**OVERVIEW AND REQUEST SUMMARY**

As the only public, four-year comprehensive university in the City of Dallas, the hub of the State's most densely populated region, the University of North Texas at Dallas (UNT Dallas) is critical to achieving success in the State's Closing the Gaps Higher Education Plan. Recognizing the potential growth of UNT Dallas, the Dallas Area Rapid Transit (DART) will soon begin construction of a commuter train station adjacent to the campus. The estimated completion date is 2016. Adding the DART South Oak Cliff Blue Line Extension on campus will further bolster enrollment and provide unique opportunities for students and the community throughout the region and the state of Texas. The UNT Dallas requests a new building (Student Learning and Success Center) and \$2,500,000 in special item funding for expansion of existing programs (faculty and support positions).

In Fall 2010, UNT Dallas admitted its first freshman class and enrollment has consistently increased since its inception. In just three years, enrollment rose 1,554% (FTE: 1191 headcount: 2,140; fall 2013). Enrollment in September 2014 is expected to be approximately 2,500 - 3,000 students. UNT Dallas embraces a diverse student population and has been officially designated as a Hispanic Serving Institution. In Fall 2013, 39 % Hispanic, 36 % African-American, 18 % white, and others 7 % enrolled at UNT Dallas. Women represent 70 % of the student body. The number of academic programs at UNT Dallas has grown to 16 undergraduate and 6 graduate degrees. In FY 2013, 466 students (378 undergraduate and 88 graduate students) earned degrees from UNT Dallas.

UNT Dallas was established in 2010 and received accreditation from the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) in 2013.

UNT Dallas is a destination for:

- Experientially learning
- Public/Private partnerships centered on student learning and achievement
- Focus on developing lifelong careers
- Integrity, Civility, Reasoning, Responsibility, and Purposeful decision-making
- An accessible and diverse university for those seeking a quality education
- Providing affordable and excellent education within the Dallas community
- Creating a college-going culture through its relationships with area school districts and community colleges
- Increasing participation in higher education and raising the educational attainment rate among the citizens of the North Texas region through high-quality, interdisciplinary education
- Preparing students to become exemplary citizens who can assume leadership positions in high-demand occupations in a global environment
- Enhancing the quality of life in the region through public-private partnerships that promote college attendance and provide training of the workforce for the region's economy

. Developing and drawing the curriculum upon the city of Dallas itself, in courses that examine urban issues like sustainability, immigration, and spelling out specific learning outcomes as goals.

- Teaching and researching in an environment guided by respect and understanding of diverse viewpoints and the core values of virtue, civility, reasoning, accountability and evidence-based decision-making
- Serving as an anchor institution, promoting economic development in the southern portion of Dallas County

A year ago to reignite the university's growth and development, Dr. Ronald T. Brown was named UNT Dallas president. After extensive searches, he recruited a talented and experienced management team from across the State and the nation to lead the university into the future. Dr. Brown has launched a number of exciting initiatives at UNT Dallas focused on increasing quality education and enrollment. Effective Fall 2014, UNT Dallas will offer an optional guaranteed tuition and a mandatory fee plan for new incoming freshman students and transfer students. All current undergraduate UNT Dallas students will have a one-time opportunity to opt-in to the new plan to ensure they can receive a quality education at an affordable price. The plan offers students the opportunity to lock in their tuition rate, for a maximum of five years, instead of paying the regular tuition rate, which is subject to increase annually. The Fixed Tuition Plan ensures a total tuition and mandatory fee cost of \$7,650 per year for 30 credit hours. The Plan helps students and their families plan for the cost of a college education. The plan also provides an incentive for students to earn a degree in a timely manner. Thus, a student may earn an undergraduate degree in four years for just over \$30,000.

Recognizing that limited programs were being offered, the faculty responded to Dr. Brown's challenge to develop several new and innovative programs. Also, the following six new strategic initiatives and supporting priorities were implemented to ensure success of UNT Dallas over the next decade:

- I. Respect for evidence-based decisions subject to on-going assessment.
- II. A critical mass of curriculum degree programs addressing societal needs, particularly for the North Texas region.
- III. Strategic partnerships that enhance our mission.
- IV. Broad-based approach to supporting and developing students.
- V. A large, diverse, motivated, focused and participating student body.
- VI. Culture of philanthropy, including sustainable giving.

**SUPPORTING PRIORITIES**

To put the key initiatives in place, the University will implement these supporting priorities:

Strategic Initiative I: Respect for evidence-based decisions subject to on-going assessment.

Executive Sponsors: Office of the Provost and Office of the Chief Financial Officer

- Establish metrics for evidence-based decisions.
- Establish an evidence-based decision-making model.
- Use data to decide on improvements.
- Use evidence-based learning techniques to deliver curriculum.
- Use scholarship to inform curriculum.
- Establish a teaching and learning center.

Strategic Initiative II: A critical mass of curriculum degree programs addressing societal needs, particularly for the North Texas region.

Executive Sponsors: Deans and Office of the Provost

- Develop niche programs that will supply the DFW workforce with human capital.
- Develop curriculum that enhances funding.
- Establish a curriculum that reflects the city of Dallas and looks at urban issues
- Develop curriculum with partner input.
- Adopt innovative teaching methodologies.
- Create an advisory board for each division.
- Adopt, exploit alternative teaching methods.
- Infuse experiential learning into all degree programs.

Strategic Initiative III: Strategic partnerships that enhance our mission.

Executive Sponsors: Office of Advancement and Office of External Relations

- Assess current community engagement plan.
- Cultivate community college and school district partners.
- Create, communicate community engagement efforts.
- Create realistic community engagement plan.
- Create 3 Ps – public/private partnerships.
- Create plan to cultivate wide range of stakeholders.
- Partner with stakeholders to create an urban design plan bringing together the campus and adjacent areas.

Strategic Initiative IV: Broad-based approach to supporting and developing students.

Executive Sponsors: Office of the Provost and Office of Student Affairs

- Develop a comprehensive retention plan by strengthening academic support, (e.g. tutoring, advising and the creation of a counseling center).
- Explore development of UNT Dallas sports teams.
- Promote involvement in student organizations and other peer-supported activities.
- Plan resident hall construction to establish a campus community.
- Provide integrated career services program.
- Develop broad-based tutoring program.
- Implement a strong e-portfolio system.

Strategic Initiative V: A large, diverse, motivated, focused and participating student body.

Executive Sponsors: Office of Student Services and Office of the Provost

- Enhance student academic support programs (outcomes based).

- Develop a sustainable, robust recruitment funnel.
- Partner with area high schools to foster joint enrollment.
- Develop 5 to 6 niche academic programs per year that will serve D-FW employers.
- Partner with community colleges for student transfers.
- Operationalize Customer Relationship Management (CRM) tool for recruitment.
- Improve college readiness in local ISDs.
- Increase both full-time equivalency enrollment and credit hours generated.
- Expand recruiting efforts outside the normal channels.
- Build regional recognition of UNT Dallas' graduates' strengths and their workforce readiness.

Strategic Initiative VI: Culture of philanthropy, including sustainable giving.

Executive Sponsors: Office of Advancement and Office of the Provost

- Establish a plan and process for fundraising.
- Create, establish annual goals for giving.
- Create list of specific needs and their cost.
- Re-engage the UNT Dallas Foundation in fundraising.
- Prepare grants for foundations.
- Obtain federal grants for specialized programs (e.g. TRIO)
- Educate faculty and staff on fundraising.
- Advertise students and value stories.

The UNT Dallas developed a plan for the purpose of implementing its strategic initiatives and supporting priorities these include establishing matrices, strategically developing curriculum, developing new degree programs that are aimed at supporting the Dallas-Fort Worth workforce with human capital and developing strategic partnerships that provide joint educational programs between businesses and the University. The University has worked diligently for the purpose of increasing retention of its students that include a cohort model for the freshman year, tutoring and advisement services as well as other specialized student services, all of which have been demonstrated to increase retention. The University is planning resident hall construction and is employing learning communities within its cohort model whereby a group of students take all classes together. The University has been designated as a Hispanic Serving Institution; therefore it is eligible for particular federal grants from the U.S. Office of Education including the TRIO program. One of the core features of the curriculum is the use of experiential learning activities whereby all students complete an internship or capstone experience within their particular area. These experiences are entered into the student's e-portfolio and upon graduation most students will have had sufficient experience to be career ready upon graduation.

#### STUDENT LEARNING AND SUCCESS CENTER

UNT Dallas seeks authorization of tuition revenue bonds in the amount of \$70 million for the construction of a third building, identified as a Student Learning and Success Center. This multi-purpose building will be a technologically advanced facility for students, faculty, and staff to digitally access library and other information technology services (i.e. digital initiatives, such as media production services, testing facilities, distance learning, tutoring, and videoconferencing) services. The Student

Learning and Success Center will provide UNT Dallas with an additional 100,000 square feet of instructional space; will feature an “information commons,” a limited number of traditional book stacks, service desks, quiet computer labs, group study rooms, instructional classrooms, a media library and curriculum materials center, the University’s archives, special collections and public use computers. Librarians will be trained as “embedded” professionals who can work with individual students, faculty and entire classrooms to integrate digital resources in the classroom environment. A portion of the facility will be dedicated to an auditorium and conferencing space for faculty development (particularly for teaching first generation college students), public gatherings in partnership, and student support services. The student support services portion of the building will house First Year Experience seminars and activities, a writing laboratory, tutoring center, study skills programs and accessibility services. Construction of the third building will create a “sense of place” at UNT Dallas, helping to attract and retain students while helping them be successful in their respective academic disciplines. The high-tech nature of the building will especially assist students preparing for careers in the STEM (science, technology, engineering, and math) disciplines. With the third building, UNT Dallas will have a strong physical plant to provide for growth up for up to 6,000 students in the near future and toward its projected enrollment of 16,000 students by 2030.

#### FIVE AND TEN PERCENT REDUCTION PROCESS

UNT Dallas is still in its infancy. While it is difficult to consider further reductions just as the growth curve is accelerating, the University is fully engaged in cost consciousness and efficiency. UNT Dallas has fully embraced the UNT System shared services for purchasing, payments, payroll, accounting, and information technology. If additional reductions are enacted to achieve the 5% and 10% targets, it would impede the University’s ability to meet its continuing operations and certainly prevent any potential growth goal. Specifically, the potential reductions will reduce student services, cut the number of classes offered, and significantly reduce the expected number of graduates produced.

#### ADDITIONAL SPECIAL ITEMS REQUESTED

An additional \$2,500,000 for faculty to expand existing high demand programs with critical faculty and staffing shortages (i.e. tutoring, MBA, Public Health, BAAS, etc.). These funds will be used to hire and retain faculty and student support staff to increase retention rates and help transition students into rewarding careers.

UNT Dallas also requests:

- Investment in higher education through additional funding for base institutional operations. The 83rd Legislature began to phase-in restoration of funding rates, and we request continued increases to the established main formulas for general academic institutions and health-related institutions, as recommended by formula advisory committees to the Texas Higher Education Coordinating Board.
- Increased funding for the Higher Education Fund (HEF).
- Increased support for financial aid.
- Funding to support the cost of the Hazlewood tuition and fee exemption for veterans and their children.

#### CRIMINAL HISTORY BACKGROUND CHECKS

The UNT System Office of Human Resources will provide background checks on all new employees as allowed by Texas Education Code Section 51.215 and Texas Government Code Section 411.094.

The opportunities and challenges facing UNT Dallas are both exciting and immense. Through education, UNT Dallas is poised to change lives, create opportunities, benefit families, communities, and the State of Texas. However, financial resources are necessary to effectively and efficiently transform student learning and graduate career ready students who may eventually assume leadership positions throughout the State of Texas. The Student Learning and Success Center and special item request will ensure UNT Dallas has the resources necessary to fulfill its mission.

**DESCRIPTION / JUSTIFICATION:**

UNT Dallas requests Tuition Revenue Bond authorization of \$70 million for the construction of a Student Learning and Success Center. This technologically advanced multi-purpose facility will have a digital library providing service to students, faculty and staff. Information technology services will include digital initiatives such as media production services, testing facilities, distance learning, tutoring, and videoconferencing. This 175,000 GSF building will feature instructional classrooms, a media library, a curriculum materials center, university archives, special collections, public use computers and student support service including seminar rooms, writing lab, tutoring center, study skills program and accessibility services.

**EXTERNAL/INTERNAL FACTORS:**

Debt Assumptions: 6% interest/20 year term.

**DESCRIPTION / JUSTIFICATION:**

UNT Dallas' Exceptional Item Funding Request is for support in installing new high-demand programs in the following areas: Tutoring, MBA, Public Health, BAAS, etc. These funds will be used to hire and retain faculty and student support staff to help transition students into careers.

**EXTERNAL/INTERNAL FACTORS:**

Major accomplishments to date and expected over the next two years:

UNT Dallas' enrollment has steadily grown from 120 FTE in Fall 2010 to 1,191 FTE in Fall 2013. UNT Dallas also received separate accreditation from the Southern Association of Colleges and Schools in 2013.

Year established and funding source prior to receiving special item funding:

Not applicable

Non-general revenue sources of funding:

UNT Dallas expects the new expansion of programs to be supported by the increase in semester credit hours production from new students.

Consequences of not funding:

No additional support from the State could delay the implementation of high demand programs thereby hindering potential increases in the student population as well as increases in the student retention rate.

**B. Assessment of Fiscal Year 2012 - 2013 Efforts to Meet HUB Procurement Goals**

**Attainment:**

The University of North Texas at Dallas attained or exceeded 2 of 3\*, or 66%, of the applicable statewide HUB procurement goals in fiscal year 2012 while achieving 100% in applicable goals for the fiscal year 2013.

**Applicability:**

The category of Heavy Construction is not applicable to the agency's operations because we do not have programs or projects related to this field and there was no construction during the fiscal years for the goals of building construction. The items coded as Building Construction for the years 2012 and 2013 were coding errors.

**Factors Affecting Attainment:**

Professional services and other services often require specialized knowledge, skills and experience. Due to the specialization required, there are few, if any, HUB vendors in these fields. However, the agency made significant progress from the previous reporting periods in the areas of Special Trades for FY 13.

**"Good-Faith" Efforts:**

The agency made the following good faith efforts to comply with statewide HUB procurement goals:

- Made appropriate updates to HUB website;
- continued in-reach program meeting with departments to discuss HUB program and vendors;
- shared HUB information with campus departments in regards to HUB vendors and the goods/services they sell;
- available expenditure reports for all departments that provide detailed data by university system account number, department or administrative reporting area related to purchases made to HUB Certified Vendors, Minority Vendors and Other Vendors for all HUB procurement categories recognized by the State.

**Project Description**

UNT Dallas requests Tuition Revenue Bond authorization of \$70 million for the construction of a Student Learning and Success Center. This technologically advanced multi-purpose facility will have a digital library providing service to students, faculty and staff. Information technology services will include digital initiatives such as media production services, testing facilities, distance learning, tutoring, and videoconferencing. This 175,000 GSF building will feature instructional classrooms, a media library, a curriculum materials center, university archives, special collections, public use computers and student support service including seminar rooms, writing lab, tutoring center, study skills program and accessibility services.

**Special Item:**     1       **Transitional Funding**

**(1) Year Special Item:**           2012  
Original Appropriations:   \$5,906,181

**(2) Mission of Special Item:**

UNT Dallas is ramping to full speed in pursuit of its mission:

- Creating a college-going culture through its relationships with area school districts and community colleges
- Increasing participation in higher education and raising the educational attainment rate among the citizens of the North Texas region through high-quality, interdisciplinary education. UNT Dallas received funding through UNT System prior to having its own bill pattern.
- Preparing students to become exemplary citizens who can assume leadership positions in high-demand occupations in a global environment
- Enhancing the quality of life in the region through public-private partnerships that promote college attendance
- Teaching and researching in an environment guided by respect and understanding of diverse viewpoints and the core values of virtue, civility, reasoning and accountability
- Serving as an anchor institution, promoting economic development in the southern portion of Dallas County

**(3) (a) Major Accomplishments to Date:**

Enrollment at UNT Dallas has grown from 120 FTE in fall 2000 to 1,090 FTE in fall, and a projected fall 2012 enrollment of 1200 FTE, including 120 freshmen. Inception through academic year 2011 UNT Dallas has graduated 2,218 students, including 489 in 2011 and 492 in 2012. In 2013, UNT Dallas achieved separate accreditation from the Southern Association of Colleges and Schools.

**(3) (b) Major Accomplishments Expected During the Next 2 Years:**

UNT Dallas expects continued student enrollment growth at a rate of approximately 5% per year.

UNT Dallas expects the evaluation and construction of student housing.

Evaluation and creation of Intramural/Intercollegiate sports culture.

**(7) Consequences of Not Funding:**

The UNT Dallas multi-year budget assumes growth in students and semester credit hours approximating 5% or more annually. Investment in this strategy will enable the University to achieve and hopefully exceed the projected enrollment growth, serving more students and progressing to increased revenue self-sufficiency. Not funding this special item would severely impact the new University's ability to grow and achieve its mission.

**(6) Non-general Revenue Sources of Funding:**

N/A

**(7) Consequences of Not Funding:**

The UNT Dallas multi-year budget assumes growth in students and semester credit hours approximating 5% or more annually. Investment in this strategy will enable the University to achieve and exceed the projected enrollment growth, serving more students and progressing to increased revenue self-sufficiency. Not funding this special item would severely impact the new University's ability to grow and achieve its mission.
