

Visual Schedule Builder is a tool to assist students in planning their academic schedule. Visual Schedule Builder allows you to graphically view schedule options based on the courses and offering times that works best for you.

<http://vsb.unt.edu> will take you to the online location for the resource. Below are additional instructions on how to use this tool

1. Select the term. (The terms that are available will vary depending on the time of the semester.)

Schedule Builder

es Results

Term: 2013 Summer 2013 Fall 2014 Spring

2. Type the course number, title, or instructor's name in the search box.

Visual Schedule Builder

Add Courses Results

Term: 2013 Summer 2013 Fall 2014 Spring

Step 2

Begin typing a course code or name that you would like to take, then click 'Add'.

Example: **dfst 2033**, or **econ 1100**

Select Course Math 1010 Add

- MATH 1010
FUND. OF ALGEBRA
- MATH 1010D
FUND. OF ALGEBRA

Clear this Search

3. Select the desired course from the list that appears.

Visual Schedule Builder

The screenshot shows the 'Visual Schedule Builder' interface. At the top, there are two tabs: 'Add Courses' and 'Results'. Below the tabs, there is a 'Term' selection area with radio buttons for '2013 Summer', '2013 Fall' (which is selected), and '2014 Spring'. A yellow callout box labeled 'Step 2' contains the text: 'Begin typing a course code or name that you would like to take, then click 'Add'. Example: **dfst 2033**, or **econ 1100**'. Below this, there is a search input field with 'Math 1010' entered and an 'Add' button. A dropdown menu is open, showing two options: 'MATH 1010 FUND OF ALGEBRA' (highlighted in blue) and 'MATH 1010D FUND OF ALGEBRA'. Below the dropdown is a 'Clear this Search' link.

4. Click 'Add' to add this course to your schedule options.

5. Repeat steps 2-4 for all desired courses for the term. (To remove a course, click the 'x' in the corner of the box for that section.)

6. Once all the desired courses have been selected click 'Generate Schedules'.

The screenshot shows the 'Visual Schedule Builder' interface with a course added to the list. The course is 'FREN 1010 ELEMENTARY FRENCH'. To the right of the course name, there is an information icon 'i' and a close icon 'x'. Below the course name, there is a dropdown menu with 'Try all sections' selected and a '... Show More' link. Below the course list is a 'Generate Schedules' button. A yellow callout box labeled 'Step 3' contains the text: 'Once the desired courses are listed, click the 'Generate Schedules' button.'

7. All the permutations of the schedule options will be displayed to review. The arrows allow you to view the different options.

If there are multiple section options you may select the desired one by clicking the bullet.

Additional Features are available and more details are available at the end of this document.

8. When you find the option you are interested in, Class numbers are displayed both beneath the class details on the left side and in the text box at the bottom of the schedule.

Copy/paste these numbers into the registration boxes in myUNT to register.

The schedule can be printed using the ‘Print Schedule’ button.

When you are satisfied with the schedule, you can copy the URL at the top and email it to others or save it for later use – pasting the URL into a web browser will show you that schedule.

Additional Features:

- Click and drag the mouse over sections of the calendar to block off certain times so that schedule options are prioritized to not consider sections in the blocked off time. Click again to remove

Visual Schedule Builder

The screenshot shows the Visual Schedule Builder interface. At the top, it indicates 'Combinations checked: 3206' and 'Processing time: 14.48 ms'. Below this, there are navigation options: 'Back to search', 'Print schedule (Printer friendly)', and 'Display helpful tips'. The main area features a calendar grid for the 2013 Fall semester, with columns for days of the week (Mon-Fri) and rows for times (8:00-8:00). A list of course sections is displayed on the left, including MATH 1010, ENGL 1310, and several CRE (Credit by Exam) sections. The interface also includes a 'Sort preferences' dropdown set to 'Most on-campus' and a 'Hide Full Sections' checkbox.

- You may check 'Hide Full Sections' to show only open classes.

Visual Schedule Builder

This screenshot shows a different view of the Visual Schedule Builder. It displays the same 'Combinations checked: 3206' and 'Processing time: 14.48 ms' information. The 'Sort preferences' dropdown is set to 'Most on-campus', and the 'Hide Full Sections' checkbox is checked. The calendar grid for 2013 Fall is shown, with a specific section for MATH 1010 CRE highlighted at 8:00 on Saturday. The interface includes navigation arrows and a '1 of 42' indicator.

- Drop down allows the selection of 'most days off', morning/day/evening classes or time spent on/off campus.
