**What are the requirements?** To be an ambassador you must be a Journalism Major and have a UNT cumulative GPA of at least 3.0. However, GPA's below a 3.0 may still be considered depending on circumstances. You will submit an application followed by an interview process.

**What does being a Mayborn Ambassador mean to you?** Being a Mayborn ambassador means you will be recognized as one of our most elite students. You will be a peer mentor and guide to both prospective and continuing Journalism students. As an ambassador you'll also have numerous opportunities to network and grow personally and professionally. You will also receive a scholarship of \$500 for each semester you serve.
