

# About Our Instructors

## *Industry/Executive Education*

## **Lisa Weston**

**Lisa Weston** is a Research Assistant Professor at the Center for Logistics Education and Research at the University of North Texas.

### **About The Instructor**

Dr. Weston served as Deputy Project Manager to develop task orders and cost estimates for the DART General Planning Contract. Also, she coordinated QA/QC activities for more than two dozen subcontractors for the DART General Planning Contract, a multi-year, multi-firm contract developed to provide DART expertise in a range of transit planning areas. She also served as Deputy Project Manager for the environmental assessment to extend DART's Blue Line to the University of North Texas - Dallas campus.

### **Professional Background**

Prior to joining UNT, Dr. Weston worked for the Texas Commission on Environmental Quality, the Capital Area Metropolitan Planning Organization (CAMPO), and as a consultant. She has also taught transportation related courses at Texas A&M University and the University of Texas at Austin. Since 2009 she has been a certified planner. Dr. Weston has been a part of management teams for regional projects as well as university research projects.

### **Educational Background**

Dr. Weston holds a Ph.D. in Community and Regional Planning from the University of Texas at Austin, a Master's in Energy and Resources from the University of California at Berkeley, and a Bachelor's in Physics from Mount Holyoke College.
