen, three power strips were daisy-chained into each other, thereby creating an electrical load-capacity hazard.	NA	SORM recommends that UNT-Dallas coordinate with the third-party vendor to ensure that these power strips are not daisy-chained together.	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT System	14-08-02 Safety: Policies/Procedures: Documented Scheduled Inspections and Maintenance of Safety Equipment SORM noted during the consultation that the portable fire extinguishers have not been documented as inspected monthly, as per the NFPA standards.	NA	SORM recommends that UNT-System coordinate with the property manager to ensure that the extinguishers and all other safety-related pieces of equipment (such as emergency lighting, eyewash stations, etc.) are properly documented as inspected and/or maintained with a frequency as required by the manufacturer or a recognized safety standard. References: NFPA-101 (2012), "Life Safety Code," Chapters 9.7.4.1 and 39.3.5; NFPA-10 (2013), "Standard for Portable Fire Extinguishers," Chapters 7 and 8.	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-02 Safety: Walking/Working Surfaces: Load Capacity Signage - SORM noted during the consultation that an overhead storage area in the welding shop was lacking a weight capacity sign, as per the OSHA standard.	NA	SORM recommends that UNT-Denton either: a) determine the load capacity for this area and then post an appropriate sign; or, b) cease storing items in the overhead area.	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-03 Safety: Hazard Communication Program: Bottle Labeling and Auxiliary Eyewash Bottles SORM noted that in several locations secondary bottles were unlabeled and auxiliary eyewash bottle-solutions had expired.	NA	SORM recommends that UNT-Denton ensure that these areas meet the OSHA Hazard Communication standard and the ANSI/ISEA eyewash standard.	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT Dallas	14-08-03 Safety: Hazard Communication: OSHA Global Harmonization System (GHS) Training SORM noted during the consultation that the third-party vendor contracted to conduct commercial kitchen operations for the dining services on campus has not conducted OSHA Global Harmonization System (GHS) training for its employees.	NA	SORM recommends that UNT-Dallas coordinate with this vendor and UNT Risk Management Services to ensure that all employees receive this training, as per the OSHA standard. External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT Dallas	14-08-04 Safety: Hazard Communication: Eyewash Stations (Kitchen) SORM noted during the consultation that corrosive chemicals are being used in the kitchen. However, no eyewash stations are provided to comply with the safety instructions on the chemicals' Safety Data Sheets.	NA	SORM recommends that UNT-Dallas install eyewash stations in this area or work with the third-party vendor to remove these chemicals from the workplace, as per the OSHA and ANSI/ISEA standards. UNT-Dallas should ensure that all employees who work with these chemicals, including third-party vendor employees, be trained on the location(s) and operation of these stations once installed. References: OSHA, 29 CFR 1910.1200; OSHA, 29 CFR 1910.151 (c); ANSI/ISEA z358.1 (2009), "Standard for Emergency Eyewashes and Shower Equipment"	NA	NA	NA	Closed	
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-05 Safety: Fire Safety: Fire Wall Penetrations (Hurley Administration Building) - SORM noted during the consultation that several penetrations through a fire wall in the Hurley Administration Building were not properly sealed, as per the NFPA standard.	NA	SORM recommends that UNT-Denton seal the penetrations with the properly-rated sealant.	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-06 Safety: Fire Safety: Maximum Occupancy Load Sign - SORM noted during the consultation that a maximum occupancy sign in the Ken Bohlsen Gymnasium was not present.	NA	SORM recommends the posting of this sign as per the NFPA standard.	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-07 Safety: Electrical Safety: Labelling and Knockouts (Music Practice Mechanical Room and Zone Maintenance) - SORM noted during the consultation that electrical panels in the Music Practice Mechanical Room and Zone Maintenance were missing proper labels and/or knockouts.	NA	SORM recommends correcting this deficiency, as per the National Electrical Code.	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-08 Safety: Machine Safety: Guarding of Moving Parts (General Academic Building) - SORM noted during the consultation that the large return air fans in the General Academic Building were missing guards for their exposed moving parts.	NA	SORM recommends that the university guard the moving parts, as per the OSHA standard.	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-09 Safety: Walking/Working Surfaces: Dumpsters - SORM noted during the consultation that outside of Central Receiving wooden steps have been erected to allow staff members to dump trash into a large dumpster.	NA	SORM recommends that the university destroy these steps and implement a procedure for dumping trash that does not present such a hazard to employee health and safety.	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-10 Safety: Walking/Working Surface: Mezzanine Storage - SORM noted during the consultation that items were being stored on top of a metal cage in the Concrete Bay without a load capacity sign.	NA	SORM recommends that the university either remove these items from this location or determine and post the load capacity of the roof of the metal cage.	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-11 Safety: Electrical Safety: Federal Pacific Electric Electrical Panels - SORM noted during the consultation that seven buildings on campus contain Federal Pacific Electric Company electrical panels as part of their electrical systems. These kinds of panels have been noted to present a latent hazard and fire danger by malfunctioning under certain conditions. In addition, this particular manufacturer was found liable in a class-action lawsuit of fraudulently obtaining the Underwriters Laboratory (UL) certification for some of their electrical panels. There is controversy over these panels. Some electricians believe the panels are safe and others believe they are not. UNT-Denton has already begun the process of identifying these panels and replacing them where the budget allows. The others have been placed in the capital plan for replacement when funds become available.	NA	SORM recommends that UNT-Denton consider the feasibility of expediting the funding for this ongoing project. Reference: OSHA, 29 CFR 1910.303 (b)(1)	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-12 Safety: Policies/Procedures: Respiratory Protection Program (Medical) - SORM noted during the consultation that for paint-shop employees, the university is using a third-party vendor to conduct fit-testing for respirators. However, it was not clear whether medical evaluations were being conducted to determine that employees are physically capable of wearing respirators.	NA	SORM recommends that the university review their procedures in this area and ensure that they comply with the OSHA standard. Reference: OSHA, 29 CFR 1910.134	NA	NA	NA	NA	Closed
External	State Office of Risk Management	Fiscal Year 2014	NA	Governance and Regulatory Compliance	On-Site Consultation	UNT	14-08-13 Safety: Policies/Procedures: Occupational Noise Exposure - SORM noted during the consultation that in the North Chiller Plant noise levels warranted measurement for a potential occupational noise exposure program.	NA	SORM recommends that the university measure all such areas for noise exposure and if they are above the action threshold, then the university should take the additional measures required by OSHA to determine if the exposures are above the action threshold for an 8-hour Time-Weighted Average. If they are, then a compliant hearing conservation program should be implemented. Reference: OSHA, 29 CFR 1910.95	NA	NA	NA	NA	Closed

Internal	UNT System Internal Audit	Fiscal Year 2014	14-001 UNT	Governance and Regulatory Compliance	NCAA Agreed Upon Procedures	UNT	We performed a limited review of the control environment related to football ticket sales. We noted weaknesses related to complimentary and student tickets. These weaknesses included a lack of procedures for complimentary tickets and no reconciliations of complimentary tickets or unsold student tickets.	NA	We recommend that the Athletics department strengthen the controls related to complimentary tickets (including student tickets), develop procedures relating to complimentary tickets which should include documentation of each complimentary ticket recipient, and perform reconciliations of complimentary and student tickets.	The athletic department agrees with a recommendation that additional steps can be taken to further assure reconciliation/security of comp/students tickets. The athletic department will: 1. On a weekly basis reconcile a. student tickets b. student athlete tickets 2. Work with Ticketmaster to assure that all protocols are in place to link personnel who can print or distribute comp tickets. 3. On a monthly basis, spot check and report on comp ticket distributions to assure proper approvals are in place.	Mike Ashbaugh, Troy Taylor	1/15/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-001 UNT	Governance and Regulatory Compliance	NCAA Agreed Upon Procedures	UNT	Future game guarantees are not accrued when contracts are executed.	NA	We recommend that game guarantees be accrued in the financial reporting period when the contracts are executed.	The athletic department agrees to create accounts receivable for game contracts. We will consult with Financial Reporting to record existing and future contracts using GAAP as a guideline for recording these amounts. The athletic department notes that in most cases the guaranteed amount in the event a scheduled contest is not played is not the same as the face value of the contract when the game is played. Again we will consult with Financial Reporting to determine the amount to be recorded.	Mike Ashbaugh	1/15/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-001 UNT	Governance and Regulatory Compliance	NCAA Agreed Upon Procedures	UNT	NCAA Bylaw 11.2.2, Athletically Related Income, requires annual reporting of all athletically related income and benefits from sources outside the institution. This reporting is to also be provided to the President. During the audit, Athletics did not have all required reports on file for fiscal year 2013. The forms were subsequently completed and no third-party compensation was received by the Athletics Department employees that met the criteria to be disclosed in the financial statements.	NA	We recommend that the Athletics Department develop a process for assuring that all reports are obtained and completed appropriately, and determine if any additional steps are necessary for this process to be fully compliant with NCAA Bylaw 11.2.2.	The athletic department has always collected all forms in a timely manner through the Compliance Office. This year due to a change in the Compliance Officer, all forms were not collected. To alleviate this from happening again the athletic department will: 1. Reinforce the responsibility of the Compliance Officer to create a list of staff required to submit forms. 2. Meet with staff and department personnel to get each form signed and recorded on an Excel spreadsheet. 3. Athletic Director and Senior Associate Athletic Director for Business Affairs will set calendar reminders to meet with Compliance Officer and complete certification two weeks prior to required submission date. Athletics notes that forms for 2011 and 2012 were requested after the review and all forms were provided immediately. This is reinforcement that our procedures under normal circumstances have been followed.	Rick Villarreal, Mike Ashbaugh, Scott Hobbs	1/15/2014	Closed

Internal	UNT System Internal Audit	Fiscal Year 2014	14-001 UNT	Governance and Regulatory Compliance	NCAA Agreed Upon Procedures	UNT	One expense was not fully supported by the supporting documentation. A travel voucher was reimbursed at \$11,306.45, however only \$9,873.34 of that expense could be matched to travel receipts. However, the documentation submitted included an explanation that there were issues with the billing from the hotel. This voucher was for hotel charges for temporary housing for new coaches. This expense was reclassified from Other Operating Expenses to Coaching Salaries, Benefits and Bonuses Paid by the University and Related Entities	NA	We recommend that only expenses that can be supported by receipts be paid. Additionally, temporary housing expenses should be handled via a purchase order.	The supporting documentation reviewed was only the partial items available at the time of the filing of the expense report. The balance of the documentation was available during the next month's expense statements. In addition, this particular bill was problematic due to a breach in normal hotel billing policies; the proper receipts and accounting were not available from the hotel. Documentation of these irregularities, including e-mails from hotel management, was attached to expense report. Concerning the travel voucher, housing was supplied and required by the Athletic Department during the recruiting period. The reclassification of expenses is a necessary process due to a number of factors both in athletics and other departments. The athletic department will conduct a review of why reclassifications were required. The athletic department will continue to reduce the number of reclassifications by: 1. Performing monthly reviews of accounts and account numbers to insure better accuracy. 2. Review changes of account numbers made once transactions leave the athletic department.	Mike Ashbaugh, Troy Taylor	5/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-001 UNT	Governance and Regulatory Compliance	NCAA Agreed Upon Procedures	UNT	Twenty-eight percent of the invoices reviewed in our samples were paid more than 30 days from the date of the invoice. Additionally, 10% of the invoices, totaling \$167,126.10, spanned two fiscal years resulting in expenses reported in the wrong financial reporting period.	NA	We recommend that the Athletics Department assure that all invoices are paid in a timely manner and that goods and services are paid and expensed in the year in which the expense occurred.	The first two bills reviewed were those with the longest pay date. Both were found to be delinquent from the company's issuing, one that had been sold 13 months ago. The athletic department intends to review each of the specified bills that were late in payment to identify where the delays are taking place in order to make sure that all bills are paid within the terms listed from the vendor. This process will take some time but will be completed by the end of March. The athletic department will immediately take the following actions: 1. Will conduct thorough review of payment process from P.O. to payment and each step in between. 2. Review and check the statement date of each bill submitted for payment. 3. Retain records of dates bills are transmitted for payment to campus or the BSC.	Mike Ashbaugh, Troy Taylor, Clara Richard	1/15/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-001 UNT	Governance and Regulatory Compliance	NCAA Agreed Upon Procedures	UNT	It was noted during the course of the review that all journal template entries booked by the any UNT department, including the Athletic Department, are booked on the general ledger without inclusion and review of supporting documentation by Financial Reporting. The current process of booking journal entries is for an employee to submit a journal template to Financial Reporting for review that consists of an account type match and a budget check. It is expected that the department has and maintains the supporting documentation for every journal template entry submitted. Lack of review of supporting documentation can result in inappropriate, inaccurate journal entries and/or errors and discrepancies going undetected.	NA	We recommend that Financial Reporting develop a written standard for journal entry documentation and review the supporting documentation for journal entries.	The Controller's Office and Financial Reporting are developing a written standard for journal entry documentation that will require all submitted journals with line item amounts \$5K and above to include appropriate supporting documentation that fully explains the journal being booked to the system. Supporting documentation for journals with line item amounts less than \$5,000 will continue to be retained within the originating department in accordance with UNT's Records Management and Retention policy 10.10. This will require a culture change throughout campus and numerous training sessions.	Lee Miara, Associate Vice President for Finance and Controller	6/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-002 SYS	Governance and Regulatory Compliance	FY 2013 Investments Review Audit	UNT System	As of August 31, 2013, UNT reported an investment in both agency securities and Small Business Administration (SBA's) bonds, however, UNT System Regulation 08.2000 does not include these investments as authorized investments. These investments were authorized by the policy in effect at the time of purchase. In fiscal year 2013, no new securities were purchased and future purchases are not planned. Two of the three agency securities matured in FY 2013, and one matured in September 2013.	Low	Recommended Management Action for Andrew Harris, Vice President for Finance and Administration (UNT): Assure all investments are authorized by current policy. Implementation will ensure that all investments are supported by a Board approved regulation.	Agree. The SBA investment will mature 9/25/2014. UNT will reinvest in compliance with the current investment regulations.	Jean Bush, Sr. Associate VP for Finance	9/25/2014	Closed

Internal	UNT System Internal Audit	Fiscal Year 2014	14-002 HSC	Governance and Regulatory Compliance	FY 2013 Investments Review Audit	UNTHSC	UNTHSC does not have a current executed bank depository agreement with JPMorgan Chase. The current depository for UNTHSC is JPMorgan Chase. The bank depository agreement with JPMorgan Chase expired on August 31, 2012. The expired agreement states: "The term may be extended until such time as the successor shall have been duly selected and qualified, such extension not to exceed 60 days." According to the Chief Finance Officer of UNTHSC, a draft agreement has been completed, but the agreement has not been executed.	High	Recommended action for Senior Vice President of Finance and Chief Finance Officer: 4. Finalize and fully execute the UNTHSC Bank Depository Agreement with JPMorgan Chase. Implementation will help ensure that BOR expectations are met, bank deposits are safeguarded, and any favorable terms are in force.	Management agrees with recommendation. Although the written agreement between J.P. Morgan Chase Bank expired in 2012, the parties have continued to operate under the agreement with the same terms until the new contract can be finalized. Management will continue to work with the Office of General Counsel to finalize the written agreement.	John A. Harman, Senior Vice President for Finance and CFO	4/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-002 HSC	Governance and Regulatory Compliance	FY 2013 Investments Review Audit	UNTHSC	UNTHSC does not have a Management Agreement with the UNTHSC Foundation to manage UNTHSC Medical Professional Liability Self-Insurance Funds. UNTHSC has an executed management agreement with the UNTHSC Foundation for the management of institutional tobacco funds, but this agreement does not include the management of Medical Professional Liability Self-Insurance Funds.	Moderate	Recommended action for Senior Vice President of Finance and Chief Finance Officer: Execute a new exhibit to the current agreement with the UNTHSC Foundation to include the management of Medical Professional Liability Self-Insurance Funds. Implementation will help ensure that Medical Professional Liability Self-Insurance Funds are adequately safeguarded and invested.	Management agrees with recommendation. Prior to January 17, 2014 an Exhibit did not exist. However, management executed Exhibit C to the Investment Management Agreement between the UNTHSC and the UNTHSC Foundation on January 17th for the management of the Medical Professional Liability Self Insurance Funds. The change in institutional Finance leadership in early FY2013 may have contributed to the delay in submittal since funds were initially invested with the Foundation prior to the transition in leadership.	John A. Harman, Senior Vice President for Finance and CFO	2/7/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-002 HSC	Governance and Regulatory Compliance	FY 2013 Investments Review Audit	UNTHSC	Signatory authority for the former UNTHSC Vice President of Finance and CFO was not removed from the bank account until ten months after he left his position. The former Vice President of Finance and CFO for UNTHSC remained with signatory authority over ten months while not in a role warranting that authority.	Low	Recommended actions for Controller and Chief Budget Officer: Develop a process to ensure that banking signatory authority cards are updated immediately to accurately reflect changes to personnel and only individuals with proper authority are active. Implementation will help ensure funds are adequately safeguarded and controlled.	Management agrees with recommendation. Management will work with system business service center and commercial banking personnel to ensure that banking signature cards submitted for changes in authorized personnel are updated in the electronic signature system in a timely fashion and only individuals with proper authority are active.	Geoffrey Scarpelli, Comptroller and Chief Budget Officer	3/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	13-010 HSC	Information Technology	UNT Health NextGen EPM Post-implementation Review	UNTHSC	During the prior administration, contract Amendments required for the NextGen EPM System functionality totaling more than \$1.02 million were approved and executed internally, but without the consent of UNT System Board of Regents. The NextGen EPM system implementation included two original contract amendments. The two contract amendments were presented and approved by the Board of Regents on May 12, 2011 in the amount of \$2.45 Million (\$2 Million for professional services and \$450,000 for hardware and infrastructure). Beginning on January 20, 2012, the first of an additional 17 contract amendments totaling \$1,058,112 were approved and executed due to the unforeseen need to 1) implement a separate bill center for Correctional Medicine and 2) additional applications licenses related to medical student and resident activity. Each individual contract amendment was approved and executed by the management of UNTHSC leadership; however, no additional approval or Board Order was provided to the Board of Regents noting the additional amendments and cost.	High	Recommendations for the current Senior Vice President for Finance and CFO: Ensure procedures are established for the new UNTHSC Administration to ensure approval of the UNT System Board of Regents related to Regents Rules requiring Board approval for all purchases exceeding \$1 million. Implementation will provide assurance that the Board of Regents are aware of and approve all contract amendments related to projects that in aggregate total more than \$1 million.	Management agrees. Additional contract amendments were executed over an eleven month period that in total exceeded \$1M. This was necessary to expand functionality and include the Correctional Medicine practice which was not envisioned in the original project scope. Management will develop a written procedure to be followed by all areas of the institution and, in support of Regents Rule 3.9, that reinforces the importance of management fully evaluating project scope and related estimated expenditures for contracted services. If, subsequent to Board approval, project scope is materially expanded or enhanced by an amount or cumulative amounts exceeding \$1M, management will inform the Board and seek advance approval where required. Internal	UNT System Internal Audit	Fiscal Year 2014	14-004 HSC	Academic and Students	Anatomical Lab Review Audit	UNTHSC	Unauthorized individuals have card key access to the Laboratory and Embalming Room. As of January 30, 2014, the list of individuals with authorized card access to the Embalming room (RES 228) was 303 and the Gross Anatomy Lab (RES 242) was 2,380. Based on the review performed by the Department and Internal Audit of these lists, it was determined that there were 176 unauthorized users for the Embalming room and 1,839 unauthorized users for the Gross Anatomy Lab.	Moderate	Recommended action for the Director of Anatomical Services and Chair of Integrative Physiology: Develop a process to periodically review the lists of individuals with Laboratory and Embalming Room access and remove unauthorized individuals. Implementation will provide assurance that only authorized individuals have access to the laboratories.	Management agrees to review the Access List immediately and at the end of each semester, and send a list to Campus Police of individuals who need to have their badge access deactivated.	Sandra Clapp, Sr. Administrative Coordinator.	5/30/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-004 HSC	Academic and Students	Anatomical Lab Review Audit	UNTHSC	The Department did not perform an informal bid process for selecting a vendor to perform crematorium services during the review period. The Department did not perform an informal bid process to obtain cremation services during the period under review. The Department has used the same vendor for many years.	Low	Recommendation for the Director of Anatomical Services: The Department should proceed through an informal bid process for crematorium services. Implementation will provide assurance that UNTHSC obtains the best value for services purchased and compliance with the UNTHSC Purchasing Guidelines.	Management agrees. At least 3 informal bids will be requested before issuing contract.	Robin Belcher, Director of The Willed Body Program	9/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-004 HSC	Academic and Students	Anatomical Lab Review Audit	UNTHSC	The Department does not have written policies and procedures for its operations including maintenance or records and for the proper disposal non-return cremains. The files and spreadsheets maintained by the Department noted many items that were incomplete and not updated in a timely manner. It was noted in 8 of 18 files in our sample that the donor checklist forms were not always fully completed or updated. Many were missing dates, for example, date of cremation, return of cremains, and cremains received by/sent were often not updated in the files. Some of the same items were noted in the spreadsheets maintained by the Department. The Department is currently storing non-return cremains in a storage cabinet.	Low	Recommendation for the Director of Anatomical Services: In consultation with the Office of General Counsel, develop policies and written processes for all processes of the Department including maintenance of records and for the proper disposal of non-return cremains. Implementation of written procedures will provide for consistency and guidance with Departmental processes.	Management agrees. A Policy and Procedures document is being created.	Robin Belcher, Director of The Willed Body Program.	9/1/2014	Closed
Internal	UNT System Internal Audit	Fiscal Year 2014	14-004 HSC	Academic and Students	Anatomical Lab Review Audit	UNTHSC	The Department does not maintain an inventory of anatomical specimens. The Department does not maintain an inventory of anatomical specimens. Anatomical specimens are removed from donors and retained in labeled boxes, in the lab, for teaching purposes. They are not numbered with the donors SAB number and can be retained in the lab after the donor has been cremated. Specimens are cremated when they are no longer usable. The cremains are not returned.	Low	Recommended action for the Director of Anatomical Services: Consider maintaining an inventory of anatomical specimens that contains an item number, date specimen retained, description and location. Implementation will provide assurance that the Department has a record of anatomical specimens.	Management agrees. A spread sheet will be created to document specimens and their locations. A form will be created for each specimen with a description and columns for: Date of check out, Name of person checking out, Date of check in, Name of person checking specimen back in. In addition, the final FY 2013 JAMP Expenditure Report prepared by the Office of Research Services and submitted to the JAMP Council was accurate. Expenditures for fiscal year 2013 totaled \$16,135; resulting in \$677 in unspent funds. These funds are in the process of being returned to the JAMP Council.	NA	None	NA	NA	NA	N/A
External	State Office of Risk Management	Fiscal Year 2015	NA	Governance and Regulatory Compliance	On-Site Consultation	UNTHSC	15-04-01 Safety: Chemical Safety: Respiratory Protection Program - During the consultation, SORM noted that according to their Safety Data Sheets, chemicals being used on campus have been assigned OSHA Permissible Exposure Limits and/or ACGIH Threshold Limit Values. However, no testing has been conducted to determine the level of the employees' exposure to these hazards.	NA	SORM recommends that UNTHSC measure the levels that the employees are exposed to. Based on the results of the testing, an OSHA-compliant respiratory protection program may need to be implemented.	We will partner with our School of Public Health to perform exposure assessments on employees.	Matthew Moncus, Director, Safety Office	9/30/2015	Closed
External	State Office of Risk Management	Fiscal Year 2015	NA	Governance and Regulatory Compliance	On-Site Consultation	UNTHSC	15-04-02 Safety: Fire Safety: Sprinkler System Maintenance - During the consultation, SORM noted that UNTHSC has a functional sprinkler system in most of the buildings on campus. Annual maintenance is being conducted by a third-party vendor. Upon review, some of the quarterly tasks listed in NFPA-25 are not listed on the vendor-provided checklists, and therefore, are not being completed.	NA	SORM recommends that UNTHSC work with the third-party vendor and the UNTHSC maintenance personnel to ensure that all inspections, testing, and maintenance of the sprinkler systems conform to NFPA-25. If the vendor's procedures are out of compliance with this standard, SORM recommends that the university consider terminating the contract with this vendor as soon as possible, and contracting with a vendor who will comply with the standard.	We will meet with the vendor and discuss inspection procedures, requirements, and evaluate if the vendor can meet our needs. If they cannot we will begin the process of selecting a new vendor.	Matthew Moncus, Director, Safety Office	6/30/2015	Closed
External	State Office of Risk Management	Fiscal Year 2015	NA	Governance and Regulatory Compliance	On-Site Consultation	UNTHSC	15-04-03 Safety: Hazard Communication: Eyewash Nozzle Caps (EAD Building) - SORM noted during the consultation that required nozzle caps on eyewash stations in the EAD Building were missing. Without these nozzle caps, dust and other debris can present an additional hazard to an employee flushing their eyes from a chemical exposure.	NA	SORM recommends that UNTHSC replace the required nozzle caps, as per the OSHA and ANSI standards.	Submitted work orders to have the nozzle caps replaced with a type that is not easily broken.	Matthew Moncus, Director, Safety Office	5/13/2015	Closed
External	State Office of Risk Management	Fiscal Year 2015	NA	Governance and Regulatory Compliance	On-Site Consultation	UNTHSC	15-04-04 Safety: Fire Safety: GFCI (Electronic Water Fountain) - SORM noted during the consultation that an electronic water fountain in the library was not protected by a Ground Fault Circuit Interrupter, as required by the National Electrical Code.	NA	SORM recommends that UNTHSC provide this protection, either in the receptacle or on the circuit breaker.	Work order has been submitted to replace all outlets near water fountains with GFCI outlets.	Matthew Moncus, Director, Safety Office	6/30/2015	Closed
External	State Office of Risk Management	Fiscal Year 2015	NA	Governance and Regulatory Compliance	On-Site Consultation	UNTHSC	15-04-05 Safety: Fire Safety: Standpipe Cap - SORM noted during the consultation that a standpipe in front of the cooling towers on Montgomery Street was missing one of its required caps. Without the required cap, debris may accumulate in the hose connection such that the system may malfunction.	NA	SORM recommends that UNTHSC replace this cap, as per the NFPA standard.	A work order has been issued to replace the cap.	Matthew Moncus, Director, Safety Office	5/31/2015	Closed
External	State Office of Risk Management	Fiscal Year 2015	NA	Governance and Regulatory Compliance	On-Site Consultation	UNTHSC	15-04-06 Safety: Fire Safety: Sprinkler Heads - SORM noted during the consultation that two sprinkler heads in the EAD Building (one on the fourth floor, one on the fifth floor) were covered in dirt and debris. One sprinkler head on the fifth floor was ingressed into the ceiling tile. In these conditions, these sprinkler heads will not function as designed by the manufacturer, and thereby present a fire hazard.	NA	SORM recommends that UNTHSC repair these sprinkler heads, ensure that all inspections are done according to NFPA-25, and promptly correct any deficiencies once they are noted.	We will inspect the sprinkler heads more thoroughly and correct the deficiencies found. The Safety Office will assist in inspections to provide greater oversight in this task. A work order has been placed to repair the items observed during the inspection.	Matthew Moncus, Director, Safety Office	8/31/2015	Closed

External	State Auditor's Office	Fiscal Year 2015	15-021	Finance	State of Texas Compliance with Federal Requirements for the Student Financial Assistance Cluster for the Fiscal Year Ended August 31, 2014	UNT	Cost of Attendance: Eligibility - Cost of Attendance - For 28 (47 percent) of 60 students tested, the University of North Texas (University) incorrectly or inconsistently calculated COA. Specifically, the University included loan fees for Direct PLUS Loans in the COA budget for all dependent students, regardless of whether those students received that type of loan. The University does not have a process to remove the loan fees from the COA budget if a student does not accept a Direct PLUS loan. Because the University included loan fees for those students, it over awarded financial assistance to 3 of those 28 students. Not removing Direct PLUS loan fees from COA when necessary could result in higher COA budgets and increases the risk of over awarding financial assistance.	NA	The University should: - Include loan fees in COA only for students who receive loans.	Cost of Attendance Management made changes to include loan fees in the COA budget only for students who receive loans. Implementation Date: August 2014 Responsible Persons: Dena Guzman-Torres and Lacey Thompson	Dena Guzman-Torres and Lacey Thompson	8/1/2014	Closed
External	State Auditor's Office	Fiscal Year 2015	15-021	Finance	State of Texas Compliance with Federal Requirements for the Student Financial Assistance Cluster for the Fiscal Year Ended August 31, 2014	UNT	Satisfactory Academic Progress : The University's SAP policy does not meet all federal requirements. As a result, for 6 (11 percent) of 54 students tested, the University did not correctly determine their SAP status. The University incorrectly disbursed financial assistance to five of the six students tested who did not meet SAP requirements. Having a policy that allows students to progress through their program at a pace that does not ensure that they will graduate within the maximum time frame increases the risk of federal assistance being disbursed to ineligible students. In addition, the University's SAP policy is less strict than its academic policy for graduate students. In addition, the University's SAP policy is less strict than its academic policy for graduate students.	NA	The University should: - Ensure that its SAP policy meets federal requirements by calculating the quantitative pace requirement on a cumulative basis, rather than an annual basis; ensuring that the policy requires students to graduate within the maximum time frame; and making the policy at least as strict as its academic policy.	Satisfactory Academic Progress Management made changes to its SAP policy to meet federal requirements by calculating the quantitative pace requirement on a cumulative basis to ensure students graduate within the maximum time frame. For graduate students, management made changes to the policy to make it at least as strict as UNT's academic policy.	Dena Guzman-Torres and Lacey Thompson	8/1/2014	Closed
External	State Auditor's Office	Fiscal Year 2015	15-021	Finance	State of Texas Compliance with Federal Requirements for the Student Financial Assistance Cluster for the Fiscal Year Ended August 31, 2014	UNT	For 1 (3 percent) of 40 students tested, the University of North Texas (University) did not correctly verify all required information on the student's FAFSA and did not correct student ISIR information when required. The University incorrectly categorized Social Security benefits as untaxed income for that student, which resulted in an overstatement of the student's EFC. That error occurred as a result of a manual error in the University's verification process. When auditors brought that issue to the University's attention, it removed the Social Security benefits as untaxed income and submitted corrections to the student's ISIR. Not properly verifying FAFSA information can result in the University over awarding or under awarding student financial assistance.	NA	The University should accurately verify all required FAFSA information for students selected for verification and request updated ISIRs when required.	Management made changes to accurately categorize Social Security benefits for students selected for verification. Management corrected the ISIR information for the one student. External	Texas Comptroller of Public Accounts	Fiscal Year 2015	769-15-01	Finance	Post-Payment Audit	UNT System	Internal Control Structure: Two employees can adjust payment instructions in the Texas Identification Number System (TINS) and approve paper vouchers.	NA	The System should periodically review the controls over expenditure processing and segregate each task to the extent possible to ensure that no individual is able to process payments without oversight.	The UNT System Administration agrees with this finding and requirements. The UNT System is also currently undergoing a major financial transformation to review all financial related processing activities throughout all institutions. All USAS, TINS and signature card processing activities are being reviewed to establish best practices and controls that will help minimize errors in the future.	Joey Saxon, Senior Director UNT System Business Support Services	12/31/2015	Closed
External	State Office of Risk Management	Fiscal Year 2015	NA	Governance and Regulatory Compliance	On-Site Consultation Report	UNT	15-07-01 Safety: Electrical Safety: Adequate Power (Chemical Bunker) SORM noted during the consultation that UNT-Denton was utilizing an extension cord as a permanent conduit of power in the chemical bunker outside of the Chemistry Building.	NA	SORM recommends that UNT-Denton install the correct number and array of electrical power receptacles and circuits to meet the electrical needs of the chemical bunker, as per the OSHA standard referenced below. Reference: OSHA, 20 CFR 1910.305(g)(1)(iii)[A]	NA	Charlie Fox, Director of Environmental Management	9/19/2015	Closed
External	State Office of Risk Management	Fiscal Year 2015	NA	Governance and Regulatory Compliance	On-Site Consultation Report	UNT Dallas	15-07-01 Safety: Electrical Safety: Knockouts in Electrical Panelboard SORM noted during the consultation that knockouts were missing from a panelboard on the fourth floor of Building 1 in the mechanical room.	NA	SORM recommends that UNT-Dallas insert the proper knockouts per the electrical code. Reference: NFPA-70 (2014), "National Electrical Code," Article 110.12[A]	This recommendation was completed on 08/12/2015	Wayne McInnis, Assistant Director for Facilities	8/31/2015	Closed

Internal	UNTHSC Institutional Compliance Office	Fiscal Year 2015	NA	Governance and Regulatory Compliance	Safety and Security Audit (conducted by UNTHSC Institutional Compliance Office)	UNTHSC	Safety Coordinator Training needs to be completed by each Safety Coordinator	NA	Institutional Compliance recommends that the Safety Office maintains a process that ensures that each UNTHSC Safety Coordinator has completed Safety Coordinator training. If training is not completed or is unable to be completed by the Safety Coordinator, then a new Safety Coordinator should be appointed for that department.	New Employee Safety training is currently in the process of being updated and moved to UNTHSC's new We Comply Training Platform. This will allow for more accurate reporting. The new Safety Training is set to roll out in September 2015.	Matthew Moncus, Director, Safety Office	9/2015	Closed
Internal	UNTHSC Institutional Compliance Office	Fiscal Year 2015	NA	Governance and Regulatory Compliance	Safety and Security Audit (conducted by UNTHSC Institutional Compliance Office)	UNTHSC	Institutional Compliance (IC) found that per the Fire Drill Report, corrective actions needed to be implemented and another Fire Drill should have been scheduled five to six months after to evaluate the efficiency of the corrective actions. Facilities had scheduled a complete fire alarm upgrade for the Gibson D. Lewis Library and the Safety Officer decided to perform the next drill in the building after the upgrade was completed. Funding for the fire alarm upgrade has been secured by Facilities for fiscal year 2016. The engineering has been completed, the next step is the installation. Brian Jordon is the Project Manager.	NA	IC recommends that the Safety Office conduct at least one emergency of fire drill exercise in the PCC and other high occupancy, multi-story buildings.	A fire drill schedule has been implemented that tests each building at least once a year. A large scare emergency management exercise will be conducted in the PCC in October, 2016. External	State Auditor's Office	Fiscal Year 2016	16-016	Finance	State of Texas Compliance with Federal Requirements for the Student Financial Assistance Cluster for the Fiscal Year Ended August 31, 2015	UNT	For 4 (7 percent) of 60 students who had a status change, the University submitted inaccurate effective dates to NSLDS. That occurred because the University had identified errors in its February 2015 report submission to NSC and, therefore, delayed submission of its enrollment report. That delay caused the effective dates to be reflected inaccurately in NSLDS. Not reporting effective dates accurately could affect determinations that guarantors, lenders, and servicers of student loans make related to in-school status, deferments, grace periods, repayment schedules, and the federal government's payment of interest subsidies.	NA	The University should accurately report effective dates to NSLDS.	Management is attentive to the U.S. Department of Education requirements regarding reporting dates of student enrollment status changes. Management has implemented a change to the internal National Student Clearinghouse Enrollment Report to help ensure the accuracy enrollment change dates.	Bryan Heard	8/1/2015	Closed

External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNT Dallas	16-11-06 Safety: Light Bulb Cover (Mechanical Room- Building #1) - SORM noted during the consultation that light bulbs in the southeast corner of the mechanical room in Building #1 were fewer than eight feet from ground level and were missing a required cover.	NA	SORM recommends that the university cover these bulbs, as per the OSHA standard referenced below. Reference: OSHA, 29 CFR 1910.305 (j)(1)(i)	Recommendation has been implemented.	Wayne McInnis, Assistant Director for Facilities	1/14/2016	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNT Dallas	16-11-08 Risk Management: Policies/Procedures: Facilities Maintenance Staff - SORM noted during the consultation that there were several factors that may cause additional stresses on the current structure of the facilities maintenance staff, potentially resulting in required maintenance procedures not being completed as required by various safety codes. These factors include but are not limited to: a) Growth in the square footage of the university's structures, with new buildings being constructed and/or the expansion of current facilities. b) New emphasis from the Texas State Fire Marshal's Office on the enforcement of the SFMO directive from 2005 about frequency of testing of natural gas lines. c) Adoption of NFPA-1 (Fire Code-2012) as the inspection document of the State Fire Marshal's Office, who is the Authority Having Jurisdiction regarding fire/life safety of all state assets. This standard works in conjunction with the previously-adopted NFPA-101 (Life Safety Code), however, it covers many more hazards.	NA	Considering these and other factors, SORM recommends that the university use a formal risk assessment process to consider whether the current structure and size of the facilities maintenance staff is and will continue to be adequate to meet these needs and others that may emerge over time. Reference: RMTSA Guidelines, Volume II, Section Two, Chapter 2, Subchapter 2.4	Risk assessment to be complete by 7/31/16	Wayne McInnis, Assistant Director for Facilities	Expected Imp. Date: 7/31/2016 Revised Imp. Date: N/A	All SORM recommendations are open until the next SORM visit. Management Update Provided 04.10.18: No risk assessment was completed. However, we were recently allowed to hire 1 additional custodian and 1 Facilities Tech.
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNTHSC	16-11-01 Safety: Fire Safety: Fire Extinguisher (Library) - SORM noted during the consultation that the fire extinguisher in the Center for Innovative Learning, room 448 in the Library, was a Carbon Dioxide "B/C" type of extinguisher.	NA	SORM recommends that UNTHSC replace this extinguisher with an A/B/C Dry Chemical type of extinguisher due to the hazard classification and type of combustible material present in this location, as per the NFPA standards referenced below. References: NFPA-101 (2015), "Life Safety Code," Chapters 39.3.5; 9.7.4.1; NFPA-10 (2013), "Standard for Portable Fire Extinguishers," Chapters 5.1, 5.2.1, 5.4.1.2	Fire Extinguisher was replaced with the proper type. External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNTHSC	16-11-11 Safety: Fire Safety: Exit Sign (CBH Building) - SORM noted during the consultation that an exit sign near the 252 stairwell is insufficiently lit.	NA	SORM recommends that the university replace this exit sign with one that performs in accordance with the NFPA standard referenced below. Reference: NFPA-101 (2015), "Life Safety Code," Chapters 39.2.10, 7.10, 7.10.5.1	Signs will be ordered and installed by Facilities.	Matthew Moncus, Director, Safety Office	1/31/2016	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNTHSC	16-11-12 Safety: Fire Safety: Electrical Panelboard (UNT-System HR Building) - SORM noted during the consultation that an electrical panelboard in the exterior mechanical room of the UNT-System HR Building was missing a required knockout and a list indicating which circuit each circuit breaker controls.	NA	SORM recommends that the university insert the knockout and label as per the NFPA standard referenced below. Reference: NFPA-70 (2015), "National Electrical Code," Articles 408.4, 110.12 [A]	Building is scheduled to be unoccupied within the next 2 months, and is scheduled to be demolished soon after.	Matthew Moncus, Director, Safety Office	2/29/2016	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNTHSC	16-11-13 Safety: Electrical Safety: GFCI Protection – Electric Water Fountain (General Services Building) - SORM noted during the consultation that an electric water fountain in the General Services Building was not protected by either a GFCI receptacle or circuit breaker.	NA	SORM recommends that the university install GFCI protection in this area in accordance with the NFPA standard referenced below. Reference: NFPA-70 (2015), "National Electrical Code," Article 422.52	The Facilities Electrician has been assigned the task to provide GFCI protection for the water fountains.	Matthew Moncus, Director, Safety Office	1/31/2016	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNTHSC	16-11-14 Safety: Emergency Management: Shelter-in-Place Drill - SORM noted during the consultation that although the university has excellent emergency management policies in place, a shelter-in-place drill had not been conducted recently.	NA	SORM recommends that the university conduct a "worst case scenario" shelter-in-place drill for all buildings on campus, including both employees and students in the procedure. Reference: RMTSA Guidelines, Volume III, Section Two, Chapter 6, Subchapter 6.5	A shelter-in-place drill matrix has been created that establishes a drill schedule for each building on campus. Each building will be drilled individually and performance will be evaluated by the Safety Office. A campus wide drill will be integrated into our annual emergency management exercise.	Matthew Moncus, Director, Safety Office	10/28/2016 (Exercise is scheduled based on availability of City of Fort Worth resources.)	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNTHSC	16-11-15 Risk Management: Policies/Procedures: Incident Investigations - SORM noted during the consultation that root cause analyses of appropriate incidents is not currently occurring in a formalized manner.	NA	SORM recommends that the university provide incident investigation training for at least the University Safety Officer. Upon completion of this training, root cause analyses should be conducted for each appropriate incident that occurs. Reference: RMTSA Guidelines, Volume III, Section Two, Chapter 5, Subchapter 5.7	The Safety Director will attend an incident investigation course and conduct root cause analyses for each incident.	Matthew Moncus, Director, Safety Office	5/31/2016 Not yet implemented. SORM stopped offering this course, and an alternative has not been identified.	Closed

External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNTHSC	<p>16-11-16 Risk Management: Policies/Procedures: Facilities Maintenance Staff - SORM noted during the consultation that there were several factors that may cause additional stresses on the current structure of the facilities maintenance staff, potentially resulting in required maintenance procedures not being completed as required by various safety codes. These factors include but are not limited to:</p> <ul style="list-style-type: none"> • Growth in the square footage of the university's structures, with new buildings being constructed and/or the expansion of current facilities. • New emphasis from the Texas State Fire Marshal's Office on the enforcement of the SFMO directive from 2005 about frequency of testing of natural gas lines. • Adoption of NFPA-1 (Fire Code) as the inspection document of the State Fire Marshal's Office, who is the Authority Having Jurisdiction regarding fire/life safety of all state assets. This standard works in conjunction with the previously-adopted NFPA-101 (Life Safety Code), however, it covers many more hazards. • The availability of and desire to obtain and utilize an infra-red scanning device to detect electrical issues on campus before they result in failure and subsequent fire. 	NA	Considering all of these factors, SORM recommends that the university use a formal risk assessment process to consider whether the current structure and size of the facilities maintenance staff is and will continue to be adequate to meet these needs and others that may emerge over time. Reference: RMTSA Guidelines, Volume III, Section Two, Chapter 2, Subchapter 2.4	An assessment will be conducted to determine appropriate staffing levels.	Matthew Moncus, Director, Safety Office	8/31/2016 Not yet implemented. An assessment of only Safety personnel revealed appropriate staffing levels based on square footage, population, and workload. External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	On-Site Consultation Report	UNT	16-11-04 Safety: Fire Safety: Fire Door (Mechanical Room – West Hall) SORM noted during the consultation that a fire door in a mechanical room of West Hall was not displaying its fire rating.	NA	SORM recommends that the university determine the fire rating of the door and then label it according to the NFPA standard referenced below. Reference: NFPA-101 (2015), "Life Safety Code," Chapters 8.3.3.1, 8.3.3.2, 8.3.3.2.2, 8.3.3.2.3, 8.3.3.2.3.1	The fire rating of the door will be determined and posted.	Randy Fite, Senior Director, Facilities Maintenance	1/29/2016	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNT Dallas	16-11-04 Safety: Fire Safety: Firestops in Telecommunications Room - SORM noted during the consultation that telecommunications room #361 was lacking required firestops on wall penetrations made due to data-communications wiring.	NA	SORM recommends that the university firestop these penetrations in accordance with the NFPA standard referenced below. Reference: NFPA-101 (2015), "Life Safety Code," Chapter 8.3.5.1	Recommendation has been implemented.	Wayne McInnis, Assistant Director for Facilities	12/2/2015	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	On-Site Consultation Report	UNT	16-11-05 Safety: Fire Safety: Evacuation Diagrams and Room Numbers (West Hall) SORM noted during the consultation that the evacuation diagrams provided in the South wing of West Hall indicate room numbers with a fourth floor designation, even though they are on the first floor of the building. Since this can be extremely confusing to emergency responders (and residents) who may not be as familiar with the particular lay-out of this building as might be desired.	NA	SORM recommends that the university consider the feasibility of designing the emergency evacuation diagrams and room numbers such that this kind of confusion is eliminated, while maintaining the clarity and accuracy of the diagrams and associated fire/emergency plans. References: NFPA-1 (2015), "Fire Code," Chapter 10.8.1, 10.8.2.1; NFPA-101 (2015), "Life Safety Code," Chapters 29.7.4.1, 29.7.4.2, 29.7.5, 7.10.8.5	Will redesign the south wing numbers to reduce confusion.	Randy Fite, Senior Director, Facilities Maintenance	8/31/2016	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNT Dallas	16-11-05 Safety: Fire Safety: Fire Doors, Equipment, and Assemblies - SORM noted during the consultation that the fire doors and assemblies on campus were in varying states of compliance with the fire and life safety codes with regard to the display of their fire-resistance ratings.	NA	SORM recommends that the university conduct an inventory of all fire doors, equipment, and assemblies and then ensure that each are labeled in accordance with the NFPA standard referenced below. Reference: NFPA-101 (2015), "Life Safety Code," Chapters 8.3.3.1, 8.3.3.2, 8.3.3.2.2, 8.3.3.2.3, 8.3.3.2.3.1	We still haven't been already to verify through the submittals.	Wayne McInnis, Assistant Director for Facilities	Expected Imp. Date: 3/30/2016 Revised Imp. Date: N/A	All SORM recommendations are open until the next SORM visit. Management Update Provided 04.10.18: The as builts were checked and the doors in question were not scheduled to be Fire Resistant.

External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNT Dallas	16-11-06 Safety: Light Bulb Cover (Mechanical Room- Building #1) - SORM noted during the consultation that light bulbs in the southeast corner of the mechanical room in Building #1 were fewer than eight feet from ground level and were missing a required cover.	NA	SORM recommends that the university cover these bulbs, as per the OSHA standard referenced below. Reference: OSHA, 29 CFR 1910.305 (j)(1)(i)	Recommendation has been implemented.	Wayne McInnis, Assistant Director for Facilities	1/14/2016	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	On-Site Consultation Report	UNT	16-11-07 Safety: Fire Safety: Fire Alarm System (Matthews Hall) SORM noted during the consultation that the fire alarm system in Matthews Hall was overdue for its annual inspection.	NA	SORM recommends that the university have the system inspected as soon as possible and annually thereafter, as per the NFPA standard referenced below. References: NFPA-101 (2015), "Life Safety Code," Chapter 9.6.1.3, 9.6.1.4; NFPA-72 (2016), "National Fire Alarm and Signaling Code," Chapter and Table 14.3.1	NA	Randy Fite, Senior Director, Facilities Maintenance	11/25/2015	Closed
External	State Office of Risk Management	Fiscal Year 2016	NA	Governance and Regulatory Compliance	Risk Management Program Review	UNT Dallas	16-11-07 Safety: Fire Safety: Storage Under Stairwell - SORM noted 16-11-08 Risk Management: Policies/Procedures: Facilities Maintenance Staff - SORM noted during the consultation that there were several factors that may cause additional stresses on the current structure of the facilities maintenance staff, potentially resulting in required maintenance procedures not being completed as required by various safety codes. These factors include but are not limited to: a) Growth in the square footage of the university's structures, with new buildings being constructed and/or the expansion of current facilities. b) New emphasis from the Texas State Fire Marshal's Office on the enforcement of the SFMO directive from 2005 about frequency of testing of natural gas lines. c) Adoption of NFPA-1 (Fire Code-2012) as the inspection document of the State Fire Marshal's Office, who is the Authority Having Jurisdiction regarding fire/life safety of all state assets. This standard works in conjunction with the previously-adopted NFPA-101 (Life Safety Code), however, it covers many more hazards.	NA	SORM recommends that the university comply with the findings. Considering these and other factors, SORM recommends that the university use a formal risk assessment process to consider whether the current structure and size of the facilities maintenance staff is and will continue to be adequate to meet these needs and others that may emerge over time. Reference: RMTSA Guidelines, Volume II, Section Two, Chapter 2, Subchapter 2.4	We have proposals from 3 contractors to remove the enclosure and risk assessment to be complete by 7/31/16	Wayne McInnis, Assistant Director for Facilities	4/30/2016 Expected Imp. External	State Fire Marshal's Office	Fiscal Year 2016	RRO15029A	Governance and Regulatory Compliance	Fire Safety Inspection Report - University of North Texas Denton Residential	UNT	Crumley Hall Crumley Hall is a three-story mixed occupancy consisting of existing dormitory and existing business. Features of fire protection include a complete fire alarm system, fire sprinkler system and portable fire extinguishers. The building is equipped with illuminated exit signs and emergency generator power.	NA	FINDING 1 There is a dead end corridor on both the second and third floors that exceed the allowable distance of 50 feet. The corridors measured 64 feet long. On the second floor rooms 228 and 229 cannot be normally occupied. The third floor rooms 328 and 329 cannot be normally occupied due to the excessive dead-end corridor distance. NOTE: The violation was noted several inspection cycles ago by the SFMO and the university was instructed at that time they were not to use these rooms. During this inspection it was observed the rooms were again being used. The Housing Staff stated the Risk Management Department told them since the building was retro fitted with a fire sprinkler system the rooms could now be used. THE SFMO instructed the university the rooms cannot be used, the code does not allow dead end corridors to exceed 50 feet in unsprinklered or sprinklered buildings. The university was ordered to lock the rooms and post signs the rooms are not to be occupied by order of the State Fire Marshal's Office. NFPA 1, Fire Code, Chapter 14.10.1.5; and NFPA 101, Life Safety Code, Chapter 29.2.5.5	UNT will post signs the rooms are not to be occupied by order of the State Fire Marshal's Office. Internal	UNT System Internal Audit	Fiscal Year 2016	16-102 SYS	Information Technology	IT Privacy and Data Protection	UNT System	<p>Inventory list of laptops provided by Asset Management is not complete and accurate.</p> <p>Asset Management (AM) is responsible for maintaining an inventory of assets owned by the UNT Enterprise. This listing is maintained in EIS. IA obtained a list of laptops from asset management for UNT, UNTS, and UNTD, which contained 4688 entries. Listing from ePO provided to IA contained 3771 laptops for the entire UNT Enterprise. IA selected a random sample of 100 machines from the ePO report and attempted to find those machines in the asset management listing. Only 53 machines were found due to the asset management listing only sporadically including the machine name, the key field in ePO.</p> <p>Neither of the lists provided, from EIS or ePO, indicated the type of asset/machine.</p> <p>UNTD maintains an inventory list which contained 85 laptops. Asset Management's listing indicated 387 laptops assigned to UNTD. CAS does not maintain an independent inventory list of laptops purchased, and those assigned to CAS could not be identified in Asset Management's listing.</p>	High	<p>IA recommends Asset Management review their processes to ensure they result in an accurate laptop inventory across the Enterprise. IA should then conduct an audit of the Asset Management inventory process. IA recommends this occurs soon, as there are other UNT areas dependent on an accurate inventory. ITSS does not own AM, and AM was not the subject of this audit. IA is recommending an audit of the Asset Management process as a result of this audit.</p>	NA	NA	NA	N/A

UNTS Enterprise Audit Report Inventory

Internal / External	Reporting Agency	Fiscal Year Report was Issued	Audit Number	Audit Category	Report Name	Component Institution	Key Observations	Risk Level	Recommendation Details	Management Response	Individual Responsible for Implementation	Expected Implementation Date	Recommendation Status
Internal	UNT System Internal Audit	Fiscal Year 2016	16-102 SYS	Information Technology	IT Privacy and Data Protection	UNT System	Inventory listing of laptops from Asset Management and listing of laptops in ePO are not reconciled. IA obtained a list of laptops from Asset Management pulled from EIS 9.0, which contained 4688 entries for UNT, UNTS, and UNTD. 3771 laptops containing anti-virus software were found in ePO for the entire UNT Enterprise. IA selected a random sample of 100 machines from this ePO report and attempted to find those machines in the asset management listing. Only 53 machines were found due to the asset management listing only sporadically including the machine name, the key field in ePO.	High	Recommendation for ITSS: ITSS should develop and submit a policy requiring a periodic reconciliation of laptops in Asset Management's inventory to the list of laptops in ePO. This will help determine if all required laptops are equipped with encryption and anti-virus software.	Per discussions that ensued between the leadership of ITSS (Rama Dhuwaraha, Charlotte Russell, Dorothy Flores, and Kendra Ketchum) and Internal Audit (Tracy Grunig, Mickie Tate, and Sue Page) on August 11, 2016, all parties agreed to an alternative to this recommendation, due to non-compatibility of the asset management system with ePO. The two technologies are used for unique purposes: The asset management system is used by institutions to track inventory, and ePO is a software management tool used by ITSS to centrally manage the distribution of anti-virus and encryption software to institutionally owned devices. These tools do not capture the same type of information that would be needed to support reconciliation, thus correlated, or comparable information, is not stored in either system. ITSS will establish a requirement for departments to install current versions of anti-virus and encryption software deployment tools on all newly acquired laptops. By installing the anti-virus and encryption software tools on devices prior to deployment and use, the asset management inventory will initially be indicative of devices that are protected with these solutions. Thereafter, the annual check-in recommendation will support review and compliance as noted in Observation #4.	Charlotte Russell, Chief Information Security Officer	3/31/2017	Closed

Internal	UNT System Internal Audit	Fiscal Year 2016	16-020 UNT	Governance and Regulatory Compliance	International Travel Process Audit	UNT	Listed below are reasons for conducting an audit at a later time: 1. A System-wide travel regulation, which will contain a section on international travel requiring registration for all individuals travelling internationally on University business, will need to be approved and implemented. 2. RMS international travel registration mechanism will need to be implemented. 3. There is a need to establish an internal control to ensure that all individuals traveling internationally on University business register their travel. 4. Management may want to consider possible consequences for those individuals who do not comply with the international travel registration requirement in the System travel regulation. 5. Funding for future improvements and/or expansion of the international travel registration mechanism, if determined applicable, has not been obtained. 6. Need to update the UNT System Travel Guidelines and applicable travel procedures.	NA	None	NA	NA	NA	N/A
Internal	UNT System Internal Audit	Fiscal Year 2016	16-401 UNT	Governance and Regulatory Compliance	Toulouse Graduate School	UNT	1. No Application Fee Policy: Internal Audit was unable to locate any University policies that directly address the use of the Graduate School Application fee. The Interim Dean of the Toulouse Graduate School, stated that application fees can be used for any purpose due to their flexibility, and the Interim Dean was not aware of any policies governing the use of application fees. The Interim Dean of the Toulouse Graduate School, stated that application fees can be used for any purpose due to their flexibility,	Moderate	Recommendation for Vice Provost of the Toulouse Graduate School: 1a. Consult with the Vice President for Finance and Administration to develop a policy specifying appropriate uses for the Graduate School application fee.	Historically the majority of the application fee was used to fund staff positions in the Toulouse Graduate School. Within the last six months the funding of these staff lines were adjusted so that the staff directly responsible for application processing are paid from the application fee account. This is consistent with the intended use of the funds. In addition the residual funds will be directed toward processing of applications and the associated expenses. However, the application fee and the staff on that fee have moved under admissions and, consistent with the change in the budget line, we communicated with	Rebecca Lothringer, Executive Director of Admissions	1/15/2017 Rev. 08/31/2017	Closed
Internal	UNT System Internal Audit	Fiscal Year 2016	16-408 UNT	Governance and Regulatory Compliance	Business Process Operations - Athletic Department	UNT	1. Intercollegiate Athletics Fee - The UNT Intercollegiate Athletics Fee was increased \$1 per semester credit hour (SCH) from \$10/SCH to \$11/SCH starting in the Spring of 2016 without a student general election conducted to approve the increase, which was not in compliance with the Texas Education Code Chapter 54 Section 54.5191. Therefore, this action resulted in the overbilling of students.	High	Recommendations for the Vice President of Finance and Administration and the Vice President of Athletics: a. Coordinate with the Office of General Counsel to take appropriate actions to rectify the overbilling of students.	The fees for athletics were returned to \$10 per hour with limits, the last appropriately authorized amount, prior to registration and fee payment for spring, 2017. The university will refund the extra \$1 per hour collected for the two previous terms. All refunds will be made by November 30, 2016. Internal	UNT System Internal Audit	Fiscal Year 2016	16-408 UNT	Governance and Regulatory Compliance	Business Process Operations - Athletic Department	UNT	1. Intercollegiate Athletics Fee - The UNT Intercollegiate Athletics Fee was increased \$1 per semester credit hour (SCH) from \$10/SCH to \$11/SCH starting in the Spring of 2016 without a student general election conducted to approve the increase, which was not in compliance with the Texas Education Code Chapter 54 Section 54.5191. Therefore, this action resulted in the overbilling of students.	High	Recommendations for the Vice President of Finance and Administration and the Vice President of Athletics: b. Identify and refund students who were charged excess fees as a result of non-compliance with the Texas Education Code 54.5191 from Spring 2016 to current.	The fees for athletics were returned to \$10 per hour with limits, the last appropriately authorized amount, prior to registration and fee payment for spring, 2017. The university will refund the extra \$1 per hour collected for the two previous terms. All refunds will be made by November 30, 2016.	Bob Brown, Vice President for Finance and Administration	11/30/2016	Closed
Internal	UNT System Internal Audit	Fiscal Year 2016	16-408 UNT	Governance and Regulatory Compliance	Business Process Operations - Athletic Department	UNT	2. Inadequate Safeguarding Measures - Safeguarding measures of blank check stock are not adequate. Specifically, the following were noted: • There is a small unsecured movable safe on a shelf in the custodian's office which includes blank pre-numbered checks and the safe combination of another safe located in Athletics administration. • There is no documentation listing the check numbers of the blank checks kept in safe. • The Athletic Department Working Fund maximum balance is \$20,000, though the estimated potential amount needed during peak months is \$5,000.	High	Recommendation for Assistant Athletic Director, Business Operations: a. Obtain a larger unmovable safe.	The Department of Athletics agrees with the recommendations. A large unmovable safe has been purchased.	Pilar Bradfield, Assistant Athletic Director	2/1/2017	Closed

UNT Dallas: Student Services Fee Assessment Process - Since FY2011, Student Services Fee (SSF) has been set at \$10.00 per credit hour. During our review, we noted that current SSF process does not encompass the study of SSF amount to assist in evaluating if current rate/amount is sufficient to cover the cost of student services.	Moderate	13a. The Student Service Fee Advisory Committee should expand their processes to include the study of Student Services Fee amount. This will allow stakeholders to perform a student services fee assessment based on feasibility/cost analysis and submit request/propose fee increases with justifications to be study and approved by the SSFAC.	The Student Service Fee Advisory Committee will identify an individual to conduct a needs assessment. A Needs Assessment Survey will be developed and distributed to all students to identify areas of increased need of student service fee funds. Based on the survey data collected the SSFAC will conduct a cost analysis to address feasibility. Based on the results of the analysis and survey data the SSFAC will develop a report so as to address the increase of fees which will be substantiated by the cost analysis and results from the needs assessment survey. Internal	UNT System Internal Audit	Fiscal Year 2016	16-010 HSC	Governance and Regulatory Compliance	Family Medicine Residency Program	UNTHSC	The FMRP grant was not properly classified in the UNTHSC Accounting System for fiscal year 2013 and fiscal year 2014. During our review of classification of revenues and proper recording for the FMRP grant in the UNTHSC Accounting System, we noted that fiscal year 2013 and fiscal year 2014 funds passed from the Texas Higher Education Coordinating Board (THECB) to UNTHSC were classified as State Grant Pass Through Revenue - Operational compared to fiscal year 2015 funds, which were classified as State Grant Pass Through Revenue - Non Operational. Based on the audited fiscal year 2013 and fiscal year 2014 FMRP Annual Financial Reports, the support received from THECB was 3.11% and 6.85% of the total revenues for the FMRP and are supplemental to the Program. The Associate Dean for Educational Programs also confirmed that the FMRP will be conducted regardless of the additional funds received from THECB.	Low	Recommendations for the UNTHSC Associate Controller are to: Re-educate personnel on financial reporting of state grant pass through revenues to help ensure compliance with the Texas Comptroller of Public Accounts' guidelines.	Associate Dean for Educational Programs will work with appropriate management from the UNT System's Controller's Office to ensure the funds are recorded appropriately within UNTHSC's Accounting System. In addition, the UNT System's Controller's Office will work with the Texas Comptroller of Public Accounts to make a determination if prior year Annual Financial Reports need to be adjusted to report the proper classification of the program's funds.	Lisa R. Nash, DO, Associate Dean for Educational Programs / Paula Welch, Associate Controller / Jessica Chavez, Texas OPTI Administrator	5/31/2016	Closed
Internal	UNT System Internal Audit	Fiscal Year 2016	16-021 UNT	Academic and Students	Student Service Fee Audit	UNT	The current process for monitoring Student Service Fee allocations is not sufficient to ensure funds are not overspent and funds are spent in accordance with approved purposes. Internal Audit reviewed and tested the Student Service Fee (SSF) process and allocations for fiscal year 2015. Out of 57 SSF dept ID allocations, 9 instances were identified where total expenditures exceeded available SSF account revenues. If additional other funding sources were not obtained by SSF dept ID holder then deficit balances were charged to the SSF reserve account at year end.	Low	Recommendations for Vice President for Student Affairs: 1a. Coordinate with the UNT Budget Office to establish a process to ensure that only transfers approved by the Vice President for Student Affairs Office are processed.	a. Management agrees. Establish process to ensure no transfers are processed by the UNT Budget Office without approval from the VPSA Office.	Dr. Elizabeth With, Vice President for Student Affairs	7/31/2016 Actual 08/29/2016	Closed

Internal	UNT System Internal Audit	Fiscal Year 2016	16-021 UNT	Academic and Students	Student Service Fee Audit	UNT	UNT Policy 18.4.7 Student Service Fee Committee does not reflect current member selection process by the Student Government Association President. UNT policy 18.4.7 states nine students will be selected to comprise a Student Service Fee Committee (SSFC). Five students to be selected by the Student Government Association (SGA) President and four students by UNT President. In the current process the SGA President selects four because the SGA President is to be a member of the committee and acts as Chair of the SSFC.	Low	Recommendation for Vice President for Student Affairs: 2a. Revise UNT Policy 18.4.7 Student Services Fee Committee to reflect the current process regarding the Student Government Association President's Student Services Fee Committee member selection process.	Management agrees. Update policy to reflect actual practice.	Dr. Elizabeth With, Vice President for Student Affairs	11/1/2016	Closed

Internal	UNT System Internal Audit	Fiscal Year 2016	16-021 UNT	Academic and Students	Student Service Fee Audit	UNT	Minutes are not taken on Student Service Fee Committee meetings. For selected Student Service Fee Committee (SSFC) members, annually the Vice President for Student Affairs management conducts meetings to explain to these members the committee's responsibilities, establish meeting dates, explanation of the deliberation and SSF allocation processes. During these meeting priorities and Student Service Fee (SSF) allocation criteria are established. Documentation as to priorities determined, proposed meeting agenda and meeting dates, and applications requests for SSF funding are submitted. However, meeting minutes including attendance of those SSFC members present are not documented and retained.	Low	Recommendation for Vice President for Student Affairs: 3a. Written minutes should be kept on Student Service Fee Committee meetings held.	Management agrees. Minutes will be taken at meetings.	Debbie Stevens, Budget Officer for Division of Student Affairs	Expected: 11/30/2016 Revised: 01/18/2017	Closed

Internal	UNT System Internal Audit	Fiscal Year 2016	16-405 UNT	Governance and Regulatory Compliance	UNT Student Money Management Center	UNT	2. The current practice at Student Money Management Center (SMMC) is that management has some discretion as to the loan amounts and the repayment period for the Green Loan Program (GLP). Current procedures do not sufficiently document when and how much management discretion is allowable. <ul style="list-style-type: none"> There is some management discretion as to the amount of fees to charge, for 1 out of 24 loans tested, an exception was noted where the total fees and charges due was \$23; \$20 late charge and \$3 service charge. Only \$17 was collected while \$6 was waived. Additionally, procedures are not specific as to whether fees apply to a specific dollar amount of the loan i.e. \$100 or \$50. Management also has some discretion as to the repayment date. For example, management can alter the repayment date if it falls on a weekend or if the student is aware of a difficulty in repaying before the deadline. 	Moderate	Recommendations for Paul Goebel, Assistant Director III, Student Money Management Center: 2a. Review current GLP manual and update for procedures related to management discretion, including but not limited to, defining the exceptions and stating how and when management discretion should be applied, and also ensure that it is consistent with the current practice.	a. Redraft Green Loan Program manual's management discretion reference. Include list of approved exceptions that would fall under the scope of "management discretion."	Paul Goebel, Assistant Director III, SMMC	8/1/2016	Closed

Internal	UNT System Internal Audit	Fiscal Year 2017	17-417 UNT	Governance and Regulatory Compliance	LLPD Business Process Audit	UNT	1. Commingled Funds When the new chart of accounts went into implementation, Lifelong Learning and Professional Development (LLPD) donations, University of North Texas Retiree Association (UNTRA) fees, and camp and conference revenue and expenses were commingled into the same chart string totaling approximately \$620,000 as of August 31, 2017. Upon approval of the Osher Lifelong Learning Institute (OLLI) program at UNT, \$100,000 of OLLI grant funds were also commingled	High	Recommendations for Stephanie Reinke, Director of Lifelong Learning and Professional Development (LLPD): 1.1.d. Ensure all LLPD activities are moved into separate chart strings to be tracked and reported individually.	1d. Camps and conferences will be managed by "One Stop Shop" effective immediately, thus removing all financial concerns out of the LLPD office. All entities of LLPD: CERT, UNTRA & OLLI all have their own dedicated fund cats and funds, with plans to assign purpose codes for better financial reporting/tracking for all chartstrings. Internal	UNT System Internal Audit	Fiscal Year 2017	17-414 UNT	Governance and Regulatory Compliance	Classroom Support Services	UNT	1. Computer Use policy needs clarification. UNT 14.003 Computer Use policy needs clarification. UNT 14.003 Computer Use policy, section I.B states "The University will not limit access to any information due to its content as long as it meets the standard of legality." Such activity is further defined in section II.A, which states "Criminal and illegal use may involve, but is not limited to, unauthorized access, intentional corruption or misuse of computer resources, theft, obscenity and child pornography."	High	Recommendations for Associate Vice President, Information Services & Accreditation: 1.1.a. The Associate Vice President, Information Services & Accreditation, under authority of the Vice President for Finance and Administration, should convene a series of discussions with senior-level officials in Academic and Student Affairs, campus and System IT professionals and the UNT System Office of General Counsel to identify evolutions in campus missions, operations and environments and evaluate where and how changes in technology and the law have affected these areas since the last revision to the computer use policy in 2005; and to the extent possible, project future technological and legal developments over the next reasonable number of years and their possible impact.	1a. We agree. Dr. Clark will convene the series of discussions with senior level officials. In the changing and evolving world of technology, we know that it is important to investigate the evolution of technology and establish a mission and operational policy that helps to guide the increasing use of technology at the UNT campus. It will be important to define the elements of technology and to determine proper protocol for information/cyber security.	Dr. Allen Clark, Associate Vice President for Information Services and Transportation, UNT	12/31/2018	Open

Internal	UNT System Internal Audit	Fiscal Year 2017	17-415 UNT	Governance and Regulatory Compliance	Faculty and Staff International Travel Audit	UNT	1. International Travel Registration Control Process An internal control process is not established to ensure that all individuals traveling internationally on either UNT System, UNT, UNTHSC or UNT Dallas business have registered with UNT Risk Management prior to departure. Thus, UNT Risk Management does not know the total number and location of individuals traveling internationally. Additionally, there are no travel policies that address international travel registration at the UNT System, UNT, UNTHSC, and UNT Dallas. Currently, the international traveler acknowledges they will register their travel plans with UNT Risk Management using the TBA form acknowledgement statement. However, there is no certification that the international traveler has registered prior to departure.	High	Recommendations for Doug Welch, Executive Director Risk Management Services: 1.2.a. Develop a procedure to reconcile TBA forms received from UNT System Business Support Services Travel Department, to UNT Risk Management's international travel registration database.	2a. Once UNT System Travel Office begins forwarding TBA (Travel Budget Authorization) forms for international travel, UNT Risk Management Services will utilize those forms to verify whether a traveler has registered the documented trip on the TBA form with Risk Management Services. This will be done by reconciling the information on the TBA form with previously submitted travel registrations, which are housed in an online Webform and in an internal excel document	Doug Welch, Executive Director Risk Management Services	4/20/2018	Closed

External	State Office of Risk Management	Fiscal Year 2017	NA	Governance and Regulatory Compliance	Risk Management Program Review Report	UNT	17-11-01 Safety: Fire Safety: Portable Fire Extinguishers (Frisco Campus) During this RMPPR, SORM noted that the portable fire extinguishers on the Frisco Campus lacked an indication that they are being inspected monthly, as required by the Life Safety Code.	NA	SORM recommends that UNT communicate with the building owner/maintenance personnel to ensure that these inspections are occurring, as required. Inspections must be documented either on each extinguisher's tag or in a separate database or log. References: NFPA-101 (2015), "Life Safety Code," Chapters 9.3.5, 9.9; NFPA-10 (2013), "Standard for Portable Fire Extinguishers," Chapters 7.2.1.2, 7.2.1.2.1, 7.2.2	UNT will communicate with building owner to ensure that those inspections are occurring.	Shauna Barbato, Assistant Director	1/27/2017	Closed
External	State Office of Risk Management	Fiscal Year 2017	NA	Governance and Regulatory Compliance	Risk Management Program Review Report	UNT	17-11-02 Safety: Emergency Preparedness: Shelter-in-Place Drill (Frisco Campus) During this RMPPR, SORM noted that a shelter-in-place drill had not yet been conducted for this location.	NA	SORM recommends that UNT conduct a drill for this location to include the students to the degree that this is feasible. Identifying the occupancy of specific locations for a shelter in place event prior to an event is good risk management practice and can help improve the current plan in place. Reference: SORM, RMTSA Guidelines, Volume III, Section Two, Chapter 6, Subchapter 6.5	UNT will conduct shelter-in-place drills before the end of the spring semester.	Shauna Barbato, Assistant Director	4/30/2017	Closed
External	State Office of Risk Management	Fiscal Year 2017	NA	Governance and Regulatory Compliance	Risk Management Program Review Report	UNT	17-11-03 Safety: Fire Safety: Combustible Materials Storage (Frisco Campus) During this RMPPR, SORM noted that there were combustible materials such as cardboard boxes and filters being stored beneath an emergency egress stairwell.	NA	SORM recommends that UNT work with the landlord to remove these combustible materials from this area, in accordance with the Fire Code, as referenced below. Reference: NFPA-1 (2015), "Fire Code," Chapter 10.19.4	All combustible materials have been removed.	Shauna Barbato, Assistant Director	12/16/2016	Closed

External	State Office of Risk Management	Fiscal Year 2017	NA	Governance and Regulatory Compliance	Risk Management Program Review Report	UNT	17-11-04 Safety: Hazard Communication: Safety Data Sheets and Eyewash Station (Pohl Recreation Center (Denton Campus)) During this RMPR, SORM noted that in room #39, the "pool room" in the Pohl Recreation Center, there were hazardous chemicals being stored and utilized relative to the maintenance of the swimming pools. However, the Material Safety Data Sheets were not current and no eyewash station was present even though the MSDSs for these chemicals indicated the need for an eyewash station.	NA	SORM recommends that the university install an eyewash station in this room and ensure that all the chemicals have their current Safety Data Sheets from the manufacturer or distributor, as required by federal law. References: OSHA, 29 CFR 1910.1200, "Hazard Communication;" OSHA, 29 CFR 1910.151 (c); ANSI/ISEA z358.1 (2014), "Standard for Emergency Eyewash and Shower Equipment"	UNT will install an eyewash station and update the SDS sheets.	Scott Dunkle, Program Director for Environmental Risk	2/28/2017	Closed
External	State Office of Risk Management	Fiscal Year 2017	NA	Governance and Regulatory Compliance	Risk Management Program Review Report	UNT	17-11-05 Safety: Hazard Communication: Safety Data Sheets and Eyewash Solution (Union Building (Denton Campus)) During this RMPR, SORM noted that in Paint Room #121 in the Union Building, paints and other hazardous chemicals were being stored. However, there were no Safety Data Sheets present for these chemicals. In addition, it was noted that the room is utilized by various student groups, and there is a procedure for signing up to access the room for various projects. There is an eyewash station within walking distance of the room itself.	NA	SORM recommends that the university maintain SDS's for all chemical substances in the room, and ensure that any groups using the room temporarily possess and follow the instructions of the SDS's for the hazardous substances they will be using. The university should measure the distance from the room to the eyewash station, and if it is less than 10-seconds walking-distance (as per the language in the ANSI standard), the university should install a portable, auxiliary eyewash bottle in the room to assist the injured person while moving to the eyewash station. If the eyewash station is further away than this, then a plumbed or self-contained eyewash station should be installed in the room, in accordance with the ANSI standard.	UNT will install a mobile eyewash station and add SDS sheets for any hazardous materials.	Scott Dunkle, Program Director for Environmental Risk	2/28/2017	Closed
External	State Office of Risk Management	Fiscal Year 2017	NA	Governance and Regulatory Compliance	Risk Management Program Review Report	UNT	17-11-06 Safety: Fire Safety: Avesta Kitchen (Union Building (Denton Campus)) During this RMPR, SORM noted that in the "Avesta" kitchen in the Union Building several metal caps were hanging from the fire-suppression nozzle heads, and some nozzles were missing their "O-rings." This indicates a level of grease accumulation that will prevent the fire suppression system from operating as intended during a fire. Additionally, it was noted that the manual activation ("pull") stations were not marked, as required by the Fire Code.	NA	SORM recommends that the university mark the pull stations to indicate which part of the system each one controls, and establish a cleaning schedule for the nozzle heads such that grease does not accumulate in them in significant amounts. References: NFPA-1 (2015), "Fire Code," Chapters 50.4, 50.4.7.1, 50.5.6, 50.5.6.1, 50.5.6.3	O-rings will be replaced on fire-suppression nozzles and all metal caps will be inspected to ensure nozzles are positioned correctly. A cleaning schedule will be established to ensure the fire-suppression nozzle heads do not accumulate a significant amount of grease. The manual activation ("pull") stations will be marked to indicate which part of the system each one controls.	Vickie Coffey, Health and Food Safety Officer	2/28/2017	Closed
Internal	UNT System Internal Audit	Fiscal Year 2017	17-415 UNT	Governance and Regulatory Compliance	Faculty and Staff International Travel Audit	UNT	1. International Travel Registration Control Process An internal control process is not established to ensure that all individuals traveling internationally on either UNT System, UNT, UNTHSC or UNT Dallas business have registered with UNT Risk Management prior to departure. Thus, UNT Risk Management does not know the total number and location of individuals traveling internationally. Additionally, there are no travel policies that address international travel registration at the UNT System, UNT, UNTHSC, and UNT Dallas. Currently, the international traveler acknowledges they will register their travel plans with UNT Risk Management using the TBA form acknowledgement statement. However, there is no certification that the international traveler has registered prior to departure.	High	Recommendations for Doug Welch, Executive Director Risk Management Services: 1.2.b. Develop a procedure to follow up on any discrepancies identified, which includes contacting and directing traveler to register their international travel prior to departure and escalation to supervisor and/or management if necessary.	2b. The following procedures will be utilized to follow up on any discrepancies identified: i. Will notify traveler via email of the need to register their trip with Risk Management Services within 5 business days of receipt of notice or within the next 2 business days if the departure date is within 5 business days. If traveler fails to comply; ii. Will notify traveler and their supervisor via email of the need to register the traveler's trip with Risk Management Services immediately upon receipt of notice. If travel is not registered within one business day; iii. Will notify traveler, their supervisor, and the next level of authority via email the need to register travel immediately upon receipt of notice. If travel is not registered within one business day; iv. Will notify UNT Institutional Compliance, the traveler, their supervisor, and all other appropriate lines of authority, up to the VP of the occurrence of non-compliance with UNT System's travel regulation and any other applicable campus policies.	Doug Welch, Executive Director Risk Management Services	4/20/2018	Closed
External	State Office of Risk Management	Fiscal Year 2017	NA	Governance and Regulatory Compliance	On-Site Consultation Report	UNTHSC	17-10-02 Safety: Electrical Safety: Open Junction Boxes (EAD Building, Rooms 3M4, 5M3) SORM noted during the consultation that junction boxes in rooms 3M4 and 5M3 in the EAD Building contained uncovered ("open") junction boxes.	High	17-10-02 Safety: Electrical Safety: Open Junction Boxes (EAD Building, Rooms 3M4, 5M3) SORM recommends that the university cover these junction boxes as required by the National Electrical Code, referenced below. Reference: NFPA-70 (2017), "National Electrical Code," Chapter 3, Article 314.28 C	The electricians are checking all junction boxes for covers. Internal	UNT System Internal Audit	Fiscal Year 2017	17-413 DAL	Governance and Regulatory Compliance	Community Counseling Clinic Audit	UNT Dallas	1. Protected Health Information During our review of the Clinic, we noted that the patient health information (PHI) is not protected sufficiently to ensure compliance with the Texas Medical Records Privacy Act (Texas House Bill 300/ Texas Health & Safety Code § 181). Specifically, we noted the following: a. Graduate students were asked to purchase their own flash drive to store Clinic's PHI. Although graduate students were instructed in the course syllabus, to purchase an encrypted flash drive, no authorized Clinic personnel (i.e. faculty, staff) verified what type of flash drive the students were using. The students kept their own flash drive after the completion of the course and the Clinic did not have a protocol or procedure to sanitize sensitive information on the students' flash drive to permanently delete patient PHI. b. We were informed by the Interim Director that graduate students documented their session notes on their personal computers/laptops at home. The Clinic did not have a protocol or procedure for ensuring that the patient health records on students' personal computers/laptops were encrypted or properly sanitized after the semester ended. c. We were informed by the Interim Director and the Administrative Specialist that graduate students were asked to record counseling sessions on their personal iPad and/or laptop since January 2014 when the Clinic's recording equipment were not operating. This practice stopped at the beginning of Spring 2017 semester. d. Recorded sessions on the Clinic's recording equipment were stored	High	Recommendations for the Provost: 1.1.a. Prohibit Clinic personnel (i.e. faculty, staff) and students from using any personal electronic and external devices (i.e. iPad, smartphones, laptops, flash and hard drives, etc.) to record and/or store PHI.	1a. To ensure security we discontinued the use of personal electronic and external devices to record or store PHI in the clinic. We have purchased four (4) University Mini iPads to be used in therapy rooms. We need to purchase additional university equipment for the remaining therapy rooms. Internal	UNT System Internal Audit	Fiscal Year 2017	17-413 DAL	Governance and Regulatory Compliance	Community Counseling Clinic Audit	UNT Dallas	1. Protected Health Information During our review of the Clinic, we noted that the patient health information (PHI) is not protected sufficiently to ensure compliance with the Texas Medical Records Privacy Act (Texas House Bill 300/ Texas Health & Safety Code § 181). Specifically, we noted the following: a. Graduate students were asked to purchase their own flash drive to store Clinic's PHI. Although graduate students were instructed in the course syllabus, to purchase an encrypted flash drive, no authorized Clinic personnel (i.e. faculty, staff) verified what type of flash drive the students were using. The students kept their own flash drive after the completion of the course and the Clinic did not have a protocol or procedure to sanitize sensitive information on the students' flash drive to permanently delete patient PHI. b. We were informed by the Interim Director that graduate students documented their session notes on their personal computers/laptops at home. The Clinic did not have a protocol or procedure for ensuring that the patient health records on students' personal computers/laptops were encrypted or properly sanitized after the semester ended. c. We were informed by the Interim Director and the Administrative Specialist that graduate students were asked to record counseling sessions on their personal iPad and/or laptop since January 2014 when the Clinic's recording equipment were not operating. This practice stopped at the beginning of Spring 2017 semester. d. Recorded sessions on the Clinic's recording equipment were stored	High	Recommendations for the Provost: 1.1.d. Work with the Office of General Counsel to determine appropriate action in regards to inappropriate safeguarding of PHI in compliance with the Texas Medical Records Privacy Act.	1d. We will develop procedures to certify the appropriate safeguarding of PHI. The Counseling Program Coordinator and the Dean of Human Services need to work with General Council to determine appropriate actions needed to safeguard PHI in accordance with Texas Medical Records Privacy Act. Internal	UNT System Internal Audit	Fiscal Year 2017	17-412 UNT	Governance and Regulatory Compliance	College of Music Transition Audit	UNT	<p>1. The box offices in the College of Music are in noncompliance with Payment Card Industry Data Security Standard (PCI DSS).</p> <p>CampusGuard conducted a PCI DSS compliance review of UNT in May 2016. The review covered various areas, including the box office in the Murchison Performing Arts Center (MPAC). The CampusGuard PCI DSS compliance review report identified various instances of noncompliance with PCI DSS, including:</p> <ul style="list-style-type: none"> ☒ General use workstations being used for payment processing; ☒ No procedures related to a monitoring program for point of interaction devices; and ☒ A need to verify that there is an annual check of compliance for third party service providers with whom cardholder data is shared. Based on communication with the Associate Dean for Operations, MPAC Business Manager, and Network Manager, the College of Music did not receive the CampusGuard PCI DSS compliance review report. The MPAC Business Manager said that he was not aware of any corrective action to address the issues identified during the CampusGuard PCI DSS review. <p>In addition to the box office in the MPAC, the College of Music maintains a box office in Voertman Concert Hall. The Voertman Concert Hall box office was not included in the May 2016 CampusGuard PCI DSS review. Internal Audit observed the box office in Voertman Concert Hall and noted that its configuration is similar to that of the box office in the MPAC.</p>	High	<p>Recommendations for C. External	Texas Department of Family and Protective Services	Fiscal Year 2017	NA	Research	Fiscal Year 2017 Final Monitoring Report HIPPY contract, #530-17-0016-00001	UNT	<p>Programmatic Finding P01: Inconsistent and unclear program model guidance</p> <p>Situation: UNT has provided inconsistent and/or unclear guidance regarding the HIPPY program model components and implementation processes. Example include: -Inconsistent information around caseload sizes for home visitors provided to DFPS-PEI and PEI-funded HIPPY sites; -Inconsistent guidance around year-round recruitment requirements, expectations, and processes; -Inconsistent information across UNT staff members in terms of assessment tools to be utilized, resulting in a late changes in a time-sensitive, funding-critical benchmark roll-out; -Unclear messaging around program goals and research-based outcomes for the model; and, -Unclear communication around enrolling practice children at</p>	NA	<p>Recommendation: UNT should submit a plan that outlines how it will ensure that clear, consistent guidance will occur between UNT, DFPS PEI and all PEI-funded HIPPY Contractors. The plan should include how UNT will provide program-related information and updates to DFPS PEI and PEI-funded HIPPY sites in a timely manner, ensuring that all parties have the same information at all times.</p>	<p>Contractor's Response: "We respectfully dispute this finding."</p> <p>PEI's Reply: DFPS PEI notes that UNT HIPPY disputes this Programmatic Finding. After careful review and consideration, DFPS PEI has made the determination to uphold the finding. DFPS PEI's experience is that the overall model guidance should be more clear and consistent. This should include detailed written documentation of specific changes or variances granted, as well as proactive communication and training to DFPS PEI and sites. Please note, DFPS PEI does not consider uploading information to the Backoffice as notification, and requests proactive communication notifying sites and DFPS PEI in advance of new resources, guidance, and/or changes to policies or procedures. DFPS PEI is particularly concerned about the inconsistent guidance around data collection, benchmark measurement and program outcomes and is requesting that UNT designate a data point of contact who is particularly knowledgeable in these areas.</p>	NA	NA	Closed
External	Texas Department of Family and Protective Services	Fiscal Year 2017	NA	Research	Fiscal Year 2017 Final Monitoring Report HIPPY contract, #530-17-0016-00001	UNT	<p>Programmatic Finding P02 (now an observation): Lack of responsiveness and detailed information Situation: On multiple instances, UNT has not responded to emails from DFPS PEI. For example, the Early Childhood Lead sent multiple emails requesting a list of upcoming site visits.</p> <p>UNT responded after multiple requests, but by that point, most of the site visits had already occurred. Of the last two site visits on the list, one was canceled and one was still pending. The Early Childhood Lead was unable to accompany UNT on a site visit because of this issue. Additionally, on 3/21/17, DFPS PEI set up a critical data conference call with the evidence-based models. Carla Mowell stated she would not be able to attend, but that Keshia Bruno would attend in her place. Unfortunately, neither individual was present on the call nor did they inform DFPS PEI ahead of time that they would not be able to attend.</p> <p>Lastly, UNT has submitted multiple monthly reports with very few details or information as required, making it difficult for DFPS PEI to assess the quality of technical assistance provided to HIPPY sites.</p> <p>Criteria: Section IV.A. of contract #530-17-0016-00001 states (in part): Tile Contractor will participate in regular conference calls and meetings as agreed upon by tile Contractor and DFPS.</p>	NA	<p>Recommendation: UNT should submit a plan to address the concerns around responsiveness and lack of detailed information. This plan should propose specific protocols for response times, which will be negotiated with DFPS PEI. The plan should also specify the staff positions that will participate in a monthly check-in call with DFPS PEI. Finally, the plan shall include a commitment to providing more detailed reporting on site-specific TA that includes content provided, specific strategies or support provided and strengths and challenges identified at the site level.</p> <p>PEI's Reply: The additional Technical Assistance reports (dating back to January) that were submitted in August have been reviewed. Based on those revised reports, DFPS PEI has downgraded this finding to an observation and will closely monitor UNT throughout FY 18 to ensure that all systemic issues have been resolved.</p>	<p>Contractor's Response: "Texas HIPPY staff will respond to emails and phone calls within 5 working days;" "Institute a weekly webinar HIPPY site coordinators to provide opportunities to ask questions and hear responses from staff and each other;" "Texas HIPPY will submit an annual Site Visit Schedule and notify PEI/THV of any changes to the schedule."</p>	Carla Mowell, Director Texas HIPPY, and Keshia Bruno, Assistant Director TX HIPPY. Internal	UNT System Internal Audit	Fiscal Year 2017	17-408 UNT	Governance and Regulatory Compliance	College of Visual Arts and Design Transitional Audit	UNT	<p>3. Budget Tracking: Personnel in the College of Visual Arts and Design (CVAD) indicated during interviews that they were experiencing difficulties with budget tracking, using PeopleSoft 9.2, and the new chart of accounts.</p> <p>It was mentioned that the PeopleSoft 9.2 upgrade and implementation of the new chart of accounts has added complexity to the budget tracking process. Personnel stated during interviews that additional resources and guidance on common challenges and issues would be useful. Moreover, CVAD personnel noted difficulty in obtaining clear, sufficient, and timely assistance from the UNT Budget Office.</p>	Moderate	<p>Recommendation for UNT Budget Office:</p> <p>3. 2a. Develop a task force or user groups as a mechanism to improve transparency and communication with the campus. This will assist the Budget Office in understanding the challenges the campus is experiencing, improving training materials, and developing support handouts (e.g. FAQ sheets or brochures).</p>	<p>2a. Since the audit field work was completed for the CVAD transitional Audit, many additional reporting and training resources have been developed and implemented by the UNT Budget office for the UNT campus. Reporting and training requires coordinated efforts between many functional offices, including the UNT System areas of ITSS, Budget, and Financial Reporting and also for UNT's areas of Office of Data Analytics & Institutional Research and Grants Accounting, all of which are needed for correct information for budget to actual financial data. The front line support of Budget Office Analysts positions are fully staffed since November. The four Analysts are continuously learning as the daily application of the implementation is occurring and new business processes are developed and trained in the department by the UNT Budget Director and the two Budget Financial Analysts.</p> <p>Highlights of implemented new and enhanced resources include:</p> <p>☒ Training: Two new training courses provided by the budget office added with a subject matter expert from the reporting area in the training also. Open Lab with the Budget office provided monthly – an</p>	Beverly Cotton, Associate Vice President for Budget and Analytics	4/1/2017	Closed

Internal	UNT System Internal Audit	Fiscal Year 2017	17-005 SYS, UNT, HSC, DAL	Governance and Regulatory Compliance	Investments Audit	UNT System	2. Board of Regents Public Funds Investment Act Training: Public Funds Investment Act (PFIA) testing identified two of the newly appointed Regents did not have PFIA training completed within six months after taking office or assuming duties. Based on our detail testing, trainings were completed by the Board of Regent members eight and ten months after taking office.	Moderate	Recommendation to the Secretary to the UNTS Board of Regents: 2. 1a. Develop follow-up procedures to help ensure that Board of Regents complete PFIA required training session within six months after taking office of assuming duties in accordance with the statute.	The Office of the Board Secretary will create a tracking system that will be used to monitor the completion of the variety of required trainings for new Regents. The tracking system will include the training required, required completion date, when reminder emails are sent, and when training was completed.	Dr. Rosemary Haggett, Secretary to the UNTS Board of Regents	6/30/2017	Closed
Internal	UNT System Internal Audit	Fiscal Year 2017	17-005 SYS, UNT, HSC, DAL	Governance and Regulatory Compliance	Investments Audit	UNT System	3. Annual Review and Adoption of Financial Institutions and Broker/Dealers: The Board of Regents has not reviewed and adopted a list of financial institutions and broker/dealers qualified and authorized to engage in investment transactions with and for the System. This finding was also identified on last year's Internal Audit Report 16-004 UNT System, UNT, UNT Dallas and 16-009 UNTHSC FY 2015 Investment Compliance Audit. UNT System Management concurred with Internal Audit's recommendations, but they were unable to implement the corrective actions by the initial implementation date of November 30, 2016 because a consulting firm was obtained to review treasury operations. Additionally, management communicated they will be implementing recommendations provided by the consulting firm and Internal Audit.	Moderate	Recommendation for the Associate Vice Chancellor for Treasury: 3. 1a. Establish procedures to ensure compliance with System Regulation 08.2000, Section 2005, paragraph 10 and review the System Regulation to see if requirement is applicable as is and make revisions as necessary.	The investment policy will be revised to reflect that only the list of broker/dealers requires Board of Regents approval. This revision and the list of broker/dealers will be provided to the Board of Regents for review and approval at the May 2017 Board of Regents meeting.	James Mauldin, Associate Vice Chancellor for Treasury	6/30/2017	Closed
Internal	UNT System Internal Audit	Fiscal Year 2017	16-103 SYS	Governance and Regulatory Compliance	IT Change Management	UNT System	1. Lack of Permanent Standards: Standard being used for ServiceNow changes not detailed, current or approved. CM processes used by Image Now, Office 365, and Blackboard Learn are called "Provisional CM Process" and the "CM Standard Operating Procedures". They were put in place over 3 years ago and are not updated, current or approved.	Moderate	Recommendation for IT Shared Services: 1. 1a. Update and finalize a detailed policy and associated standards for use during changes to vendor supplied applications, as recorded in ServiceNow.	ITSS will update and finalize a policy and associated standards for use during changes to vendor supplied applications, as recorded in ServiceNow. Internal	UNT System Internal Audit	Fiscal Year 2017	16-103 SYS	Governance and Regulatory Compliance	IT Change Management	UNT System	2. Lack of Script Standards: There are no standards for Script type changes in Phire. EA Development Standards do not indicate or specify requirements for the Script CR type.	Moderate	Recommendation for IT Shared Services: 2. 1a. Add requirements to the EA Development Standards specifying controls required during changes to the CR Script type.	The script workflow within PHIRE provides Separation of Duties (SoD), and an audit trail for monitoring these types of changes. ITSS will review and update the standards document to include documentation necessary to specify additional controls required during changes to the CR Script type.	Dorothy Flores, Executive Director of Enterprise Applications	7/31/2017	Closed
Internal	UNT System Internal Audit	Fiscal Year 2017	16-103 SYS	Governance and Regulatory Compliance	IT Change Management	UNT System	3. Lack of Segregation Duties: The same person assigned to and completing the change in the development environment moved it to the production environment. The ServiceNow tool does not actually move changes from one environment to another, including into production. Per the change record, the same person assigned to and performing the change also moved that change into production, resulting in a lack of Segregation of Duties (SOD).	Moderate	Recommendation for IT Shared Services: 3. 1a. Strengthen controls around moving code changes into production for applications using ServiceNow by designating more resources over critical applications or cross-training existing resources.	ITSS will revise standards to comply with Separation of Duties based on Texas Administrative Code Chapter 202.76 "Security Controls Standards Catalog", Section AC-5 Separation of Duties and ISO 27002, section 6.1.2. ITSS IT Service Management will follow the ITILv3 framework for change management and identify all aspects of the service design and service transition requirements prior to planning the 'go-live' into a production environment. There are changes to the environments that our outside project work and reside in operational work, these changes will also follow the ITILv3 change management framework.	Kendra Ketchum, Chief Technology Officer	7/31/2017	Closed
Internal	UNT System Internal Audit	Fiscal Year 2017	16-103 SYS	Governance and Regulatory Compliance	IT Change Management	UNT System	4. Backout plans and post implementation review not required or recorded: Backout Plans and Post-Implementation reviews are not required for changes made in Phire, and no records tested contained these items. In ServiceNow, three of seven (43%) changes tested did not indicate a Post-Implementation Review was conducted, as required by ITIL. In Phire, Backout Plans and Post-Implementation reviews are not required, and none of the records tested contained these items. Post Implementation reviews are indicated in ServiceNow by a task called "Post Implementation Testing". During testing, this was considered a Yes if the State indicated "Closed Complete". Three of seven (43%) changes tested did not contain this indication.	Moderate	Recommendation for IT Shared Services: 4a. Include requirements for backout plans and post-implementation reviews for changes recorded in Phire in the CM standards.	ITSS will revise standards to include backout plans and post-implementation reviews for changes recorded in Phire in the CM standards, and will include post implementation reviews that are conducted during Change Management meetings are documented in ServiceNow. To clarify, ITILv3 has Continuous Improvement as the last development cycle and we will use that to identify our post-implementation reviews as part of the Service Lifecycle, as many of the services are already in production. ISO 27002, Section 12.1.2 Change Management, Texas Administrative Code Chapter 202.76 "Security Controls Standards Catalog", Section CM-Configuration Management, and ITIL v3 Framework will be utilized to address this observation.	Charlotte Russell, Chief Information Security Officer	7/31/2017	Closed

Internal	UNT System Internal Audit	Fiscal Year 2017	17-409 UNT	Governance and Regulatory Compliance	International Sponsored Students Process Review	UNT	<p>4. PeopleSoft Enterprise Information System Access</p> <p>During the course of this review, Internal Audit noted that multiple employees in different departments throughout UNT International (UNT-I) were using a generic, shared PeopleSoft Enterprise Information System (EIS) login.</p> <p>Additionally, Internal Audit noted the department thought the access was exclusively read-only; however, based on further review it appeared to be more than read-only.</p>	High	<p>Recommendations for Interim Vice Provost for International Affairs:</p> <p>4.1.a. Discontinue the use of the generic, shared login for PeopleSoft Enterprise Information System (EIS).</p>	<p>1a. Management agrees that the generic EIS log-in inappropriately gave staff access to modify student information. UNT-I addressed the concern that the generic log in to EIS was unintentionally assigned broader access than needed to complete tasks and took the following action. UNT-I Database/EIS Manager Tam Vo requested that ITSS remove any ability to modify information assigned to the generic, shared login for PeopleSoft Enterprise Information System (EIS) and requested that it be restricted to batch processing as was originally intended. As of 12/16/2016, it was confirmed that permissions assigned to this log-in no longer included the ability to modify any student records or information and that the access was read-only.</p>	Amy Shenberger, Interim Vice Provost for International Affairs	12/16/2016	Closed
Internal	UNT System Internal Audit	Fiscal Year 2017	17-409 UNT	Governance and Regulatory Compliance	International Sponsored Students Process Review	UNT	<p>4. PeopleSoft Enterprise Information System Access</p> <p>During the course of this review, Internal Audit noted that multiple employees in different departments throughout UNT International (UNT-I) were using a generic, shared PeopleSoft Enterprise Information System (EIS) login.</p> <p>Additionally, Internal Audit noted the department thought the access was exclusively read-only; however, based on further review it appeared to be more than read-only.</p>	High	<p>Recommendations for Interim Vice Provost for International Affairs:</p> <p>4.1.b. Evaluate job duties and grant PeopleSoft EIS access for employees as appropriate to align with job duties.</p>	<p>1b. Management agrees. UNT-I has directed staff and supervisors to evaluate and request individual PeopleSoft EIS access as needed for employees to complete their job duties with a goal of eliminating the need for any generic access.</p>	Amy Shenberger, Interim Vice Provost for International Affairs	12/1/2017	Closed
Internal	UNT System Internal Audit	Fiscal Year 2017	17-409 UNT	Governance and Regulatory Compliance	International Sponsored Students Process Review	UNT	<p>10. Query Reliability</p> <p>UNT International (UNT-I) Sponsored Students and Special Programs Center employees were using a query to pull sponsored students class schedules and generate invoices. Based on discussions with UNT-I Sponsored Students and Special Programs Center employees, this query failed to pull students' classes and charges for waitlisted, online courses that the student was enrolled in. This query had not been updated since inception. UNT-I Sponsored Students and Special Programs Center employees were having to manually review student schedules to verify if all courses and charges were accurately reflected on the invoice.</p>	Moderate	<p>Recommendation for Director of Sponsored Student Programs and Director of Financial Services, Student Finance:</p> <p>10.1.a. Coordinate to determine what information needs to be included in the query used to invoice sponsors and develop an updated, accurate query.</p>	<p>1a. Management agrees with the recommendation. The Director of Sponsored Students and Student Finance will work with the Registrar to correct current queries being used for invoicing. Management will review all reports, identifying the appropriate personnel to validate the data.</p>	Aleka Myre, Director of Sponsored Student Programs, and Jeane Olson, Director of Financial Services, Student Finance	6/30/2018	Open

See below for details on the observations related to the management of endowments:</p> <p>I. MOU Retention</p>	Moderate	<p>2.3.a. UNT Dallas Financial Reporting should transfer funds from the University or the spendable portion of the respective endowments to increase the endowments' corpus amounts to the appropriate amounts as defined in the MOUs. Additionally, UNT Dallas should work with the donor for Fund# 240003 to ensure that the remaining pledged amount of \$400,000 is received, and an up-to-date agreement is in place detailing the donated funds, including amounts and use of funds. Future decisions on this matter should be made through collaboration of the recommended scholarship committee.</p>	<p>3a. Management will develop procedures necessary for improved accountability that includes templates for MOUs, and retention instructions. Final expenditure report was submitted to AT&T regarding Early College High School programming. The report was accepted by AT&T on June 1, 2017. On, 10/27/2017, the CFO approved funding transfers necessary to correct the corpus balances in the two impacted endowment funds. Management will work with the donor for Fund# 240003 to make sure that accurate documentation is in place to reflect the current endowment balance. Unused endowment funds will be disbursed in accordance with the MOU.</p>	Dr. Monica Williams, VP for University Advancement	12/31/2018	Open
Internal	UNT System Internal Audit	Fiscal Year 2017	17-407 SYS	Governance and Regulatory Compliance	Retirement Contributions	UNT System	<p>8. Insufficient Documentation</p> <p>Sufficient documentation was not maintained for 1 out of a sample population of 71 employee's tested for the purpose of determining the participant's proper contribution rate as required by the Texas Administrative Code.</p> <p>During our review of HR records, we were unable to validate the employee's contribution rate was set in accordance with the statute. Specifically, although the employee has prior Texas state experience dating back to 1982 which makes the employee eligible for the 8.5% grandfather rate, the employee was given the non-grandfather rate of 6.6%.</p> <p>Additionally, we noted the 'Prior State Service Verification and Release Information' form was not updated to reflect the current ORP non-grandfather rate. This form is provided to the employee to request authorization of prior year service from other Texas state agencies.</p>	Moderate	<p>Recommendations for the Assistant Vice Chancellor of Total Rewards:</p> <p>8.1.a. Validate with prior state Institutions of the ORP participant's grandfather status and adjust the ORP rate going forward, if needed. If grandfather status is confirmed, contribute additional funds starting from the employee's hire date.</p>	<p>1a. This recommendation applies to individuals who have prior state service which has to be verified by the original employer(s). In this case, both former institutions validated prior state service but neither indicated any participation in the ORP program. Without any validation the individual qualified for the grandfathered ORP program and higher employer contribution rate, the individual was enrolled in the current ORP program.</p> <p>Based on the potential error in this audit finding, the Benefits and Records teams requested information from the two former institutions again. This time the prior institutions verified the individual had been a participant in the grandfathered ORP plan. Consequently, records were updated and the under-payment employer contributions were calculated and credited to the individual's retirement account during April payroll processing.</p>	Christopher DeClerk, Assistant Vice Chancellor of Total Rewards	4/30/2017	Closed

Internal	UNT System Internal Audit	Fiscal Year 2017	17-401 HSC	Governance and Regulatory Compliance	Graduate School of Biomedical Sciences Review	UNTHSC	<p>3. Course Fees</p> <p>The current course fee account set-up promotes commingling of course fee revenues and expenditures. Furthermore, there is no reconciliation process to ensure course fees collected are spent for course specific related cost. In addition, there is no course fee cost assessment process in place to review whether existing course fees charged to students reasonably reflect the actual cost to the University. Moreover, one course fee rate did not have all necessary approvals.</p> <p>In detail, the following were noted:</p> <ul style="list-style-type: none"> Course fee revenues and expenditures are commingled in one chartstring. Although GSBS maintains a spreadsheet by academic semester with budgeted revenues/expenditures amounts per course fee, there is no fee reconciliation process in place to help ensure that each specific course fee is expended in proportion to fees collected within the time period the fees were collected (e.g. semester). Therefore, GSBS is unable to ensure that rates set for each course fee are in accordance with the cost recovery nature of incidental fees required by Texas Education Code Section 54.504. GSBS does not have a process in place to utilize information from the spreadsheets in evaluating unexpended balances and fee rates per course. As a result, Internal Audit was unable to determine account balances on each course fee collected which had a total accumulated unexpended balance of \$145,291. 	High	<p>Recommendations for the Dean of GSBS:</p> <p>3.1.a. Utilize course fee information tracked per semester and develop procedures to periodically conduct fee cost assessments to ensure that fees are set in accordance with the cost recovery nature of the fee.</p>	1a. The Dean of the GSBS will work with Ms. Carla Lee Johnson, the Director of Student Success, who currently maintains a spreadsheet consisting of course fee information and distribution, to compare and reconcile anticipated "revenue" (i.e., that which was budgeted) with "actuals". Such differences will drive decisions to modify existing course fees, as needed and as supported by the data.	Meharvan Singh, Dean of GSBS	<p>Exp. Impl. Date: 02/28/2018</p> <p>Rev. Impl. Sharing of Information Finance & Planning is not always updated by individual schools, colleges, and departments on the receipt of funds coming from external revenue streams or agreements that are entered into directly between the school/college/department and the outside party. As a result, Finance & Planning does not currently have complete awareness of revenue-generating activities as well as balances of excess revenues within schools, colleges, and departments. Additionally, it is not currently clear to all parties within HSC as to which account balances roll forward or how excess revenues can be utilized. This confusion is partially</p>	Moderate	<p>3.2.a. HSC Office of Finance should work with UNT System Office of the Vice Chancellor for Finance to develop and formally document policies and procedures around the collection and management of excess revenues, including, but not limited to, the recommended revenue-generating activity approval process, the creation of institutional or departmental accounts, and the use of funds.</p>	<p>2a. HSC Finance and Planning will develop procedures related to the availability and use of carryforward balances generated by UNTHSC departments and faculty. In addition, HSC Finance and Planning will work with the UNT System Budget and Controller's Office to ensure any use of carry-forward balances are reported and utilized in accordance with the HSC guidelines.</p>	Geoffrey Scarpelli, Vice President for Finance and Planning	8/31/2018	Open

Internal (Co-Sourced)	PwC	Fiscal Year 2017	17-302 HSC	Governance and Regulatory Compliance	Financial Review of UNTHSC Reserves	UNTHSC	<p>1. PeopleSoft Upgrade</p> <p>Several IT system-related issues have resulted from the recent PeopleSoft upgrade and subsequent chart of accounts conversion, causing HSC schools, colleges, and departments to ineffectively monitor their accounts. As part of the PeopleSoft system upgrade that went live on March 1, 2016, changes were made to the chart of accounts to accommodate new system functionality. The upgrade project experienced delays prior to going live, and the new chart of accounts was provided to schools, colleges, and departments with very little time to provide feedback and testing. Consequently, there was insufficient time to verify that all accounts were appropriate by department or to perform proper testing, and the upgrade went live with a significant amount of errors (as described below), creating confusion among the majority of users. For example, one concern was regarding significant delays in the reception of purchasing card transaction data. Since the PeopleSoft upgrade went live, departments, schools, and colleges sometimes did</p>	Moderate	<p>1.1.b. The OGCM should work with Student Accounting to identify all tuition/fees and stipend expenses that were incorrectly converted to Grant/Scholarship expenses as part of the PeopleSoft upgrade and perform adjusting entries as needed.</p>	<p>2b. OGCM has worked with accounting and completed the coding correction journals for the 12 identified errors. In addition, 90 miscoded accounts were discovered on other ProjIDs. Those correction journals to reclass to 51629 have been completed.</p>	LeAnn Forsberg, Assistant Vice President for Research Administration (OGCM)	10/25/2017	Closed
Internal (Co-Sourced)	PwC	Fiscal Year 2017	17-302 HSC	Governance and Regulatory Compliance	Financial Review of UNTHSC Reserves	UNTHSC	<p>2. Contract Setup and Monitoring</p> <p>There are insufficient, detective controls in place for monitoring the revenue recognized as well as the expenses incurred in HSC's IT systems against the agreement terms. Contracts and Grants resulting from externally-sponsored projects at HSC are managed by the Office of Grant and Contract Management ("OGCM") in the Grants Module in PeopleSoft. The OGCM uploads the terms from the respective agreement into PeopleSoft, and the applicable files are provided to the Principal Investigator ("PI"). The PIs are very involved with the specific grants and discuss terms during the Project Initiation Meetings as they are expected to have a good understanding of the allowable expenses and revenue to be received. Furthermore, there are fixed rate agreements as well as cost reimbursement agreements, for which payments are received from the sponsor as expenses are incurred. Unless otherwise stated, a standard 46% Fixed and Administrative costs ("F&A") allocation is used, which is part of the contract terms</p>	Moderate	<p>2.1.a. The OGCM should review the agreement for the project that was set up with an incorrect F&A rate, identify the correct amount to be applied as F&A, and perform a manual correction to resolve the inaccurately allocated F&A costs in accordance with the agreement. Additionally, the OGCM should establish a system of reviewing and approving sponsored projects set up in PeopleSoft through comparison of configurations to actual contract terms.</p>	<p>1a. The award documents for each year did not have an overhead rate or base to calculate F&A. Only a flat dollar amount, which was different each year, was awarded. Prior to conversion, OGCM managed that unusual F&A process through one time manual entries at the end of each award year. During conversion the award was changed to have an 8% rate and set up for automated capture each month. OGCM has corrected the set up that occurred during conversion and manually captured the final year of F&A.</p>	LeAnn Forsberg, Assistant Vice President for Research Administration (OGCM)	10/25/2017	Closed

Internal	UNT System Internal Audit	Fiscal Year 2017	17-015 UNT	Governance and Regulatory Compliance	Minor Capital Projects	UNT	<p>1 . Project ID Numbers</p> <p>Only minor capital projects with an initial cost of \$100,000 or greater are assigned project ID numbers. Currently, projects of \$100,000 or greater are assigned a project ID number in PeopleSoft. The limit is based on the state's capitalization threshold for buildings and building improvements. Chapter 1 of the Texas Comptroller of Public Accounts State Property Accounting Process User's Guide sets the threshold at \$100,000. The project ID allows for separate tracking of the project by assigning unique budget lines. Costs for projects less than \$100,000 are recorded under generic accounts and cannot be easily tracked.</p> <p>It was noted during an interview with the former UNT System Capital Asset Senior Reporting Analyst that there are projects with an initial cost of less than \$100,000 that rise to the \$100,000 threshold during construction. These projects are often not assigned a project ID number. Projects that are not assigned a project ID number may not be reported as capital assets in the financial statements.</p>	High	<p>Recommendation for David Reynolds, Associate Vice President of Facilities:</p> <p>1.1.a. Establish an appropriate lower threshold under \$100,000 for requesting a project ID number.</p>	<p>1a. After consulting with UNT System Financial Reporting we determined that our threshold for requesting a project ID number will be set at \$85,000. This new threshold will ensure that all project expenses that reach the capital asset level will be accurately captured and reported.</p>	Hilary Liscano, Director of Facilities Business Support and Services.	10/1/2017	Closed

Internal	UNT System Internal Audit	Fiscal Year 2017	17-412 UNT	Governance and Regulatory Compliance	College of Music Transition Audit	UNT	<p>4. String Project</p> <p>The String Project was in noncompliance with UNT Policy 15.003. Criminal background checks were not performed on 2 String Project student employees. Additionally, String Project student employees did not complete the required sexual abuse and child molestation awareness training.</p> <p>The String Project is a teacher training program for UNT undergraduate string education majors. The program offers lessons in violin, viola cello, and double bass to approximately 150 public school age students each year. These students range in age from 8 to 17. The String Project runs concurrent with the UNT academic calendar.</p> <p>Internal Audit noted the following regarding the String Project for the 2016-17 academic year:</p> <ul style="list-style-type: none"> ☒ The required background checks were not performed for 2 of the 16 (12.5%) String Project student employees. ☒ No String Project student employees completed sexual abuse awareness and child molestation awareness training. ☒ It appears that Risk Management Services (RMS) was generally unaware of the String Project. ☒ The medical insurance requirements for the String Project were unclear. Internal Audit spoke with RMS regarding medical insurance requirements for String Project participants. RMS indicated that it would need more information about the String Project to determine medical insurance requirements for the program. <p>String Project student employees are hired through the UNT Career</p>	High	<p>Recommendations for John Richmond, Dean of the College of Music:</p> <p>4.1.e. Internal	UNT System Internal Audit	Fiscal Year 2017	17-015 UNT	Governance and Regulatory Compliance	Minor Capital Projects	UNT System	<p>5. An Additional Observation Regarding Major Capital Projects</p> <p>Not all UNT major capital projects in PeopleSoft contain budget information. UNT Major Capital Projects Managed by UNT System Office of Facilities Planning & Construction</p> <p>While conducting fieldwork in minor capital projects, we noted several UNT major capital projects that did not have budget information entered into PeopleSoft, including the following:</p> <ul style="list-style-type: none"> ▣ Science Research Building Interior Renovation; ▣ Central Path Extension at Clark Park; ▣ College of Visual Arts & Design Building; and ▣ Track & Field Stadium & Sports Fields. <p>While actual expenses were recorded, budgets were not entered. Seven other UNT major capital projects were active under the UNT System Office of Facilities Planning & Construction during our review; the budgets were entered into PeopleSoft for these projects. Based on discussion with personnel in the UNT System Office of Facilities Planning & Construction, UNT System Asset Accounting, and the UNT Budget Office, the flow of budget information for UNT major capital projects generally is as follows:</p> <ul style="list-style-type: none"> ▣ UNT System Office of Facilities Planning & Construction submits a project ID request along with project budget information to UNT System Asset Accounting. ▣ UNT System Asset Accounting assigns a project ID, creates the project in PeopleSoft, and sends the project setup file to the UNT Budget Office. 	High	<p>Recommendation for Paige Smith, Associate Vice Chancellor for Budget and Planning:</p> <p>5.1.a. In coordination with UNT System Asset Accounting, UNT Budget Office, UNT System Office of Facilities Planning and Construction, UNT Facilities and UNT System Treasury develop a process to ensure that budget information is entered into PeopleSoft for UNT major capital projects.</p>	<p>1a. Management concurs with the findings and recommendations above. We are currently coordinating with the parties noted to solidify and put into place a process that will meet the expectations and requirements delineated in this observation. Phase 1 includes establishing a clear process flow, clarifying roles and responsibilities, and formalizing communication lines for: project ID set-up, establishment of budgets in PeopleSoft, and reconciliation and on-going monitoring of project budgets. Phase 2 will include an evaluation of Phase 1 to determine if the set-up is working as expected - including project and project reporting data integrity/clarity, and surveys of management and end-user satisfaction.</p> <p>Phase I – May 2018; Phase II – May 2019</p>	Paige Smith, Associate Vice Chancellor for Budget and Planning	5/31/2019	Open

Internal	UNT System Internal Audit	Fiscal Year 2017	17-409 UNT	Governance and Regulatory Compliance	International Sponsored Students Process Review	UNT	<p>5. Segregation of Duties</p> <p>Internal Audit noted an inappropriate segregation of duties within the UNT International (UNT-I) Sponsored Students and Special Programs Center. Specifically, one employee had access to perform the following:</p> <ul style="list-style-type: none"> • Put students on sponsorships (Third Party Contracts); • Terminate sponsorships; • Generate, prepare, and send invoices to sponsors; • Work the accounts receivable report to obtain past due tuition and fee charges; and • Place past due tuition and fee charges back on students' accounts. <p>Additionally, during the course of this review, it was noted an employee in the UNT-I Sponsored Students and Special Programs Center office placed their spouse on a sponsorship totaling \$5,644.82 to avoid paying 10 percent of their tuition and fees until their UNT Faculty/Staff Scholarship posted to their account. Once the scholarship posted, the employee terminated the sponsorship and the account balance was paid. This employee has been terminated from the University.</p>	High	<p>Recommendation for Director of Sponsored Student Programs and Director of Financial Services, Student Finance:</p> <p>5.1.a. Coordinate to ensure appropriate segregation of duties within the sponsorship process.</p>	1a. Management agrees with the recommendation. Sponsored Student Programs and Student Finance will investigate how to mitigate the risks and determine the best possible solution within the constraints of limited staffing. Internal	UNT System Internal Audit	Fiscal Year 2017	17-412 UNT	Governance and Regulatory Compliance	College of Music Transition Audit	UNT	<p>7. Instructional Fee</p> <p>Salaries for staff who perform activities unrelated to classroom instruction were expensed to the instructional fee. Instrument Repair Technicians in the College of Music perform musical instrument repairs for students. Additionally, Instrument Repair Technicians also perform repairs for external customers in the local community as part of their job duties. Music Repair Shop staff estimated that approximately 80% of instrument repairs are for internal customers, while 20% are for external customers. Internal Audit identified two Instrument Repair Technicians who perform external repairs and whose salaries are funded 100% from the instructional fee. Internal Audit reviewed the College's annual instructional fee proposal worksheets that were submitted to Academic Resources for fiscal years 2016, 2017, and 2018. The proposals each included the salaries for the two Instrument Repair Technicians noted above who perform external repairs. The proposals indicated that the College of Music instructional fee funds 100% of the salaries for these two individuals.</p>	High	<p>Recommendations for John Richmond, Dean of the College of Music:</p> <p>7.1.a. Thoroughly review staff salaries to be charged against the instructional fee prior to submitting the annual instructional fee proposal to Academic Resources.</p>	<p>1a. The Assistant Dean for Business and Finance will review all staff salaries charged against the college instructional fee by October 31, 2017. The distribution among salary-source accounts will be adjusted to accurately reflect the personnel workload related to fees as quickly as possible and staff workload will be adjusted immediately to comply with policy. The final implementation plan will be completed by December 31, 2017. The necessary salary adjustments will be incorporated into our FY19 fee and college budget requests. Given that the solution to remedy this situation will depend on fee and budget determinations for FY19, the complete resolution will likely not be fully implemented until September, 2018. The Assistant Dean for Business and Finance also will develop and implement a more accurate system for tracking time to assist in this endeavor.</p>	Jon Nelson, Associate Dean for Operations (until Assistant Dean for Business and Finance has been hired)	12/31/2017	Closed

Internal	UNT System Internal Audit	Fiscal Year 2017	17-403 HSC	Governance and Regulatory Compliance	Texas College of Osteopathic Medicine Financial Review	UNTHSC	<p>1. Budgeting Model</p> <p>Currently, UNTHSC utilizes an incremental budget model, in which budget allocations are based upon the funding levels of the previous years. However, the model is not sufficient to ensure allocated amounts are adequate based on business needs and to achieve institutional goals and initiatives.</p> <p>In addition, although UNTHSC has operating budget guidelines, there are no formalized principles. Budget principles help create overarching values for prioritization and resource allocation which management adhere to as the budget is developed. Furthermore, policies and procedures are not sufficiently developed to clarify and crystalize the intent behind how the University will manage its financial resources.</p> <p>This issue was also identified in School of Public Health (Unit Specific</p>	High	<p>Recommendations to the UNTHSC President and Executive Vice President for Finance & Chief Financial Officer:</p> <p>1.1.a. Review and assess alternative budget models and adopt a model that aligns with institutional goals and initiatives.</p>	<p>1a. The Health Science Center (HSC) will establish a budget advisory committee to review and assess various ways to budget and to provide recommendations regarding the underlining principles and procedures to the President's cabinet. The President's cabinet will discuss and determine the best course of action in budgeting for HSC, with the implementation of the revised budget model occurring in FY 2018 for the FY 2019 budget process. This budgeting model will be completed by September 30, 2017.</p>	Gregory R. Anderson, Executive Vice President for Finance & Chief Financial Officer, UNTHSC	9/30/2017	Closed

In each of these activities, solvents containing volatile organic compounds (VOCs) are used to clean equipment after use. Some acids are also used in lithography to etch the printing plates. The professor in the Print Annex reported that several activities, such as spray painting and roller washing, are performed outside or next to the open doors outside to minimize contamination of indoor air.</p> <p>The industrial ventilation system in the Print Annex was apparently intended to serve as a local exhaust ventilation, but actually serves as dilution ventilation. Dilution ventilation is not the preferred method of controlling airborne vapors, as airflow volumes are high as are the costs of providing conditioned outside air volumes sufficient for dilution ventilation.</p> <p>The industrial ventilation system is ducted to above work stations approximately 10-12 feet above the floor. Make-up air for the industrial ventilation system is provided by a vent that opens to the outdoors when the switch for the ventilation system is turned to the "on" position. The industrial ventilation system provides approximately 396 cubic feet per minute (CFM) of airflow out of the building. The pressure of the room was measured to be neutral to the outside.</p> <p>Cooling and heating are provided to the space by two direct</p>	NA	Install a ventilated chemical fume hood for roller washing of the following size: 6 ft. Charn Faculty Award Funds</p> <p>Charn Faculty Award Funds were deposited into the incorrect faculty project ID, deposited late, and unused Charn Faculty Award funds have not been returned to UNT Foundation since March 2016. Annually, Charn Faculty Award funds are administered to faculty based on proposals reviewed by the Provost and Vice President for Academic Affairs. These funds are obtained from UNT Foundation and deposited by the Provost's Office to the applicable faculty's project ID. Internal Audit noted one Charn Faculty Award check totaling \$2,345 was deposited into the incorrect faculty project ID during October 2016; however, these funds were never used. At the end of the project period, unused Charn Faculty Award funds are to be returned to UNT Foundation in order to be administered again per internal procedures. Provost Office staff stated funds had not been returned since the implementation of the new chart of accounts system during March 2016. Four deposits were made within September 1, 2016 through November 30, 2017 totaling \$54,952. One deposit totaling \$23,352 made during October 2016 was deposited one business day late. The three deposits made afterwards were made within three business days.</p>	High	<p>Recommendations for Jennifer Cowley, Provost and Vice President for Academic Affairs:</p> <p>1.1.a. Develop procedures to ensure deposits made for Charn Faculty Awards are reconciled and deposited into the correct faculty project IDs.</p>	<p>1a. I agree with the recommendation. Office of the Provost cash handling procedures will be updated to provide additional safeguards. All chart field strings, including project IDs, will require a secondary reviewer. Furthermore, the procedures will require reconciling against the chart field string to which the deposit was credited by SAUCS, as we have observed at least one case where a data entry error was made.</p>	Robert Watling, Vice Provost for Academic Resources	2/28/2018	Closed

Background Report

Committee: Audit

Date Filed: April 6, 2018

Title: UNT System Consolidated Quarterly Compliance Report December 2017 through February 2018

Background:

This report represents the quarterly compliance actions for the University of North Texas System, University of North Texas, University of North Texas Health Science Center and the University of North Texas at Dallas from December 1, 2017 through February 28, 2018. Regular reporting of compliance actions to the UNT System Board of Regents is required by the United States Sentencing Commission's Federal Guidelines §8B2.1(b)(2)(A).

This quarterly report has been consolidated to reflect the compliance actions for all UNT System components. This report reflects the actions that management and each compliance function has taken to manage their highest compliance risks.

Financial Analysis/History:

This is a report item only.

- UNT System Consolidated Quarterly Compliance Report – Dec. 2017 – Feb. 2018

UNT System Consolidated Quarterly Compliance Report December 2017 through February 2018

Section I. Organizational Actions

The System-wide Compliance team (which includes Compliance Officers responsible for supporting UNT System Administration, UNT, UNTHSC, and UNT Dallas) is actively engaged in making adjustments to pre-existing compliance programs elements at each campus to ensure that policies are maintained, practices and training are implemented, that encourage ethical conduct and the prevention and detection of misconduct, and establishing campus-level programs that are consistent with the requirements set out in the System Compliance and Integrity Program (C&IP) Regulation. The System Executive Compliance Committee (the most senior UNT System-wide Compliance Committee) is in place, providing leadership, oversight and direction for the C&IP.

Section II. Compliance Risks

High-Risk #1: Electronic Information Mis-Handling (Information Technology Shared Services - ITSS)

Action Taken by Management:

- The ITSS Information Security Office submits security reports each month to the Texas Department of Information Resources (DIR) in fulfillment of Texas Administrative Code (TAC) 202.73(b)(2). Reports include instances of security violations involving University resources. Three required monthly reports were submitted to DIR this quarter.
- Texas Administrative Code 202.74(b)(2) requires institutions of higher education to introduce information security awareness and inform new employees of information security policies and procedures during the onboarding process. This material is presented to new employees as part of the online onboarding process facilitated by campus Human Resources. In addition, an on-going security awareness training program is in place for current employees. Security awareness training was provided to thirty-nine (39) new and current employees.
- IT support is provided to UNT System through Information Technology Shared Services (ITSS).

Action Taken by System and/or Institutional Compliance:

- System and Institutional Compliance continue to partner with ITSS to identify opportunities to enhance the processes and procedures associated with information security and Electronic Information Handling.

High-Risk #2: Records Management and Retention (Office of Institutional Compliance)

Action Taken by Management and Records Management and/or Institutional Compliance

- The UNT Compliance Officer (and Chief Records Management Officer), the Director of Institutional Records Management, and the Chief Records Management Representative continue to provide in-person records management training to records management personnel at UNT System Administration, UNT, and UNT Dallas. The last training took place on January 31, 2018. The next records management training is scheduled for March 29, and May 15, 2018.
- Additionally, the Records Management team is finalizing the development of online records management training that is designed to be completed by all applicable Records Management Representatives (RMRs) for UNT System Administration, UNT, and UNT Dallas. The online training will be accessed from the Institutional Records Management website, with the exam and tracking being administered through Qualtrics, and training completion information being separately reported into the PeopleSoft Learning Management System.
- The Chief Records Management Officer, Director of Institutional Records Management, and Chief Records Management Representative continue to provide technical advice and guidance to UNT System Administration, UNT, and UNT Dallas management pertaining to complicated records management and retention questions and situations.
- The Chief Records Management Officer, the Director of Institutional Records Management, and the Chief Records Management Representative continue to reinforce the Records Management Representative (RMR) network for UNT System Administration, UNT, and UNT Dallas.

High-Risk #3: Required Compliance Related Training (Office of Institutional Compliance)

Action Taken by Management and/or System/Institutional Compliance

- System/Institutional Compliance (S/IC) in collaboration with the Business Operations training team within Administrative Services (of the UNT Finance and Administration Division) and System Human Resources have developed web-based Compliance Awareness Training that is hosted by the new PeopleSoft Learning Management System.
- This training is designed for UNT System Administration, UNT, and UNT Dallas employees to complete. An additional UNT IT marketing resource was used to ensure that this training is in compliance with the Americans with Disability Act (ADA). This training was rolled-out to UNT employees on February 20, 2018 and UNT employees are scheduled to complete this training on April 20, 2018. This training will be rolled-out to System Administration and UNT Dallas employees during the next quarter.

High-Risk #4: I-9 Compliance (UNT System Talent Acquisition)

Action Taken by Management and/or System/Institutional Compliance:

- System and Institutional Compliance continue to partner with UNT System Talent Acquisition to enhance current I-9 processing so that both processes (I-9 and E-Verify) are completed within the required time-frame.
- UNT System Talent Acquisition and UNT HR continue to review and monitor the efficiency and effectiveness of this process.

Section III. Compliance Training

- System/Institutional Compliance (S/IC) in collaboration with the Business Operations training team within Administrative Services (of the UNT Finance and Administration

Division) and System Human Resources have developed web-based Compliance Awareness Training that is hosted by the new PeopleSoft Learning Management System.

- This training is designed for UNT System Administration, UNT, and UNT Dallas employees to complete. An additional UNT IT marketing resource was used to ensure that this training is in compliance with the Americans with Disability Act (ADA). This training was rolled-out to UNT employees on February 20, 2018 and UNT employees are scheduled to complete this training on April 20, 2018. This training will be rolled-out to System Administration and UNT Dallas employees during the next quarter.
- System/Institutional Compliance (S/IC) is working with the Office of General Counsel to develop a format to either convert the lecture version of its current Ethics training or develop new training to an ADA compliant format, designed for UNT System Administration, UNT, and UNT Dallas employees to complete.

Section IV. Confidential and Other Complaint Reporting for UNT System

- UNT System maintains a web-based Compliance Hotline that allows anonymous or confidential reporting as required by the U.S. Federal Sentencing Guidelines.
- There was **one (1) hotline report** received during this period with no information provided. The report was closed after receiving no additional information.

Section I. Organizational Actions

The System-wide Compliance team (which includes Compliance Officers responsible for supporting UNT System Administration, UNT, UNTHSC, and UNT Dallas) is actively engaged in making adjustments to pre-existing compliance programs elements at each campus to ensure that policies are maintained, practices and training are implemented, that encourage ethical conduct and the prevention and detection of misconduct, and establishing campus-level programs that are consistent with the requirements set out in the System Compliance and Integrity Program (C&IP) Regulation. The System Executive Compliance Committee (the most senior UNT System-wide Compliance Committee) is in place, providing leadership, oversight and direction for the C&IP.

Section II. Compliance Risks

High-Risk #1: Laboratory Inspections and Follow-up (Risk Management Services - RMS)

Action Taken by Management:

- RMS is transferring the documentation and operational segments of its lab inspection program to the newly acquired Risk Management Information System (RMIS). The new system will allow laboratory inspection data to be linked with other information collected by RMS, such as life safety inspections, so a more holistic view of a particular location is possible.
- The inspection module has been developed within the RMIS and beta testing is beginning. This system will be used at all locations on campus including Discovery Park.

Action Taken by Institutional Compliance:

- Institutional Compliance continues to attend regular meetings between Risk Management Services and other applicable UNT System and UNT risk partners to assist in resolving as quickly as possible any findings and/or impairments identified so that lab safety is continuously improved for students and faculty working in that environment.

High-Risk #2: Emergency Planning & Preparedness (Risk Management Services - RMS)

Action Taken by Management:

Emergency Response and Preparedness

- Significant efforts continue in implementing new hazard communication software, such as Material Safety Data Sheets (MSDS) online. Implementation should be complete for major academic areas, such as Chemistry, Physics, and the Biological Sciences in the next quarter, while implementation efforts continue for the remaining parts of main campus and Discovery Park.
- Chemical inventories continue to be collected from our science partners, with Chemistry, Physics, and parts of the Biological Sciences being completed. These efforts are undertaken to improve compliance, efficiency, correspondence and coordination with local first responders relating to hazardous materials incident preparedness.

- An additional project is underway to improve dissemination of emergency contact and hazard information for our research and teaching laboratories. New signage was developed for posting outside of each laboratory (lab) entrance which includes emergency contact information for each particular lab along with a summary of the major physical and chemical hazards contained in each lab. Personal protective equipment (PPE) requirements and any additional information the PI or lab manager desires will be included.
- The Emergency Operations Center (EOC) initiated two (2) activations this quarter, which resulted in appropriate issuance of notices and crowd monitoring, maintaining situational awareness, social media monitoring (as applicable), along with appropriate campus camera, radio communications, and weather monitoring.
- Automated External Defibrillator (AED) Training, AED/Hands Only Cardiopulmonary Resuscitation (CPR) Training, CPR Training, First Aid/CPR, Emergency Readiness, Stop the Bleed, Fire Extinguisher/Safety, EOC/Emergency Administration & Planning (EADP) Introduction Class, and Safety Coordinator training was conducted by the Emergency Management Team. Other educational outreach/teaching events included the Mean Green Spring Fling, Welcome Back Bash at Discovery Park, UNT International Opportunities Fair, and Greek Life Outreach.
- The following exercises were successfully conducted this quarter: One (1) Discussion-Based Table-Top Exercise (Barricaded Suspect), two (2) Fire Drills and one (1) Active Shooter Drill were conducted at Chestnut Hall, Greek Life, and on the UNT campus involving UNT and Denton Police, and the UNT Office of Emergency Management.

International Risk Management

- 08.15000 (Travel Administration System Regulation), requires all university related international travel to be registered with RMS if travel is outside of a Study Abroad/Exchange/Faculty Led Program.
- Depending on the nature and location of the risk, persons traveling to high risk destinations will receive a country-wide assessment or a site-specific assessment prior to departure.
- Country-wide Risk Assessments can be utilized prior to or in the process of making travel arrangements to international destinations. Risk Assessments provide travelers with a snapshot of the safety conditions within the countries they plan to travel to. There are nine (9) different risk indicators used to determine an overall risk/safety rating for a particular country. The nine (9) risk indicators used are crime; terrorism; conflict; political instability; infrastructure; kidnapping; corruption; civil unrest; and, cyber issues. Along with a written explanation, each indicator is ranked to be low, moderate, high, or extreme. These indicators are used to determine the overall risk for a particular country.
- Site-specific assessments can be utilized to determine the safety conditions in a particular region, city, or town within a country. Some countries may experience higher levels of crime, terrorism, conflict, political instability, poor infrastructure, kidnapping, corruption, civil unrest, and cyber issues in certain geographic areas. This risk assessment will determine whether the geographic area the traveler is traveling to is safer, more dangerous, or reflective of the country-wide assessment.

International Incidents Managed

- RMS responded to an incident that occurred in Mexico on February 16, 2018. The university had travelers in the location of the incident. RMS gathered critical safety information/facts and checked in with all travelers to inquire about their safety. All registered staff, students, and guest checked in as safe.

- UNT System Internal Audit completed its audit of the UNT International Risk Management Program, Audit No. 17-415 in November of 2017. Throughout this quarter, Risk Management Services continued to implement recommendations identified in the audit. UNT Risk Management Services has met with various stakeholders at both UNT Dallas and UNTHSC to implement risk management procedures and policies for university related international travel.
- RMS continued to refine its Standard Operating Procedures for managing risks associated with international travel. RMS also started working this quarter with the UNT System Travel Office to implement risk management techniques within its new travel management system that is expected to be implemented by the fall of 2018.

Action Taken by Institutional Compliance:

- Institutional Compliance continues to attend regular meetings between Risk Management Services and other applicable UNT System and UNT risk partners to assist in identifying opportunities to enhance Emergency Planning & Preparedness processes and procedures.

High-Risk #3: Business Continuity (Risk Management Services - RMS)

Action Taken by Management:

- The structure of the Continuity of Operations Plan (COOP Roadmap) has been established and identifies the five phases moving forward with the (COOP). Phase 1, which is complete, identified gaps and needed enhancements in order to establish the process moving forward with the program.
- Phase 2 involves consultations with the lead of each Mission Essential Function to administer plan updates and improvements. During Phase 3, the plan will be finalized and submitted to the State Office of Risk Management (SORM) for approval with a target completion date of June 2018.
- Phase 4 will begin immediately following approval of the COOP plan by SORM and a multi-year exercise strategy will be developed in order to test, evaluate, and continually improve the plan. During Phase 5, a new roadmap will be developed that outlines a strategy for addressing continuity of operations for all Mission Support Functions.

Action Taken by Institutional Compliance:

- Institutional Compliance continues to attend regular meetings between Risk Management Services and other applicable UNT System and UNT risk partners to assist in identifying opportunities to enhance Continuity of Operations Plans (COOP) processes and procedures.

High-Risk #4: Hazardous Waste Management (Risk Management Services - RMS)

Action Taken by Management:

- A new system for labeling and identifying hazardous waste is in place. As such, RMS is beginning to see a decline in the number of unidentified waste disposals and improved compliance with regulatory requirements.
- A monthly method for inventorying hazardous waste is in place and tracking has begun. A reorganization of the Discovery Park central accumulation area is now being undertaken to improve compliance with regulatory requirements.

Action Taken by Institutional Compliance:

- Institutional Compliance regularly meets with RMS and other applicable UNT System and UNT risk partners and the City of Denton (as applicable) in the prevention of exceeding any applicable hazardous waste thresholds.

High-Risk #5: Waste Water Management (Risk Management Services - RMS)

Action Taken by Management:

- This risk was created by renaming the "Environmental Compliance" risk. The new risk title more accurately defines what RMS is actually monitoring. RMS continues to work with risk partners System-wide to prevent exceeding Resource Conservation and Recovery Act (RCRA) metals and other applicable environmental thresholds.

Action Taken by Institutional Compliance:

- Institutional Compliance regularly meets with RMS and other applicable UNT System and UNT risk partners and the City of Denton (as applicable) in the prevention of exceeding any applicable waste water management thresholds.

High-Risk #6: Radiation Safety (Risk Management Services - RMS)

Action Taken by Management and Institutional Compliance:

- The Radiation Safety Manual is currently under review by the Radiation Safety Officer (RSO) and the Radiation Safety Committee. An inspection program was developed and Radioactive Material (RAM) and X-ray users will be inspected twice a year to monitor regulatory compliance.
- In addition, the radiation-monitoring program underwent a review in order to identify users without monitoring requirements and these users were removed from the program. The laser program is still undergoing inventory verification and program development; nevertheless, the RSO is trained in the capacity of a Laser Safety Officer.
- Institutional Compliance regularly meets with Risk Management Services and other applicable UNT System and UNT risk partners to ensure the program is in compliance with state radiation safety regulations.

High-Risk #7: Having policies, procedures, and/or practices in place that may not provide protection of minors participating in UNT related activities (Risk Management Services - RMS)

Action Taken by Management and Institutional Compliance:

- UNT Risk Management Services (RMS) continues to make 3rd party web based Child Molestation Awareness Training available for any System-wide personnel or other individuals requiring this training.
- UNT RMS and System/Institutional Compliance are working together to ensure that all camps, programs, and activities involving minors are identified and employees, students, and applicable community individuals participating in them have completed required child molestation awareness training and any required criminal history background checks have been completed.

High-Risk #8: Research Conflict of Interest - COI (Office of Research Integrity & Compliance)

Action Taken by Management and Institutional Compliance:

- The Office of Research Integrity & Compliance (ORI&C) are continually monitoring the conflict of interest risks as they relate to sponsored research. There is substantial improvement in terms of completion timeliness of this process as compared to previous years. ORI&C has improved upon its processes and are currently reviewing its policies and mitigation procedures.
- Institutional Compliance is working with ORI&C, division management, and other UNT System and campus risk partners to identify opportunities that will enhance the effectiveness of research conflict of interest processes, practices, and procedures.

High-Risk #9: Time and Effort Reporting (Office of Grants & Contracts Administration)

Action Taken by Management and Institutional Compliance:

- The Office of Grants & Contracts Administration (OGCA) received 100% of completed Effort Certifications for UNT and UNT Dallas, covering the period ending August 31, 2017. Effort Certifications covering September 1, 2017 through December 31, 2017 for UNT and UNT Dallas were distributed with approximately 90% returned/completed as of February 28, 2018.
- System/Institutional Compliance is working with the Office of Grants & Contracts Administration, division management, and other UNT System and campus risk partners to evaluate current practices and identify opportunities that will enhance the effectiveness of time and effort processes, practices, procedures, and reporting.

High-Risk #10: Grants Management (Office of Grants & Contract Administration – OGCA)

Action Taken by Management and Institutional Compliance:

- System/Institutional Compliance is working with the Office of Grants & Contracts Administration, division management, and other UNT System and campus risk partners to evaluate current practices and identify opportunities that will enhance the effectiveness of grants management processes, practices, procedures, and reporting.

High-Risk #11: Electronic Information Mis-Handling (University Information Technology and Information Technology Shared Services - ITSS)

Action Taken by Management:

- The ITSS Information Security Office submits security reports each month to the Texas Department of Information Resources (DIR) in fulfillment of Texas Administrative Code (TAC) 202.73(b)(2). Reports include instances of security violations involving University resources. Three required monthly reports were submitted to DIR this quarter.
- Texas Administrative Code 202.74(b)(2) requires institutions of higher education to introduce information security awareness and inform new employees of information security policies and procedures during the onboarding process. This material is presented to new employees as part of the online onboarding process facilitated by campus Human Resources. In addition, an on-going security awareness training program is in place for current employees. Security awareness training was provided to nine hundred seventy-two (972) new and current employees.
- IT support is provided to UNT through System and campus IT assets.

Action Taken by System and/or Institutional Compliance:

- System and Institutional Compliance continue to partner with System and campus IT assets to identify opportunities to enhance the processes and procedures associated with information security and Electronic Information Handling.

High-Risk #12: Health Insurance Portability and Accountability Act (HIPAA) Compliance (Office of Institutional Compliance)

Action Taken by Management and Institutional Compliance:

- Institutional Compliance continues to research and evaluate the data provided by UNT System Administration, UNT, and UNT Dallas units via surveys designed to ensure that all applicable units are designated as health care components and other applicable units that touch personally identifiable health information are in compliance with other privacy protections, such as the Health Information Technology for Economic and Clinical Health (HITECH) Act requirements.
- Institutional Compliance continues to work with UNT System Administration, UNT, and UNT Dallas units to ensure that each System-wide unit has a HIPAA Security and Privacy Officer.

High-Risk #13: Records Management and Retention (Office of Institutional Compliance)

Action Taken by Management, Records Management, and/or Institutional Compliance:

- The UNT Compliance Officer (and Chief Records Management Officer), the Director of Institutional Records Management, and the Chief Records Management Representative continue to provide in-person records management training to records management personnel at UNT System Administration, UNT, and UNT Dallas. The last training took place on January 31, 2018. The next records management training is scheduled for March 29, and May 15, 2018.
- Additionally, the Records Management team is finalizing the development of online records management training that is designed to be completed by all applicable Records Management Representatives (RMRs) for UNT System Administration, UNT, and UNT Dallas. The online training will be accessed from the Institutional Records Management website, with the exam and tracking being administered through Qualtrics, and training completion information being separately reported into the PeopleSoft Learning Management System.
- The Chief Records Management Officer, Director of Institutional Records Management, and Chief Records Management Representative continue to provide technical advice and guidance to UNT System Administration, UNT, and UNT Dallas management pertaining to complicated records management and retention questions and situations.
- The Chief Records Management Officer, the Director of Institutional Records Management, and the Chief Records Management Representative continue to reinforce the Records Management Representative (RMR) network for UNT System Administration, UNT, and UNT Dallas.

High-Risk #14: Required Compliance Related Training (Office of Institutional Compliance)

Action Taken by Management and/or System/Institutional Compliance

- System/Institutional Compliance (S/IC) in collaboration with the Business Operations training team within Administrative Services (of the UNT Finance and Administration Division) and System Human Resources have developed web-based Compliance Awareness Training that is hosted by the new PeopleSoft Learning Management System.

- This training is designed for UNT System Administration, UNT, and UNT Dallas employees to complete. An additional UNT IT marketing resource was used to ensure that this training is in compliance with the Americans with Disability Act (ADA). This training was rolled-out to UNT employees on February 20, 2018 and UNT employees are scheduled to complete this training on April 20, 2018. This training will be rolled-out to System Administration and UNT Dallas employees during the next quarter.

High-Risk #15: I-9 Compliance (UNT System Talent Acquisition & Campus Human Resources (HR) Director)

Action Taken by Management and/or System/Institutional Compliance:

- System and Institutional Compliance continue to partner with UNT System Talent Acquisition to enhance current I-9 processing so that both processes (I-9 and E-Verify) are completed within the required time-frame.
- UNT System Talent Acquisition and UNT HR continue to review and monitor the efficiency and effectiveness of this process. There has been significant improvement in recent I-9 reporting.

High-Risk #16: Individual Conflict of Interest (Institutional Compliance)

Action Taken by Management and/or System/Institutional Compliance

- System/Institutional Compliance is in the process of reviewing and evaluating a peer institution's Conflict of Interest program to obtain some program ideas that maybe effectively used to evaluate and manage individual conflict of interest opportunities at UNT.

Section III. Compliance Training

- System/Institutional Compliance (S/IC) in collaboration with the Business Operations training team within Administrative Services (of the UNT Finance and Administration Division) and System Human Resources have developed web-based Compliance Awareness Training that is hosted by the new PeopleSoft Learning Management System.
- This training is designed for UNT System Administration, UNT, and UNT Dallas employees to complete. An additional UNT IT marketing resource was used to ensure that this training is in compliance with the Americans with Disability Act (ADA). This training was rolled-out to UNT employees on February 20, 2018 and UNT employees are scheduled to complete this training on April 20, 2018. This training will be rolled-out to System Administration and UNT Dallas employees during the next quarter.
- System/Institutional Compliance (S/IC) is working with the Office of General Counsel to develop a format to either convert the lecture version of its current Ethics training or develop new training to an ADA compliant format, designed for UNT System Administration, UNT, and UNT Dallas employees to complete.

Section IV. Confidential and Other Complaint Reporting for UNT

UNT maintains a web-based Compliance Hotline that allows anonymous or confidential reporting as required by the U.S. Federal Sentencing Guidelines.

There were **three (3) reports** received for this period. An analysis of the **three (3) reports** revealed the following breakdown of complaints:

- There was **one (1) hotline report** received alleging **Discriminatory Practices**. This report was referred to the Office of Equal Opportunity for resolution.
- There was **one (1) hotline report** received alleging a **FERPA Violation**. IC requested to meet with the individual to obtain additional and clarifying information. IC is waiting for a response. The report is open until April 23, 2018.
- There was **one (1) hotline report** received alleging a **Management Issue with an Immediate Supervisor**. IC determined there was no compliance violation and the individual was referred to the second line supervisor to address this report.

Office of Institutional Compliance and Integrity

Report to the Audit Committee

Board of Regents of the University of North Texas System

May 17-18, 2018

Submitted by:

Desiree K. Ramirez, CCEP, CHC
Chief Compliance and Integrity Officer

Introduction

The Office of Institutional Compliance and Integrity continues to make progress in the standardization of the UNTHSC Compliance and Integrity Program. Our goal over the upcoming months is to ensure placement of "best practice" resources (automation, technology, etc.); implementation and update of policies and procedures, institutional awareness and collaboration with all members of the UNTHSC community and our external partners.

We have recently hired a Learning and Development Manager whose role is to creatively and innovatively manage and continuously improve the compliance program by focusing on promoting awareness and understanding of new and existing compliance risks and policies and procedures through education and inspiration that initiates ongoing feedback for evaluation, measurement and metrics.

Reporting- Trust Line

The department has recently implemented and will launch (mid-April) the UNTHSC Trust Line. The Trust Line introduces a new narrative to the way the hotline is used and remove the negativity usually associated with reporting. Most issues and concerns raised in calls can be resolved with simply giving a space to ask a question confidentially and without judgement or fear of retaliation. The Trust Line promotes a collaborative effort to allow students, employees and external partners to do their part to build communication and promote safety, security, and ethical behavior.

Reports are made via web or phone through a third party vendor, NAVEXGlobal. Posters and wallet cards also have a QR (Quick Response) code that takes the user directly to the unthsc.ethicspoint.com secured webpage where they will be able to ask a question or report from their mobile device.

Additionally, the Open Door Report Form, provides leaders in other compliance risk areas (Student Affairs, HR, IT, Research, etc.) to document concerns raised in person in a secured database so that all risks can be reviewed as a whole to determine risk strategy, education, etc. It is intended for escalating and/or documenting any report or question that has been directed to the leader about any questions or concerns, actual or potential misconduct, policies or the law.

Once the Trust Line and Open Door Report Form is in full use, the Office of Institutional Compliance and Integrity will report to the Audit Committee via dashboard, issues and trends that are seen in the reporting.

Reports for last quarter were handled through The Network reporting line. There were no compliance reports as all calls were Patient Experience calls (prescription, appointments, etc.) and were sent to the VP of Clinical Operations at UNT Health.

Education

All new employees are required to complete onboarding education using the WeComply® modules. The employees must complete the following mandatory education:

- Preventing Sexual Harassment
- Reporting Child Abuse on Campus
- Work Place Safety and Health
- FERPA Basics
- Preventing Discrimination and Harassment
- HIPAA Privacy and Security
- Ethics and Compliance Essentials
- Active Shooter Preparedness

Additionally, new students and students entering clinical rotations have taken required FERPA, HIPAA and Title IX.

The Office of Sponsored Programs launched the Time and Effort training on January 8th to comply with their requirements. The deadline for completion was February 28. As of April 4, there was a 100% completion rate for this training, with only 2 face-to-face trainings for missing the completion deadline.

Research Compliance launched their annual Research Conflict of Interest (RCOI) Disclosure in September. 100% of the disclosures were completed. In conjunction, Research Conflict of Interest training was administered to new faculty and faculty new to research. All RCOI training is current.

In the coming months, UNTHSC will be moving to an adaptive, online learning experience (pending contract execution). This innovative education system reduces the complexity of modular learning. The system adapts to deliver specific compliance and risk training based on an individual employee's role and responsibilities. Using the learner's profile, the adaptive education system ensures each employee receives the most relevant compliance content in single course vs. current modular training where employees receive various emails regarding their training. The Office of Compliance and Integrity will launch the education in July for the main topics and reset and relaunch in September for full education. Included in the launch will be an automated Institutional Conflict of Interest (ICOI) form that employees can confidentially self-disclose a conflict by accessing the platform directly. This education system allows for tracking and monitoring and will be used to report analytics to the Audit Committee during subsequent Board meetings.

Sexual Harassment and Behavioral Misconduct

There has been heightened awareness in Higher Education surrounding Sexual Harassment and Behavioral Misconduct. The Office of Institutional Compliance and Integrity, the Office of Student Affairs and Human Resources is currently in collaboration regarding awareness training and policy revision to address this issue in the best interest of our students and employees. A draft combined policy is currently being worked on for submission to the Office of the General Counsel for legal sufficiency review.

Clinical Compliance- Physician Documentation Audits

Physician Documentation Audits for the physician practice- UNT Health, is crucial to managing organizational risk. MDaudit is the software utilized by the Office of Institutional Compliance and Integrity to improve monitoring, tracking and training as well as management and maintenance of the documentation auditing process. For the second quarter, a base line audit was conducted to determine documentation accuracy and physician education needs.

These results will assist the Compliance Specialist to determine a plan of action for education and monitoring. The chart below reflects the goals of physician education and progressive, measurable outcomes.

Goals	Progressive Outcomes
Decrease common errors made by the physicians	Decrease in recoupment of funds from payers due to incorrect billing and increase revenue
Improve quality of chart documentation and accuracy of billing for services provided to the payer and improvement of quality of care	Sufficient documentation in medical records to support coding and billing
Utilize small group concept to create an intimate and active learning environment driven by specialty related topics and/or cases among physicians	Established education sessions on a quarterly basis and specific time allotted during departmental or practice retreat(s)
Create a team environment by improving communication and sharing of experiences and knowledge	Database or newsletter of scenarios created by practice
Providers as resources to one another	Database or newsletter of scenarios created by practice
Physician champion within the group	Increased collaborations and education with practice and Office of Compliance

HIPAA/Privacy

There have been no potential breaches or investigations of privacy concerns in this quarter

Effective Compliance Metrics

In 2015, the Department of Justice (DOJ) elaborated on core perspective for the prosecution of compliance violations, the role of compliance, and the importance of an effective compliance program with a focus on compliance violations that are intentional, egregious and pervasive.

In March, 2017 the Office of the Inspector General (OIG) in collaboration with the Health Care Compliance Association (HCCA) created a resource guide to aid with measuring compliance program effectiveness. As we continue to implement compliance resources and monitor their effectiveness, the Office of Institutional Compliance and Integrity will build a strategy to measure how we meet the Eight Elements of an effective compliance program through these measures and metrics in addition to meeting the components of the UNT System regulation 2.401-Compliance and Integrity Program. We will look to measure the following as it relates to the UNTHSC Compliance Program:

- *Risk Assessment*
- *Policies/Procedures/Written Standards*
- *Training and Communication*
- *Monitoring/Auditing; Hotline*
- *Investigation and Response*
- *Conflict of Interest*
- *Culture*

This in turn will allow future reports to the Audit Committee to observe and review the important compliance initiatives, new and emerging risks and changes, successful compliance training and policy requirements, employee engagement and feedback and what audit findings will impact the organization.

Compliance Charter

The Compliance Charter integrates and coordinates all significant requirements with which UNTHSC must comply by law, regulation, or other binding rule or agreement. Comprehensive organizational compliance programs are common in many industries, and are increasingly important in higher education. The Compliance Charter describes the mission, authority, independence, and principal responsibilities of the Office of Institutional Compliance and Integrity at the University of North Texas Health Science Center. The Office of Institutional Compliance and Integrity request a review of the draft charter for consideration and possible vote for the August meeting to accept the charter for the UNTHSC Compliance and Integrity Program. Ultimately, we would like to create a checklist for consideration to the members of the Audit Committee in regards to the Office of Institutional Compliance and Integrity mission and the duties of the Chief Compliance Officer, to ensure requirements are being adhered as it relates to the charter. The Checklist is to be utilized after the end of each fiscal year at the following Board of Regents meeting or as deemed appropriate by the Chair of the Audit Committee.

Conclusion

In this first year under the new Office of Institutional Compliance and Integrity structure, we are working diligently to establish a consistent and stable compliance program. We have seen a shared sense of responsibility by the UNTHSC President, Cabinet Leaders and Deans to protect the reputation and financial assets of UNTHSC. Our goal is to provide education, awareness and collaboration to move the campus from **informed acquiescence**- a rules based, process driven organization to **self-governance**- a purpose based, values inspired organization.

Overall, compliance at the University of North Texas Health Science Center is gaining awareness and support from faculty and staff as well as strong continued support from our leaders. We are purposefully collaborative and continue to foster an environment of advocacy. Once we are fully staffed we can better assess our gaps and make plans on how best to utilize our resources in areas of high risk to the institution. We will continue to promote compliance awareness and work closely with UNTHSC leaders and stakeholders to foster more communication and earlier intervention for potential misconduct.

We want to thank the employees and students at UNTHSC for their continued support as our "Compliance Advocates". Compliance is everyone's responsibility and the Office of Institutional Compliance and Integrity staff is here to support, provide guidance and foster an environment of continued integrity and compliance.

**University of North Texas Health Science Center
Office of Institutional Compliance and Integrity
COMPLIANCE CHARTER**

DRAFT

INTRODUCTION

The mission of the University of North Texas Health Science Center (UNTHSC) is to create solutions for a healthier community with a vision of One university, built on values, defining and producing the providers of the future. These values (*Serve other First-Integrity-Respect-Collaboration- Be Visionary*) represent the best way for us to fulfill our mission and vision and achieve our strategic goals. As an educational institution, it subscribes to the highest professional, ethical and moral values. Fulfilling its mission demands, no less. As part of its educational responsibility, it must ensure that its faculty, residents, staff, and students understand and carry out not only their obligation but comply with applicable laws, rules, and regulations. This is essential to the core mission of the School and this charter will evolve with the strategic direction of the institution.

All employees and students who represent the University of North Texas Health Science Center, assume responsibility for conducting their operations and activities within the law and in keeping with UNTHSC's highest ethical standards. At the institution level, compliance is the responsibility of a number of different departments and offices with oversight residing under the Chief Compliance Officer. While each of these departments and offices operate with specific knowledge and training on compliance issues relevant to its subject matter or functional area, given the increasing scrutiny and rising standards for corporate accountability, this compliance charter is intended to coordinate, monitor and, when appropriate, improve, the wide array of compliance areas.

PURPOSE

This compliance charter integrates and coordinates all significant requirements with which UNTHSC must comply by law, regulation, or other binding rule or agreement. Comprehensive organizational compliance programs are common in many industries, and are increasingly important in higher education. In 1987, the Federal Sentencing Guidelines provided one of the first "models" for organizational compliance programs, and recommended that federal judges give "credit" for reduced penalties to organizations found guilty of violations if they had previously developed an effective compliance program.

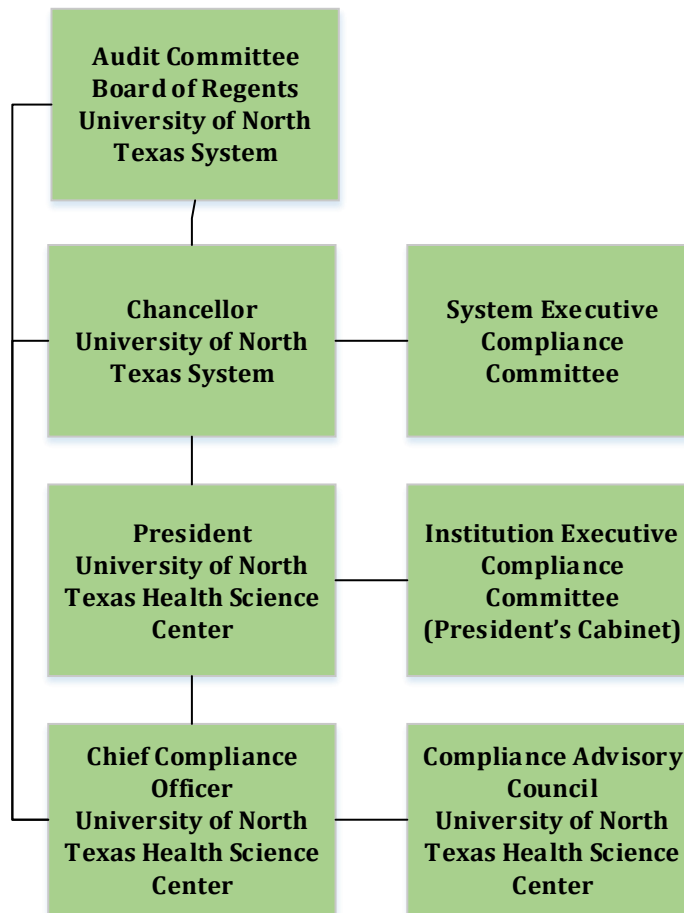

OFFICE OF INSTITUTIONAL COMPLIANCE AND INTEGRITY MISSION STATEMENT

The mission of the Office of Institutional Compliance and Integrity is to build and maintain a culture of compliance that encourages employees, students, its agents and vendors to conduct UNTHSC's education, research, and clinical activities with the highest standards of honesty and integrity and supports the Code of Ethics and Standards of Conduct, policies and procedures as set forth by UNTHSC.

The University of North Texas Health Science Center's Compliance Program will enable the employees and students to better manage the operations and risks for which they are individually and collectively responsible. The compliance program aims to achieve the following:

1. Ensure the institutional perspective is always present.
2. Develop and communicate policies and procedures.
3. Facilitate compliance education and training.
4. Monitor compliance and respond in a timely manner to instances of noncompliance. Implement a confidential helpline system for reporting noncompliance, potential misconduct, fraud, waste and abuse or for asking questions regarding compliance issues.
5. Ensure that the appropriate department or office identifies appropriate disciplinary sanctions and applies those sanctions when infractions occur. Coordinate and implement specific compliance support activities.
6. Coordinate UNTHSC's compliance and integrity activities,
7. Assess the adequacy of compliance activities, evaluate overall program effectiveness and recommend and implement modifications to the program as necessary
8. Provide compliance advisory services to employees and students
9. Evaluate emerging compliance trends in higher education and government and implement best practices
10. Report results of compliance and ethics program activities to senior management, the Chancellor and Audit Committee of the Board of Regents

REPORTING STRUCTURE

COMPLIANCE ADVISORY COUNCIL

The University of North Texas Health Science Center Compliance Advisory Council (CAC) will assist the Chief Compliance and Integrity Officer to coordinate UNTHSC's compliance activities and programs to ensure that they are reasonably designed, implemented, enforced and generally effective in preventing and detecting noncompliance. Additionally, the CAC will promote an organizational culture that encourages a commitment to compliance and ethical conduct and UNTHSC Values and Behaviors. The membership of the Compliance Advisory Council will include representatives and leaders from the appropriate UNTHSC departments. The Compliance Advisory Council is responsible for assisting and supporting the Chief Compliance Officer and for:

- Advising the Chief Compliance Officer concerning specific education and training
- Assist in identifying compliance risk and controls to mitigate those risk
- Reviewing the annual compliance risk assessment prior to submission to the Institution Executive Compliance Committee
- Assist in reviewing the annual compliance workplan before adoption.

- Providing suggestions and information to assist in development of overall compliance program structure.
- Assist with monitoring implementation of compliance program efforts by each department
- Periodic assessment changes to the regulations, laws and guidance that effect policy
- Reviewing successful implementation of the education and training program that ensures appropriate personnel are knowledgeable of and comply with pertinent federal and state standards and UNTHSC Policies and Procedures.
- Assist in developing/reviewing programs and policies that encourages employees and students to report suspected fraud and other improprieties without fear of retaliation.
- Taking appropriate actions to ensure compliance awareness and compliance deficiencies are reasonably addressed consistent with the compliance program.

CHIEF COMPLIANCE OFFICER (CCO)

There shall be appointed a Chief Compliance Officer. To avoid any issues related to a conflict of interest regarding legal or financial matters associated with compliance, the Chief Compliance Officer reports directly to the President of the University of North Texas Health Science Center and has direct access to the Chair of the Audit Committee of the University of North Texas System Board of Regents and the Chancellor of the University of North Texas System. The Chief Compliance Officer shall have full access to all personnel and relevant documentation (subject to state or federal confidentiality laws) deemed necessary to perform his/her oversight and reporting duties.

The Chief Compliance Officer oversees this Compliance Charter, including the education of personnel regarding proper compliance, the auditing and monitoring of the status of compliance, and the reporting, investigation, discipline and correction of non-compliance. It is also his/her responsibility to ensure programs are in place to guarantee that significant discretionary authority is not delegated to persons with a demonstrated or suspected propensity for improper or unlawful conduct.

It is not expected that the Chief Compliance Officer will have the knowledge or expertise necessary to ensure compliance with all laws and regulations or applicable standard operating procedures that affect the various departments of the University of North Texas Health Science Center. He/she is responsible, however, for the overall program and must ensure that qualified, knowledgeable personnel within individual divisions or departments of UNTHSC assist in monitoring and educational functions.

The Chief Compliance Officer role will:

- Have day-to-day operational responsibility for the Compliance and Integrity Program
- Report directly to the Institution's Responsible Senior Official
- Administer the Compliance and Integrity Program reporting system;
- Have unrestricted access to individuals and information throughout the System as necessary and consistent with applicable legal privileges;
- Be given adequate resources to develop and maintain an effective Compliance and Integrity Program, including resources necessary to conduct an annual compliance risk assessment and compliance work plan.

- Implement, document, and maintain a regulatory compliance program, in collaboration with Executive Leadership that meets the expectations of state and federal regulations, government programs and is based on examples or best practices from peer institutions.
- Develop an on-going campaign to heighten awareness of the compliance office function, as well as disseminate information and collect employee feedback.
- Develop, review, modify and implement policies, procedures, and best practices designed to promote and maintain compliance with state and federal regulations, MSM policies and to detect areas of operation where improvements are needed.
- Provide support and guidance to Executive Leadership, the Chancellor the Board of Regents, and operational leadership to provide adequate information to ensure that they and their staff have the requisite information and knowledge of regulatory issues and requirements to carry out their responsibilities in a lawful and ethical manner.
- Develop, coordinate, and participate in a multifaceted educational and training program that focuses on the elements of the compliance program, UNTHSC policies, Regent rules and federal and state standards.
- Assist with the monitoring of divisional/departmental compliance focus areas and personnel by conducting routine and focused internal review of adherence to policies/procedures, and by coordinating audits generated by external sources.
- Maintain and evaluate the reporting systems and resources such as the Compliance Hotline, and other confidential disclosure protocols. Coordinate and oversee investigations in collaboration with Internal Audit and the Office of General Counsel for violations of laws and policies.
- Oversee and implement corrective action plans in response to investigations and internal reviews and findings, and other issues generated by the compliance program.
- Work with UNTHSC leadership to develop and implement mechanisms to monitor the use and transmission of protected health information (PHI/ePHI) and personally identifiable information (PII).
- Oversee the application of employee, student and patient rights, maintain privacy policies and procedures and facilitate compliance initiatives to foster information privacy awareness with UNTHSC
- Provide written updates and reports quarterly to the Compliance Advisory Council, Executive Leadership, and the Audit Committee of the Board of Regents regarding the progress and efficiency of the Compliance Program and changes in government regulations that affect the operation of MSM.

CODE OF ETHICS AND STANDARDS OF CONDUCT

In support of this Charter, the Code of Ethics and Standards of Conduct (the "Code") provides a non-exclusive summary of ethical and legal principles for members of the UNTHSC community based on compliance requirements applicable to UNTHSC activities. Except as otherwise stated, it does not replace any existing or future UNTHSC policies. The Chief Compliance Officer shall periodically review the existing Code of Ethics and Standards of Conduct and recommend revisions that are consistent with the objectives of the compliance program.

The Code of Ethics and Standards of Conduct will be provided to all UNTHSC employees and students who will be required to attest to their understanding and agreement to abide by the Standards of Conduct outlined in the Code. The Chief Compliance Officer shall post this Charter and the Code of Ethics and Standards of Conduct on the Office of Institutional Compliance and Integrity website.

The Office of Institutional Compliance shall periodically publish information in various resources regarding the compliance program, Code of Ethics and Standards of Conduct, and related policies to raise awareness regarding general and specific compliance issues.

CLINICAL COMPLIANCE- UNT HEALTH

UNT Health shall comply with all applicable federal and state healthcare billing laws and regulations and shall be responsible to ensure that all billing and associated services are consistent with applicable statutes, regulations and program requirements involving Federal and State health care programs including guidance issued by the Office of Inspector General, Department of Health and Human Services and other government regulatory agencies including guidance and the requirements of the Health Insurance Portability and Accountability Act ("HIPAA"). Commitment will be given to preventing fraud and abuse in billing and responsibility to submit only charges that are truthful and accurate, that reflect medically necessary or appropriate services, and that are fully supported by health care record documentation. Attention will be given to submitting a correct claim for payment the first time.

Billing and Chart Audits

The Office of Institutional Compliance and Integrity shall conduct routine, random reviews of billing claims data from a representative sample of medical and billing records for a designated period to assess compliance with established standards of practice for teaching physician documentation, coding, and billing. A focused review may target specific providers, specialties, CPT codes, Evaluation and Management codes, or any other criteria as established by the CCO. The Office of Institutional Compliance and Integrity shall specifically examine records for compliance with Medicare, Medicaid, TRICARE, and other third party billing requirements as well as UNTHSC Policies and Procedures. Following this review, results shall be reported to the applicable administrator, provider and coder who may have coded such physician's documentation. Education shall be performed at such time regarding any documentation deficiencies noted, or methods on how to improve documentation. In addition, if documentation deficiencies are found, an additional review will be performed within a specified period following such education session to determine if deficiencies continue to exist. Any claims that are identified with incomplete or inaccurate documentation shall not be submitted for payment to any third party payer. Reports shall be provided to the appropriate clinical and executive leadership regarding the results of billing audit reviews at least bi-annually. Serious or recurrent billing deficiencies will be subject to a specific corrective action plan.

EDUCATION AND TRAINING

Compliance education and training is a critical element of an effective compliance program. UNTHSC is committed to providing general and specific compliance education and training so that UNTHSC employees and students understand their obligations and responsibilities in accordance with applicable laws, regulations, and policies. The Office of Institutional Compliance and Integrity shall collect and make available compliance tools and resources, such as UNTHSC policies, references to statutes and regulations, and other useful web sites and materials.

The Chief Compliance Officer or his/her designee will monitor the education of employees and student to ensure inclusion of program content which meets and abides by the specific laws and regulations affecting individual departments and personnel of UNTHSC. The Chief Compliance Officer or members of the Compliance Advisory Council will inform personnel in their respective areas of changes in the laws or regulations through written communications and in-service training.

UNTHSC personnel are required to complete any compliance training and education assigned for their position in accordance with appropriate time frames and frequency.

REPORTING COMPLIANCE ISSUES

All UNTHSC employees and students have the responsibility to comply with applicable laws and regulations and to report any acts of non-compliance. Raising such concerns is a service to University of North Texas Health Science Center and will not jeopardize employment or academic standing at University of North Texas Health Science Center.

Any good faith concerns stemming from possible noncompliance with government or external agency regulations, related UNTHSC policies, and errors or irregularities in the practice or its policies, are to be reported. Any employee or student who perceives or learns of an act of non-compliance should either:

- Speak to his/her supervisor or advisor
- Call the Chief Compliance Officer; and/or
- Use the UNTHSC Compliance Hotline.

Compliance concerns may be reported verbally or in writing and can be anonymous. If an employee is unsure whether or not an issue is a compliance matter or has any questions about the existence, interpretation or application of any law, regulation, policy or standard, the issue or question should be directed, without hesitation, to the employee's supervisor, the Chief Compliance Officer or through the Compliance Hotline.

Individuals who investigate reports of suspected misconduct, except law enforcement officials, shall inform the Institution's Chief Compliance Officer each time an investigation is initiated and completed, of the findings of the investigation, and of any disciplinary sanction imposed or corrective action taken to address a finding of misconduct. Individuals who are required to inform the Chief Compliance Officer pursuant to this section shall do so in a reasonable time, as determined by the Chief Compliance Officer, and in manner that maintains confidentiality and any recognized privileges

Every effort will be made to preserve the confidentiality of reports of non-compliance. All employees and student must understand, however, that circumstances may arise in which it is necessary or appropriate to disclose information. In such cases disclosures will be on a "need to know" basis only.

If a report of non-compliance involves human subject research or animal research, notice will be given to the appropriate UNTHSC oversight office about the affected individual/investigator and/or studies.

Anyone found to have known of acts of non-compliance and failed to report them will be subject to discipline. All reports of non-compliance should be made in good faith and with the best of intentions. It will be considered a serious violation of UNTHSC policy for any person to intentionally make false accusations. Such an occurrence may result in disciplinary action up to and including termination of the accuser.

Compliance Reporting Line

The Office of Institutional Compliance and Integrity will maintain and publicize a reporting line that will be used to report compliance issues, possible violations of billing or research compliance standards and policies or questions or concerns as it relates to compliance concerns. To the extent possible, calls to the "hotline" will remain confidential and anonymous. The "hotline" will be operated in a manner designed to encourage complete disclosure by the caller of information such as a particular description of the activity in question, the department in which it has taken place, and the identity of the people who may have knowledge of the relevant facts. A record will be maintained of any reports. Each complaint will be investigated. After a review and investigation, the Chief Compliance Officer will prepare a written report of findings and identify any corrective action that is required.

Investigations

All reports of potential violations of laws, regulations, policies or questionable conduct shall be logged by the Chief Compliance Officer and an investigation will be authorized and initiated. The log will record the issue, the department or division affected and the resolution. This log will be treated as a confidential document and access will be limited to those persons at UNTHSC who have responsibility for compliance matters.

The Chief Compliance Officer, or his/her designee(s), will investigate every report of non-compliance, however reported. Investigations will be done promptly and will consist of interviewing personnel, examining documents, and consulting with General Counsel, if necessary. All employees are expected to cooperate with those investigating such matters and non-cooperation may result in discipline.

The Chief Compliance Officer or their designee(s) have full authority to interview any employee and review any document (subject to state and federal laws on confidentiality) he or she deems necessary to complete the investigation.

A written record of each investigation will be created and maintained by the Chief Compliance Officer. He/she will make every effort to preserve the confidentiality of such records and will make any necessary disclosures on a "need to know" or legal basis only. Confidentiality, however, cannot be guaranteed.

A summary report of the findings of an investigation will be provided as appropriate to the complainant.

The Chief Compliance Officer will report the results of any significant investigation to the Audit Committee of the Board of Regents. The Chief Compliance Officer shall recommend a course of discipline and/or other corrective action to be imposed.

Assessment

Depending upon the nature of the alleged violations, an internal investigation will include interviews and a review of relevant documents as appropriate. The Chief Compliance Officer will consult with the General Counsel, Internal Audit, Human Resources and/or Executive Leadership regarding the scope of the review. Actions taken as the result of an investigation will necessarily vary depending on the nature of the situation. The Chief Compliance Officer may review the circumstances that formed the basis for the investigation to determine whether similar problems have been uncovered in other areas and whether there is a need for improved internal controls related to that risk area.

Corrective Action or Discipline

Every confirmed act of non-compliance may result in corrective action or discipline. In matters of non-compliance, corrective action or discipline will be according to applicable research and investigative policies and/or the findings of the appropriate regulatory agency or committee. Sanctions for severe or repeated instances of non-compliance may be recommended by the President of UNTHSC. Sanctions may include a requirement to follow a certain process or procedure in the future, restitution, and/or discipline. Any appeal or grievance rights are those provided in existing policies

A corrective action plan will be set forth in writing and should be designed to ensure that the issue of non-compliance is addressed and similar problems are prevented from re-occurring. A corrective action plan should include one or all of the following elements:

1. Identification of the specific areas requiring compliance improvement
2. Requirement of additional training
3. Change in policies or procedures
4. Further audit or investigation steps
5. Disciplinary action

Non- Retaliation Policy

No employee or student of the University of North Texas Health Science Center shall in any way retaliate against any individual who reports actual or suspected violations of the laws, regulations, or policies. All reported violations will be handled with the utmost integrity and confidentiality to ensure that the identity of the reporting individual, when known and the identity of the person or persons involved in the suspected violation is only given to those persons with an absolute need to know. Any confirmed act of retaliation shall result in discipline.

MONITORING AND AUDITING

The Chief Compliance Officer will strive to ensure that the level of compliance in each division or department is audited periodically. He/she will arrange for external auditing as deemed necessary and appropriate in conjunction with the UNTHSC President, Internal Audit and/or the Audit Committee of the Board of Regents. If the Chief Compliance Officer discovers that a department's or individual's level of compliance is unacceptable, he/she may impose a plan of corrective action, which may include future monitoring of an individual or department on a more frequent basis.

Corrective actions and sanctions for acts of non-compliance will be managed as outlined previously (see *Corrective Action or Discipline section*).

Any credible evidence of non-compliance believed by the Office of Institutional Compliance and Integrity, or other officials of University of North Texas Health Science Center, to violate criminal, civil, or administrative law will be reported by the University of North Texas Health Science Center to the appropriate governmental authority in conjunction with the General Counsel

RISK ASSESSMENT

Changes in the United States Sentencing Guidelines in 2004, give emphasis to implementing an ongoing Risk Assessment as part of an effective Compliance Program. President of the University of North Texas Health Science Center is responsible for identifying significant risks facing UNTHSC. In collaboration with the Office of Institutional Compliance and Integrity and the Chief Audit Executive, an evaluation, assessment and review of identified risk will be conducted so that the institution can make informed decisions about minimizing that level of risk when possible and any appropriate corrective action.

The Office of Institutional Compliance and Integrity and/or Internal Audit will conduct reviews, assessments and/or audits in specific areas that have been identified internally or externally as emerging compliance and ethics risks. This includes, as appropriate, a risk analysis to determine whether key legal and regulatory risks have adequate policies.

The Office of Institutional Compliance and Integrity in collaboration with Internal Audit will:

- a. Assess and prioritize risks (in terms of the likelihood and magnitude of impact);
- b. Present findings to senior management;
- c. Report recommendations regarding a response strategy, as needed and appropriate
- d. Monitor progress on the implementation of the response strategy.

Section I. Organizational Actions

The System-wide Compliance team (which includes Compliance Officers responsible for supporting UNT System Administration, UNT, UNTHSC, and UNT Dallas) is actively engaged in making adjustments to pre-existing compliance programs elements at each campus to ensure that policies are maintained, practices and training are implemented, that encourage ethical conduct and the prevention and detection of misconduct, and establishing campus-level programs that are consistent with the requirements set out in the System Compliance and Integrity Program (C&IP) Regulation. The System Executive Compliance Committee (the most senior UNT System-wide Compliance Committee) is in place, providing leadership, oversight and direction for the C&IP.

Section II. Compliance Risks

High-Risk #1: Emergency Planning & Preparedness and Business Continuity (Interim UNT Dallas Police Chief, UNT Dallas Risk Manager, and UNT Risk Management Services, as applicable)

Action Taken by Management and System Compliance:

- The Interim UNT Dallas (UNTD) Chief of Police coordinated Campus Emergency Response Training (CERT) for next quarter which includes the appropriate response to emergency situations; active shooter; evacuation procedures; shelter-in-place procedures; hazardous materials management; Automated External Defibrillators (AED) training; Cardiopulmonary Resuscitation (CPR) training; fire extinguisher training; first-aid training; bull horn communication training; emergency kit training; and, two-way radio operations.
- Additionally, the UNTD Risk Manager is coordinating an Active Shooter table-top exercise that will take place this summer. This table-top exercise will be designed to evaluate UNTD's current plan of actions and identify strengths and any possible weaknesses, with the result aimed at enhancing UNTD's effectiveness and efficiency during crisis situations.
- System Compliance, UNTD Risk Manager, and the Interim UNTD Chief of Police revised the UNTD Emergency Management Plan, which was approved and published this quarter.
- The Interim UNTD Chief of Police and the UNTD Risk Manager are coordinating actions to ensure emergency communications are in place for the new Student Learning & Success Center (SLSC) building.
- System Compliance continues to meet with the Interim UNTD Chief of Police, UNT Risk Management Services as applicable, and the UNTD Risk Manager, to identify opportunities to enhance emergency planning & preparedness and business continuity processes and procedures at UNT Dallas.

High-Risk #2: Electronic Information Mis-Handling (Information Technology Shared Services - ITSS)

Action Taken by Management:

- The ITSS Information Security Office submits security reports each month to the Texas Department of Information Resources (DIR) in fulfillment of Texas Administrative Code

(TAC) 202.73(b)(2). Reports include instances of security violations involving University resources. Three required monthly reports were submitted to DIR this quarter.

- Texas Administrative Code 202.74(b)(2) requires institutions of higher education to introduce information security awareness and inform new employees of information security policies and procedures during the onboarding process. This material is presented to new employees as part of the online onboarding process facilitated by campus Human Resources. In addition, an on-going security awareness training program is in place for current employees. Security awareness training was provided to forty-three (43) new and current employees.
- IT support is provided to UNT Dallas through Campus Technology Support Services.

Action Taken by System and/or Institutional Compliance:

- System and Institutional Compliance continue to partner with Campus Technology Support Services and ITSS to identify opportunities to enhance the processes and procedures associated with information security and Electronic Information Handling.

High-Risk #3: Grants Management (UNT Dallas Office of Research & Development and UNT's Office of Grants & Contract Administration, as applicable)

Action Taken by Management and System/Institutional Compliance:

- The Office of Sponsored Research Committee continues to meet, facilitate, and oversee the transition of responsibilities for sponsored research from UNT to UNT Dallas.
- UNT Dallas hired the Director of Grants & Reporting, who is overseeing and managing the financial areas of sponsored research (e.g. billing, reporting, invoicing, etc.). The new director started on December 4, 2017.
- System and Institutional Compliance continue to work with UNT Dallas division management, UNT's Office of Grants & Contracts Administration, and other UNT System and campus risk partners to identify opportunities that will enhance the effectiveness of grants management processes, practices, and procedures.

High-Risk #4: Having policies, procedures, and/or practices in place that may not provide protection of minors participating in UNT Dallas related activities (Interim UNT Dallas Police Chief, UNT Dallas Risk Manager, UNT Risk Management Services, and System/Institutional Compliance)

Action Taken by Management and System/Institutional Compliance:

- UNT Risk Management Services (RMS) continues to make 3rd party web based Child Molestation Awareness Training available to UNT Dallas employees and other applicable individuals requiring this training. The Interim UNT Dallas Police Chief has ensured his officers are trained that minors (17 years of age and younger) must be accompanied by an adult while on campus.
- UNT RMS, UNT Dallas Risk Management, UNT Dallas management, and System/Institutional Compliance are working together to ensure that all camps, programs, and activities involving minors are identified and employees, students, and applicable community individuals participating in them have completed required child molestation awareness training and any required criminal history background checks have been completed.

High-Risk #5: Records Management and Retention (Office of Institutional Compliance)

Action Taken by Management and Records Management and/or Institutional Compliance

- The UNT Compliance Officer (and Chief Records Management Officer), the Director of Institutional Records Management, and the Chief Records Management Representative continue to provide in-person records management training to records management personnel at UNT System Administration, UNT, and UNT Dallas. The last training took place on January 31, 2018. The next records management training is scheduled for March 29, and May 15, 2018.
- Additionally, the Records Management team is finalizing the development of online records management training that is designed to be completed by all applicable Records Management Representatives (RMRs) for UNT System Administration, UNT, and UNT Dallas. The online training will be accessed from the Institutional Records Management website, with the exam and tracking being administered through Qualtrics, and training completion information being separately reported into the PeopleSoft Learning Management System.
- The Chief Records Management Officer, Director of Institutional Records Management, and Chief Records Management Representative continue to provide technical advice and guidance to UNT System Administration, UNT, and UNT Dallas management pertaining to complicated records management and retention questions and situations.
- The Chief Records Management Officer, the Director of Institutional Records Management, and the Chief Records Management Representative continue to reinforce the Records Management Representative (RMR) network for UNT System Administration, UNT, and UNT Dallas.

High-Risk #6: Required Compliance Related Training (Office of Institutional Compliance)

Action Taken by Management and/or System/Institutional Compliance

- System/Institutional Compliance (S/IC) in collaboration with the Business Operations training team within Administrative Services (of the UNT Finance and Administration Division) and System Human Resources have developed web-based Compliance Awareness Training that is hosted by the new PeopleSoft Learning Management System.
- This training is designed for UNT System Administration, UNT, and UNT Dallas employees to complete. An additional UNT IT marketing resource was used to ensure that this training is in compliance with the Americans with Disability Act (ADA). This training was rolled-out to UNT employees on February 20, 2018 and UNT employees are scheduled to complete this training on April 20, 2018. This training will be rolled-out to System Administration and UNT Dallas employees during the next quarter.

Section III. Compliance Training

- System/Institutional Compliance (S/IC) in collaboration with the Business Operations training team within Administrative Services (of the UNT Finance and Administration Division) and System Human Resources have developed web-based Compliance Awareness Training that is hosted by the new PeopleSoft Learning Management System.
- This training is designed for UNT System Administration, UNT, and UNT Dallas employees to complete. An additional UNT IT marketing resource was used to ensure that this training is in compliance with the Americans with Disability Act (ADA). This training was rolled-out to UNT employees on February 20, 2018 and UNT employees are scheduled to complete this

training on April 20, 2018. This training will be rolled-out to System Administration and UNT Dallas employees during the next quarter.

- System/Institutional Compliance (S/IC) is working with the Office of General Counsel to develop a format to either convert the lecture version of its current Ethics training or develop new training to an ADA compliant format, designed for UNT System Administration, UNT, and UNT Dallas employees to complete.

Section IV. Confidential and Other Complaint Reporting for UNT Dallas

- UNT Dallas maintains a web-based Compliance Hotline that allows anonymous or confidential reporting as required by the U.S. Federal Sentencing Guidelines.
- There were no reports received by UNT Dallas during this quarter.

UNT Renewal of Interlocal Cooperation Agreement with Denton County Transportation Authority for Provision of Certain Shuttle Bus Service

Presented by:

Allen Clark Ed.D. - AVP Information and Transportation Services

Jim Cline -President DCTA

Date: May 17, 2018

UNT Renewal of Interlocal Cooperation Agreement

- Optimization of service
- Elimination of bus ownership by the university
- Continuation of the Transportation Fee at the 2003 rate. Reevaluation will take place in 2021/2022.

UNT Renewal of Interlocal Cooperation Agreement

Actions taken to review appropriateness of renewal:

- Evaluated transportation vendors
- Developed Pro Forma for efficiency and success
- Committed to maintaining rates
- Created transparent proposal
- Developed long-term plan for advance service
- Developed a process for evaluation of opportunities

Future opportunities with DCTA partnership:

- Plan on seeing increase in ridership
- Expect expansion of IT services
- Support UNT's regional growth plans

UNT Renewal of Interlocal Cooperation Agreement

Summary of Contract:

- Contract period: 10 years. This assists with planned 12-year depreciation of new bus purchase by DCTA.
- Beginning annual payment: \$3.462M. UNT paid \$3.2M in FY2017.
- DCTA will be responsible for on-campus nighttime shuttle service for approximately 20,000 riders per year. This will replace the eRide service.
- Allows for LYFT to manage late night direct pickup and delivery of students.
- UNT will no longer purchase buses or be responsible for deferred maintenance expenses.
- Estimated annual hours of operations: 46,417.
- Will serve approximately 2 million direct riders for pickup and drop off on UNT campus.
