My UNT

**UNIVERSITY OF NORTH TEXAS®
myUNT®**

The myUNT portal allows you to register for classes, pay tuition and fees, view your financial aid and grades, and much more.

http://my.unt.edu/

EagleConnect: UNT Official Email

EagleConnect is the UNT student email and collaboration system. Features include shared calendars, address books and chat capabilities.

NOTE: Students are required by university policy to read their official UNT email. You may forward your UNT mail to a preferred email address.

For more information and to read your UNT email visit the following link.

http://eagleconnect.unt.edu/

UNT Account Management

The Account Management System, AMS, is the online portal to change or reset your password when it is expiring.

http://ams.unt.edu/

Mobile Web Site

A mobile website is available for accessing UNT information and services from your smart phone.

http://m.unt.edu

Wireless Networking at UNT

UNT offers several methods of connecting access the wireless network. For further information go online

http://www.unt.edu/helpdesk/wireless/

General Access Labs

UNT's general access computer labs and an adaptive lab are open to anyone with a valid UNT identification card. The labs are found throughout the main Denton campus plus two at Discovery Park.

The adaptive lab, located in Sage Hall, Room 153, has adaptive hardware and software for students with special needs. Find the computer labs online at the following link.

http://computerlabs.unt.edu/

Network Access in Dorms

The University of North Texas has partnered with Apogee, Inc. in order to provide ResNet, the network service for all UNT residence halls.

NOTE: Personal wireless routers specifically are not allowed. Your service level will determine how many devices you are allowed to connect to the network.

Wireless access is available in all areas of the residence halls including individual rooms. For more information online, go to the following link.

http://www.myresnet.com/

The residences also have small computer labs where admission is gained by residents swiping their UNT student ID card.
